ASX Announcement

AERIS RESOURCES TO ACQUIRE PEEL MINING

Strategic transaction to extend Tritton's mine life, reinforcing Aeris as a leading Australian mid-tier copper and gold producer

Highlights:

- Aeris to acquire Peel's South Cobar Copper Project (Mallee Bull & Wirlong) via a Scheme of Arrangement – unanimously recommended by the Peel Board of Directors.
- Logical consolidation to create a diversified +500kt contained copper mining hub.
- Positions Tritton for a +10 year mine life¹.
- Improved operating flexibility, optionality, and reduced complexity at Tritton.
- Materially enhanced market position, becoming a larger, more liquid and more investable copper and gold producer.
- Immediate value realisation for Peel shareholders at an attractive premium whilst retaining ongoing exposure to Mallee Bull, Wirlong and Peel's remaining precious and base metals assets through NewCo.

Aeris Resources Limited (ASX: AIS) (**Aeris** or the **Company**) and Peel Mining Limited (ASX: PEX) (**Peel**) are pleased to announce the execution of a binding Scheme Implementation Deed (**SID**) under which Aeris has agreed to acquire all of the issued capital of Peel by way of a Scheme of Arrangement (the **Scheme**). Peel will also undertake a demerger of its remaining precious and base metals assets in the Cobar Basin (including Southern Nights, Wagga Tank and May Day) into a newly formed company (**NewCo**) allowing Peel shareholders to retain full exposure to the value and upside of these assets in a new vehicle (**Demerger**). Peel anticipates it will apply for listing of NewCo on the ASX². The Scheme and the Demerger are inter-conditional³ (together, the **Transaction**).

¹ This vision is an aspirational statement (and not a production target). Refer to the Forward Looking Statements section of the Disclaimer in the ASX Announcement "Strategic Acquisition of Peel Mining" released 12 February 2026.

² Further details in relation to the assets proposed to be included in NewCo are set out on page 5 of this announcement. At the date of this announcement, the final transaction documents governing the Demerger have not yet been executed but are intended to be finalised by the parties shortly.

³ Which means that neither the Scheme nor the Demerger will be implemented unless they are both implemented, or Aeris and Peel otherwise agree.

Overview:

- A highly synergistic combination of Aeris' Tritton Operations (**Tritton**) with Peel's Mallee Bull and Wirlong Copper Projects.
- Concurrently, Peel's remaining precious and base metals assets in the Cobar Basin (including the high-grade Southern Nights Complex), cash and joint venture interests will be demerged into NewCo via an in-specie distribution of its shares to Peel shareholders.
- In exchange for their shares, Peel shareholders will receive:
 - 0.3363 Aeris shares for every one (1) Peel share held, valuing the South Cobar Copper Project and associated tenements at \$0.19 per share⁴; and
 - Indicatively one (1) NewCo share for every 4.6 Peel shares held, valued at \$0.044 per Peel share⁵.
- Peel shareholders will own 20.5% of the pro-forma shares outstanding of the enlarged Aeris (**Combined Group**) if the Scheme is implemented.
- The Transaction values Peel at A\$0.234 per share (based on the closing price of Aeris on 11 February 2026), and A\$214 million on a diluted equity value basis⁶, representing:
 - 46.0% premium to Peel's closing share price;
 - 49.1% premium to Peel's one-month VWAP; and
 - 53.4% premium to two-month VWAP.
- **The Transaction is unanimously recommended by the Peel Board of Directors, which advises shareholders to vote in favour of the Transaction** in the absence of a superior proposal and subject to the independent expert (to be appointed by Peel) concluding (and continuing to conclude) that the Transaction is in the best interest of Peel shareholders⁷.
- Major Peel shareholder, Perth Capital Pty Ltd and its associates which controls 139,017,840 shares in Peel (representing approximately ~16.1% of Peel) also supports the Transaction, and have provided a Voting Intention Statement confirming that it intends to vote, or cause to be voted, all those Peel shares in favour of the Transaction, subject to no superior proposal emerging and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interest of Peel shareholders.

Strategic Rationale for the Transaction

✓ Logical consolidation to create a diversified +500kt contained copper mining hub

- Peel's Mallee Bull and Wirlong projects contain a combined MRE (Indicated and Inferred classification) of 10.6Mt @ 1.85% Cu for 197kt of contained Cu (74% Indicated) and are located within haulage distance of Tritton.
- Combined Tritton and South Cobar Copper Project MRE of 29.5 Mt @ 1.73% Cu for 511kt of contained Cu⁸.
- Ability to fully utilise Aeris' +1.8Mtpa Tritton processing plant, reducing unit costs and eliminating the significant capital, complexity and funding risk associated with building a new processing plant at South Cobar.

⁴ Based on the last closing price of Aeris of \$0.565 per share.

⁵ Refer to Peel's ASX announcement "Landmark Sale of South Cobar Copper Project to Aeris Resources and Creation of a New ASX-listed Precious and Base Metals Explorer" lodged on 12 February 2026.

⁶ Based on 863,105,460 ordinary Peel shares, 15,400,000 Peel performance rights, and 38,893,334 options, fully diluted.

⁷ As at the date of this announcement, Peel Directors have a Relevant Interest in 42,034,380 Peel shares held directly, representing approximately 4.9% of Peel's ordinary shares. In addition, Peel Directors hold 32,166,667 Peel options and 7,000,000 Peel performance rights.

⁸ Comprised of: Peel's South Cobar Copper Project which contains a combined MRE (Indicated and Inferred classification) of 10.6Mt @ 1.85% Cu for 197kt of contained Cu (74% Indicated) and Aeris' Tritton Copper Mining Complex which contains a combined MRE (Measured, Indicated and Inferred) of 18.9Mt @ 1.7% Cu for 314kt of contained Cu (58% Measured and Indicated). Refer to the Disclaimers for further details in respect of the Mineral Resource estimates.

- ✓ **Combination that positions and de-risks Tritton for a +10 year mine life**
 - Unlocks potential to increase mine life to over 10 years.
 - Mine life expected to be underpinned by baseload feed from Constellation and Mallee Bull, supplemented by other known deposits at Tritton and Wirlong to diversify the production base.
 - High quality resource at Mallee Bull with 88% of the Mineral Resource in Indicated status, enabling declaration of a Maiden Ore Reserve within 6 months of completion.

- ✓ **Improved operating flexibility, optionality, and reduced complexity at Tritton**
 - Significant work already undertaken on an integration study, including optimising synergies between Tritton and Mallee Bull.
 - Potential to optimise mine scheduling providing improved resource and operating efficiency.
 - Aeris intends to invest in further resource drilling at Wirlong, a highly prospective exploration project and potential future ore source for Tritton.

- ✓ **Materially enhanced market position, becoming a larger, more liquid and more investable copper and gold producer**
 - Pro-forma market capitalisation of A\$851 million (pre any potential re-rating including potential inclusion in the ASX300 index).
 - Combined Group copper resource endowment of 981 kt contained Cu⁹.
 - Robust balance sheet with ~A\$106 million in cash and concentrate receivables and no debt.

- ✓ **Immediate value realisation for Peel shareholders at an attractive premium whilst retaining meaningful exposure to the ongoing potential of Mallee Bull and Wirlong**
 - Attractive premium of 46.0% to Peel's closing share price and a 49.1% premium to Peel's one month VWAP (including the additional value received by Peel shareholders from their shareholding in NewCo).
 - Transforms Peel shareholders from having an interest in an exploration and development company to having an aggregate ~20.5% interest in a more robust ASX listed copper and gold producer.
 - Continue to be fully exposed to the exploration and development potential of NewCo, to be led by Peel's CEO and Managing Director, Nick Woolrych.

Executive Chairman of Aeris, Andre Labuschagne, commented:

"This transaction represents an exciting step forward in Aeris' strategy to unlock value from maximising Tritton's processing capacity and its strategic location. Peel's South Cobar Copper Project is a logical source of ore for Tritton offering scope to extend mine life and transform our mining complex into a larger, and more resilient operation.

The Transaction unlocks compelling value for both Aeris and Peel shareholders – a true 'win-win' outcome. We welcome Peel shareholders to become part of our larger, copper and gold company with strong, diversified cash flows, a robust balance sheet and enhanced market position."

⁹ Comprised of: Peel's South Cobar Copper Project which contains a combined MRE (Indicated and Inferred classification) of 10.6Mt @ 1.85% Cu for 197kt of contained Cu and Aeris' Group MRE (Measured, Indicated and Inferred) of 44.5Mt @ 1.8% Cu for 784kt of contained Cu. Refer to the Disclaimers for further details in respect of the Mineral Resource estimates.

Managing Director and CEO of Peel, Nick Woolrych, commented:

"The combination of Aeris and Peel represents a compelling and logical consolidation within the Cobar Basin, providing a clear pathway to accelerate and de-risk the development of the South Cobar Copper Project by leveraging Aeris' operational expertise and the high-quality Tritton processing facility.

Peel shareholders will receive immediate value at an attractive premium and will hold approximately 20.5% of the combined group – allowing them to benefit from the market re-rate that is expected to flow from the creation of a larger base and precious metals producer with increased mine life and an enhanced production profile.

In addition, Peel shareholders will benefit from the proposed demerger of the Company's Cobar Basin exploration portfolio through NewCo, receiving an in-specie distribution of shares in a new base and precious metals focused exploration company.

This transaction provides Peel shareholders with a compelling opportunity to participate in consolidation in the Cobar Basin, with material exposure to copper production under the stewardship of a high-quality management team, and ongoing exploration exposure within NewCo. On behalf of the Peel Board, we are delighted to recommend this transaction to our shareholders."

Transaction Details

a) Scheme of Arrangement

Aeris and Peel have executed the SID, under which Aeris will acquire all of the issued shares in Peel pursuant to the Scheme. Under the terms of the proposed Scheme, Peel shareholders will receive 0.3363 Aeris shares for every Peel share they hold. Assuming the Scheme is implemented, Peel shareholders will own ~20.5% of the pro-forma shares outstanding of the Combined Group.

The Scheme is subject to certain customary conditions set out in the SID (a full copy of which is attached), including:

- Approval being obtained from Peel shareholders in relation to both the Scheme (requiring approval of a majority in number of Peel shareholders voting and approval of Peel shareholders who represent at least 75% of the total votes cast) and the Demerger pursuant to the Corporations Act and ASX Listing Rules (if required).
- Receipt of requisite Court and other regulatory approvals.
- Ministerial consent related to the internal restructure of certain assets held by the Peel group in preparation for the Transaction (as required).
- The Independent Expert concluding that the Scheme is in the best interests of Peel shareholders and not changing, or publicly withdrawing that conclusion.
- No material adverse change, or prescribed occurrences (each as defined in the SID) occurring in relation to either Aeris or Peel.
- The agreement required to effect the demerger of NewCo being duly executed (on terms approved in writing by Aeris).
- Other conditions customary for a public transaction of this nature.

The SID contains customary deal protection mechanisms including standard exclusivity provisions such as including "no shop", "no talk", and "no due diligence", a notification obligation and a "matching right" in favour of Aeris. Certain deal protection mechanisms are subject to customary exceptions which allow the Peel Directors to comply with their respective fiduciary and/or statutory duties. The SID contains certain circumstances under which Peel may be required to pay a break fee to Aeris or Aeris may be required to pay a break fee to Peel.

All outstanding Peel options are intended to be exercised or cancelled, and all Peel performance rights are expected to vest and convert into Peel shares, prior to the record date for the Scheme.

The SID (a full copy of which is attached) sets out the detailed provisions relating to the implementation of the Scheme. Further information in relation to the Scheme will be set out in the Scheme booklet, currently expected to be released in early May 2026.

b) Peel Demerger of NewCo

Peel and NewCo are proposing to enter into a Demerger Implementation Deed (**DID**), under which Peel will demerge NewCo via a capital reduction. Under the Demerger, Peel shareholders are currently anticipated to receive one (1) share in NewCo for every 4.6 Peel shares they hold. The capital reduction to effect the Demerger will require Peel shareholder approval, and certain other items necessary to prepare NewCo for its application for listing on the ASX may also be put to Peel shareholders for approval.

The composition of NewCo will include the following assets:

- The Southern Nights Complex located in the Cobar Basin (includes the Southern Nights and Wagga Tank deposits) which contains a combined MRE of 10.0Mt @ 7.69% ZnEq¹⁰ for 768kt contained ZnEq (46% Indicated);
- The May Day deposit located in the Cobar Basin which hosts a MRE of 1.61Mt @ 0.98g/t Au, 25g/t Ag, 0.92% Zn, 0.61% Pb (51koz Au, 1.3Moz Ag, 15kt Zn, 10kt Pb) and remains open down-plunge and along strike;
- ~1,375km² of 100% owned highly prospective exploration tenure in the Cobar Basin; and
- Peel's cash on completion, net of transaction costs and completion adjustment, is to be transferred from Peel to NewCo as part of the Transaction, on implementation of the Demerger.

NewCo will pursue a dual track growth strategy to:

1. Unlock the value of its high quality precious and base metals assets in the Cobar Basin; and
2. Pursue M&A growth opportunities in the international precious and base metals sector.

NewCo intends to apply for listing on the ASX (subject to receipt of necessary regulatory approvals)¹¹.

More information in relation to the Demerger, the capital reduction, NewCo and any other resolutions in relation to NewCo will be set out in the Explanatory Memorandum in the Notice of Extraordinary General Meeting for the proposed Demerger, currently expected to be released in late May 2026.

Peel Board Recommendation

The Board of Peel has unanimously recommended that, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Transaction is in the best interest of Peel shareholders, all Peel shareholders vote in favour of the Transaction, and any other resolutions put to Peel shareholders at the meetings to implement the Demerger and otherwise to prepare NewCo for listing.

¹⁰ See metal equivalent calculations included in Peel's investor presentation lodged with ASX on 5 November 2025.

¹¹ Investors are cautioned that although the application for admission of NewCo to the official list of ASX is intended to occur after implementation of the Scheme, there can be no certainty as to the timing of when such application will be made or that any such application will be successful. Any application by NewCo to admission of the official list of ASX will be subject to satisfying the requirements of ASX.

As at the date of this announcement, Peel Directors have a Relevant Interest in 42,034,380 Peel shares held directly, representing approximately 4.9% of Peel's ordinary shares. In addition, Peel Directors hold 32,166,667 Peel options and 7,000,000 Peel performance rights. As noted above, the Peel options are expected to be exercised or cancelled and all Peel performance rights are expected to vest and convert into Peel shares, prior to the Record Date for the Scheme.

The **Peel Board members intend to vote in favour of the Transaction** and any general meeting resolutions in relation to their personal shareholdings in Peel, in the absence of a superior proposal (and subject to any other applicable voting restrictions) and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interest of Peel shareholders.

Peel Shareholder Intention Statements

Perth Capital Pty Ltd and its associates which controls 139,017,840 shares in Peel (representing approximately ~16.1% interest in Peel) have provided a Voting Intention Statement confirming that it intends to vote, or cause to be voted, all those Peel shares in favour of the Transaction and any resolutions which are related to or for the purpose of implementing the Transaction, subject to no superior proposal emerging and subject to the independent expert concluding, and continuing to conclude, that the Scheme is in the best interests of Peel shareholders.

Indicative Timetable

If:

- (a) there is a breach or non-satisfaction of a Condition which is not satisfied or waived (where capable of waiver) in accordance with this deed by the time or date specified in this deed for the satisfaction of the Condition (or by the End Date, if no such time and date is specified);
- (b) there is an act, failure to act, event or occurrence which will, or which either party becomes aware will be reasonably likely to prevent a Condition being satisfied by the time or date specified in this deed for the satisfaction of the Condition (or by the End Date if no such time and date is specified) (and the breach or non-satisfaction of the Condition which would otherwise occur has not already been waived in accordance with this deed); or
- (c) the Scheme has not become Effective by the End Date,

then either party may give the other party written notice (**Consultation Notice**) requiring the Target and the Bidder to consult, acting reasonably and in good faith, with a view to determining whether:

Scheme Implementation Deed

- (d) to extend the relevant time for satisfaction of the Condition or to adjourn or change the date of an application to the Court;
- (e) the Transaction may proceed by way of an alternative means or methods to as to achieve an outcome that is:
 - (1) commercially substantially the same as the Scheme and SpinCo Demerger; and
 - (2) no less favourable to Target Shareholders than would result from the implementation of the Scheme and SpinCo Demerger;
- (f) to extend the End Date; or
- (g) do all, or any combination of, the matters listed in clauses 3.6(d) to 3.6(f) (inclusive).

3.7 Failure to agree

If the Target and the Bidder are unable to reach an agreement under clause 3.6 within 5 Business Days after the delivery of the Consultation Notice (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) then, after expiry of such period and in each case before the Delivery Time:

- (1) subject to clauses 3.7(2) and 3.8, either party may terminate this deed by writing to the other party; or
- (2) if a Condition may be waived and exists for the benefit of one party only, that party may only waive that Condition or terminate this deed by writing to the other party.

For the avoidance of any doubt, nothing in this clause 3.7 affects the obligation of the Target to pay the Target Payment or the obligation of Bidder to pay the Bidder Payment (in each case, if it is required to do so under clause 11).

3.8 Exception

A party will not be entitled to terminate this deed pursuant to clause 3.7 if the relevant Condition has not been satisfied or agreement cannot be reached as a result of:

- (a) a breach of this deed by that party; or
- (b) a deliberate act or omission of that party for the purpose of frustrating satisfaction of the Condition.

3.9 Scheme voted down because of Headcount Test

If the Scheme is not approved by Peel Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and the Target and the Bidder consider, acting reasonably, that the splitting by a holder of Target Shares into two or more parcels of Target Shares (whether or not it results in any change in beneficial ownership of the Target Shares), or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied and the parties have in good faith formed the view that the prospect of the Court exercising its discretion is reasonable, then the Target must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and

Scheme Implementation Deed

- (b) make such submissions to the Court and file such evidence as counsel engaged by the Target to represent it in Court proceedings related to the Scheme, in consultation with Aeris, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

- (e) Failure by a party to meet any timeframe or deadline set out in the Indicative Timetable will not constitute a breach of this clause to the extent that such failure is due to circumstances and matters outside of the party's control or due to the Target taking or omitting to take any action in response to a Competing Proposal as permitted or contemplated by this deed.
- (f) Each party must keep the other informed about their progress against the Indicative Timetable and notify each other if it believes that any of the dates in the Indicative Timetable are not achievable.

- (d) Promptly after receipt of the Sale Proceeds, the Bidder will pay in Australian dollars to each Ineligible Foreign Holder and Non-electing Small Shareholder such proportion of the Sale Proceeds to which that Ineligible Foreign Holder and Non-electing Small Shareholder is entitled, in accordance with the terms of the Scheme and in full satisfaction of their right to the Scheme Consideration.
- (e) For the purposes of this clause 5.3 each Ineligible Foreign Holder and Non-electing Small Shareholder appoints the Bidder as its agent to receive on its behalf any financial services guide or other notices (including any updates to those documents) that the nominee is required to provide to Ineligible Foreign Holders and Non-electing Small Shareholders under the Corporations Act.

5.4 Fractional entitlements

- (a) Any fractional entitlement of a Scheme Shareholder (other than an Ineligible Foreign Holder and Non-electing Small Shareholders) to a part of a New Bidder Share will be rounded up or down to the nearest whole number of New Bidder Shares.
- (b) The fractional entitlements of Ineligible Foreign Holders and Non-electing Small Shareholders will be dealt with in accordance with clause 5.3(a)

5.5 Share Splitting

If the Bidder is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 5.4) have, before the Record Date, been party to Share Splitting or division in an attempt to obtain unfair advantage by reference to such rounding, the Bidder may give notice to those Scheme Shareholders:

- (a) setting out their names and registered addresses as shown in the Target Share Register;
- (b) stating that opinion; and
- (c) attributing the Scheme Shares held by all of them to one of them as specifically identified in the notice,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme and Deed Poll, be taken to hold no Scheme Shares. The Bidder, in complying with the other provisions of the Scheme and Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme and Deed Poll.

5.6 Australian Tax roll-over

- (a) The Bidder acknowledges that each Scheme Shareholder who is an Australian resident for tax purposes and who holds their Scheme Shares on capital account (not as trading stock or revenue assets) may be eligible to choose to obtain roll-over relief under subdivision 124-M of the Tax Act in respect of the disposal of their Scheme Shares under the Scheme, subject to satisfying the relevant conditions under that Subdivision, including the requirement that the Bidder becomes the owner of 80% or more of the voting shares in the Target as a result of the Scheme.
- (b) The Bidder acknowledges that the Target may apply for a Class Ruling from the Australian Taxation Office confirming the availability of roll-over relief under subdivision 124-M of the Tax Act and related matters in relation to the Scheme. The Bidder must provide the Target with such assistance and information as may reasonably be requested by the Target for the purposes of obtaining such ruling.
- (c) The Bidder undertakes that it will not make a choice to deny roll-over relief to the Scheme Shareholders under subsection 124-795(4) of the Tax Act.

 - (1) determine the amount of the CGT Withholding Amount;
 - (2) determine the amount of the New Bidder Shares as is necessary in the opinion of the Bidder to account for the CGT Withholding Amount (taking into account potential fluctuations in share price and an amount necessary to cover costs associated with the share sale facility described in clause 5.3) that would otherwise have been issued to a Scheme Shareholder to be sold via the share sale facility described in clause 5.3);

Scheme Implementation Deed

- (3) procure that the Sale Agent appointed under clause 5.3 will then pay to the Bidder the CGT Withholding Amount from the Sale Proceeds, after deducting any applicable fees, brokerage, taxes and charges (reasonably incurred by the Sale Agent) and the Bidder will then pay the CGT Withholding Amount to the Commissioner of Taxation within the time required under Subdivision 14-D of Schedule 1 to the Taxation Administration Act. Alternatively, where the Bidder remits the CGT Withholding Amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 to the Taxation Administration Act, the Bidder will be entitled to retain as reimbursement an amount equal to the CGT Withholding Amount paid to the Commissioner from the Sale Proceeds;
 - (4) be deemed to have satisfied its obligations to pay the Scheme Consideration to the relevant Scheme Shareholder for the purposes of the Scheme to the extent of that payment; and
 - (5) pay any excess Sale Proceeds to the relevant Scheme Shareholder in accordance with clause 5.3.
- (c) The Bidder acknowledges and agrees that it shall not pay any CGT Withholding Amount to the Commissioner with respect to a Scheme Shareholder where the Bidder:
- (1) receives a valid Declaration from the Scheme Shareholder prior to the Implementation Date and the Bidder does not know that the Scheme Shareholder Declaration is false; or
 - (2) receives a Nil Variation Notice from the Scheme Shareholder prior to the Implementation Date.
- (d) If the Bidder forms the view that it knows or suspects that a Declaration it has received from a Scheme Shareholder is false, and the Bidder received the Declaration more than 30 days before the Implementation Date, the Bidder agrees that it shall not pay any CGT Withholding Amount to the Commissioner in respect of that Scheme Shareholder until it has:
- (1) provided information upon which it relied to form that view to the Target Shareholder who has provided that Declaration no less than 20 days before the Implementation Date;
 - (2) provided the Scheme Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than 10 days before the Implementation Date; and
 - (3) reviewed any response from the Scheme Shareholder and, after having reconsidered its view, still be of the view that it has knowledge that the Declaration it has received is false.
- (e) The Target agrees that the Bidder may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that the Bidder reasonably require in making any such approach.

- (c) Without limiting the operation of clause 10 or the preceding provisions of this clause 7.1, if circumstances arise, including the receipt or expected receipt of an unfavourable report from the Independent Expert (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more Target Board Members adversely changing, withdrawing, adversely modifying or adversely changing their recommendation to vote in favour of the Scheme, the Target must:
- (1) immediately notify the Bidder of this fact; and
 - (2) consult with the Bidder in good faith for two Business Days after the date on which the notice above is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal or variation (as applicable).

7.2 Confirmation

The Target represents and warrants to the Bidder that it has been advised by each Target director in office at the date of this deed that he or she will make and maintain their Recommendation and Voting Intention unless permitted to change or withdraw it in accordance with this deed.

 - (1) the SpinCo Group's business is identified as being owned by the Target then, subject to customary limitations and qualifications, the Target will be obligated to transfer, assign or grant rights over that asset to SpinCo for nil or nominal consideration; or
 - (2) the Target is identified as being owned by the SpinCo Group then, subject to customary limitations and qualifications, the SpinCo Group will be obligated to transfer, assign or grant rights over that asset to the Target for nil or nominal consideration.
- (d) The Target must not take any action, or omit to take any action, which would prevent or delay the SpinCo Demerger without the prior written consent of the Bidder.

 - (2) **Survival period:** claims under the Tax, Duty, Duty, Tax Costs and expenses indemnity must be notified in writing within the later of:
 - (A) 6 years of the Implementation Date; and
 - (B) 4 years after lodgement of the Target's income tax return for the income year that includes the Implementation Date;
 - (3) **De minimis threshold:** the SpinCo Group is not liable for any individual claim where the Tax, Duty, Tax Costs and expenses payable is less than \$50,000, and no claim may be made unless the aggregate of all claims exceeds \$100,000;
 - (4) **Exclusion of consequential loss:** the SpinCo Group is not liable for any indirect, consequential or punitive damages, loss of profits, or loss of opportunity;
 - (5) **No double recovery:** the Target may not recover under the indemnity to the extent it has already recovered or is entitled to recover from any other source (including insurance or a third party);
 - (6) **Mitigation:** the Target must take reasonable steps to mitigate any loss for which it seeks indemnification;
 - (7) **Conduct of claims:** the SpinCo Group has the right (but not the obligation) to assume conduct of any Tax audit, dispute or proceeding giving rise to an indemnity claim, at its own cost, and the Target must not settle or compromise any such matter without SpinCo's prior written consent (not to be unreasonably withheld);
 - (8) **Notification requirement:** the Target must notify the SpinCo Group of any potential indemnity claim within 20 Business Days of becoming aware of the relevant Tax liability or assessment, and failure to do so will reduce SpinCo's liability to the extent it has been prejudiced by the delay; and
 - (9) **Gross-up exclusion:** any gross-up for Tax payable by the Target on indemnity payments is limited to Tax at the prevailing corporate tax rate and excludes any additional Tax arising from the Target's particular circumstances (e.g., prior year losses, franking account position); and
- (c) the SpinCo Group will be responsible for all Target and SpinCo Group transaction costs associated with the Transaction, the Restructure and the SpinCo Demerger, including without limitation the payment of any benefits or amounts to Target directors, employees or contractors and all legal, financial and other advisory costs and expenses, and the SpinCo Group will indemnify the Target in respect of any and all costs associated with the Transaction, the Restructure or the Demerger that have not been paid prior to the Implementation Date. For the avoidance of doubt, any such costs or expenses paid by the Target prior to the Effective Date in respect of the Transaction, the Restructure and the SpinCo Demerger will be treated as having been paid by SpinCo and will not be a liability of SpinCo to the Target; and

Scheme Implementation Deed

- (d) the Target will, prior to the Effective Date, ensure that all costs associated with the Transaction, the Restructure and the SpinCo Demerger, including without limitation the payment of any benefits or amounts to Target directors, employees or contractors and all legal, financial and other advisory costs and expenses, that are reasonably ascertainable by the Target have been paid prior to the transfer of any cash from the Target to SpinCo pursuant to the Restructure.

9. Target Options and Target Performance Rights

- (a) Prior to 8.00am on the Second Court Date, the Target must have put arrangements in place (including obtaining any necessary ASX Waivers) so that:
- (1) all Target Options; and
 - (2) all Target Performance Rights,
- will either vest (and have resulted in the issue of Target Shares), lapse or otherwise be cancelled or terminated by no later than the Implementation Date.
- (b) The Target will use reasonable endeavours to encourage Target Optionholders to elect to exercise their Target Options through cashless exercise, where the terms of those Target Options allow for it. The Target represents to the Bidder that each Director of the Target who holds Target Options has confirmed to Target that he intends to make this cashless exercise election, where available.
- (c) Any cash paid by Target Optionholders for exercise of Target Options will be retained by the Target and not transferred to SpinCo, under the terms of the Demerger Implementation Deed.

10. Exclusivity arrangements

10.1 No current discussions

- (a) The Target represents and warrants that, as at the date of this deed:
- (1) it is not a party to any agreement or arrangement with any third party entered into for the purposes of facilitating an actual, proposed or potential Competing Proposal, other than agreements pursuant to which due diligence access has been terminated;
 - (2) it is not, directly or indirectly, in any negotiations or discussions, and has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal; and
 - (3) any due diligence access granted to any third party for the purposes of such third party making, formulating, developing or finalising, or assisting in the making, formulation, development or finalisation of, a Competing Proposal has been terminated.
- (b) Subject to clause 10.6, the Target undertakes, in respect of any confidentiality or other agreement it has with any person that has been entered into in the last 12 months in connection with the provision of confidential information to that person or in connection with a Competing Proposal, to not waive, and to promptly enforce (including in respect of an anticipated breach), any standstill obligations under any such agreements.

Scheme Implementation Deed

- (c) The Target must, and must procure that its Related Bodies Corporate, cease any negotiations, discussions or other communications existing as at the date of this deed relating to any actual, proposed or potential Competing Proposal, or any transaction that would, or would reasonably be expected to, reduce the likelihood of success of the Transaction.

10.2 No Shop

During the Exclusivity Period, the Target must not, and must ensure that its Representatives and Related Bodies Corporate do not, except with the prior written consent of the Bidder, directly or indirectly solicit, invite, encourage or initiate any Competing Proposal or any enquiries, negotiations or discussions with any Third Party or communicate any intention to do any of these things which may reasonably be expected to lead to an actual, proposed or potential Competing Proposal.

10.3 No talk and no due diligence

Subject to clause 10.6, during the Exclusivity Period, the Target must not, and must ensure that its Representatives and Related Bodies Corporate do not, except with the prior written consent of the Bidder, directly or indirectly:

- (a) facilitate, enter into, continue or participate in any negotiations or discussions with any Third Party in relation to a Competing Proposal or which may reasonably be expected to lead to a Competing Proposal;
- (b) negotiate, accept or enter into (or offer or agree to negotiate, accept or enter into) any agreement, arrangement or understanding with any Third Party in relation to a Competing Proposal or which may reasonably be expected to lead to an actual, proposed or potential Competing Proposal;
- (c) disclose, provide or make available any information to a Third Party for the purposes of enabling that party to make (or with a view of obtaining, or which would reasonably be expected to encourage or lead to) an actual, proposed or potential Competing Proposal or any agreement, arrangement or understanding that might be reasonably expected to lead to a Competing Proposal; or
- (d) communicate any intention to do any of the things listed in clauses 10.3(a), 10.3(b) or 10.3(c),

even if that person's Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by the Target, any member of the Target Existing Group, any of its Representatives or the person has publicly announced the Competing Proposal.

10.4 Notification of approaches

During the Exclusivity Period, the Target must promptly notify the Bidder in writing (and in any event within 24 hours of becoming aware) if:

- (a) it (or any member of the Target Existing Group or its Representatives) receives or becomes aware of an approach or attempt by any person regarding any actual, proposed or potential Competing Proposal, including details of the party making the proposal, the terms of the proposal and any material updates to the proposal; or
- (b) it (or any member of the Target Existing Group or its Representatives) receives or becomes aware of a proposal made to the Target or any member of the Target Existing Group or its Representatives regarding an actual, proposed or potential Competing Proposal, including details of the party making the proposal, the terms of the proposal and any material updates to the proposal,

Scheme Implementation Deed

whether direct or indirect, in writing or otherwise, and whether or not that Competing Proposal was solicited, invited, encouraged or initiated by the Target, any member of the Target Existing Group or any of its Representatives.

10.5 Exclusivity of due diligence

Subject to clause 10.6, during the Exclusivity Period, the Target must not, and must ensure that neither it nor any member of the Target Existing Group or any of its Representatives, in relation to an actual, proposed or potential Competing Proposal:

- (a) enables any other person to undertake due diligence investigations on any member of the Target Existing Group, any of the operations or assets of the business of the Target Existing Group or any part thereof;
- (b) makes available to any other person, or permits any other person to receive any non-public information relating to any member of the Target Existing Group, any of the operations or assets of the business of the Target Existing Group or any part thereof;
- (c) makes available to any other person, or permits any other person to have access to, any officers or employees of the Target Existing Group; or
- (d) makes available to any other person, or permits any other person to have access to any premises or sites used, leased, licenced or owned by the Target Existing Group,

other than the Bidder and any other person nominated by the Bidder (whether in the course of due diligence or otherwise).

10.6 Fiduciary exception

Clauses 10.1(b), 10.3, 10.4 and 10.5 do not apply to the extent that they restrict the Target from taking or refusing to take any action with respect to a genuine actual, proposed or potential Competing Proposal (which was not directly or indirectly solicited, invited, encouraged or initiated by the Target, any member of the Target Existing Group or any of its Representatives during the Exclusivity Period in breach of clause 10) provided that the Target Board has first determined acting in good faith, that:

- (a) after consultation with its financial advisors, such a genuine actual, proposed or potential Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisors (who must be reputable advisors experienced in transactions of this nature), taking or refusing to take such action in compliance with clauses 10.1(b), 10.3, 10.4 or 10.5 (as applicable) in relation to such genuine actual, proposed or potential Competing Proposal would constitute, or would be likely to constitute, a breach of any member of the Target Board's fiduciary or statutory duties,

provided that to the extent the Target, any member of the Target Existing Group or its Representatives propose to provide information to which clause 10.5 applies, the Target has entered into a binding confidentiality agreement with the relevant person who will receive that information, and either:

- (c) the terms of the confidentiality agreement are no less favourable to the Target than the Confidentiality Agreement; or
- (d) the Target agrees to amend the terms of the Confidentiality Agreement such that the obligations imposed on the Bidder under that agreement are no less favourable to the Bidder than the obligations imposed on the relevant person who will receive that information are to that other person.

Scheme Implementation Deed

10.7 Matching Right

- (a) During the Exclusivity Period, the Target:
- (1) must not and must procure that each of its Related Bodies Corporate do not enter into any legally binding agreement arrangement or understanding (whether in writing or not) pursuant to which a Third Party proposes, or proposes to undertake to give effect to a Competing Proposal; and
 - (2) must use reasonable endeavours to procure that none of its directors change, withdraw or modify their Recommendation or Voting Intention in favour of the Scheme by reason of a Competing Proposal, publicly recommend, support or endorse a Competing Proposal or make any public statement to the effect that they may do so at a future point in time (provided that a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board and its Advisors will not contravene this clause),
- unless:
- (3) the Target Board, acting in good faith and in order to satisfy what the directors of the Target consider to be their statutory or fiduciary duties (having received written legal advice from their external legal adviser) determine that the Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal;
 - (4) the Target has provided the Bidder with the material terms and conditions of the Competing Proposal;
 - (5) the Target has given the Bidder at least 2 Business Days after the provision of the information referred to in paragraph 10.7(a)(4) above to provide a matching or superior proposal to the terms of the relevant Competing Proposal (**Bidder Counter Proposal**); and
 - (6) the Bidder has not in that time period provided a Bidder Counter Proposal that the Target directors determine has terms and conditions (taken as a whole) that are equal to or more favourable than those of the relevant Competing Proposal and would deliver an equal or superior outcome for Target Shareholders.
- (b) The Target must use its reasonable endeavours to procure that its directors, within 2 Business Days of receiving Bidder Counter Proposal (if provided), consider the Bidder Counter Proposal in good faith and notify the Bidder as to the outcome of its determination of the Bidder Counter Proposal.
- (c) If the notification provided by the Target to the Bidder pursuant to clause 10.7(b) is that the Target Board has determined that the Bidder Counter Proposal would provide an equal or superior outcome to Target Shareholders compared to the Competing Proposal, then the Target and the Bidder must use their reasonable endeavours to agree any necessary amendments to this deed and agree such other documents that are reasonably necessary to reflect the Bidder Counter Proposal as soon as reasonably practicable and the Target must use reasonable endeavours to procure that each of the directors of the Target continue to recommend that Target Shareholders vote in favour of the Scheme (as modified by the Bidder Counter Proposal) (subject to the same qualifications as set out in clause 7.1).
- (d) For the avoidance of any doubt, in the event that the Bidder has not made a Bidder Counter Proposal by the expiry of the period referred to in clause 10.7(a)(5) or the notification provided by the Target to the Bidder pursuant to clause 10.7(b) is that the Target Board has determined that the Bidder Counter Proposal would not provide an

Scheme Implementation Deed

equal or superior outcome to Target Shareholders compared to the Competing Proposal, then the Target Board may:

- (1) publicly change or withdraw its statement that they consider the Scheme to be in the best interests of Target Shareholders and/or its recommendation that Target Shareholders vote in favour of the Scheme; and
- (2) enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party proposes undertake or give effect to a Competing Proposal.

10.8 Normal provision of information

Nothing in this clause prevents the Target from:

- (a) providing information to its Representatives;
- (b) providing information to any Regulatory Authority;
- (c) providing information to its employees, auditors, consultants, customers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its Listing Rules disclosure obligations; or
- (e) making presentations to brokers, portfolio investors, analysts and other Third Parties in the ordinary course of business.

10.9 Compliance with law

- (a) If it is finally determined by a court or the Takeovers Panel that the agreement by the parties under this clause 10 or any part of it:
 - (1) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Target Directors;
 - (2) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
 - (3) was, or is, or would be unlawful for any other reason,

then, to that extent (and only to that extent) the Target will not be obliged to comply with that provision of this clause 10.

- (b) The parties must not make or cause or permit to be made on their behalf, any application to a court or the Takeovers Panel for or in relation to a determination referred to in clause 10.9(a).

10.10 Legal advice

The Target acknowledges that it has received legal advice on this deed and the operation of this clause 10 from reputable legal advisers experienced in transactions of this nature.

Scheme Implementation Deed

11. Reimbursement of Costs

11.1 Rationale and nature of payment

Each party acknowledges and agrees that:

- (a) it has required the inclusion of this clause 11 in the absence of which it would not have entered into this deed or otherwise agreed to implement the Scheme, subject to the terms and conditions in this deed;
- (b) it believes that the Scheme will provide significant benefits to it and its shareholders, and that it is reasonable and appropriate that the Target (in respect of the Target Payment) and the Bidder (in respect of the Bidder Payment) agree to the inclusion of this clause 11 in order to secure the other party's execution of this deed and agreement to implement the Scheme, subject to the terms and conditions in this deed;
- (c) it has received legal advice on the operation of this clause 11 from reputable legal advisers experienced in transactions of this nature;
- (d) the amount payable by the Target (in respect of the Target Payment) pursuant to clause 11.2 and by the Bidder (in respect of the Bidder Payment) pursuant to clause 11.3 is to be purely and strictly compensatory in nature so as to compensate the Bidder (in respect of the Target Payment) and the Target (in respect of the Bidder Payment) for the following:
 - (1) advisory costs relating to the Scheme;
 - (2) costs of management and directors' time;
 - (3) out-of-pocket expenses relating to the Scheme, and relating to the Restructure and preparation for the SpinCo Demerger (in the case of the Target);
 - (4) reasonable opportunity costs incurred by the Bidder or the Target (as applicable) in pursuing the Scheme or in not pursuing other alternative acquisitions or strategic initiatives which the Bidder or the Target (as applicable) could have developed to further its business and objectives; and
 - (5) damage to the Bidder's or the Target's (as applicable) reputation associated with a failed transaction and the implications of that damage to the Bidder's or the Target's (as applicable) business; and
- (e) the costs incurred by each party are of a nature that cannot be accurately quantified, and that a genuine pre-estimate of the costs to be incurred by each of the Target and the Bidder would equal or exceed the compensatory amount payable under clause 11.2 and clause 11.3, respectively.

11.2 The Target Payment

The Target agrees to pay the Target Payment to the Bidder without deduction, set off or withholding if:

- (a) **(Competing Proposal)** a Competing Proposal is announced before the earlier of the Second Court Date and termination of this deed, and within 12 months after the date of this deed, the Third Party who announced the Competing Proposal (or any of its Associates) completes that Competing Proposal; or
- (b) **(Change of recommendation)** during the Exclusivity Period, one or more of the Target directors fail to recommend the Scheme or publicly change, modify or withdraw

Scheme Implementation Deed

their Recommendation or Voting Intention or publicly recommend, support or endorse a Competing Proposal, unless it occurs after:

- (1) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Scheme occurs because of a requirement or request by a court or a Regulatory Authority that one or more Target Board Members abstain or withdraw from making a recommendation that Target Shareholders vote in favour of the Scheme after the date of this deed;
 - (2) the Independent Expert has concluded in the Independent Expert's Report that the Scheme is not in the best interests of Target Shareholders (other than any Excluded Shareholders), except where the conclusion is due partly or wholly to the existence, announcement or publication of a Competing Proposal;
 - (3) the Independent Expert changes or publicly withdraws its conclusion that the Scheme is in the best interests of Target Shareholders (other than any Excluded Shareholders), except where the conclusion is due partly or wholly to the existence, announcement or publication of a Competing Proposal; or
 - (4) the Target has become entitled to terminate this deed pursuant to clause 3.7 or 15.3(b)(1) and has given the appropriate notice to the Bidder; or
- (c) (**Termination**) the Bidder terminates this deed in accordance with clause 15.2(b)(1), 15.2(b)(2)(B) or 15.2(b)(5).

11.3 The Bidder Payment

The Bidder agrees to pay the Bidder Payment to the Target without deduction, set off or withholding if:

- (a) at any time after the date of this deed, the Target terminates this deed in accordance with clause 15.3(b)(1) or 15.3(b)(3)(B); or
- (b) the Bidder does not pay or procure the payment of the Scheme Consideration in accordance with the terms and conditions of this deed, the Scheme and the Deed Poll.

11.4 Timing of payment of Break Fee

- (a) A demand by a party for payment of the Target Payment under clause 11.2 or the Bidder Payment under clause 11.3 must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (3) state the circumstances which give rise to the demand; and
 - (4) nominate an account in the name of the Bidder or a Related Body Corporate into which the Target is to pay the Target Payment, or the Target or a Related Body Corporate into which the Bidder is to pay the Bidder Payment (as applicable).
- (b) The Target must pay the Target Payment into the account nominated by the Bidder and the Bidder must pay the Bidder Payment into the account nominated by the Target (as applicable), without deduction, set-off or withholding, within 5 Business Days after receiving a valid demand for payment where the Bidder is entitled under clause 11.2 to the Target Payment or the Target is entitled under clause 11.3 to the Bidder Payment (as applicable).

Scheme Implementation Deed

11.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Target Payment or the Bidder Payment (as applicable) (**Impugned Amount**):
- (1) would, if paid, be unlawful for any reason;
 - (2) involves a breach of the fiduciary or statutory duties of the Target Board; or
 - (3) constitutes 'unacceptable circumstances' within the meaning of the Corporations Act or breaches an order of the Takeovers Panel,
- then:
- (4) the requirement to pay the Target Payment or the Bidder Payment (as applicable) does not apply to the extent of the Impugned Amount; and
 - (5) if the Bidder or the Target (as applicable) has received the Impugned Amount, it must refund it within 5 Business Days of the final determination.
- (b) The Target and the Bidder must not make, or cause to be made, any application to the Takeovers Panel or a Court for or in relation to a declaration or determination referred to in this clause 11.5.

11.6 One payment only

- (a) Where the Target Payment becomes payable to the Bidder under clause 11.2 and is actually paid to the Bidder, the Bidder cannot make any claim against the Target for the payment of any subsequent Target Payment.
- (b) Where the Bidder Payment becomes payable to the Target under clause 11.3 and is actually paid to the Target, the Target cannot make any claim against the Bidder for the payment of any subsequent Bidder Payment.

11.7 No payment if Scheme Effective

Despite anything to the contrary in this deed (including the occurrence of any event in clause 11.2 or clause 11.3), neither the Target Payment nor the Bidder Payment will be payable if the Scheme becomes Effective and if any amount has already been paid, it must be refunded by the Bidder or the Target (as applicable) within 10 Business Days after the Scheme becomes Effective.

11.8 The Target's limitation of liability

- (a) Notwithstanding any other provision of this deed, the maximum liability of the Target to all other persons under or in connection with this deed, including in respect of any breach of this deed (except to the extent that the breach arises out of wilful or deliberate breach of this deed by the Target Existing Group or its Representative) and the indemnity in clause 13.5, will be the amount of the Target Payment.
- (b) A payment made by the Target in accordance with this clause 11 represents the sole and absolute liability of the Target and any member of the Target Existing Group under or in connection with this deed and represents the sole and absolute remedy to the Bidder, and no further damages, fees, expenses or reimbursements of any kind will be payable by the Target under or in connection with this deed.

Scheme Implementation Deed

- (c) The amount of the Target Payment to be paid to the Bidder under this clause 11 will be reduced by the amount of any loss or damage recovered by the Bidder in relation to a breach of this deed and the indemnity clause 13.5.

11.9 The Bidder's limitation of liability

- (a) Notwithstanding any other provision of this deed, the maximum liability of the Bidder to all other persons under or in connection with this deed, including in respect of any breach of this deed (except to the extent that the breach arises out of wilful or deliberate breach of this deed by the Bidder Group or its Representative) and the indemnity in clause 13.2, will be the amount of the Bidder Payment.
- (b) A payment made by the Bidder in accordance with this clause 11 represents the sole and absolute liability of the Bidder and any member of the Bidder Group under or in connection with this deed and represents the sole and absolute remedy to the Target, and no further damages, fees, expenses or reimbursements of any kind will be payable by the Bidder under or in connection with this deed.
- (c) The amount of the Bidder Payment to be paid to the Target under this clause 11 will be reduced by the amount of any loss or damage recovered by the Target in relation to a breach of this deed and the indemnity in clause 13.2.
- (d) Notwithstanding any other provision of this deed, the Bidder Payment under this clause 11 will not be payable if the SpinCo Demerger has not been implemented in accordance with the SpinCo Demerger Agreement on or prior to the Implementation Date.
- (e) For the avoidance of doubt, the Bidder's obligation to pay Scheme Consideration in accordance with the Scheme and the Deed Poll is not limited by this clause 11.9.

11.10 Survival

Any accrued obligations under this clause 11 survives termination of this deed.

12. Releases and insurance

12.1 Liability of directors, officers and employees

To the maximum extent permitted by law, each Party releases all rights against, and agrees that it will not make any claim against, the other party's past or present Representatives in respect of any matter arising in connection with this deed or the Transaction, including:

- (a) any breach of any representation or warranty;
- (b) any disclosure containing any statement which is false or misleading (whether by omission or otherwise); or
- (c) any failure to provide information,

whether current, future, known or unknown, arising at common law, in equity, under statute or otherwise, except:

- (d) in the case of the release in clause 12.1(a), to the extent arising from the fraud of the relevant Representative; and
- (e) otherwise, to the extent arising from the fraud, dishonesty or wilful default of the relevant Representative.

Scheme Implementation Deed

12.2 Directors and officers insurance

- (a) The Bidder acknowledges and agrees that:
- (1) subject to clause 12.2(b), prior to the Implementation Date, the Target may arrange and pay all premiums required for run off directors' and officers' liability insurance cover (**Run Off Cover**) to be put in place for the benefit of each Beneficiary on, so far as practicable, terms (including as to limits of liability and deductibles) no less favourable than under the Policy; and
 - (2) the Run Off Cover will cover claims made up to 7 years after the Implementation Date in respect of conduct or matters occurring on or before the Implementation Date.
- (b) Prior to purchasing any Run Off Cover, the Target must provide the Bidder with the terms of the proposed Run Off Cover, including the price.

12.3 Obligations in relation to directors and officers insurance

From the Implementation Date, the Bidder must procure that the Target does not:

- (a) vary or cancel the D&O Policy or Run Off Cover; or
- (b) unless required under the D&O Policy or Run Off Cover, commit any act or omission that may prejudice any claim by a Beneficiary under the Policy or Run Off Cover.

12.4 Directors and officers indemnities

Without limiting any other term of this deed, the Bidder undertakes that it will, from the Implementation Date and in respect of each deed of indemnity, access and insurance (**Relevant Deed**) made by a member of the Target Existing Group (**Relevant Entity**) in favour of a director, officer or employee of any member of the Target Existing Group, whether past or present, (**Indemnified Person**) from time to time procure that:

- (a) the Relevant Entity complies with the Relevant Deed; and
- (b) to the extent that the Relevant Entity ceases to exist after the Implementation Date, each Indemnified Person has the benefit of an indemnity from another member of the Target Existing Group of good financial standing on terms no less favourable to the Indemnified Person than those contained in the Relevant Deed as at the Implementation Date.

12.5 Compliance with law and benefit

- (a) Clause 12.1 and clause 12.4 are subject to any restriction under the Corporations Act and will (if and to the extent required) be read down accordingly.
- (b) The Bidder acknowledges and agrees that the Target holds the benefit of this clause 12 to the extent it relates to each Target Indemnified Party as trustee for them, and, as such, each such Target Indemnified Party may enforce this clause 12 against the Bidder.
- (c) The Target acknowledges and agrees that the Bidder holds the benefit of this clause 12 to the extent it relates to each Bidder Indemnified Party as trustee for them, and, as such, each such Bidder Indemnified Party may enforce this clause 12 against the Target.

Scheme Implementation Deed

13. Representations, warranties and indemnities

13.1 Representations and warranties by the Bidder

The Bidder represents and warrants to the Target (on its own behalf and separately as trustee for each of the Target Indemnified Parties) that each of the Bidder Warranties is true and correct in all material respects:

- (a) as at the date of this deed;
- (b) as at the date the Scheme Booklet is despatched to Scheme Shareholders; and
- (c) at the Delivery Time,

unless the relevant Bidder Warranty is expressed to be given only at a particular time in which case it is given as at that time.

13.2 The Bidder's indemnity

- (a) The Bidder acknowledges and agrees that in entering into this deed the Target and the Target Indemnified Parties have relied on the Bidder Warranties.
- (b) Subject to clause 11.9, the Bidder indemnifies the Target (on its own behalf and separately as trustee for each of the Target Indemnified Parties) against any claim, action, damage, liability, cost, expense, payment or loss suffered or incurred by reason of any breach of any of the Bidder Warranties.

13.3 Qualifications of the Bidder's Warranties and the indemnity

- (b) Subject to clause 11.8, the Target indemnifies the Bidder (on its own behalf and separately as trustee for each of the Bidder Indemnified Parties) against any claim, action, damage, liability, cost, expense, payment or loss suffered or incurred by reason of any breach of any of the Target Warranties.

13.6 Qualifications of the Target's Warranties and the indemnity

- (b) A breach of a Target Warranty will not be considered a material breach for the purposes of this deed, and will not be considered to make the Target Warranty untrue or incorrect in a material respect for the purposes of this deed, to the extent that the breach of Target Warranty:
 - (1) relates solely to the SpinCo Group, or its assets, liabilities, contracts or other aspects (as applicable);
 - (2) does not affect the Target Remaining Group, or its assets, liabilities (including without limitation, by creating exposure or increasing the exposure of the Target or a member of the Target Remaining Group to liability arising from such breach of Target Warranty), contracts or other aspects (as applicable), in any material respect after the Demerger and Implementation; and

2. Conditions precedent

2.1 Conditions

The Scheme is conditional upon, and will have no force or effect until, the satisfaction of each of the following conditions, and the provisions of clauses 3 and 4 will not come into effect unless and until each of these conditions have been satisfied:

- (a) as at the Delivery Time, each of the conditions set out in clause 3.1 of the Scheme Implementation Deed (other than the condition relating to the approval of the Court set out in clause 3.1(b) of the Scheme Implementation Deed) has been satisfied or waived in accordance with the terms of the Scheme Implementation Deed;
- (b) as at the Delivery Time, neither the Scheme Implementation Deed nor the Deed Poll has been terminated;
- (c) the Court approves this Scheme under section 411(4)(b) of the Corporations Act including any alterations made or required by the Court under section 411(6) of the Corporations Act as are acceptable to the Target and the Bidder (each acting reasonably);
- (d) such other conditions made or required by the Court under section 411(6) of the Corporations Act in relation to this Scheme as are acceptable to the Target and the Bidder (each acting reasonably) have been satisfied or waived; and

Scheme of Arrangement

- (e) the coming into effect, pursuant to section 411(10) of the Corporations Act, of the orders of the Court made under section 411(4)(b) of the Corporations Act (and, if applicable, section 411(6) of the Corporations Act) in relation to this Scheme.

2.2 Certificates in relation to Conditions

On the Second Court Date:

- (a) the Target must provide to the Court a certificate (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not the Conditions set out in clauses 2.1(a) and (b) have been satisfied or waived; and
- (b) the Bidder must provide to the Court a certificate (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not the Conditions set out in clauses 2.1(a) and (b) have been satisfied or waived.

The certificates may be provided by the Target and the Bidder as a joint certificate.

2.3 Termination of Scheme Implementation Deed

Without limiting any rights under the Scheme Implementation Deed, in the event that the Scheme Implementation Deed is terminated in accordance with its terms before the Delivery Time, the Target and the Bidder are each released from:

- (a) any further obligation to take steps to implement this Scheme; and
- (b) any liability with respect to this Scheme.

3. Scheme

3.1 Effective Date of this Scheme

Subject to clause 3.2, this Scheme will take effect on and from the Effective Date.

3.2 End Date

This Scheme will lapse and be of no further force or effect if the Effective Date has not occurred on or before the End Date, or such later date as the Target and the Bidder agree in writing.

3.3 Deed Poll

- (a) This Scheme attributes actions to the Bidder but does not itself impose an obligation on it to perform those actions.
- (b) The Bidder has agreed, by executing the Deed Poll, to perform the actions attributed to it under this Scheme, including the provision or procuring the provision of the Scheme Consideration to the Scheme Shareholders.

Scheme of Arrangement

4. Implementation of Scheme

4.1 Bidder Nominee

- (a) Pursuant to clause 2.3 of the Scheme Implementation Deed, the Bidder may nominate a wholly owned Subsidiary of the Bidder (**Bidder Nominee**) to provide the Scheme Consideration and to whom the Scheme Shares are to be transferred in accordance with clause 4.3 of this Scheme.
- (b) If the Bidder nominates a Bidder Nominee, then clause 2.3 of the Scheme Implementation Deed provides that:
 - (1) the Target and the Bidder must procure that the Scheme Shares transferred under this Scheme are transferred to the Bidder Nominee rather than the Bidder;
 - (2) the Bidder must procure that the Bidder Nominee:
 - (A) complies with the Scheme Implementation Deed as if the Bidder Nominee were a party to it in place of the Bidder; or
 - (B) executes and delivers to the Target a deed poll of accession in favour of the Target under which the Bidder Nominee agrees to comply with the Scheme Implementation Deed as if it were a party to it in place of the Bidder; and
 - (3) any such nomination will not relieve the Bidder of its obligations under the Scheme Implementation Deed, including the obligation to provide the Scheme Consideration as contemplated by the terms of the Scheme Implementation Deed and this Scheme (provided that the Bidder will not be in breach of the Scheme Implementation Deed if it does not discharge an obligation where that obligation has been fully discharged by the Bidder Nominee).
- (c) If the Bidder validly nominates a Bidder Nominee in accordance with the Scheme Implementation Deed and the Bidder Nominee provides the deed poll described in clause 4.1(b)(2)(B) of this Scheme, references in this Scheme to "the Bidder" will be read as "the Bidder or the Bidder Nominee (as applicable)" to the extent necessary to achieve the objective stated in clause 4.1(a). For the avoidance of doubt, such deemed reading does not of itself relieve the Bidder of any of the obligations attributed to it under this Scheme.

4.2 Lodgement of Court Orders with ASIC

If the Conditions (other than the Condition set out in clause 2.1(e)) are satisfied, the Target must promptly lodge with ASIC in accordance with section 411(10) of the Corporations Act an office copy of the Court order approving this Scheme, and in any event by no later than 5:00 pm on the Business Day following the date on which the Court approves this Scheme or such other Business Day as the Target and the Bidder agree in writing.

4.3 Transfer of Scheme Shares

On the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 5.2, all of the Scheme Shares will, together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date (excluding, for the avoidance of doubt, any entitlement to participate in the SpinCo Demerger as that term is defined in the Scheme Implementation Deed), be transferred to the Bidder without

Scheme of Arrangement

the need for any further act by any Scheme Shareholder (other than acts performed by the Target or its directors as attorney or agent for the Scheme Shareholders under this Scheme) by:

- (1) the Target delivering to the Bidder a completed Scheme Transfer duly executed on behalf of the Scheme Shareholders in accordance with clause 8.1 of this Scheme; and
 - (2) the Bidder delivering to the Target a completed Scheme Transfer, duly executed by the Bidder, and thereafter Bidder attending to the stamping of the Scheme Transfer (if required); and
- (b) immediately following receipt of the Scheme Transfer in accordance with clause 4.3(a), the Target must enter, or procure the entry of, the name and address of the Bidder in the Target Share Register as the holder of all of the Scheme Shares.

5. Scheme Consideration

5.1 Entitlement to Scheme Consideration

Subject to the terms of this Scheme, each Scheme Shareholder (other than Ineligible Foreign Holders and Non-electing Small Shareholders) will be entitled to receive 0.3363 New Bidder Shares for every Scheme Share held by that Scheme Shareholder on the Scheme Record Date.

5.2 Provision of Scheme Consideration

The Bidder will provide the Scheme Consideration by issuing, or causing to be issued, the Scheme Consideration to each Scheme Shareholder (or in the case of Ineligible Foreign Holders and Non-electing Small Shareholders, to the Sale Agent) on the Implementation Date in accordance with the Scheme.

5.3 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any Scheme Consideration will be issued to the joint holders;
- (b) any holding statements for the New Bidder Shares to be issued to Scheme Shareholders will be issued in the names of the joint holders; and
- (c) any other document required to be sent under this Scheme will be issued in the names of the joint holders,

and will be forwarded to the holder whose name appears first in the Target Share Register as at the Record Date.

5.4 Fractional entitlements and share splitting or division

- (a) If the number of Scheme Shares held by a Scheme Shareholder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration results in a fractional entitlement to a New Bidder Share, then the entitlement of that Scheme Shareholder must be rounded up or down to the nearest whole New Bidder Share (with any such fractional entitlement of less than 0.5 being rounded down to the nearest whole number and any such fractional entitlement of 0.5 or more being rounded up to the nearest whole number).

Scheme of Arrangement

- (b) If the Bidder is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 5.4(a)) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain unfair advantage by reference to such rounding, the Bidder may give notice to those Scheme Shareholders:
- (1) setting out their names and registered addresses as shown in the Target Share Register;
 - (2) stating that opinion; and
 - (3) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all of the specified Scheme Shares will, for the purposes of the other provisions of this Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the other provisions of this Scheme, be taken to hold no Scheme Shares. The Bidder in complying with the other provisions of this Scheme relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme.

5.5 Ineligible Foreign Holders and Non-electing Small Shareholders

- (a) A Small Shareholder may elect to receive the Scheme Consideration as New Bidder Shares pursuant to clause 5.2 of this Scheme by providing the Target Share Registry with a duly completed Opt-in Notice prior to the Opt-in Notice Cut-Off Date.
- (b) The Bidder will be under no obligation under this Scheme to issue, and will not issue or procure to be issued any New Bidder Shares to Ineligible Foreign Holders or Non-electing Small Shareholders, and instead:
- (1) unless the Bidder and the Target otherwise agree, on or before the Implementation Date the Bidder will issue or procure that the New Bidder Shares to which the Ineligible Foreign Holders and Non-electing Small Shareholders would have otherwise been entitled to receive under the Scheme be issued to the Sale Agent;
 - (2) the Bidder will procure that, as soon as reasonably practicable and in any event not more than 15 Business Days after the Implementation Date that the Sale Agent sells on ASX or another prescribed financial market all of the New Bidder Shares issued to the Sale Agent pursuant to clause 5.5(b)(1) in such manner, at such price and on such terms as the Sale Agent determines in good faith (and at the risk of the Ineligible Foreign Holders and Non-electing Small Shareholders) and subject to the receipt of the Sale Proceeds, remits or procures to be remitted, to the Bidder, the Sale Proceeds;
 - (3) promptly after receipt of the Sale Proceeds, the Bidder will pay in Australian dollars to each Ineligible Foreign Holder and Non-electing Small Shareholders such proportion of the Sale Proceeds as the number of New Bidder Shares which would have been issued to that Ineligible Foreign Holder or Non-electing Small Shareholder (if they were eligible to receive New Bidder Shares) represents as a portion of all New Bidder Shares which would have been issued to all Ineligible Foreign Holders and Non-electing Small Shareholders (if they were eligible to receive New Bidder Shares) in full satisfaction of the

Scheme of Arrangement

Bidder's obligations to those Ineligible Foreign Holders and Non-electing Small Shareholders under the Scheme in respect of the Scheme Consideration;

- (4) the Bidder will pay the relevant fraction of the Sale Proceeds to each Ineligible Foreign Holder and Non-electing Small Shareholders by either:
 - (A) dispatching, or procuring the dispatch, to that Ineligible Foreign Holder or Non-electing Small Shareholder by prepaid post to that Ineligible Foreign Holder's Registered Address (at the Record Date), a cheque in the name of that Ineligible Foreign Holder; or
 - (B) making a deposit in an account with any ADI (as defined in the *Banking Act 1959* (Cth)) in Australia notified by that Ineligible Foreign Holder or Non-electing Small Shareholder to the Target (or the Target Share Registry) and recorded in or for the purposes of the Target Share Register at the Record Date,

for the relevant amount, with that amount being denominated in Australian dollars;

- (5) for the purposes of this clause 5.5 each Ineligible Foreign Holder and Non-electing Small Shareholders appoints the Bidder as its agent to receive on its behalf any financial services guide or other notices (including any updates to those documents) that the Sale Agent is required to provide to Ineligible Foreign Holders and Non-electing Small Shareholders under the Corporations Act; and
- (6) each Ineligible Foreign Holder and Non-electing Small Shareholders acknowledges that none of the Bidder, the Target or the Sale Agent gives any assurance as to the price that will be achieved for the sale of the New Bidder Shares described in clause 5.5(b)(2) and that the Bidder, the Target and the Sale Agent expressly disclaim any fiduciary duty to the Ineligible Foreign Holders and Non-electing Small Shareholders which may arise in connection with this clause 5.5.

5.6 Status of New Bidder Shares

Subject to this Scheme becoming Effective, the Bidder must:

- (a) issue the New Bidder Shares required to be issued by it under this Scheme on terms such that each New Bidder Share will rank equally in all respects with each existing Bidder Share;
- (b) ensure that each such New Bidder Share is validly issued in accordance with all applicable law and the Bidder's constitution, fully paid and free from any mortgage, charge, lien, encumbrance or other Security Interest or third-party rights;
- (c) ensure that the New Bidder Shares issued be entitled to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of Bidder Shares on and after the Implementation Date; and
- (d) use its best endeavours to ensure that the New Bidder Shares will be listed for quotation on the official list of ASX with effect from the Business Day after the Effective Date (or such later date as ASX may require), initially on a deferred settlement basis and, with effect from the first Business Day after the Implementation Date, on an ordinary (T+2) settlement basis.

Scheme of Arrangement

5.7 Orders of a court

In the case of notice having been given to the Target (or the Target Share Registry) of an order made by a court of competent jurisdiction:

- (a) which requires consideration to be provided to a third party (either through payment of a sum or issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder in accordance with clauses 5.1 and 5.2 of this Scheme, then the Target shall be entitled to procure that provision of that consideration is made in accordance with that order; or
- (b) which would prevent the Target or the Bidder from providing consideration to any particular Scheme Shareholder in accordance with clauses 5.1 and 5.2 of this Scheme or the payment or issuance of such consideration is otherwise prohibited by applicable law, the Target or the Bidder (as applicable) shall be entitled not to issue, or to issue to a trustee or nominee, such number of New Bidder Shares as that Scheme Shareholder would otherwise be entitled to under clause 5.2 until such time as the consideration may be provided by that or another order or otherwise by applicable law,

and in either case such deducted or withheld amounts or New Bidder Shares will be treated for all purposes under this Scheme as having been paid or issued to the Scheme Shareholder in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts or New Bidder Shares are actually remitted or issued as required.

5.8 Withholding

- (a) For the purpose of this clause 5.8:

Declaration means a declaration provided by a Scheme Shareholder in accordance with section 14-225 and section 14-210(3) of Schedule 1 to the Taxation Administration Act.

Nil Variation Notice means a notice from the Commissioner of Taxation under section 14-235 of Schedule 1 to the Taxation Administration Act varying the CGT Withholding Amount to nil.

- (b) If the Bidder determines (acting reasonably and in good faith) that it is required to pay an amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 to the Taxation Administration Act (a **CGT Withholding Amount**) with respect to the acquisition of the Scheme Shares from certain Scheme Shareholders, the Bidder is permitted to take the required steps to withhold and remit such amounts to the Commissioner, including:
 - (1) determine the amount of the CGT Withholding Amount;
 - (2) determine the amount of the New Bidder Shares as is necessary in the opinion of the Bidder to account for the CGT Withholding Amount (taking into account potential fluctuations in share price and an amount necessary to cover costs associated with the share sale facility described in clause 5.5) that would otherwise have been issued to a Scheme Shareholder to be sold via the share sale facility described in clause 5.5);
 - (3) procure that the Sale Agent appointed under clause 5.3 of the Scheme Implementation Deed will then pay to the Bidder the CGT Withholding Amount from the Sale Proceeds, after deducting any applicable fees, brokerage, taxes and charges (reasonably incurred by the Sale Agent) and the Bidder will then pay the CGT Withholding Amount to the Commissioner of Taxation within the

Scheme of Arrangement

time required under Subdivision 14-D of Schedule 1 to the Taxation Administration Act. Alternatively, where the Bidder remits the CGT Withholding Amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 to the Taxation Administration Act, the Bidder will be entitled to retain as reimbursement an amount equal to the CGT Withholding Amount paid to the Commissioner from the Sale Proceeds;

- (4) be deemed to have satisfied its obligations to pay the Scheme Consideration to the relevant Scheme Shareholder for the purposes of the Scheme to the extent of that payment; and
 - (5) pay any excess Sale Proceeds to the relevant Scheme Shareholder in accordance with clause 5.5 of this Scheme.
- (c) The Bidder shall not pay any CGT Withholding Amount to the Commissioner with respect to a Scheme Shareholder where the Bidder:
- (1) receives a valid Declaration from the Scheme Shareholder prior to the Implementation Date and the Bidder does not know that the Scheme Shareholder Declaration is false; or
 - (2) receives a Nil Variation Notice from the Scheme Shareholder prior to the Implementation Date.
- (d) If the Bidder forms the view that it knows or suspects that a Declaration it has received from a Scheme Shareholder is false, and the Bidder received the Declaration more than 30 days before the Implementation Date, the Bidder shall not pay any CGT Withholding Amount to the Commissioner in respect of that Scheme Shareholder until it has:
- (1) provided information upon which it relied to form that view to the Scheme Shareholder who has provided that Declaration no less than 20 days before the Implementation Date;
 - (2) provided the Scheme Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than 10 days before the Implementation Date; and
 - (3) reviewed any response from the Scheme Shareholder and, after having reconsidered its view, still be of the view that it has knowledge that the Declaration it has received is false.
- (e) The Target agrees that the Bidder may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that the Bidder reasonably requires in making any such approach.
- (f) The Bidder agrees:
- (1) to provide the Target with a reasonable opportunity to review the form and content of all materials to be provided to the ATO under and must incorporate the Target's reasonable comments on those materials; and
 - (2) not to contact any Target Shareholders in connection with the application of Subdivision 14-D to the Scheme without the Target's prior written consent.
- (g) The Target and the Bidder must:

Scheme of Arrangement

- (2) take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation.

6. Dealings in Target Shares

6.1 Dealings in Target Shares by the Scheme Shareholders

- (b) in all other cases, registrable transfers or transmission applications in respect of those dealings are received on or before the Record Date at the place where the Target Share Register is kept,

and the Target will not accept for registration, or recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title), any transmission application or transfer in respect of Target Shares received on or after the Record Date, or received prior to the Record Date but not in registrable or actionable form.

6.2 Target Share Register

The Target will, until the Scheme Consideration has been paid and the Bidder has been entered in the Target Share Register as the holder of all of the Scheme Shares, maintain the Target Share Register in accordance with the provisions of this clause 6 and the Target Share Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.

6.3 Information to be made available to the Bidder

The Target must procure that as soon as practicable following the Record Date, details of the names, registered addresses and holdings of Target Shares of every Scheme Shareholder shown in the Target Share Register at the Record Date are made available to the Bidder in such form as the Bidder may reasonably require.

6.4 Effect of share certificates and holding statements

As from the Record Date (and other than for the Bidder following the Implementation Date), all share certificates and holding statements for the Scheme Shares will cease to have effect as documents of title, and each entry on the Target Share Register (other than for the Bidder) at that date will cease to have any effect other than as evidence of entitlement to the Scheme Consideration.

6.5 No disposals after Record Date

If this Scheme becomes Effective, a Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after the Record Date otherwise than in accordance with this Scheme, and any attempt to do so will have no effect and Target shall be entitled to disregard any such disposal.
