

ASX Announcement | 12 February 2026

Addendum to the Quarterly Report – 31 December 2025

Artemis Resources Limited (ASX: ARV) (Artemis or the Company) provides the following additional information in relation to the Quarterly Activities Report for the quarter ended 31 December 2025:

- **Tenements acquired or disposed of during the quarter**

No mining tenements were acquired or disposed of during the December 2025 quarter.

Tenements E47/5138, E47/4933, E47/4884 and E47/4887 were applied for between December 2022 and March 2024. These tenements remain pending or subject to ballot and no exploration expenditure has been incurred to date other than application fees.

These tenements were inadvertently excluded from the tenements list in the quarterly report for the period ending 30 September 2025 due to their pending status. The Company is currently considering whether to proceed with or withdraw three of these tenement applications.

- **Mining tenements held at the end of the quarter and their location**

Artemis confirms that all mining tenements held at the end of the quarter are included in the updated tenements table attached to this response. The table identifies the location of each tenement by reference to its geographic area, in accordance with Listing Rule 5.3.3.

- **Holder of tenement E45/5276**

Artemis confirms that the holder of tenement E45/5276 is Armada Mining Pty Ltd. The reference to Elysian Resources Pty Ltd in the quarterly report for the period ending 30 September 2025 was incorrect.

This ASX announcement has been authorised for release by the Board of Artemis Resources Limited.
