# CONDENSED NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

for the half-year ended 31 December 2025

## 1. Summary of material accounting policies

### a. Statement of compliance

The half-year financial report is a condensed general purpose financial report which was prepared in accordance with the Corporations Act 2001 and Accounting Standards AASB 134, Interim Financial Reporting where possible (refer to Basis of preparation note below). Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting. The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

### b. Basis of preparation

This interim financial report is intended to provide users with an update on the latest annual financial statements of Corona Resources Limited. As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Company. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of Corona Resources Ltd for the period ended 30 June 2025.

These interim financial statements were authorised for issue on 17<sup>th</sup> February 2026.

### c. Going Concern

This financial report has been prepared on a going concern basis which the directors believe to be appropriate. The directors are confident that the Company will be able to maintain sufficient levels of working capital to continue as a going concern and continue to pay its debts as and when they fall due.

For the half year ended 31 December 2025, the Company incurred a loss of \$7,844 (31 December 2024: Profit of \$190,596). As at 31 December 2025, the Company held cash and cash equivalents of \$233,776 (30 June 2025: \$5,721,484) and reported net assets of \$88,469 (30 June 2025: \$5,512,025). During the half year ended 31 December 2025, as disclosed in Note 7, the Directors recommended a return of capital to shareholders of 14 cents per share, amounting to \$5,415,712. This amount has been paid from the Company's cash reserves.

The Directors are of the opinion that it is reasonably foreseeable the Company will continue as a going concern and that the financial report has been appropriately prepared on this basis. This assessment considers the following factors:

- The ability of the Company to raise capital by the issue of additional shares under the Corporations Act 2001;
- The flexibility to reduce administrative and operational cash outflows as necessary, pending identification of a new suitable exploration project.
- The fact that future exploration and evaluation expenditure is generally discretionary, subject to the Directors' assessment of the progress of work undertaken to date and the prospects of each project. As part of managing the Company's working capital, further exploration activities may be deferred or scaled back if deemed appropriate.

Should the Company be unable to meet the above, there is a material uncertainty surrounding the Company's ability to continue as a going concern and, therefore, realise its assets and dispose of its liabilities in the ordinary course of business and at the amounts stated in the financial report.

# CONDENSED NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

for the half-year ended 31 December 2025

The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts nor to the amounts and classification of liabilities that may be necessary should the company be unable to continue as a going concern.

## d. Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements. The Company has considered the implications of new and amended Accounting Standards but determined that their application to the financial statements is either not relevant or not material.

## 2. Segment information

### Identification of reportable segments

The Company has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision makers) in assessing performance and determining the allocation of resources.

The Company has one geographic segment being Australia and operates in one industry being the exploration for minerals.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF  
CORONA RESOURCES LIMITED**

**Report on the Half-Year Financial Report**

**Conclusion**

We have reviewed the half-year financial report of Corona Resources Limited, which comprises the statement of financial position as at 31 December 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, condensed notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that causes us to believe that the accompanying half-year financial report of Corona Resources Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of Corona Resources Limited's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Basis for Conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

### ***Material Uncertainty Related to Going Concern***

As referred to in Note 1c to the interim financial statements, the financial statements have been prepared on the going concern basis. As at 31 December 2025, the consolidated entity had cash and cash equivalents totalling \$233,776, incurred a net loss after tax for the half year of \$7,844 and incurred net cash outflows from operating activities of \$71,996. As stated in Note 1c, these events or conditions, along with other matters as set forth in Note 1c indicate that a material uncertainty exists that may cast significant doubt on the consolidated entity's ability to continue as a going concern

Our conclusion is not modified in respect of this matter.

### ***Responsibility of the Directors for the Financial Report***

The directors of Corona Resources Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility for the Review of the Financial Report***

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
