

Appointment of Non-Executive Director– Dr Jeffrey Le Benger

Artrya's Board strengthened with experienced U.S. healthcare executive

PERTH, Australia, 19 February 2026: Artrya Limited (ASX: AYA) (**Artrya** or the **Company**), a medical technology company commercialising its Salix® AI-powered cloud platform, for the near real time, point of care assessment and management of coronary artery disease, is pleased to announce the appointment of Dr Jeffrey Le Benger to the Board as a Non-Executive Director.

Bernie Ridgeway, Chair of Artrya commented:

"I'm very pleased to welcome Dr Le Benger to the Artrya Board. His decades of experience leading U.S. multi-discipline healthcare organisations through significant growth and operational transformation brings a powerful combination of insight and discipline to our Board. Jeffrey has spent his career successfully navigating the complex U.S. healthcare environment and driving innovation in patient-centred delivery. His experience will be invaluable as we accelerate our U.S. commercial roll-out and engage with large U.S. healthcare groups as partners and customers."

Expanding board capability ahead of U.S. commercialisation push

Dr Jeffrey Le Benger is a senior healthcare executive and physician with more than two decades of leadership experience across medical groups and value-based care delivery. He served as CEO of Summit Medical Group from 1999 and as CEO of Summit Health from 2019, following the merger with CityMD, which created a multi-state organisation with more than 2,000 providers across 680 locations, offering primary, speciality and urgent care. He became Executive Chairman of Summit Health in 2021, supporting execution of their long-term strategic plan.

During his tenure, Dr Le Benger oversaw the rapid growth and transformation of Summit Health into a leading multi-discipline healthcare provider. Summit Health was acquired for US\$8.9B in November 2022 by VillageMD, part of the Walgreens Boots Alliance (NASDAQ:WBA), creating one of the largest independent healthcare groups. The Walgreens Boots Alliance was acquired for US\$10.0B in August 2025, by private equity firm Sycamore Partners.

Dr Le Benger will be the second U.S. based Director to join Artrya's board, bringing his extensive commercial experience building a successful, high growth U.S. healthcare business, which is the key focus for Artrya.

Dr Le Benger is board certified in facial plastic and reconstructive surgery, otolaryngology, and head and neck surgery. He is a fellow of the American College of Surgery, American Rhinologic Society, and the American Society of Head and Neck Surgery. He earned his medical degree from New York Medical College and completed two residencies at Mount Sinai Medical Center. Throughout his career, Dr Le Benger has been an advocate for simplified and integrated care models, digital transformation, and the expansion of outpatient services.
