About Beforepay

Beforepay Group was founded in 2019 to support working Australians who have not been well-served by the traditional financial-services industry. Our lending arm, Beforepay, offers consumers an ethical, customer-friendly way to help manage temporary cash-flow challenges through small pay advances, as well as offering personal loans.

Carrington Labs, our enterprise arm, enables banks, credit unions and fintechs to elevate their lending performance through deep credit risk insights that can help increase approval rates, cut defaults and grow margins.
