

Investor Webinar

Critica Limited (ASX: CRI) (Critica or the Company) invites shareholders and investors to join an investor webinar on Thursday, 26 February 2026, where CEO Jacob Deysel will provide a detailed update on the Jupiter Project following the successful production of commercial-quality Mixed Rare Earth Carbonate (MREC) announced on 16 February 2026.

The update will discuss the importance of the MREC and outline how these results de-risk the processing pathway and support Jupiter's transition from testwork to integrated development execution.
