Scalare Partners Holdings Limited (ASX: SCP) exists to empower visionary technology founders to transform their ideas into the great businesses of tomorrow. As a dynamic force in the tech startup landscape, we offer a range of products and services to support all founders as they scale their early-stage businesses.

We are deeply involved in the broader technology ecosystem, driving change through impactful initiatives such as the Tech Ready Women and the Australian Technologies Competition where we partner with government and corporates to support and promote the most promising technology businesses and founders. Our focus extends to working with female and culturally diverse founders, addressing the unique challenges they encounter in fundraising and scaling their businesses. This engagement not only enriches the tech landscape but also creates lucrative revenue and investment opportunities for Scalare Partners.

At the heart of our business model is the provision of products and services and expert advice tailored to the specific needs of early-stage businesses. We also provide direct investment into selected outstanding businesses and with a current emphasis on the Australian and USA technology sectors, we are building a portfolio spanning across diverse geographies, including Australia, USA, New Zealand, Singapore, UK, and Europe. Scalare Partners is not just an investor; we are architects of growth, collaborators in innovation, and catalysts for positive change in the technology landscape.
