DIRECTORS' REPORT (cont.)

Over the past six months, our sales revenue has experienced macroeconomic pressure resulting in a reduction in revenue, which has led to a corresponding decline in gross margin, in dollar terms, and EBITDA. RPM Automotive Group Ltd can confirm that it has produced a net loss of \$1.6 million and a negative cash flow of \$2.8 million for the period ended 31 Dec 2025.

This outcome reflected challenging trading conditions across our traditional business segments, as well as the slower-than-forecast roll-out of our new organic growth programs, most notably the Tyre Recycling Project and the expansion of our wholesale product range

Looking ahead, we are well-positioned to benefit from the anticipated improvement in trading conditions in H2 and expect new projects will contribute to stronger financial results. .

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR 31 DECEMBER 2025

Note 1: Summary of Material Accounting Policies

Basis of Preparation

These general purpose interim financial statements for the half-year reporting period ended 31 December 2025 have been prepared in accordance with requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134: Interim Financial Reporting. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of RPM Automotive Group Limited and its controlled entities (referred to as the “Consolidated Group” or “Group”). As such, it does not contain information that represents relatively insignificant changes occurring during the half year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2025 together with any public announcements made during the following half year.

These interim financial statements were authorised for issue on 26 February 2026.

Accounting Policies

The same accounting policies and methods of computation have been followed in the interim financial report as were applied in the most recent financial statements.

The Group has considered the implications of new and amended Accounting Standards but determined that their application to the financial statements is either not relevant or not material.

The values identified in relation to the acquisition of Universal Tyres Australia are accounted for on a provisional basis as at 31 December 2025.

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR 31 DECEMBER 2025 (CONT.)

Note 3: Operating Segment

The Group's segments represent strategic business units that offer different products and operate in different segments of the automotive aftermarket. They are consistent with the way the CEO and Board of Directors monitor and assess the business performance in order to make decisions about resource allocation across the Group. Performance assessment is based on EBIT (Earnings Before Interest and Tax) and EBITDA (Earnings Before Interest, Tax, Depreciation and Amortisation). These measures are different from the profit and loss reported in the consolidated financial statements which is shown after net interest and tax expense. This is because decisions that affect the net interest expenses and tax expense are made at a Group level. It is not considered appropriate to measure segment reporting at the net profit after tax level.

To the members of RPM Automotive Group Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of RPM Automotive Group Limited, which comprises the Consolidated Statement of Financial Position as at 31 December 2025, the Consolidated Statement of Profit or Loss and Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the half-year ended on that date, the notes comprising a summary of material accounting policies and other explanatory information, and the Directors' Declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of RPM Automotive Group Limited does not comply with the *Corporations Act 2001* including:

- i) giving a true and fair view of RPM Automotive Group Limited's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (Including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. INDEPENDENT AUDITOR'S REVIEW REPORT (cont.)

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
