For the remainder of the sale agreement terms and conditions of the transaction refer to ASX release dated 25 August 2025.

The Company convened a general meeting for the issue of the Consideration Shares in November 2025.

During the period from 1 July 2025 to 12 September 2025, the Company received \$7,757,000 of funds from the conversion of options into ordinary shares.

Under the agreement, Morgans will underwrite up to 15,634,029 listed options which remain unexercised at the expiry date representing an underwriting amount of \$3,910,000 by subscribing for shares on the underwritten options.

On 5 September 2025, the underwriters arranged for the purchase of the remaining shortfall of 68,013 \$0.25 options for \$17,000.

On 22 September 2025, the Company announced that further to its ASX Announcement dated 19 September 2025, the Company had received binding commitments for its \$20 million placement, raise approximately \$20,000,000 (before costs) through the issue of 22,222,223 new fully paid ordinary shares. REPORT ON THE HALF-YEAR REPORT TO THE MEMBERS OF DECIDR.AI INDUSTRIES LTD

Conclusion

We have reviewed the half-year financial report of Decidr.ai Industries Ltd and its Controlled entities (the Group) which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit and loss and other comprehensive income, consolidated statement of changes in equity and statement of consolidated cash flows for the half-year ended on that date, a summary of material accounting policies and other explanatory information, and the directors' declaration. Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the Corporations Act 2001 including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors for the Financial Report

The directors of the Group are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the Group's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*. As the auditor of the Group, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
