<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

<sup>3</sup> Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

The Board oversees the management of the Company's business and is responsible for the overall corporate governance of the Company, including establishing and monitoring key performance goals.

The Board monitors the operational and financial position and performance of the Company and oversees its business strategy including approving the strategic goals of the Company whilst considering and approving an annual business plan, including a budget. The Board is committed to maximising performance, generating appropriate levels of Shareholder value and financial return, and sustaining the growth and success of the Company.

In conducting the Company's business with these objectives, the Board seeks to ensure that the Company is properly managed to protect and enhance Shareholder interests, and that the Company, its directors, officers and personnel, operate in an appropriate environment of corporate governance. Accordingly, the Board has created a framework for managing the Company, including adopting relevant internal controls, risk management processes and corporate governance policies and practices which it believes are appropriate for the Company's business.

The Board has delegated to the Managing Director (MD) the authority and power to manage Titomic and its businesses within levels of authority specified by the Board from time to time. The MD may sub-delegate aspects of his authority and power but remains accountable to the Board for Titomic's performance and is required to report regularly to the Board on the progress being made by Titomic's business units.

The Board has established and operates a Remuneration and Nomination Committee whose functions and powers are formalized in a Remuneration and Nomination Committee Charter which is available on the Website.

All Directors and senior executives have entered into written agreements with the Company.

## **Principle 2: Structure the Board to be Effective and Add Value**

### **Independence of Directors**

In determining whether a Director is "independent", the Board has adopted the definition of this word in accordance with the ASX Recommendations. Consequently, a Director will be considered "independent" if that Director is free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgement.

The Board will consider the materiality of any given relationship of a Director on a case-by-case basis, with the Board Charter to assist in this regard. The Board will regularly review the independence of each Director, considering any interests disclosed to the Board, and will disclose any change to the ASX, as required by the ASX Listing Rules.

The Board considers that all Directors are independent apart from Jim Simpson and Dag Stromme. Both Mr. Simpson and Mr. Stromme are currently employed in an executive capacity as Managing Director and Executive Chairman respectively. Mr. Stromme transitioned from Non-Executive to Executive in October 2024 to assist with the Company's global growth strategy. Under the Company's Board Charter, Board committee performance evaluations will occur annually, although none have occurred this year.

- may not provide services to the Company that are, or are perceived to be, materially in conflict with the role of the external auditor. Non-audit or assurance services that may impair, or appear to impair, the external auditor's judgement or independence are not appropriate. However, the external auditor may be permitted to provide additional services which are, and are not perceived to be, materially in conflict with the role of the auditor, if the Board or Audit and Risk Management Committee has approved those additional services.

The Board, before it approves the entity's financial statements for a financial period, receives from its CEO and CFO a declaration that, in their opinion, the financial records of the Company have been properly maintained and that the financial statements comply with the

appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively
