ASX Announcement

Sydney, 2 March 2026

Transition to Executive Chair and Additional Non-Executive Director

Beamtree Holdings Limited (“**Beamtree**” or “**the Company**”) (ASX:BMT), a leading provider of AI decision support and data insights solutions, has previously advised that the Company is conducting a strategic review of the business to unlock shareholder value.

Chair Emma Gray will assume an Executive Chair role on a time-limited basis to oversee the strategic review, working closely with CEO Marek Stepniak, who will primarily focus on international pipeline execution and sales acceleration, particularly in key markets such as the United Kingdom and the Middle East. The review will be supported by Non-Executive Director Stuart MacDonald and an external financial advisor.

The Chair will receive remuneration equivalent to \$30,000 per month for extra duties performed in addition to her role as Chairperson during the intended 6-month period. Remuneration is intended to be settled 100% via issuance of equity under the Company’s Employee Incentive Plan, subject to shareholder approval under ASX listing rule 10.14 at the 2026 Annual General Meeting (AGM), or otherwise in cash. Equity-based remuneration will be calculated in accordance with the VWAP over the 6-month period following the date of this announcement.

In line with the above, and to support further alignment with shareholder returns, all Non-Executive Directors will also immediately elect to receive 100% of all relevant board fees in equity, again subject to ASX listing rule 10.14 shareholder approval at the 2026 AGM. Equity-based board remuneration will be calculated in accordance with the VWAP over the 6-month period following the date of this announcement.

The Company will provide further updates as the review progresses, in accordance with its continuous disclosure obligations.

The Company is also delighted to announce that Martin Bowles PSM is joining Beamtree’s Board of Directors, effective today, 2 March. Martin has just stepped down from his role as National Chief Executive of Calvary Health Care, one of Australia’s largest not-for-profit healthcare providers, which he led for 8 years. Prior to this he served as Secretary of the Federal Department of Health and Aged Care. Martin is a highly respected and experienced healthcare professional both in Australia and internationally. We are delighted to welcome Martin to the Beamtree family.
