3rd March 2026
ASX Announcement

Resignation of Chief Financial Officer / Company Secretary

Aquirian Limited (**ASX: AQN**) (**'Aquirian'** or **'the Company'**) advises that Mr Mark Hunter has tendered his resignation as Chief Financial Officer (CFO) / Company Secretary and will leave the business at the end of May 2026 for an external mining opportunity.

Mr Hunter will remain with Aquirian throughout his notice period to support an effective transition and continue to execute the strategic priorities alongside the executive team. Aquirian has commenced an executive search for a new CFO and will update the market accordingly.

Managing Director – Greg Patching *commented*:

"One behalf of the board and the broader Aquirian team, I would like to wholeheartedly thank Mark for his energy, passion, and contribution to Aquirian over the past 5 years.

Mark's time with Aquirian spanned many Company milestones, including leading the finance function through the IPO and subsequent capital raisings, and the strategic acquisition and funding of the Wubin Energetics Facility.

Mark has played a key role in the company's transformation and growth along with the strengthening of the Company's financial governance and reporting frameworks.

We thank Mark for his considerable contribution during his time with Aquirian and wish him the very best for his next career endeavour."

-ENDS-

This announcement has been approved for release by the Board of the Company.

About Aquirian

Aquirian is a mining services company that delivers cutting-edge drill and blast solutions to clients worldwide. Our core operating units, Energetics, Technology, and People are built on a foundation of strong, long-standing relationships within the mining services sector. We pride ourselves on offering innovative products and services that optimise blast hole outcomes, reduce costs, improve production efficiencies, and positively impact environmental performance.

Western Energetics, a wholly owned subsidiary of Aquirian, operates a strategically located facility offering exceptional storage, logistics, and energetic solutions, ensuring that we remain at the forefront of supporting mining operations in WA.
