

Appendix 3A.2

Notification of interest payment & interest rate change

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Please note that two or more corporate actions on the same security may not run with different record dates if the timetables result in overlapping (but not identical) ex-periods. It is permissible to run different corporate actions with the same record date except in the case of consolidations or splits which cannot run at the same time as any other corporate action for that entity.

*Denotes minimum information required for first lodgement of this form.

**Denotes information that must be provided on or before business day 0 of the relevant Appendix 6A or Appendix 7A timetable.

The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Part 2C – Franking

Part 2C to be completed if you answered “yes” to question 2A.12.

Some interest payments may be franked if the security to which they relate is classified as an equity security for the purposes of Australian taxation laws. It is the entity’s own responsibility to determine whether this is the case.

Question No.	Question	Answer
2C.1	Is the interest payment fully franked	Yes or No
2C.2	Percentage of interest payment that is franked <i>Please provide the percentage to which the interest payment is franked (if 100% franked, then 100%).</i>	
2C.3	Applicable corporate tax rate for franking credit <i>Please provide the applicable corporate tax rate.</i>	%
2C.4	Interest payment franked amount <i>Amount of interest payment that is franked. Please provide the amount in the primary currency. 2C.4 franked amount + 2C.6 unfranked amount + 2C.7 conduit foreign income amount should equal 2A.10 interest payment amount per security.</i>	
2C.5	Percentage of interest payment that is unfranked <i>Please provide the percentage to which the interest payment is unfranked (if 100% franked then 0%, if 60% franked, then 40%).</i>	%
2C.6	Interest payment unfranked amount, excluding conduit foreign income amount <i>Amount of interest payment that is unfranked excluding conduit foreign income amount. Please provide the amount in the primary currency. 2C.4 franked amount + 2C.6 unfranked amount + 2C.7 conduit foreign income amount should equal 2A.10 interest payment amount per security.</i>	
2C.7	Interest payment conduit foreign income amount <i>For Australian entities only. Please provide the amount in the primary currency. 2C.4 franked amount + 2C.6 unfranked amount + 2C.7 conduit foreign income amount should equal 2A.10 interest payment amount per security.</i>	

Part 2D – Issue of +securities in satisfaction of interest payment

Part 2D to be completed if you answered “yes” to question 2A.13.

Some interest payments may be payable in the form of +securities rather than cash. If that is the case for this interest payment, please provide details in this part.

Question No.	Question	Answer
2D.1	*ASX +security code <i>Please provide the security code of the class of existing securities which will be issued in satisfaction of the interest payment. These are referred to below as “payment securities”.</i>	
2D.2	*ASX +security description	
2D.3	*Number of payment +securities to be issued for each interest rate +security held <i>The number of payment securities indicated in question 2D.1 per interest rate security. Please provide rounding policy details, if any, at Part 4 – Further information.</i>	
2D.4	Rate calculation methodology <i>Please describe the methodology for calculating the equivalent price, and number of securities to be issued in place of the interest payment (i.e. per interest rate security).</i>	
2D.5	*Securities +issue date <i>This is the date on which the payment securities are entered into the holdings of holders entitled to the payment. This is usually the same as the payment date – item 2A.1.</i>	Estimated or actual
2D.6	*Will these +securities be a new issue <i>If “yes” please answer Q2D.6a. If “no” go to Part 2E. If the securities are a new issue, the entity must apply for quotation of the securities using an Appendix 2A per Appendix 6A section 2.</i>	Yes or No
2D.6a	*Do the payment +securities rank pari passu from +issue date <i>If “no”, answer Q2D.6b, if “yes” please answer Q2D.6b. Pari passu means “on an equal footing” for example if the securities will not receive an upcoming payment that existing securities in the same class will receive, they do not rank pari passu.</i>	Yes or No
2D.6b	*Non-ranking period end date <i>The date at the end of the period (i.e. the date specified in item 2A.5 or another date as the case may be) after which the issued securities rank equal (i.e. pari passu) for the next announced payment. For example, if the new securities are not entitled to participate in an interest payment announced for the period ending 30 June 2013, but are entitled to any interest payment announced thereafter, then the answer to this question is 30 June 2013.</i>	

Part 2E – Currency information

Part 2E to be completed if you answered “yes” to Q2A.14.

Question No.	Question	Answer
2E.1	<p>*Does the entity default to payment in certain currencies dependent upon certain attributes such as the banking instruction or registered address of the *security holder? (For example NZD to residents of New Zealand and/or USD to residents of the U.S.A.)</p> <p><i>Referred to as “default arrangements”. This does not exclude other criteria – banking instruction and registered address are merely provided as examples. This question should be answered on the basis of the entity’s policy applicable to all security holders. It does not refer to arrangements made between individual security holders and the share registry on an ad hoc or one-off basis and it does not refer to arrangements offered by the registry independently of the entity.</i></p> <p><i>If “yes” please fill out the balance of the questions in Part 2E. If no fill out question 2E.2 only.</i></p>	Yes or No
2E.2	<p>*Please provide a description of your currency arrangements</p> <p><i>If you have default arrangements please provide an overview of how the arrangement operates and answer specific questions below about currencies in which you pay, whether there is a choice to receive a currency other than the default, election dates, where forms can be obtained etc.</i></p> <p><i>If you do not have default arrangements you should include here a complete description of your currency arrangements including when and where any currency election should be submitted. Listed entities in this category are not required to disclose the currencies in which they pay or publish the foreign currency payment amounts (“payment currency equivalent amount per security”) or foreign exchange rates. You do not need to fill out any further questions in Part 2E.</i></p>	
2E.2a	<p>Other currency/currencies in which the payment will be paid</p> <p><i>If there is more than one payment currency other than the primary currency please include the additional currencies. It is mandatory to advise the currencies but not mandatory to advise the payment currency equivalent amount. If the entity wishes it may advise this amount by way of update when known.</i></p>	Non primary payment currency: Payment currency equivalent amount per *security:
2E.2b	Please provide the exchange rates used for non-primary currency payments	
2E.2c	If payment currency equivalent and exchange rates not known, date for information to be released	Estimated or Actual
2E.3	*Can the *security holder choose to receive a currency different to the currency they would receive under the default arrangements?	Yes or No

2E.3a	<p>Please describe what choices are available to a *security holder to receive a currency different to the currency they would receive under the default arrangements</p> <p><i>For example if the security holder would receive AUD under the default policy based upon an Australian bank account being provided, can they change this to NZD by providing a banking instruction relating to a New Zealand bank account?</i></p>	
2E.3b	<p>Date and time by which any document or communication relating to the above choice must be received in order to be effective for this interest payment</p> <p><i>Please enter the time in Sydney time (i.e. AEST or, when daylight savings time is in operation, AEDST); using 24 hour convention e.g. 6.00pm should be entered as 18:00.</i></p>	
2E.3c	<p>Please provide, or indicate where relevant forms can be obtained and how and where they must be lodged</p>	

Part 3 – Floating rate + securities - details of interest rate applicable to the payment notified in Part 2A

Part 3 to be completed only for + securities that have floating rates.

Question No.	Question	Answer
3.1	Date interest rate is set	
3.2	Comments on how the date that interest rate is set is determined <i>You may provide comments on how the date for setting the interest payment date is determined for example the first day of each quarter of the calendar year.</i>	
3.3	Interest base rate	%
3.4	Comments on how interest base rate is set <i>You may provide information on how the base rate is set for example BBSW 90 day rate.</i>	
3.5	Interest margin	%
3.6	Comments on how interest margin is set <i>You may provide information on how the margin is set.</i>	
3.7	Any other rate used in calculating interest rate <i>Any other rate used in calculating the interest payment rate, other than the base rate and margin, for the securities - expressed as a percentage. This may be a positive or negative number. Together the base rate, margin and other rate should add up to the total interest rate for the period expressed as a per annum rate (3.9).</i>	%
3.8	Comments on how other rate used in calculating interest rate is set <i>You may provide information on how this rate is set.</i>	
3.9	Total interest rate expressed as a per annum rate (addition of base rate, margin and any other rate applied in calculating total interest rate) <i>Please provide the total interest rate for the period expressed as a per annum rate (should match the amount provided in 2A.7).</i>	%
3.10	Comments on how the total interest rate expressed as a per annum rate is set
