Hawthorn Resources Limited
Notes to the Consolidated Financial Statements
For the Half-Year Ended 31 December 2025

1. MATERIAL ACCOUNTING POLICY INFORMATION

(a) Reporting Entity

Hawthorn Resources Limited (the “Company”) is a company domiciled in Australia. This financial report as at, and for the half-year ended, 31 December 2025 is for the consolidated entity which consists of Hawthorn Resources Limited and its controlled entities.

(b) Basis of Preparation

The half-year financial report is a general purpose financial report for the half-year ended 31 December 2025, which has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134 “Interim Financial Reporting”.

The half-year financial report does not include all the information required for a full annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the June financial report. It is recommended this half year financial report be read in conjunction with the annual financial report of Hawthorn Resources Limited as at, and for the year ended, 30 June 2025.

It is also recommended that the half-year financial report be considered together with any public announcements made by Hawthorn Resources Limited during the half-year ended 31 December 2025 in accordance with the continuous disclosure obligations arising under the ASX Listing Rules.

The half-year financial report was approved by the Board of Directors on 13th March 2026.

(c) Summary of material accounting policies

The Accounting Standards, estimation methods and measurement bases used in this report are the same as those used in the Hawthorn Resources Limited 2025 Annual Report.

(d) New, revised or amending Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (‘AASB’) that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The Group has reported Other financial assets at 31 December 2025 (see note 4) and did not hold material financial assets at 30 June 2025. The Group’s policy in relation to Other Financial Assets is as follows:

Investments and other financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the consolidated entity has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income include equity investments which the consolidated entity intends to hold for the foreseeable future and has irrevocably elected to classify them as such upon initial recognition.

Notes to the Consolidated Financial Statements
For the Half-Year Ended 31 December 2025

At regular intervals, the board is provided with management information at a group level for the Group's cash position, the carrying values of exploration permits and a group cash forecast for the next twelve months of operation. On this basis, no segment information is included in these financial statements.

Independent Auditor's Review Report

To the members of Hawthorn Resources Limited and its controlled entities

Report on the Half-year Financial Report

Conclusion

We have reviewed the accompanying Half-year Financial Report of Hawthorn Resources Limited ("the company") and its controlled entities ("the consolidated entity")

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of Hawthorn Resources Limited and its controlled entities is not in accordance with the Corporations Act 2001, including:

- Giving a true and fair view of the consolidated entity's financial position as at 31 December 2025 and of its performance for the Half-year ended on that date; and
- Complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The Half-year Financial Report comprises:

- Consolidated statement of financial position as at 31 December 2025;
- Consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the Half-year ended on that date;
- Notes 1 to 11 comprising a summary of material accounting policies and other explanatory information; and
- The Directors' Declaration.

Basis for Conclusion

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of the Financial Report performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Half-year Financial Report section of our report. We are independent of the group in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the corporations Act 2001 which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Emphasis of Matter – Land Rehabilitation Provision

We draw attention to Note 9 to the financial report for the year ended 30 June 2025, which describes the basis for estimating the provision for land rehabilitation and mine closure obligations. The provision has been estimated based on an independent expert report assessing rehabilitation costs in April 2022, together with the management assessment on the Mine Closure Plan issued in March 2025. As described in financials, the estimation of the rehabilitation provision involves significant judgement and assumptions regarding the scope, timing, and cost of future rehabilitation activities. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Half-year Financial Report

The Directors of the Company are responsible for:

- The preparation of the Half-year Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and Corporations Act 2001
- For such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that is free from material misstatement, whether due to fraud or error.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Group's financial report for the year ended 31 December 2025 but does not include the financial report and our auditor's report thereon.

Our conclusion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's responsibility for the review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Half-year Financial Report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the group's financial position as at 31 December 2025 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a Half-year Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
