**Reedy Lagoon Corporation Limited**  
**Notes to the financial statements**  
**31 December 2025**

**Note 1. General information**

The financial statements cover Reedy Lagoon Corporation Limited as a consolidated entity consisting of Reedy Lagoon Corporation Limited and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Reedy Lagoon Corporation Limited's functional and presentation currency.

Reedy Lagoon Corporation Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 44, 600 Bourke Street  
Melbourne  
Victoria 3000

The nature of the consolidated entity's operations and its principal activities are mineral exploration.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 10 March 2026. The directors have the power to amend and reissue the financial statements.

**Comparatives**

The following comparative balances have been amended to be in line with balances at 31 December 2025

- Other Expenses
- Administration expenses

**Note 2. Material accounting policies**

These general purpose financial statements for the interim half-year reporting period ended 31 December 2025 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2025 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Reedy Lagoon Corporation Limited**  
**Notes to the financial statements**  
**31 December 2025**

**Note 2. Material accounting policies (continued)**

**Going concern**

The financial report has been prepared on a going concern basis.

As at 31 December 2025, the Company incurred net losses after taxes of \$137,780 (Dec 2024: \$207,387), its current assets exceeded its current liabilities by \$76,230 (June 2025: \$89,479), had net liabilities of \$715,019 (June 2025: Net Liabilities 579,386) and had net operating cash outflows of \$122,308 (Dec 2024: Net Outflows \$143,809).

These factors indicate that there is a material uncertainty related to the Company’s going concern basis of preparation of its half-year financial statements.

Notwithstanding the above, the Directors have assessed that going concern basis of preparation remains appropriate due to the following reasons:

1. A Director has provided a letter of support to the Company to continue to support the business for a period of at least 12-months from the date of authorisation of these financial statements and has declared that the Director has the capacity to do so.
2. The directors consider the existing cash reserves together with funds derived from raising capital by issuing securities and or through joint venture arrangements will be sufficient for the consolidated entity to continue as a going concern. The Company plans to fund continued exploration on its existing projects by raising capital, by issuing securities and through joint venture under project farm out agreements.

At the date of this report no joint venture farm out agreement had been entered into for any project. Should such funding sources not be obtained, and the Company be unable to raise capital by issuing shares, the consolidated entity may be unable to continue as a going concern, and as such be required to realise its assets and extinguish its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in this financial report. It is noted that the Company’s exploration projects are carried for accounting purposes at nil value so that should the projects be discontinued, there would be no adjustment to the value of the Company’s assets.

3. As at the balance date, the Company had non-current liabilities of \$791,249. With respect to these liabilities:
  - 1) \$271,249 in Employee benefits – the director to whom the provision relates has provided a written undertaking that he will not use any of his accrued leave balances over the 12 month period following the date of this Annual Report and has provided the Company an unconditional right to defer such benefit until the end of March 2027; and
  - 2) \$520,000 Subordinated loan - the lender (a director related party) has provided a letter of financial support confirming that it will not at any time prior to the end of January 2027 demand repayment of any part of the \$520,000 provided to RLC if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due. Subsequent to the end of the half financial year the lender provided a further \$50,000 and further written confirmation that it will not at any time prior to the end of January 2027 demand repayment of any part of the \$570,000 provided to RLC if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

The ability of the Company to remain as a going concern and therefore to be able to pay its debts as and when they fall due and to realise its assets at the carrying value listed in the financial statements is dependent on the assessments made by the directors materialising and within the timeframe forecast.

**Note 3. Operating segments**

**Identification of reportable operating segments**

The Company is organised into one operating segments: mineral exploration. This operating segment is based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources.

**Note 11. Share-based payments**

A share option plan has been established by the Company and approved by shareholders at a general meeting, whereby the Company may, at the discretion of the board, grant options over ordinary shares in the Company to certain key management personnel.

Remuneration arrangements of key management personnel are disclosed in the annual financial report. In addition, on 15 December 2025, after approval at the Company's annual general meeting, a total of 900,000 options were issued to directors as part of their remuneration packages. Each director received the below options:-

- Geoffrey H. Fethers – 500,000 options, exercise price 0.0059 cents, expiring on 31/12/2028 with a value \$1,193
- Jonathan M. Hamer – 300,000 options, exercise price 0.0059 cents, expiring on 31/12/2028 with a value \$716, and
- Adrian C. Griffin – 100,000 options, exercise price 0.0059 cents, expiring on 31/12/2028 with a value \$238

Set out below are summaries of options granted under the plan

Subordinated Loan	520,000	420,000

During the years ended 30 June 2023 to 2025, a director provided \$420,000 to RLC by way of interest-free subordinated loans repayable on demand but only if RLC is able to make repayment and remain solvent (that is, the loan is effectively subordinated to all other creditors). The Director has agreed that he will not at any time prior to October 2026 call for repayment of any part of the \$420,000 lent by him to the Company if that repayment would jeopardize the ability of the Company to continue to trade or meet its other liabilities as they fall due.

During the half year ended 31 December 2025, the director provided a further \$100,000 to the consolidated entity under the same terms as previous loans, making the total subordinated loan to be \$520,000 at balance date.

**Independent Auditor's Review Report  
To the members of Reedy Lagoon Corporation Limited  
Report on the Half-year Financial Report**

**Conclusion**

We have reviewed the accompanying Half-year Financial Report of Reedy Lagoon Corporation Limited ("The Company") and its controlled entities ("the Consolidated Entity").

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of the Group is not in accordance with the Corporations Act 2001, including:

- Giving a true and fair view of the group's financial position as at 31 December 2025 and of its performance for the Half-year ended on that date; and
- Complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The Half-year Financial Report comprises:

- Consolidated statement of financial position as at 31 December 2025;
- Consolidated statement of profit or loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated statement of cash flows for the Half-year ended on that date;
- Notes 1 to 12 comprising a summary of material accounting policies and other explanatory information; and
- The Directors' Declaration.

**Basis for Conclusion**

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of the Financial Report performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Half-year Financial Report section of our report. We are independent of the group in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the corporations Act 2001 which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

**Emphasis of Matter regarding material uncertainty related to going concern**

We draw attention to note 2 in the half-year financial report which indicates that as at 31 December 2025, the Company incurred net losses after taxes of \$137,780 (Dec 2024: \$207,387), its current assets exceeded its current liabilities by \$76,230 (June 2025: \$89,479), had net liabilities of \$715,019 (June 2025: Net Liabilities 579,386) and had net operating cash outflows of \$122,308 (Dec 2024: Net Outflows \$143,809).

These factors indicate that there is a material uncertainty related to the company's going concern basis of preparation of its half-year financial statements.

Notwithstanding the above, the Directors have assessed that going concern basis of preparation remains appropriate due to the following reasons:

1. A Director has provided a letter of support to the company to continue to support the business for a period of at least 12-months from the date of authorisation of these financial statements and has declared that the Director has the capacity to do so.
2. The directors consider the existing cash reserves together with funds derived from raising capital by issuing securities and or through joint venture arrangements will be sufficient for the consolidated entity to continue as a going concern. The Company plans to fund continued exploration on its existing projects by raising capital by issuing securities and through joint venture under project farm out agreements.

At the date of this report no joint venture farm out agreement had been entered into for any project. Should such funding sources not be obtained, and the Company be unable to raise capital by issuing shares, the consolidated entity may be unable to continue as a going concern, and as such be required to realise its assets and extinguish its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in this financial report. It is noted that the Company's exploration projects are carried for accounting purposes at nil value so that should the projects be discontinued, there would be no adjustment to the value of the Company's assets.

3. As at the balance date, the company had non-current liabilities of \$791,249. With respect to these liabilities:
  - a) \$271,249 in Employee benefits – the director to whom the provision relates has provided a written undertaking that he will not use any of his accrued leave balances over the 12-month period following the date of this Annual Report and has provided the Company an unconditional right to defer such benefit until the end of March 2027; and
  - b) \$520,000 Subordinated loan - the lender (a director related party) has provided a letter of financial support confirming that it will not at any time prior to the end of January 2027 demand repayment of any part of the \$520,000 provided to RLC if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due. Subsequent to the end of the half financial year the lender provided a further \$50,000 and further written confirmation that it will not at any time prior to the end of January 2027 demand repayment of any part of the \$570,000 provided to RLC if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

The ability of the company to remain as a going concern and therefore to be able to pay its debts as and when they fall due and to realise its assets at the carrying value listed in the financial statements is dependent on the assessments made by the directors materialising and within the timeframe forecast.

Our conclusion is not modified in respect of this matter.

#### Responsibilities of the Directors for the Half-year Financial Report

The Directors of the Company are responsible for:

- The preparation of the Half-year Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and Corporations Act 2001
- For such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that is free from material misstatement, whether due to fraud or error.

### Auditor's responsibility for the review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Half-year Financial Report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the group's financial position as at 31 December 2025 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a Half-year Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
