European Resources Limited (**European Resources** or **the Company**) is undertaking a 3 for 7 renounceable rights issue at \$0.019 per New Share (**Issue Price**) to Eligible Shareholders to raise up to approximately \$4.3 million (**Rights Issue**).

For every 2 New Shares subscribed, subscribers will receive 1 attaching New Option with an exercise price of 4 cents and a term to 1 October 2028. The Company will apply for the quotation of the New Options on the ASX.

The Rights Issue represents a discount of 27% to the 30-day VWAP of 2.6 cents.

The Rights Issue is partially underwritten for \$2,000,000 by Lead Manager and Underwriter Mahe Capital Pty Ltd (ACN 634 087 684) (AFSL 517246).

All directors have committed to participate in the offer.

European Resources Chairman, Mr Thomas Mann said:

“The entitlement offer undertaken by the Company in 2025 enabled us to undertake a diamond drilling program at the Korsnäs REE project in Finland which generated some exciting results, including the recently announced drill hole KR-316 which intersected 31.5m @ 4,902 ppm TREO from 98.5m (NdPr enrichment 28%)¹. At the same time, the Korsnäs project’s metallurgy was advanced by screening test work and now concentrate production test work.

Supported by the recent exploration success and metallurgical developments, the larger raise targeted by this entitlement offer will enable us to continue the extend the exploration footprint of the Korsnäs project, accelerate the metallurgical test work program and also advance the Company’s other projects in Finland and Slovakia all in a supportive geopolitical and pricing environment for our European rare earths and precious metals projects.”

A Prospectus in relation to the Rights Issue was lodged with ASIC on 17 March 2026 and, together with a personalised entitlement acceptance form, will be sent to eligible shareholders shortly after the Record Date.

Eligible shareholders should consider the Prospectus in deciding whether to acquire securities under the Rights Issue and will need to follow the instructions on the Entitlement and Acceptance form that will accompany the Prospectus.
