Explanatory Memorandum

This Explanatory Memorandum contains background material to assist Shareholders in relation to the items of business to be considered at the Extraordinary General Meeting and in deciding how to vote on the resolutions set out in this Notice.

Item 1. Approval of grant of Performance Rights for FY26 to Mr Julian Pemberton under the NRW Holdings Limited Performance Rights Plan (Resolution 1)

The Company is proposing to issue 1,029,412 Performance Rights to Mr Pemberton under the NRW Holdings Limited Performance Rights Plan, which was approved at the Company's 2023 annual general meeting (the **Plan**).

The Company has decided to grant the Performance Rights to Mr Pemberton because they create share price alignment between Mr Pemberton and Shareholders but do not provide the full benefits of share ownership (such as dividends and voting rights) unless the Performance Rights vest.

ASX Listing Rule 10.14 requires that shareholder approval must be obtained for the acquisition of securities by, amongst others, a director of a company under an employee incentive scheme. ASX Listing Rule 10.14.1 applies to the issue of Performance Rights because Mr Pemberton is the Managing Director and CEO of the Company. Resolution 1 thus seeks the required shareholder approval to issue the Performance Rights to Mr Pemberton under and for the purposes of ASX Listing Rule 10.14.

If Resolution 1 is passed, the Company will issue 1,029,412 Performance Rights to Mr Pemberton as soon as practicable after the date of the Extraordinary General Meeting and in any event within 12 months of the date of the meeting. Upon vesting, subject to the relevant performance targets described below, each Performance Right will entitle Mr Pemberton to one fully paid ordinary share in the Company.

If Resolution 1 is not passed, the proposed grant of the Performance Rights will not proceed and the Board will need to, acting reasonably and consistent with the Company's remuneration policies, determine the amount and form of the compensation payable to Mr Pemberton for the loss of the benefit of the Performance Rights, which

may include providing an equivalent long-term cash incentive subject to the same risk of forfeiture, performance targets and performance periods as described below in respect of the grant of the Performance Rights.

Background

The FY26 Long-Term Performance Rights award (**FY26 LTI Award, the Scheme**) for the CEO & MD did not get approved at the 2025 Annual General Meeting. Since then, the Board, supported by the Nomination & Remuneration Committee, has engaged extensively with shareholders and proxy advisors to enhance the Scheme and better align it with shareholder expectations. These enhancements were, we believe, well received, and the Board appreciated the thoughtful, constructive and transparent discussions. In addition to reviewing and engaging with NRW's proxy advisors, the Company received advice and feedback from independent remuneration consultants with regards to its remuneration frameworks – the outcomes of which have also helped shape Scheme enhancement.

We highlight below the key changes to the FY26 LTI Award:

- No positive Board discretion will apply to LTI vesting. The Board continues to maintain the right to exercise negative discretion, where it considers appropriate.
- Expanded the number of performance hurdle targets from one EPS and one TSR target to one EPS target and a new dual comparator framework for TSR. This change has the effect of re-weighting the performance hurdles, resulting in 66% of the total LTI award being based on TSR performance, creating a more balanced and market-aligned structure.
- The dual comparator framework for TSR assessment will assess TSR against both a selected peer group and the ASX200 Industrials Index, introducing an objective sector reference point alongside a like-for-like peer group assessment. The Board believes the dual comparator framework and positive gateway for TSR reduces the risk of “pay-for-relative failure” by requiring performance to be assessed beyond a bespoke peer group alone, balancing competitive accountability and sector context.
- The selected peer group for TSR assessment has been expanded from six to ten companies to provide a more balanced and stable group for assessment.
- A positive TSR gateway has been introduced for the TSR measures to ensure award outcomes are aligned with shareholder experience.
- The maximum EPS target has been lifted from 7.5% of 10% compound growth over the three-year performance period. The Board considers that 10% compound growth over three years remains a significant stretch in the context of NRW's size, scale, complexity and anticipated growth trajectory, as well as with reference to historical ASX200 performance and NRW's historical performance.
- EPS will be assessed over the full three-year performance period, with outcomes determined in FY28 for vesting. This approach aligns our EPS assessment with peers and ensures management is accountable for delivering performance across the entire three-year period.
- EPS will be determined based on the weighted average number of shares on issue during the final year of the performance period.

Details of remuneration structure of CEO

The structure of the CEO's remuneration is a combination of a fixed annual salary and a variable at risk annual award comprising of a short-term incentive and a long-term incentive, details of which are set out in the 2025 Remuneration Report on pages 28 – 48 of the 2025 Annual Financial Statements.

The FY26 Performance Rights award is calculated with reference to the MD & CEO's Total Fixed Remuneration (TFR) in FY26 of \$1,750,000, with the maximum long-term incentive equal to 170% and the maximum short-term incentive equal to 80% of the TFR.

The remuneration structure has been designed to prioritise strong performance outcomes by ensuring a significant portion of CEO remuneration is “at-risk” and directly aligned with shareholder results, while also supporting the retention of the CEO. The Board remains comfortable with the maximum total fixed v “at-risk” split of the CEO's remuneration, with majority of “at-risk” reward comfortably weighted towards long-term equity awards.

	% of Total Award
Total Fixed Remuneration (Cash)	28%
At-Risk Short-Term Incentive Opportunity (Cash)	23%
At-Risk Long-Term Incentive Opportunity (Equity)	49%

In establishing the total remuneration and the structure of the remuneration package for the CEO & MD, the Board, with the support of the Nomination & Remuneration Committee, obtained independent remuneration advice from subject-matter experts. Core to this advice was the benchmarking of the total remuneration and the structure of the remuneration package to a peer group identified by the independent subject-matter expert and approved by the Nomination & Remuneration Committee and Board. The peer group used for this benchmarking was determined by the independent subject matter expert and was established across direct and adjacent markets and selected as the best fit against a range of relevant characteristics, including market capitalisation, revenue, asset base, workforce size, operating model (including segment mix, geographic footprint, commodity exposure, diversity, vertical integration and operational complexity), and CEO & MD capability. While not all peers met every criterion, the group represents the closest overall alignment to NRW's scale, complexity and operating profile. Peers are listed at Appendix 1.

Based on this peer group benchmarking the Board set the CEO & MD's TFR slightly below the 50th percentile and the total incentive opportunity between the 50th and 75th percentile. The positioning was considered appropriate for the CEO & MD in light of his sustained track record of high performance, his tenure with NRW, and the scope, scale and complexity of his role.

Finally, the Board confirms there will be no further increase to the CEO & MD's remuneration package for two years, meaning no increase will be considered until FY28.

Resolution 1 seeks Shareholder approval for the issue of Performance Rights to Mr Pemberton which, if granted, will equate to the long-term incentive part of his remuneration award.

Key terms of the FY26 LTI Award

It is proposed that, if Resolution 1 is approved, Mr Pemberton will be granted 1,029,412 Performance Rights for the FY26 financial year. Key terms associated with the FY26 LTI Award are as follows:

- 3-year performance period (1 July 2025 to 30 June 2028).
- Vesting date of 30 September 2028.
- Vesting of Performance Rights will be subject to meeting certain performance targets set out below.
- The Board will not exercise any positive discretion with regards to the LTI vesting. The Board continues to maintain the right to exercise negative discretion, where it considers appropriate.
- Each Performance Right will, on vesting, entitle the holder to one fully paid ordinary share in the Company.
- As the Performance Rights are part of Mr Pemberton's remuneration, there is no price payable on the issue of Performance Rights or on allocation of shares if Performance Rights vest.

The number of Performance Rights proposed to be granted pursuant to Resolution 1 was determined using a 30-day volume-weighted average price of shares in the Company to 30 June 2025 (which was an amount of \$2.89 per share). This implies a maximum value, at the date of issue, of \$2,975,000 for those Performance Rights without applying any discount for the probability of vesting hurdles being satisfied (and if so, to what extent).

Performance targets and vesting

Performance Rights proposed to be granted pursuant to Resolution 1 are focused on delivering increased earnings, and growth in shareholder value across two key market segments.

The table below sets out the performance targets which will be measured over the performance period, alongside the quantum of Performance Rights that will vest as each performance hurdle is met. If performance is above the minimum objective but below the maximum objective, the performance rights will vest pro rata to actual achievement.

Performance Hurdle	Target Weighting		No. Performance Rights	Performance Target	Notes
Relative TSR – Selective Peer Group	16.67%	At Min	171,603	Between 50th and 75th percentile	A positive TSR gateway applies to this portion of the award. Relative TSR – Selective Peer Group performance will be assessed as TSR over the whole performance period relative to an appropriate and pre-defined comparator group for NRW Holdings Ltd.
	16.67%	At Max	171,603	At or above the 75th percentile	The Selective Peer Group has been independently reviewed, and expanded to include the following peers: MacMahon (ASX: MAH), Monadelphous (ASX: MND), Emeco (ASX: EHL), SRG Global (ASX: SRG), Southern Cross Electrical (ASX: SXE), Perenti (ASX: PRN, Cimtec Limited (CVL), Downer EDI Limited (DOW), GR Engineering Services Limited (GNG) and Symal Group Limited (SYL). If an entity in the group ceases to be listed during the Performance Period (for example, through a takeover), its TSR will be excluded from the Selective Peer Group TSR calculation.
Relative TSR – Anchor Peer Group	16.67%	At Min	171,603	Between 50th and 75th percentile	A positive TSR gateway applies to this portion of the award.
	16.67%	At Max	171,603	At or above the 75th percentile	Relative TSR – Anchor Peer Group performance will be assessed as TSR over the performance period relative to the ASX200 – Industrials Index.
EPS (cents)	16.66%	At Min	171,500	34.1	The FY28 hurdles have been calculated by applying a 5% and 10% compound annual growth rate over the three-year performance period to the FY25 underlying EPS to set the min and max respectively.
	16.66%	At Max	171,500	39.2	Measurement of performance against the target will be based on reported FY28 underlying EPS. At the end of the performance period, the Board will examine non-underlying transactions (i.e. transactions excluded from underlying EBITA) to determine whether any adjustments are appropriate when assessing incentive outcomes.

Other key provisions of the Plan

Eligibility for participation in the Plan will be subject to approval by the Board – which is supported by the Nomination & Remuneration Committee. Mr Pemberton is the only Director entitled to participate in the Plan.

If a Plan Participant's (including Key Management Personnel's (KMP)) employment with the Company ceases for reasons other than death or permanent disability, any unvested Performance Rights will lapse and expire unless the Board of the Company considers it appropriate in the circumstances to consider the vesting of any unvested Performance Rights. Where a Plan Participant or KMP has died or becomes permanently disabled the Board may determine that the Performance Rights will not lapse and will be tested against the vesting hurdles on the applicable vesting dates.

Upon a change of control occurring in respect of the Company, the following rules will apply to determine how Performance Rights should vest or lapse.

- Performance Rights that have met the vesting hurdle will vest on a date to be determined before the change of control date.
- Performance Rights which have met the vesting hurdle as a consequence of the change of control (for example a share price increment) will vest on a date to be determined before the change of control date.
- In respect of Performance Rights which have not yet met the vesting hurdle, the N&RC may (in its absolute discretion) determine that all or a portion of these Performance Rights will vest, notwithstanding that time restrictions or performance conditions applicable to the Performance Rights have not been satisfied. Vesting in this regard would be subject to shareholder approval.

A Plan Participant or KMP can be considered to be a “Good Leaver” subject to agreement with the N&RC. Good Leaver conditions are generally very specific to the individual and the individual’s personal circumstances but will normally require appropriate notice periods to allow the orderly transfer of responsibilities from the incumbent to his or her replacement. Any Performance Rights awarded to a Good Leaver will be “pro-rated” based on the number of months of completed employment in the performance period divided by the relevant performance period. Awards will then be tested at the relevant vesting date (or the date relevant to the performance hurdle) and the pro-rated number of Performance Rights will vest on the vesting date.

Shares acquired on vesting of Performance Rights may be delivered to participants through the issue of Shares or on-market acquisitions, at the discretion of the Board. The Performance Rights will not carry any voting rights and do not give the holder a right to participate in any entitlement issues (such as pro rata rights issues or a share purchase plan). The Performance Rights will not be eligible for any dividends. Any new Shares issued on the vesting of Performance Rights will be quoted on the ASX. Performance Rights will not be quoted on the ASX. Variations to the terms of the Performance Rights following their issue is subject to the Plan and the ASX Listing Rules. No security interests (such as charges or mortgages) can be held against Performance Rights.

Information for the purposes of ASX Listing Rule 10.15 regarding Resolution 4

The following information is disclosed in relation to Resolution 1 for the purpose of ASX Listing Rule 10.15:

- The Performance Rights will be granted to Mr Julian Pemberton (or his nominee).
- Mr Pemberton is covered by Listing Rule 10.14.1 because he is the Company’s CEO & Managing Director.
- Mr Pemberton is entitled to receive performance rights as part of his remuneration framework. Details of Mr Pemberton’s current total remuneration package are included on pages 6 – 7 of this Notice. Further details of Mr Pemberton’s remuneration are set out in the 2025 Remuneration Report on pages 28 - 48 of the 2025 Annual Financial Statements.
- The Company has decided to grant the Performance Rights to Mr Pemberton because they create share price alignment between Mr Pemberton and Shareholders but do not provide the full benefits of share ownership (such as dividends and voting rights) unless the Performance Rights vest.
- The maximum number of Performance Rights that will be granted to Mr Pemberton (or his nominee) if Shareholders approve Resolution 1 is 1,029,412.
- The number of Performance Rights proposed to be granted was determined using a 30-day volume-weighted average price of shares in the Company to 30 June 2025 (which was an amount of \$2.89 per share). This implies a maximum value, at the date of issue, of \$2,975,000 for those Performance Rights without applying any discount for the probability of vesting hurdles being satisfied (and if so, to what extent).
- Each Performance Right entitles the holder, on vesting, to receive one fully paid ordinary share in the Company (subject to any permitted adjustment under the rules of the Plan).
- A summary of the material terms of the Performance Rights and the value that the Company attributes to the Performance Rights are set out on pages 5 - 8 of this Notice.
- Mr Pemberton has been granted a total of 2,145,664 Performance Rights under the Plan at nil cost as each time they were granted to Mr Pemberton as part of his remuneration. If Resolution 1 is approved, that number will be increased by 1,029,412 Performance Rights. To date, 862,167 Performance Rights have vested to Mr Pemberton under the Plan.

- The Performance Rights will be issued as soon as practicable after the date of the Extraordinary General Meeting and in any event within 12 months of the date of the meeting.
- The Performance Rights are being granted to Mr Pemberton as part of his remuneration and therefore no amount is payable by Mr Pemberton for the grant of the Performance Rights. No amount is payable for any Shares allocated on the vesting of any Performance Rights.
- A copy of the Terms and Conditions of the NRW Holdings Limited Performance Rights Plan can be found on the NRW website (www.nrw.com.au).
- There is no loan proposed in relation to the grant of Performance Rights to Mr Pemberton.
- Details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 1 is approved and who are not named in the Notice will not participate until approval is obtained under ASX Listing Rule 10.14.
- A voting exclusion for Resolution 1 is set out in this Notice.
- See Appendix 2 for a summary of the Terms and Conditions of the NRW Holdings Limited Performance Rights Plan.

Board recommendation

With the exception of Mr Pemberton, the Board unanimously recommends that Shareholders vote in favour of Resolution 1. Mr Pemberton does not make any recommendation to Shareholders in relation to Resolution 1 as he has an interest in the outcome of the resolution.
