About InteliCare Holdings Limited

InteliCare is an Australian technology company that has commercialised a predictive analytics hardware and software system for use in the aged care and health industries. InteliCare believes Australians deserve to age with dignity and through its business-to-business (B2B) and business-to-consumer (B2C) solutions built on its proprietary internet of things (IOT) platform utilising smart sensors and artificial intelligence (AI), InteliCare aims to enable people to stay in their own homes for longer while empowering healthcare providers to deliver higher quality, more efficient services.
