6. RESOLUTION 1 – REMUNERATION REPORT

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 31 December 2025. A copy is available on the Company's website.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second annual general meeting (Spill Resolution).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (Spill Meeting) within 90 days of the second annual general meeting, at which all of the Directors (other than the Managing Director) of the Company, would need to stand for re-election.

The Company's Remuneration Report for the year ended 31 December 2024 received a Strike at the 2025 Annual General Meeting. As a result, should the Remuneration Report receive a Strike at this Meeting, Resolution 8 will be put to this meeting, and this may result in the re-election of the Board. See below explanatory information for Resolution 8 in relation to the conditional Board Spill Meeting Resolution.

A voting exclusion statement for Resolution 1 is included in the Voting Exclusions.

9. RESOLUTION 4 - RATIFICATION OF PRIOR ISSUE OF 200,000,000 SHARES

Background

As announced to the ASX on 10 November 2025, the Company undertook a capital raising in the form of a placement whereby the Company issued 200,000,000 Shares at an issue price of \$0.175 per Share, to raise \$35m before costs.

The 200,000,000 Shares were issued utilising the Company's Listing Rule 7.1 placement capacity, for which ratification is sought pursuant to this Resolution 4.

Broadly speaking, and subject to a number of exceptions in Listing Rule 7.2, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Shares does not fit within any of the relevant exceptions in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows shareholders to approve an issue of Equity Securities after it has been made or agreed to be made. If shareholders approve, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

In accordance with Listing Rule 7.4, to restore the Company's capacity to issue further Shares it is proposed that Shareholders ratify the prior issue of Shares.

If Resolution 4 is passed, the 200,000,000 Shares will be excluded when calculating the Company's 15% limit under Listing Rule 7.1 effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 4 is not passed, the Company's capacity to raise additional equity funds over the next 12 months without Shareholder approval will be reduced.

Resolution 4 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.5 the following information is provided:

Persons who participated in the issue:	Institutional, Professional and Sophisticated Investors of Unified Capital Partners Pty Ltd and Morgans Corporate Limited, none of whom are related parties of the Company.
Number and Class of Securities to be Issued	200,000,000 Shares
Date on which the securities were issued	17 November 2025
Issue Price	\$0.175 per Share
Purpose of the issue	To fund strategic initiatives as announced to ASX on 10 November 2025

Directors' recommendation

The Board unanimously recommends that Shareholders vote in **favour** of this Resolution.

The Chairman intends to exercise all available proxies in **favour** of this Resolution.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

10. RESOLUTION 5 - APPROVAL OF EQUITY PLAN

Background

The ASX Listing Rules generally restrict listed companies from issuing more than 15% of their issued share capital in any 12-month period without shareholder approval. However, an exception to this restriction is Listing Rule 7.2 (exception 13) which states that general Listing Rule requirements for shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, shareholders approve the issue of securities under the scheme as an exception to the rule.

If the Company's Equity Plan is approved by Shareholders, issues under the Company's Equity Plan (**Plan**) over the next three (3) years will fall under this ASX Listing Rule exception and will not affect the Company's ability to separately issue up to 15% of its total ordinary securities in any 12-month period (without having to obtain further Shareholder approval).

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

The Plan is designed to:

- (a) assist in the reward, retention and motivation of eligible employees;
- (b) link the reward of eligible employees to Shareholder value creation; and
- (c) align the interests of eligible employees with Shareholders by providing an opportunity for eligible employees to earn rewards via an equity interest in the Company based on creating Shareholder value.

In accordance with ASX Listing Rule 7.2, exception 13, a summary of the key terms of the Plan is set out in Appendix A.

For the purposes of Listing Rule 7.2 exception 13:

- (a) as at the date of this Notice, 59,797,623 securities have been issued under the Plan since the Plan was last approved by Shareholders on 21 May 2024; and
- (b) it is proposed that up to 300,000,000 securities will be issued under the Plan subject to its approval at this Annual General Meeting.

If this Resolution is passed, the Company will be able to issue Equity Securities under the Equity Plan without affecting the Company's ability to issue securities under the Company's placement capacity without Shareholder approval. If the Resolution is not passed, any Securities issued under the Equity Plan would need to be issued under the Company's 15% placement capacity which effectively decreases the number of Equity Securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in **favour** of this Resolution.

The Chairman intends to exercise all available proxies in **favour** of this Resolution.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

11. RESOLUTION 6 - APPROVAL OF ISSUE OF RESTRICTED STOCK UNITS TO EXECUTIVE DIRECTOR

Background

Subject to Shareholder approval, the Company proposes to grant a maximum of 5,724,113 Restricted Stock Units to Sean Hehir, Executive Director and Chief Executive Officer (**CEO**).

The objective of the proposed grant of Restricted Stock Units to Mr Hehir is primarily to link the reward of Restricted Stock Units to Shareholder value creation and align his interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

The Board has designed the CEO's Long-Term Incentive Plan (LTIP) to ensure executive reward is strictly aligned with the creation of sustainable shareholder value through three primary drivers: bookings, strategic technical delivery and organisational leadership. The LTIP rewards the CEO for strategic endurance and asset appreciation, ensuring that current technical

milestones translate into a USD\$38 million commercial scale-up over the three-year performance period ending 31 December 2028.

The LTIP performance hurdles are divided into three distinct components to balance product innovation with corporate governance:

Commercial Traction (50% Weighting):

This performance hurdle measures commercial traction with Vesting contingent upon the CEO achieving Bookings targets, where Bookings are determined as the total US Dollar value of legally binding, non-cancellable written agreements executed between the Company and a third-party customer during the performance period.

Product Readiness and Commercial Transition (30% Weighting):

This performance hurdle measures the successful transition of the Company's primary Intellectual Property from the development phase into a market-ready, commercially deployable ecosystem. Vesting is contingent upon the CEO achieving a suite of "Product Readiness Gates" by 31 December 2028, which collectively ensure the Company possesses a fully integrated hardware and software solution. The Board will assess performance based on three pillars: Architectural completion, Ecosystem Validation and Commercial integration.

Strategic Leadership & Governance (20% Weighting):

This component of the LTIP rewards the CEO for the strategic endurance required to maintain the Company's operational integrity while scaling the technology portfolio. Performance is assessed across four key organizational pillars: Strategic direction, fiscal stewardship, operational excellence and organisational culture.

The Restricted Stock Units shall be issued under, and subject to, the terms of the Equity Plan.

All Directors and Executives are entitled to participate in the Equity Plan, a summary of the key terms of which is set out in **Appendix A**.

Listing Rule 10.14.1 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1, as Listing Rule 7.2 exception 14 applies.

If this Resolution is not approved, the Company will not be able to issue the Restricted Stock Units to Mr Hehir and the Company will need to consider alternate means of compensation for Mr Hehir.

If this Resolution is approved, the Company will issue the Restricted Stock Units to Mr Hehir. The key terms of the Restricted Stock Units (**RSUs**) are set out in the table below:

It is intended that the RSUs will be issued within five (5) business days after the Annual General Meeting, but in any event no later than three (3) years after the Annual General Meeting.

The RSUs will be issued to Mr Hehir for \$nil consideration.

For the purposes of Listing Rule 10.15.2, Sean Hehir is a Director of the Company and falls under Listing Rule 10.14.1.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue RSUs to Sean Hehir (as opposed to fully paid ordinary securities) for the following reasons:

- (a) RSUs are designed to incentivise Directors and Executives, and
- (b) equity based incentives assist in the alignment of Shareholders and Directors'/Executives' interests.

Mr Hehir has previously received 20,062,771 RSUs under the Equity Plan for nil consideration of which 8,310,278 have vested and as a result Shares have been issued. Mr Hehir continues to hold 9,654,186 RSUs that were issued under the Equity Plan and are yet to vest.

There are no loan arrangements with Mr Hehir in respect of the RSUs.

Details of any securities issued under the Equity Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Plan after this Resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Restricted Stock Units to be issued. A fair value for the Restricted Stock Units to be issued has been calculated using the share price on 03 March 2026 as a guide, noting that the actual fair value will be determined based upon the share price on the grant date. For grants of the Restricted Stock Units which are subject to shareholder approval, the grant is valued based upon the share price on the date that shareholder approval is obtained. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Restricted Stock Units.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should **not** be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 03 March 2026.

Valuation for Restricted Stock Units to be issued to Executive Director.

Number	5,724,113
Vesting Date(s)	Vesting will occur on the day that is one business day after 1 March 2029.
Underlying Price	A\$0.135
Total value of Restricted Stock Units Issued	A\$775,788
Employee benefit expense (annual)	A\$257,585

A significant factor in the determination of the final value of Restricted Stock Units will be the ultimate share price at the date final Restricted Stock Units are granted (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total annual employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 03 March 2026.

	Highest Price	Lowest Price
Closing Price (\$)	\$0.285	A\$0.13
Date	28 April 2025	25 February 2026
Sean Hehir	A\$1,631,372	A\$744,134

As such, if it is assumed all other factors are equal, where the share price increases above the disclosed above, the final value of Restricted Stock Units granted will increase, and conversely where the share price reduces the final value of Restricted Stock Units granted will also reduce.

Remuneration

Sean Hehir currently receives USD450,000 per annum for his position as Chief Executive Officer. The amount stated is per annum comprising salary plus superannuation contributions, short term incentive payments (cash) and medical benefits. Mr Hehir is eligible to receive a Short-Term Incentive (“STI”) of up to 100% of the aforementioned salary annually. The Restricted Stock Units proposed to be issued to Mr Hehir under this Resolution, if passed, are in addition to this sum and have an estimated fair value of A\$772,755.

Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Restricted Stock Units as the exception in section 211 of the Corporations Act applies. The Restricted Stock Units are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Existing interests and the dilutionary effect on other Shareholders’ interests

The effect that the vesting of the Restricted Stock Units will have on the interests of the applicable Director relative to other Shareholders’ interests are set out in the following table. The table assumes no further issues of Shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Restricted Stock Units and is based upon Shares on issue as at 04 March 2026.

The total number of Shares on issue in the capital of the Company	2,252,751,810

Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to this Resolution.

The Chairman intends to exercise all available proxies in **favour** of this Resolution.

A voting exclusion statement for Resolution 6 is included in the Voting Exclusions

Resolution 7 – Renewal of Proportional Takeover Provisions in the Constitution

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares (**Proportional Takeover Bid**).

In accordance with section 648D(1)(a) of the Corporations Act, the Company has included rule 29 in its Constitution, whereby a Proportional Takeover Bid for Shares may only proceed after the Proportional Takeover Bid has been approved in a meeting of Shareholders held in accordance with the terms set out in the Corporations Act (**Proportional Takeover Provisions**). The Proportional Takeover Provisions have been extracted in full in Appendix B to this Explanatory Memorandum.

Pursuant to section 648G(1) of the Corporations Act, Proportional Takeover Provisions will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its Proportional Takeover Provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders) before the clause ceases to apply. The Directors propose that the Proportional Takeover Provisions are renewed for a further period of three years from the date the Resolution is approved.

Information required by the Corporations Act

The following information is required by section 648G of the Corporations Act:

(a) Effect of Proportional Takeover Provisions

Pursuant to the Proportional Takeover Provisions, the registration of a transfer of shares acquired under a proportional off-market bid in respect of a class of securities in a company is prohibited unless and until a majority resolution to approve the proportional off-market bid is passed.

The Directors must ensure that a meeting of Shareholders is convened to vote on the resolution. The resolution must be voted on at least 14 days before the last day of the bid period (**Approving Resolution Deadline**). If no resolution to approve the bid has been voted on at the end of the day before the Approving Resolution Deadline, a resolution to approve the bid is taken to have been passed.

If the resolution is not passed before the Approving Resolution Deadline, the bid cannot proceed and any transfers giving effect to the takeover contracts for the bid will not be registered.

These Proportional Takeover Provisions do not apply to a full takeover bid for all of the Shares in the Company.

(b) Reasons for proposing Resolution 7

A Proportional Takeover Bid may result in the control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a Proportional Takeover Bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of a substantial interest in the Company.

(d) Potential advantages and disadvantages of Proportional Takeover Provisions for Shareholders

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (i) Proportional Takeover Bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a potential premium price; and
- (iii) the likelihood of a Proportional Takeover Bid succeeding may be reduced.

If a Proportional Takeover Bid is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) Potential advantages and disadvantages of Proportional Takeover Provisions for Directors

The Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a Proportional Takeover Bid should be accepted.

(f) Review of Proportional Takeover Provisions

There have been no full or Proportional Takeover Bids for the Company in the previous three years. Accordingly, there has been no example against with to review the advantages and disadvantages of the provision for the Directors and Shareholders during the past three years.

Directors Recommendation

The Directors believe that the potential advantages of renewing the Proportional Takeover Provisions outweigh any potential disadvantages and unanimously recommend that Shareholders vote in favour of Resolution 7.

12. RESOLUTION 8 – CONDITIONAL BOARD SPILL MEETING

This Resolution (Spill Resolution) is a conditional resolution and will only be effective in the event that Shareholders at this Annual General Meeting cast at least 25% of the votes cast on Resolution 1 are cast against the adoption of the Remuneration Report.

The Corporations Act provides that, if at least 25% of the votes cast on the resolution to adopt the remuneration report at two consecutive annual general meetings are cast against the adoption of the resolution, shareholders must be given the opportunity to vote on a resolution in the form of this Resolution at the second meeting (the “two strikes” rule). As greater than 25% of the votes cast on adoption of the 2025 Remuneration Report at the Annual General Meeting held on 06 May 2025 were cast against the resolution this constitutes a first strike. This Spill Resolution will therefore only need to be put to Shareholders at this Annual General Meeting if there is a second strike i.e., if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report.

If this Resolution is put to the Shareholders, this Resolution will be considered as an ordinary resolution, which means that, to be passed, the resolution requires the approval of a simple majority of the votes cast by or on behalf of Shareholders entitled to vote on the matter.

If this Resolution is passed, the Company must hold a further general meeting (Spill Meeting) within 90 days of this Annual General Meeting, to consider the composition of the Board. If a Spill Meeting is required, the details of the Spill Meeting will be notified to Shareholders in due course.

If a Spill Meeting is held, immediately before the end of the Spill Meeting, each of the Directors who were in office when the Board approved the last Directors’ Report and who remain in office at the time of the Spill Meeting will automatically cease to hold office, unless they are willing to stand for re-election and are re-elected at the Spill Meeting. This means that if a Spill Meeting is held, the following Directors will automatically cease to hold office as Directors of the Company immediately before the end of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at that meeting:

- Antonio J. Viana (Non-Executive Chairman);
- Geoffrey Carrick (Non-Executive Director);
- Duy-Loan Le (Non-Executive Director);
- Pia Turchinov (Non-Executive Director); and
- Peter van der Made (Non-Executive Director)

Accordingly, even if Antonio J. Viana and Peter van der Made are re-elected at this year's Annual General Meeting, they will still be required to be re-elected at the Spill Meeting (if held) to remain in office after the Spill Meeting (if held).

Each of these Directors would be eligible to stand for re-election at the Spill Meeting, however there is no guarantee that they would do so. As Mr Sean Hehir is an Executive Director of the Company, he is excluded from the requirements under the Corporations Act to seek re-election at the Spill Meeting (if held) and will continue to hold office regardless of the outcome of this Resolution or the Spill Meeting (if held).

Voting Exclusion:

A voting exclusion statement applies to this item of business as set out in the Notice.

Directors' recommendation

As each of the above-named directors would have a personal interest in the resolution, and will be excluded from voting on the resolution, the Board unanimously recommends that Shareholders vote against this Resolution, if it is put to the Meeting. The Chairman of the Annual General Meeting intends to vote all "open" proxies **AGAINST** this Spill Resolution if it is put to the Meeting.

Appendix A

Summary of the material terms of the Equity Plan

The Company proposes to renew its Equity plan known as the BrainChip Equity Plan ("**Equity Plan Plan**"), to assist in the retention and motivation of the Company's employees, executive directors and consultants (together the "**Eligible Participants**"). The Equity Plan is intended to assist with aligning the interests of participants with shareholders by providing an opportunity for Eligible Participants to earn equity interests in the Company.

Under the rules of the Equity Plan, the Board has discretion to offer any of the following awards to Eligible Participants:

- options to acquire Shares
- performance rights to acquire Shares
- restricted stock units to acquire Shares
- service rights to acquire Shares subject to meeting specific service milestones; and/or
- Shares,

(collectively, the "**Awards**").

In each case the Awards can be made subject to vesting conditions and/or performance hurdles as determined by the Board.

The terms and conditions of the Equity Plan are set out in comprehensive rules. A summary of the rules of the Equity Plan is set out below:

- The Equity Plan is open to Eligible Participants and other persons providing services to the Company or its related bodies corporate, as determined by the Board.
- Participation is voluntary.
- The Board may determine the type and number of Awards to be issued under the Equity Plan to each participant and other terms of issue of the Awards, including but not limited to:
 - what conditions and/or performance hurdles must be met by a participant in order for an Award to vest (if any);
 - the amount payable by a participant on the grant of Awards (if any);
 - the exercise price of any option granted to a participant;
 - the period during which a vested option, performance right/restricted stock unit or service right can be exercised; and
 - any forfeiture conditions or disposal restrictions applying to the Awards and any Shares that a participant receives upon exercise of their options or service rights, or vesting of performance rights, restricted stock units.
- When any conditions and/or performance hurdles have been satisfied, participants will receive fully vested Shares or their option, performance right/restricted stock unit or service right will become vested and will be exercisable into Shares (as applicable).
- Each vested option, performance right/restricted stock unit and service right enables the participant to be issued or to be transferred one Share upon exercise or vesting (as applicable), subject to the rules governing the Equity Plan and the terms of any particular offer.
- Participants holding options, performance rights/restricted stock units or service rights are not permitted to participate in new issues of Securities by the Company but adjustments may be

made to the number of Shares over which the options, performance rights/restricted stock units or service rights are granted and/or the exercise price (if any) to take into account changes in the capital structure of the Company that occur by way of pro rata and bonus issues in accordance with the rules of the Equity Plan and the ASX Listing Rules.

- If a "change of control event" occurs to the Company, and unless the Board determines otherwise:
 - Awards granted will vest where the Board determines that the vesting conditions and performance hurdles applicable to those Awards have been satisfied, with vesting to occur on a pro rata basis having regard to the vesting period and actual performance;
 - any options, performance rights/restricted stock units and service rights which the Board determines will not vest under the above sub-paragraph will automatically lapse; and
 - any Share Awards which the Board determines will not vest under the above subparagraph will automatically be surrendered by the participant.

A "change of control" event includes an event when a person or entity becomes a legal or beneficial owner of 50% or more of the issued capital of the Company; a person or entity becomes entitled to, acquires, holds or has an equitable interest in more than 50% of the issued share capital of the Company, a takeover bid or scheme of arrangement occurs, a sale of all or substantially all of the assets of the Company occurs, or a change in the composition of the Board effected by shareholders occurs against the recommendation of the Existing Board which results in a majority of the Board being replaced over a two year period.

 - the participant will be entitled to continue to hold all vested Share Awards;
 - all unvested options, performance rights/restricted stock units and/or service rights held by the Participant will automatically lapse; and

A participant will be a "bad leaver" if the participant resigns, is terminated for performance or is terminated or dismissed for misconduct.

- If a participant is a "good leaver", unless the Board determines otherwise:
 - any and all vested options, performance rights/restricted stock units and service rights held by the participant which have not been exercised will continue in force and remain exercisable for a period of 90 days commencing on the date of termination of the Participant's employment or engagement with a Group Company;
 - the Participant will be entitled to continue to hold all vested Share Awards; and
 - the Board may determine the manner in which any unvested Awards held by the participant will be dealt with.

A participant is a "good leaver" if they are not a "bad leaver".

- The Equity Plan limits the number of Awards that the Company may grant without Shareholder approval, such that the sum of all Awards on issue (assuming all options, performance

rights/restricted stock units and service rights were exercised) do not at any time exceed in aggregate 10% of the fully diluted share capital of the Company as at the date of any proposed new Awards.

- The Board may delegate management and administration of the Equity Plan, together with any of their powers or discretions under the Equity Plan, to a committee of the Board or to any one or more persons selected by them.
- Subject to the Listing Rules and the Constitution, the Board may at any time amend the Equity Plan or the terms and conditions upon which Awards have been issued under the Equity Plan provided, generally, that the amendment does not materially reduce the rights of any Participant in respect of Awards granted to them.
- The Board may elect to use an employee share trust or other mechanism for the purposes of holding Awards and/or Shares for Participants under the Plan, and delivering Plan Shares on behalf of Participants upon exercise of options, performance rights and service rights (as the case may be).
- Awards may be granted to Eligible Participants residing in Australia, the United States of America, France, India or other jurisdictions, as approved by the Board from time to time, under the Equity Plan subject to any local law and local tax requirements.

If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
