## About 49 Metals

49 Metals (ASX: 49M) is an Australian exploration company focused on the discovery and development of gold and silver assets. The Company is committed to a disciplined exploration approach, combining technical expertise with capital efficiency.

49 Metals is focused on the exploration and development of gold assets in Nevada, USA. Nevada is a Tier 1 mining jurisdiction producing in excess of 4mozpa accounting for more than 70% of gold production in the United States. The state consistently ranks amongst the top jurisdictions in the annual Fraser Institute Survey of the world's most attractive mining investment destinations, including holding the top ranking in the latest 2025 survey. 49 Metals holds three prospective gold projects located within the Walker Lane Trend in Nevada, USA, and is well positioned to create shareholder value as it systematically advances its portfolio of precious mineral projects.
