

Next Nano Acquisition & Placement Completion

14 April 2026

Simble Solutions Limited, a sustainability solutions company ('Simble' or 'the Company') is pleased to announce that it has completed the acquisition of 100% of the issued shares in Next Nano Pty Ltd (**Next Nano**) (**Transaction**) as first announced by the Company on 29 December 2025 (**December Announcement**).

The key terms of the Transaction are set out in the December Announcement. In accordance with the Transaction terms, the Company has issued 600,000,000 fully paid ordinary shares (**Shares**) to Dr David Pevcic on 13 April 2026.

The Company is also pleased to announce that following shareholder approval at its General Meeting held on 24 March 2026, it has today completed Tranche 2 of the Placement, issue of Placement Options, issue of Directors' Shares and Options, and issued of lead manager options announced by the Company in the December Announcement.

Tranche 1 of the Placement completed on 7 January 2026 raising \$950,000 through the issue of 190,000,000 Shares at an issue price of \$0.005, and the completion of Tranche 2 on 13 April 2026 has raised a further \$1,550,000 through the issue of 310,000,000 Shares at the same issue price.

Investors under the Placement received 1 free attaching option for every three Shares held, each with an exercise price of \$0.01 expiring 3 years from the date of issue (**Placement Options**). This equaled 166,666,686 options across Tranches 1 and 2.

In addition to the Placement above and as set out in the December Announcement, Directors, Faldi Ismail, Fadi Geha and Stephen Thornhill subscribed for an aggregate of 30,000,000 Shares and 10,000,002 free-attaching Placement Options under the Placement on the same terms and conditions as non-related parties of the Company to raise \$150,000.

62 Capital acted as lead manager to the Placement and received 150,000,000 options with the same terms as the Placement Options.

ENDS

This announcement has been authorised by the Board of Simble Solutions Limited

Simble Solutions Limited (ASX:SIS) is a global Sustainability Solutions Group, with industry-leading software products enabling Net Zero carbon reporting, and energy monitoring & intelligence Software-as-a-Service (SaaS) solutions, together with energy efficiency and carbon reduction consulting services.

The company operates two product platform divisions - *CarbonView* and *SimbleSense*:

CarbonView is an enterprise grade Carbon and Sustainability Reporting platform that allows companies to measure and reduce their carbon emissions and also meet their carbon reporting obligations as they head towards zero carbon emissions.

SimbleSense is an integrated hardware and real-time software solution that enables businesses to visualise & control their energy systems and reduce energy costs.

Simble operates across the Commercial & Industrial and Small to Medium Sized Enterprises (SME) segments, and distributes both directly via B2B sales, as well as through multiple channel partners. Simble has an international presence with offices in Australia, the United Kingdom and Vietnam.
