The options will be issued under the IAP to Mr Broome AM (or his nominee).

Mr Broome AM falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a director of the Company. If any options are issued to a nominee of Mr Alan Broome AM then that nominee will fall into the category stipulated by Listing Rule 10.14.2.

Mr Broome AM's current remuneration package is \$75,000 (comprised of \$40,000 for his Board member role, \$20,000 for his role as Deputy Chair of the Board, \$7,500 for being Chair of the Audit and Risk Committee and \$7,500 for being Chair of the Nominations and Remuneration Committee). Mr Broome AM may also receive additional remuneration of \$1,000 per day for non-standard Board duties which requires a commitment of two (2) or more days, and is subject to Board approval.

Mr Broome AM has not previously been issued any options under the IAP.

The reasons why the Company is proposing to grant these options to Director, Mr Alan Broome AM, are as follows:

- The number of options to be issued to Mr Broome AM has been determined having regards to the level of Director’s remuneration currently being received by Mr Broome AM and is a cash-free, effective and efficient way of providing an appropriate level of Director’s remuneration.
- The proposed options issue is designed to act as an incentive for Mr Broome AM to strive to achieve the Company’s goals with the aim of enhancing shareholder value.
- As an exploration and development company, the Company’s use of funds is primarily directed to the advancement of its projects and funding working capital commitments and as such the Company is not always in a position to maintain cash salary ranges for its Directors within the industry in which it operates.

A valuation of the options is contained in Schedule 1, valuing the options at a total of \$45,000.

The options will be issued to Mr Broome AM (or his nominee(s)) as soon as practicable following the Meeting and in any event no later than three years after the Meeting.

A summary of the material terms of the scheme is in Schedule 2.

Any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

If approval is given by shareholders under ASX Listing Rule 10.14, separate shareholder approval is not required under ASX Listing Rules 7.1 and 10.11. Details of options issued to Mr Broome AM will be published in the Company’s annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX listing rule 10.14.

The Board (other than Mr Broome AM who has abstained) recommends that shareholders vote in favour of this Resolution. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 3.

Mr Siciliano may also receive additional remuneration of \$1,000 per day for non-standard Board duties which requires a commitment of two (2) or more days, and is subject to Board approval.

Mr Siciliano has not previously been issued any options under the IAP.

The reasons why the Company is proposing to grant these options to Director, Mr Angelo Siciliano, are as follows:

- The number of options to be issued to Mr Siciliano has been determined having regards to the level of Director’s remuneration currently being received by Mr Siciliano and is a cash-free, effective and efficient way of providing an appropriate level of Director’s remuneration.
- The proposed options issue is designed to act as an incentive for Mr Siciliano to strive to achieve the Company’s goals with the aim of enhancing shareholder value.
- As an exploration and development company, the Company’s use of funds is primarily directed to the advancement of its projects and funding working capital commitments and as such the Company is not always in a position to maintain cash salary ranges for its Directors within the industry in which it operates.

A valuation of the options is contained in Schedule 1, valuing the options at a total of \$300,000.

The options will be issued to Mr Siciliano (or his nominee(s)) as soon as practicable following the Meeting and in any event not later than three years after the Meeting.

A summary of the material terms of the scheme is in Schedule 2.

Any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

If approval is given by shareholders under ASX Listing Rule 10.14, separate shareholder approval is not required under ASX Listing Rules 7.1 and 10.11. Details of options issued to Mr Siciliano will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX listing rule 10.14.

The Board (other than Mr Siciliano who has abstained) recommends that shareholders vote in favour of this Resolution. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 4.

Specific information required by Listing Rule 10.15 not mentioned above

The options will be issued under the IAP to Ms Wang (or her nominee).

Ms Wang falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a director of the Company. If any options are issued to a nominee of Ms Wang then that nominee will fall into the category stipulated by Listing Rule 10.14.2.

Ms Wang's current remuneration package is \$50,000 (comprised of \$40,000 for her Board member role, \$5,000 for being a member of the Audit and Risk Committee and \$5,000 for being a member of the Nominations and Remuneration Committee). Ms Wang may also receive additional remuneration of \$1,000 per day for non-standard Board duties which requires a commitment of two (2) or more days, and is subject to Board approval.

Ms Wang has not previously been issued any options under the IAP.

The reasons why the Company is proposing to grant these options to Director, Ms Jing Wang, are as follows:

- The number of options to be issued to Ms Wang has been determined having regards to the level of Director's remuneration currently being received by Ms Wang and is a cash-free, effective and efficient way of providing an appropriate level of Director's remuneration.

If approval is given by shareholders under ASX Listing Rule 10.14, separate shareholder approval is not required under ASX Listing Rules 7.1 and 10.11. Details of options issued to Ms Wang will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX listing rule 10.14.

SPECIAL BUSINESS

RESOLUTION 7 – APPROVAL TO ISSUE AN ADDITIONAL 10% OF ISSUED CAPITAL OVER A 12 MONTH PERIOD

Listing Rule 7.1A permits eligible entities that have obtained shareholder approval by special Resolution at an annual general meeting to issue an additional 10% of the entity's issued ordinary securities (calculated using the formula set out below). The ability to issue securities under Listing Rule 7.1A is in addition to the listed entity's ability to issue 15% of its issued Equity Securities without security holder approval in a 12 month period, under Listing Rule 7.1.

A listed entity must satisfy both of the following criteria at the time of its annual general meeting in order to be eligible to seek approval under Listing Rule 7.1A:

- it must have a market capitalisation of \$300 million or less; and
- it must not be included in the S&P/ASX300 Index.

The Company must satisfy both criteria as at the date of the annual general meeting. As at 31 March 2026, the Company is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$76.4 million¹.

In the event that the Company's market capitalisation exceeds \$300 million on the date of the meeting, the Company will withdraw this Resolution 7.

The number of Equity Securities that the Company may issue with approval under Listing Rule 7.1A.2 is calculated using the following formula:

$$(A \times D) - E$$

A = the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the previous 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the previous 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued more than 12 months before; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the last 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into more than 12 months before; or
 - the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of any other fully paid ordinary securities issued in the previous 12 months with approval under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the previous 12 months;
- less the number of fully paid ordinary securities cancelled in the previous 12 months.

D = 10%

E = The number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement has not been subsequently approved by security holders under Listing Rule 7.4.

A resolution under Listing Rule 7.1A can only be proposed as a special Resolution at an eligible entity's annual general meeting. A special Resolution is a Resolution that has been passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Securities issued with approval under Listing Rule 7.1A must belong to a class of Equity Securities (as defined in the Listing Rules) already quoted. Listing Rule 7.1A cannot be used for placements of securities in a class that has not yet been quoted.

The Company obtained shareholders' approval at the 2025 Annual General Meeting for such issue of additional 10% of issued capital. No additional shares were issued under this approval since the last annual general meeting.

Given the current status of the Company's projects, the Directors believe it is prudent to have such allowance available for the 12 months from the date of the AGM.

If Resolution 7 is passed, the Company will be able to issue securities up to the combined 25% limit under Listing Rules 7.1 and 7.1A without any further approval from shareholders.

¹ The market capitalisation is calculated by multiplying the number of ordinary shares on issue (2,387,663,574 Shares) by the Share price (\$0.032 as at 31 March 2026)

If Resolution 7 is not passed then the Company will not have the availability of the additional 10% of Issued Capital capacity under Listing Rule 7.1A. If the Company intends to issue securities over and above its Issued Capital capacity under Listing Rule 7.1 then shareholder approval will be required to issue such securities.

The Board recommends shareholders vote in favour of Resolution 7. The Chair intends to vote undirected proxies in favour of Resolution 7.

Information Required by Listing Rule 7.3A

Listing Rule 7.3A prescribes the information that must be included in the Notice in relation to a Resolution under Listing Rule 7.1A. This information is as follows:

1. Any Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of the Company's Equity Securities and issued for a cash consideration only. The issue price of securities issued under Listing Rule 7.1A must not be less than 75% of the VWAP for securities in the relevant quoted class calculated over the 15 trading days on which trades in that class were recorded immediately before either:
 - (i) the date on which the price at which the securities are to be issued is agreed; or
 - (ii) if the securities are not issued within 10 trading days of the date in paragraph (i), above, the date on which the securities are issued.
2. If Resolution 7 is approved by Shareholders and the Company issues additional Equity Securities there is a risk of economic and voting dilution of the existing Shareholders including the risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

The table below provides details of the quoted and unquoted classes of Equity Securities the Company has on issue at the date of the Notice.

Equity Securities	Number on issue
Quoted fully paid ordinary shares	2,387,663,574

The following table illustrates the potential dilution of existing shareholders on the basis of the number of ordinary shares for variable "A" as at the date of this notice ("Current variable A") and where variable "A" is 15% and 30% greater than the current variable "A":

Dilution Table	Current variable "A"	15% increase in Current variable "A"	30% increase in Current variable "A"
10% voting dilution	2,387,663,574	2,745,813,110	3,103,962,646
Total shares on issue following rule 7.1A placement	238,766,357	274,581,311	310,396,265
	2,626,429,931	3,020,394,421	3,414,358,911

Assumptions relevant to the table describing the potential dilution of existing Shareholders:

- an additional 10% of the Company's ordinary shares are issued under Listing Rule 7.1A;
- no options are exercised before the date of the issue under Listing Rule 7.1A; and
- the issue under Listing Rule 7.1A consists only of ordinary shares.

The following table illustrates the funds raised from the issue of an additional 10% of issued capital under 7.1A, based on:

- the current variable "A" and where variable "A" has increased by 50% and 100%; and
- the share price as at the date of this notice and where the share price has fallen by 50% and increased by 100%.

Variable "A" in Listing Rule 7.1A.2	Issued Capital:		Fund raised	
	10% Voting Dilution	\$0.016 (50% decrease in issue price)	\$0.032 issue price (share price as at 31 Mar 2026)	\$0.064 (100% increase in issue price)
Current variable "A" (2,387,663,574 Shares)	238,766,357	\$3,820,262	\$7,640,523	\$15,281,047
50% increase (3,581,495,361 Shares)	358,149,536	\$5,730,393	\$11,460,785	\$22,921,570
100% increase (4,775,327,148 Shares)	477,532,715	\$7,640,523	\$15,281,047	\$30,562,094

3. An approval under this rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following.
 - (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
 - (b) The time and date of the entity's next annual general meeting.
 - (c) The time and date of the approval by holders of the eligible entity's ordinary securities of a transaction under Listing Rule 11.1.2 or 11.2.
4. In accordance with Listing Rule 7.1A.3, the Company must issue Equity Securities under the additional 10% Issued Capital capacity for cash consideration. Terramin may use the funds raised for the acquisition of new resources, assets and investments (including expenses relating to such an acquisition), continued exploration expenditure (including fieldwork, feasibility study work, and ongoing project administration) and for general working capital requirements.
5. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:
 - (i) The methods of raising funds that are available to Terramin, including but not limited to, rights issue or other issue in which existing Shareholders can participate;
 - (ii) The effect of the issue of Equity Securities on the control of the Company;
 - (iii) The financial situation and solvency of the Company; and
 - (iv) Advice from corporate, financial and broking advisors (if applicable).

As at the date of this Notice, the Company has not formed any specific intentions regarding who may be offered securities under a placement pursuant to Listing Rule 7.1A. No decision has been made regarding allottees. The allottees may include either existing security holders or new investors who are not related parties or associates of related parties and have not previously been a shareholder, or a combination of both.

6. The Company obtained Shareholder approval under Listing Rule 7.1A at its 2025 Annual General Meeting on 29 May 2025. Since that date, the Company has issued no fully paid ordinary shares under Listing Rule 7.1A.

Schedule 2 – Incentive Award Plan Summary

(a) Nature of Plan

An incentive awards plan providing for the issue of shares, options and performance rights (Awards) as incentives to Eligible Participants.

(b) Eligible Participants

Eligible Participants are current or proposed:

- i. Directors (whether executive or non-executive) of the Company and any Associated Body Corporate of the Company (each, a “Group Company”); or
- ii. full, part time or casual employees or individual contractors of any Group Company;

who are declared by the Board to be eligible to receive grants of Awards under the Incentive Awards Plan.

(c) Invitation

The Board may, in its absolute discretion, make a written invitation to any Eligible Participant to apply for Awards upon the terms set out in the Incentive Awards Plan and upon such additional terms and conditions as the Board determines. On receipt of an Invitation, an Eligible Participant (or their permitted nominee) may apply for the Awards the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in its discretion.

(d) Invitation limits

Where an Invitation is proposed to be made in reliance on the employee share scheme (ESS) provisions of the Corporations Act (ESS Provisions), and the Award offered requires cash consideration to be paid either on issue or exercise (eg an Option with an exercise price), the Company must reasonably believe, when making such an Invitation, that the Invitation will not result in the Company breaching the cap imposed by the ESS Provisions.

In general terms the cap is equal to 5% of Shares on issue (or such other percentage set in the Company’s constitution), taking into account any Shares issued or that may be issued under the Plan in the past 3 years.

(e) Conditions to acquisition of Awards

The issue of Awards is conditional on any necessary shareholder, constitutional and regulatory approval being obtained.

(f) Terms of Convertible Securities

Each Option or Performance Right (each a **Convertible Security**) will entitle its holder to subscribe for and be issued or transferred, one Share (upon vesting and exercise of that Convertible Security) unless the Plan or an applicable Invitation otherwise provides.

There are no participating rights or entitlements inherent in Convertible Securities and participants will not be entitled to participate in new issues of securities offered to Shareholders of the Company without exercising the Convertible Securities.

There is no right to a change in the exercise price or in number of underlying Shares over which a Convertible Security can be exercised, except to the extent an Invitation otherwise provides where permitted by the ASX Listing Rules.

A Convertible Security does not entitle a participant to vote except as otherwise required by law.

A Convertible Security does not confer any right to a return of capital, whether in a winding up, or upon a return of capital or otherwise, or a right to participate in surplus profit or assets of the Company upon a winding up.

A Convertible Security does not confer an entitlement to participate in or receive any dividend (whether fixed or at the discretion of the Board) until the Convertible Security has vested and been exercised and Shares have been allocated as a result of the exercise of the Convertible Security.

(g) Vesting and exercise of Convertible Securities

Convertible Securities will not vest and be exercisable unless the vesting conditions (if any) attaching to that Convertible Security (**Vesting Conditions**) have been satisfied and the Board has notified the Eligible Participant of that fact. The Board may, in its absolute discretion, by written notice to a Participant, resolve to waive any of the Vesting Conditions applying to Convertible Securities.

There is no automatic vesting on a change of control but it can be provided for in specific Invitations for specific Convertible Securities.

A vested Convertible Security may, subject to the terms of any Invitation, be exercised by the holder at any time before it lapses.

(h) Cashless Exercise Facility

The Board may, in its discretion, where the 7 day VWAP price of Shares (**Market Value**) is higher than the exercise price of vested Options, permit a Participant not pay the exercise price for exercised Options and instead be issued that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share) (**Cashless Exercise Facility**).

(i) Lapsing of Convertible Securities

A Convertible Security will lapse upon the earlier of:

- i. the Board, in its discretion, resolving a Convertible Security lapses as a result of an unauthorised disposal of, or hedging of, the Convertible Security;
- ii. a Vesting Condition not being satisfied or becoming incapable of satisfaction (and not being waived by the Board in its discretion);
- iii. in respect of an unvested Convertible Security, the holder ceases to be an Eligible Participant and the Board does not exercise its discretion to vest the Convertible Security or allow it to remain unvested;
- iv. in respect of a vested Convertible Security, a holder ceases to be an Eligible Participant and the Board, in its discretion, resolves that the Convertible Security must be exercised within one month (or such later date as the Board determines) of the date the Relevant Person ceases to be an Eligible Participant, and the Convertible Security is not exercised within that period and the Board resolves, at its discretion, that the Convertible Security lapses as a result;
- v. the Board deems that a Convertible Security lapses due to fraud, dishonesty or other improper behaviour of the holder/Eligible Participant under the rules of the Incentive Awards Plan;
- vi. in respect of an unvested Convertible Security, a winding up resolution or order is made, and the Convertible Security does not vest in accordance with rules of the Incentive Awards Plan;
- vii. the Participant and the Company agreeing that the Convertible Security is voluntarily forfeited or cancelled; and
- viii. the Expiry Date of the Convertible Security.

(j) Disposal Restriction on Convertible Securities

Except as otherwise provided for by the Incentive Awards Plan, an Invitation, the ASX Listing Rules or required by law, a Convertible Security may only be disposed:

- i. with the consent of the Board (which may be withheld in its discretion) in Special Circumstances, being:
 - a. ceasing to be an Eligible Participant due to death or total or permanent disability, or retirement or redundancy;
 - b. severe financial hardship; or
 - c. any other circumstance stated to constitute "special circumstances" in the terms of the relevant Invitation; or
- ii. by force of law upon death to the Participant's legal personal representative or upon bankruptcy to the Participant's trustee in bankruptcy.

(k) Disposal Restrictions on Shares

Shares can be made subject to a Restriction Condition and/or a Restriction Period, either of which prohibit disposal until satisfied or waived at the Board's discretion (unless an Invitation otherwise provides).

Shares are deemed to be subject to a Restriction Period to the extent necessary to comply with any escrow restrictions imposed by the ASX Listing Rules.

If a Restriction Condition is not met (and is not waived), the Company may, amongst other remedies, buyback and cancel the Shares for nil consideration, sell the Shares for at least 80% of market value and retain the sale proceeds, or declare the Shares to be forfeited and, where held by a trustee, for the Shares to return to the unallocated pool or to be allocated to a different Participant.

A Share that is subject to a Restriction Period is not at risk of buyback/forfeiture, it is just unable to be disposed of during the Restriction Period.

The Company may implement any procedure it considers appropriate to restrict a Participant from dealing with any Shares for as long as those Shares are subject to a Restriction Period.

The Participant agrees to execute a restriction agreement in relation to the Restricted Shares reflecting any Restriction Period applying to the Restricted Shares under the Plan or any escrow imposed by the ASX Listing Rules.

(I) Other Key Terms

All Shares issued under the Incentive Awards Plan will rank equally in all respects with the Shares of the same class for the time being on issue except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue.

In the event of a reorganisation of the capital of the Company, all rights of the holder of an Award will be amended to the extent necessary to comply with the Corporations Act and the ASX Listing Rules applying to reorganisations at the time of the reorganisation.

Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies to the Awards except to the extent an Invitation provides otherwise.

No issue or allocation of Awards and/or Shares will be made to the extent that it would contravene the Constitution, Listing Rules, the Corporations Act or any other applicable law.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
