Webinar – Company Update European Gas | Welchau-1 | HOCH-1 Shallow Gas Play

ADX Energy Ltd (ASX:ADX) (ADX Energy or Company) is pleased to invite shareholders and investors to a webinar with hosted by Executive Chairman Ian Tchacos, providing an update of the Company's recent progress and near-term opportunities.

The session will cover current projects and key developments across ADX's European portfolio, including:

- A brief corporate update and strategic outlook;
- ADX's positioning in the evolving European gas market;
- A summary of the results of the recent Welchau-1 well testing program and the ongoing technical definition of the discovery; and
- The HOCH-1 shallow gas prospect and the broader shallow gas play in Upper Austria

The webinar will feature contributions from ADX's technical team, with insights into Welchau-1 (now assessed to be a updip oil discovery and a yet to be intersected deeper gas/condensate accumulation) as well as an update on HOCH-1 drilling progress and follow-up permitted shallow gas prospects including GOLD and SCHOE.

This is an opportunity to hear directly from management the recent milestones, upcoming catalysts, and how ADX is advancing its European growth strategy.

Shareholders and investors are invited to register using the Webinar URL link for the free webinar below:
