It may not be reproduced, disseminated, quoted or referred to, in whole or in part, without the express consent of Amaero. By accepting this presentation you agree to keep this presentation private and confidential, not to disclose any of the information contained in this presentation to any other person, and not to copy, use, publish, record, disclose, disseminate or reproduce the information in this presentation to any party, in whole or in part, without the prior written consent of Amaero, which may be withheld in its absolute discretion. Your use of this presentation is also governed by any confidentiality deed or non-disclosure agreement between Amaero (or any of its related bodies corporate) and you (or your organization) (NDA). To the extent of any inconsistency between the NDA and the terms and conditions set out in this importance notice and disclaimer, the terms of the NDA prevail, provided that the information contained in this presentation is "Confidential Information" for the purposes of the NDA.

This presentation contains summary information about Amaero and its activities, which is current as at the date of this presentation. The information included in this presentation is of a general nature and does not purport to be complete nor does it contain all the information which a prospective investor should consider when making an investment decision. Each recipient of this presentation should make its own enquiries and investigations regarding all information in this presentation including but not limited to the assumptions, uncertainties and contingencies which may affect future operations of Amaero and the impact that different future outcomes may have on Amaero. This presentation has been prepared without taking account of any person's investment objectives, financial situation or particular needs. Before making an investment decision, prospective investors should consider the appropriateness of the information having regard to their own objectives, financial situation and needs, make their own assessment of the information and seek legal, financial, accounting and taxation advice appropriate to their jurisdiction in relation to the information and any action taken on the basis of the information. The information included in this presentation has been provided to you solely for your information and background and is subject to updating, completion, revision and amendment and such information may change materially. Unless required by applicable law or regulation, no person (including Amaero) is under any obligation to update or keep current the information contained in this presentation and any opinions expressed in relation thereto are subject to change without notice. No representation or warranty, express or implied, is made as to the fairness, currency, accuracy, reasonableness or completeness of the information contained herein. Neither Amaero nor any other person accepts any liability and Amaero, its related bodies corporate and their respective directors, officers and employees, to the maximum extent permitted by law, expressly disclaim all liabilities for any loss howsoever arising, directly or indirectly, from this presentation or its contents.

Recipients of this presentation should be aware that certain financial data included in the presentation may be considered "non-GAAP financial measures" within the meaning of Regulation G of the U.S. Securities Exchange Act of 1934. These non-GAAP financial measures, including EBITDA and EBITDA margin, do not have a standardized meaning prescribed by Australian Accounting Standards or International Financial Reporting Standards and therefore may not be comparable to similarly titled measures presented by other entities, nor should they be construed as an alternative to other financial measures determined in accordance with Australian Accounting Standards or International Financial Reporting Standards. Although Amaero believes these non-GAAP financial measures provide useful information to recipients in measuring the financial performance and condition of its business, recipients are cautioned not to place undue reliance on any such measures. Financial information contained in this presentation is unaudited, unless otherwise stated, and is therefore subject to change.

Certain market and industry data (including industry forecasts, projections, market sizes, market shares and market positions) included in this presentation has been obtained from public filings, research, surveys or studies conducted by third parties, including industry and general publications, which has not been independently verified by Amaero, as well as from Amaero's own internal estimates and research. Amaero cannot warrant or guarantee the adequacy, fairness, accuracy or completeness of such information. You should note that market data and statistics are inherently predictive and subject to uncertainty and not necessarily reflective of actual market conditions. There is no assurance that any of the industry or market forecasts, including management estimates, which are referred to in this presentation will be achieved. In addition, such data involves a number of assumptions and limitations, and there can be no guarantee as to the accuracy or reliability of such assumptions. In addition, while Amaero believes its own estimates and research are reliable, such estimates and research have not been verified by any independent source.

This presentation includes forward-looking statements that reflect Amaero's intentions, beliefs or current expectations concerning, among other things, Amaero's results of operations, financial condition, liquidity, performance, prospects, growth, strategies and the industry in which Amaero operates. Such forward-looking statements may include financial projections which involve a significant element of subjective judgement, projection and analysis by Amaero's management (that may or may not be correct) and estimates made by Amaero's management that are based on uncertain events that may or may not occur. Such projections have not been endorsed, adopted or approved by Amaero's Board of Directors as likely to be accurate (nor have they been adopted by the Board as a forecast). These forward-looking statements are subject to risks, uncertainties and assumptions and other factors, many of which are beyond the control of Amaero. Amaero cautions you that forward-looking statements are not guarantees of future performance and that its actual results of operations, financial condition, liquidity, performance, prospects, growth or opportunities and the development of the industry in which Amaero operates may differ materially from those made in or suggested by the forward-looking statements contained in this presentation. In addition, Amaero does not guarantee any particular rate of return or the performance of Amaero nor does it guarantee the repayment or maintenance of capital or any particular tax treatment. Investors should note that past performance may not be indicative of results or developments in future periods and cannot be relied upon as an indicator of (and provides no guidance as to) Amaero's future performance. Amaero, its related bodies corporate and each of their respective directors, officers and employees expressly disclaim any obligation or undertaking to review, update or release any update of or revisions to any forward-looking statements in this presentation or any change in Amaero's expectations or any change in events, conditions or circumstances on which these forward-looking statements are based, except as required by applicable law or regulation.

This presentation and any materials distributed in connection with this presentation are not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. The distribution of this presentation in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about, and observe any such restrictions.

Re-domiciliation to the United States Underway

Positioning Amaero as a U.S.-domiciled advanced materials and manufacturing leader

- Amaero has entered into a Scheme Implementation Deed to re-domicile to U.S.
- New Delaware parent company (Amaero US HoldCo) to become ultimate parent
- Shareholders retain equivalent economic ownership via CDIs
- ASX listing maintained under existing ticker (3DA)
- Operations, strategy, and management remain unchanged
- **Engaged PCAOB-registered auditor (BDO USA) to align to U.S. reporting standards**

Structure Transition

Timeline

Corporate parent will shift to the U.S., while investors maintain equivalent ownership and continue trading on the ASX

Aligning with U.S. Growth and Capital Markets

U.S. Market Positioning

- Aligns with **U.S. defense & sovereign manufacturing growth**
- Greater visibility with U.S. customers and stakeholders
- Improves comparability vs U.S.-listed peers
- Positions Amaero to satisfy U.S. foreign ownership, control and influence (FOCI) requirements, supporting eligibility for classified defense contracts

Capital Access

- Access to **larger, deeper U.S. investor base**
- Potential for **improved valuation & liquidity**
- Enhanced access to **lower-cost debt & equity capital**

Strategic Flexibility

- Simplifies structure for **M&A / partnerships**
- Better alignment with U.S. strategic counterparties
- Positions company for a **potential U.S. IPO and listing in late CY2026 or early CY2027** subject to equity market conditions

EXIM Bank Increases Loan Commitment to US\$26.1 Million

Amendment reflects increased approved funding and continued support from U.S. government-backed financing program

US\$26.1M

Total approved EXIM loan

- **US\$3.3 million increase** from the US\$22.8M previously announced⁽¹⁾
- Reinforces EXIM Bank's commitment to Amaero's platform and growth plan and further aligns the company with EXIM Bank's Make More in America (MMIA) initiative
- Provides additional **non-dilutive capital** to support incremental capex deployment

(1) ASX Announcement, 26 February 2025, Credit Agreement Signed for US\$22.8 Million Loan from Export-Import Bank.

Scaling U.S. Distribution Through Strategic UPM Partnership

Three-year exclusive distribution agreement delivering immediate revenue and access to a large, established distribution network

4,000 kg

*Contracted minimum UPM
inventory commitment*

- **Amaero appointed as exclusive supplier** of titanium powders under the agreement
- **Initial purchase order of 4,000 kg received**, included in FY2026 contracted revenue
- UPM to maintain minimum inventory of 4,000 kg (2,000 kg per specification), with **ongoing replenishment orders** to sustain inventory levels
- Adds a scaled distribution channel with **immediate revenue contribution and recurring volume potential**

United Performance Metals

- United Performance Metals, LLC (“UPM”) an O’Neal Industries affiliate, is a **global provider of high-quality materials, advanced manufacturing solutions, and specialized supply chain services for critical industries**
- UPM’s parent, O’Neal Industries, generated an estimated **US\$3.4 billion in sales in 2025**

“ We are excited to partner with Amaero to distribute their titanium powder and expand access to high-performance materials for advanced manufacturing applications. Amaero’s expertise in titanium powder aligns well with our commitment to delivering reliable materials and supply chain solutions that support the evolving needs of our customers. ”

- JJ Johnson, General Manager of UPM Advanced Solutions

A\$7.8 Million Titanium Agreement Supports FY2027 Revenue Visibility

Long-term supply agreement with committed volumes and expansion upside reinforces commercial momentum

Agreement Overview

A\$7.8M

*Minimum contracted revenue
(FY2027 shipments)*

- 1-year Master Purchasing Agreement⁽¹⁾ with **minimum commitment**
- Equivalent to total FY2026 titanium powder revenue
- Equal quarterly shipments (July 2026 → June 2027)
- Fixed pricing on committed volumes with upside from additional orders

✓ **Commercial validation at scale** – single contract approximates FY2026 titanium revenue

✓ **Embedded growth optionality** – minimum commitment with expected expansion

✓ **Improving forward visibility** – contracted shipments underpin FY2027 revenue ramp

Strategic Implications

~100%

*Planned increase in titanium powder
production in FY2027 over FY2026*

- Strengthens revenue visibility entering FY2027
- **Customer expects FY2027 orders to exceed minimum commitment**
- Reinforces demand driven by accelerating LPBF / additive adoption

(1) ASX Announcement, 10 April 2026, Amaero Signs Supplier Agreement With A\$7.8 Million Order For Titanium Powders.

Commercial Traction & Strategic Partnerships

Trusted by leading organizations in defense, aerospace, and advanced manufacturing for their mission critical materials and parts

Long-Term Partners

Q4 FY26 Commercial Momentum

+62% Q4 FY26 titanium revenue expected to increase 62% compared to Q3 FY26. Reflects full capacity utilization for current quarter
