Notice of Annual General Meeting and Explanatory Statement.

Notice is given that the Annual General Meeting of members (**Shareholders**) of Web Travel Group Limited ACN 002 013 612 (**Company** or **Web Travel Group**) will be held on **Tuesday, 26 August 2025** at **9:00am (Melbourne time)**.

Shareholders may either attend in person in Studio 3 & 4 at W Melbourne, 408 Flinders Lane, Melbourne, Victoria, or virtually via the Computershare online platform by following the instructions contained in this Notice of Meeting.

Web Travel Group Limited

ABN 68 002 013 612

Dear Shareholder,

Annual General Meeting

The Board of Directors of Web Travel Group Limited (**Company** or **Web Travel Group**) cordially extends an invitation to you to join the Company's Annual General Meeting (**AGM**) at 9:00am (Melbourne time) on Tuesday, 26 August 2025. Registration will open from 8:30am (Melbourne time).

This year Web Travel Group will hold a hybrid AGM, both in-person in Studio 3 & 4 at W Melbourne, 408 Flinders Lane, Melbourne, Victoria, as well as virtually through an online platform (<https://meetnow.global/MJLC25D>) for those who prefer to attend remotely or are not able to attend in-person. The online platform will enable Shareholders to view the meeting, ask questions (in writing and orally) in relation to the business of the meeting and vote in real time.

FY25 Financial Performance

FY25 marked the demerger of the Company's business-to-consumer (B2C) division into Webjet Group Limited, enabling Web Travel Group Limited (previously called 'Webjet Limited') to focus on and build WebBeds, our global business-to-business (B2B) travel distribution division.

In FY25 WebBeds continued to build revenues and market share, in a large market in which we can keep growing for years to come. Unfortunately, our take rate on gross revenues (TTV margin) was lower than we expected, in part due to a change in product supply mix as we expanded geographically, and in part due to our own actions. These factors resulted in disappointing Revenue and EBITDA outcomes.

Remedial action has been taken and margins have now stabilised. We are back on track.

As reported in this year's annual report (which reflected the performance of the WebBeds business only, with FY24 restated to reflect the pro-forma WebBeds business only), FY25 Bookings were 8.4 million, up 20% compared to FY24. TTV was up 22% to \$4.9 billion, and Revenue was up 1% to \$328.4 million. Group Underlying EBITDA was \$120.6 million, down by 13%, and Underlying Net Profit after Tax was down 22% to \$79.2 million. Reflecting the lower than anticipated Revenue and EBITDA outcomes, no short-term incentives were payable to management or employees in respect of FY25 performance.

During the year we took steps to minimise the potential dilution effect of the \$250 million convertible notes that are due for redemption or conversion in April 2026. We undertook two capital management initiatives – firstly, we further invested in a hybrid financial asset providing access to 8.4 million shares in the Company; and secondly, we completed a \$150 million on-market share buyback, buying back 31.2 million shares. The Company has cash on hand and committed facilities to meet any redemption event without compromising our strong balance sheet.

AGM Resolutions

This year's resolutions include the formal election and confirmation of appointment of three new Non-executive Directors; the adoption of the Remuneration Report; the approval of an amendment to the terms of existing performance rights granted to the Managing Director; and the approval of new equity grants to the Managing Director under the Company's Long-Term Incentive Plan.

Resolutions 1, 2 and 3 relate to the election of three new Directors. During the 2025 calendar year, the Board was pleased to welcome Rachel Wiseman, Melanie Wilson and Paul Scurrah as independent Non-executive Directors. Ms Wiseman, Ms Wilson and Mr Scurrah will seek confirmation of their respective appointments at the AGM. The Board unanimously endorses these appointments. Additional information on these Directors' backgrounds and the rationale for their appointments are summarised in the Explanatory Statement.

Resolution 4 relates to the adoption of the Remuneration Report, as set out in the Company's Annual Report for the financial year ended 31 March 2025.

Resolution 5 seeks approval for the amendment to the terms of the Rights granted on 27 November 2024 to the Managing Director, John Guscic, as described in the Explanatory Statement.

Resolution 6 seeks approval for the issue of Rights to the Managing Director under the Company's Long-Term Incentive Plan.

Enclosed with this letter are both the Notice of Meeting and Explanatory Statement, which contain more detailed information in respect of the business of the AGM and voting procedures. Shareholders who do not intend to attend the Meeting can lodge their proxy vote by mail, facsimile or online as explained on page 7 of the Notice of Meeting. To be valid, your proxy vote must be received by no later than 9:00am (Melbourne time) on 24 August 2025.

We look forward to engaging with Shareholders at the AGM. I hope you will participate in the meeting in-person, via the online platform, or via the lodgement of your proxy form.

Yours sincerely,

Roger Sharp
Chair

The Company's decision to conduct voting at the Annual General Meeting in this way is supported by the Company's constitution which provides that the chairperson may determine the manner in which a poll at a general meeting of the Company will be taken. The constitution of the Company also allows for a general meeting to be held in two or more places, using technology to facilitate it.

Technical difficulties

Technical difficulties may arise during the course of the Meeting. The chairperson has discretion as to whether and how the Meeting should proceed in the event that a technical difficulty arises. In exercising this discretion, the chairperson will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where the chairperson considers it appropriate, the chairperson may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, Shareholders are encouraged to lodge a proxy in accordance with the instructions below even if they plan to attend online.

Proxy forms and voting

- A Shareholder entitled to attend and vote at the Meeting has the right to appoint a proxy.
- A proxy does not need to be a Shareholder of the Company.
- A Shareholder who is entitled to cast two or more votes may appoint up to two proxies and, in the case of such an appointment, may specify the proportion or number of votes each proxy is appointed to exercise.
- If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes which each proxy may exercise, each proxy may exercise half of the votes.
- Proxies may be appointed using the proxy form (**Proxy Form**). Detailed instructions for appointing a proxy are provided on the Proxy Form.
- Proxy appointments (and any necessary supporting document) must be received by the Company no later than **48 hours before the commencement of the Meeting**. Proxies received after this deadline will **not** be effective for the scheduled meeting.
- Completed Proxy Forms may be lodged as follows:

By mail to:	Computershare Investor Services Pty Limited GPO Box 242 Melbourne VIC 3001
--------------------	--

By facsimile to:	Computershare Investor Services Pty Limited (within Australia) 1800 783 447 (outside Australia) +61 3 9473 2555
-------------------------	---

Online:	by visiting www.investorvote.com.au and following the instructions and information provided on your Proxy Form
----------------	---

Custodian voting:	For Intermediary Online subscribers only (custodians), please visit www.intermediaryonline.com to submit your voting intentions
--------------------------	---

- If a Proxy Form is signed on behalf of a Shareholder under a power of attorney, then either the original power of attorney, or a certified copy of it, must be lodged with the Proxy Form (before the deadline for the lodgement of proxies), unless the power of attorney has already been sighted by the Share Registry.
- A proxy may decide whether to vote on any item of business or other resolution put before the Meeting, except where the proxy is required by law or the Company's constitution to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business or any other resolution before the Meeting, the proxy may vote as he or she thinks fit on that item or resolution.
- If a Shareholder appoints two proxies, neither is entitled to vote (as proxy for that Shareholder) on a show of hands at the Meeting. However, each can vote if a poll is taken on an item of business.
- If the same person (such as the chairperson of the Meeting) is appointed as proxy for two or more Shareholders and those Shareholders have specified different ways for the proxy to vote on an item of business, then the proxy is not entitled to vote (as proxy) on a show of hands on that item.

Appointment of corporate representatives

- A body corporate that is a Shareholder and entitled to attend and vote at the Meeting, or that has been appointed as proxy of a Shareholder entitled to attend and vote at the Meeting, may appoint an individual to act as its representative at the Meeting. The appointment must comply with section 250D of the Corporations Act. The representative must provide to the Company adequate evidence of his or her appointment, including any authority under which the appointment is signed, unless that evidence has previously been provided to the Share Registry.

Appointing the chairperson of the Meeting as your proxy

The Proxy Form accompanying this Notice contains detailed instructions regarding completion of the Proxy Form in circumstances where a Shareholder wishes to appoint the chairperson of the Meeting as his or her proxy. You should read those instructions carefully.

- By appointing the chairperson of the Meeting as your proxy in relation to any Resolutions you expressly authorise the chairperson to exercise your vote on those Resolutions, including Resolutions 4, 5 and 6 which are connected directly or indirectly with the remuneration of members of the KMP (which, in respect of Resolution 4, includes the chairperson) unless:
 - you have directed the chairperson how to vote on the resolutions by marking the appropriate box at Step 2 of the Proxy Form; or
 - you are a member of the KMP or a Closely Related Party of such a member of KMP.
- The chairperson intends to exercise all available proxies by voting in favour of all Resolutions on the agenda.
- If you do not wish the chairperson of the Meeting to exercise the proxy in accordance with the chairperson's stated voting intentions on a Resolution, you should ensure that a box other than the 'For' box is clearly marked against each of the Resolutions in the Proxy Form.

Shareholders should refer to the notes below for information regarding voting restrictions.

Voting by proxy holders

Under the Corporations Act:

- if proxy holders vote, they must vote all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the chairperson of the AGM, who must vote the proxies as directed.

In respect of Resolutions 4, 5 and 6, if your proxy is a KMP (other than the chairperson), or a Closely Related Party of a KMP, provided you are not a KMP or a Closely Related Party of a KMP, the person may still vote as your proxy provided you have directed your proxy on the Proxy Form how to vote by marking the voting boxes for those Resolutions and your proxy does vote as directed.

Proxy vote if appointment specifies way to vote

Section 250BB of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way;
- if the proxy has two or more appointments that specify different ways to vote on a resolution – the proxy must not vote on a show of hands;
- if the proxy is the chairperson of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e., as directed); and
- if the proxy is not the chairperson of the meeting – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e., as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the company's shareholders; and
- the appointed proxy is not the chairperson of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chairperson of the Meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at that meeting.

All resolutions will be by poll

The chairperson intends to call a poll on each of the resolutions set out in this Notice of Meeting.

Voting restrictions

The Corporations Act and the Listing Rules require that certain persons must not vote, and the Company must disregard any votes cast by or on behalf of certain persons, on the Resolutions to be considered at the Annual General Meeting. These voting exclusions are described below.

Resolution 4

The Company will disregard any votes cast on Resolution 4:

- by or on behalf of a member of the KMP whose remuneration details are included in the Remuneration Report; or
- those KMP's Closely Related Parties, regardless of the capacity in which the vote is cast.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on Resolution 4:

- in accordance with a direction on the proxy form; or
- by the chairperson of the Annual General Meeting pursuant to an express authorisation to exercise the proxy even though Resolution 4 is connected with the remuneration of the KMP.

Resolutions 5 and 6

The Company will disregard any votes cast in favour of Resolutions 5 and 6 by or on behalf of any director who is eligible to participate in the Plan (or an associate of that person or those persons).

However, this does not apply to a vote cast in favour of Resolutions 5 or 6:

- by a person as proxy or attorney for a person entitled to vote on the resolution in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- by the chairperson of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chairperson to vote on the resolution as the chairperson decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on those resolutions; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote on Resolutions 5 and 6 must not be cast as a proxy by a person who is a member of the KMP at the date of the Meeting or their Closely Related Parties where the proxy appointment does not specify the way a proxy is to vote on the Resolution, unless:

- the proxy is the chairperson of the Meeting; and
- the proxy appointment expressly authorises the chairperson to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a KMP member.

In accordance with the Corporations Act, a reasonable opportunity will be given to the Shareholders, as a whole, to ask questions at the AGM about, or make comments on, the financial statements for the year ended 31 March 2025 and the management of the Company.

- by email to investor@webtravelgroup.com; or
- by mail addressed to the Company Secretary, Web Travel Group Limited, Level 12, 440 Collins Street, Melbourne VIC 3000,

and must be received no later than five business days before the AGM.

A list of the written questions submitted to Deloitte will be made available to Shareholders attending the AGM. Deloitte will either answer the questions at the AGM or table written answers to them at the AGM.

All questions will be collated and, during the Meeting, the chairperson will seek to address as many of the more frequently raised topics as possible and, where appropriate, will give a representative of the Company's auditor, Deloitte, the opportunity to answer, or to table written answers to, questions submitted to the auditor. If written answers are tabled at the AGM, they will be made available to all Shareholders (on the Company's website) as soon as practicable after the AGM.

If there is not sufficient time available at the AGM to address all topics raised, the Company will endeavour to provide a subsequent written answer to each question submitted. The Company cannot guarantee that an individual response will be sent to each Shareholder.

Attendance determination of voting entitlements

In accordance with regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), for the purposes of the Meeting, only those persons registered as the holders of Shares as at 7:00pm (Melbourne time) on 24 August 2025 will be able to vote at the Meeting and only on their shareholdings at that time.

Resolution 4

Adoption of Remuneration Report

The Annual Report for the year ended 31 March 2025 contains the Remuneration Report which sets out the policies of the Company for and applicable to the remuneration of its officers and senior employees.

The Remuneration Report includes (among other things):

1. discussion of the Company's policy in relation to the nature and level of remuneration of the key management personnel of the Company (**KMP**), in respect of the financial year ended 31 March 2025;
2. discussion of the relationship between the Company's remuneration policy and the Company's performance over the five financial years up to and including 31 March 2025; and
3. the required details of the remuneration provided to the KMP (including the executive and Non-executive Directors) of the Company for the financial year ended 31 March 2025.

While section 250R(2) of the Corporations Act requires a listed company to put a resolution to its members at its annual general meeting that its remuneration report be adopted, the Corporations Act expressly provides that the vote on any such resolution is advisory only. This means that, while such vote provides guidance to the Directors, it does not bind the Directors or the Company. However, the Directors recognise the vote as an indication of shareholder sentiment and will have regard to the outcome of the vote and any discussion when setting the Company's remuneration policies.

However, under the Corporations Act, if at least 25% of the votes cast on Resolution 4 at the AGM are against adoption of the Remuneration Report, then:

- if comments are made on the Remuneration Report at the AGM, the Company's remuneration report for the financial year ending 31 March 2026 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for taking no action; and
- if subsequently, at the Company's 2026 annual general meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for that financial year are cast against its adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of all Directors (other than any managing director) of the Company (**Spill Meeting Resolution**). The Spill Meeting must be held within 90 days of the date of the 2026 annual general meeting. For any Spill Meeting Resolution to be approved, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Meeting Resolution is passed, all of the Directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

The Remuneration Report forms part of the Directors' Report for the financial year ended 31 March 2025 and is made in accordance with a unanimous resolution of the Directors. While noting that each Director has a personal interest in his remuneration, as described in the Remuneration Report, the Board unanimously recommends that Shareholders vote in favour of adopting the Remuneration Report.

Resolution 4 is put to the Shareholders at the Meeting in fulfilment of the obligations of the Company under section 250R(2) of the Corporations Act. Shareholders attending the Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

What is the Board's recommendation?

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Resolution 5

Approval of amendment to terms of existing Rights

Background

The Company held an Extraordinary General Meeting on 17 September 2024 (**EGM**) for Shareholders to consider and vote on the demerger of Webjet Group Limited (**Webjet B2C**) from the Company, which was approved at the EGM and implemented on 30 September 2024 (**Demerger**). At the EGM the Company obtained Shareholder approval to grant certain Rights to the Managing Director, John Guscic. The Rights help ensure alignment with long-term Shareholder outcomes and to reward strong outperformance, but they do not provide the full benefits of share ownership (such as dividend and voting rights) unless and until the Rights vest. The use of Rights is consistent with typical market practice.

The Notice of EGM included a summary of the terms of the Rights, including the following performance conditions:

- A relative total shareholder return (**TSR**) metric tested over a 2.5-year vesting period compared to ASX 200 listed entities excluding banks, resource companies, listed property trusts and ETF/index-based companies; and
- An underlying diluted earnings per share (**EPS**) growth metric tested over a 2.5-year vesting period.

The 2.5-year testing periods for both the TSR and EPS metrics commenced on 1 October 2024 (the first day following implementation of the Demerger).

Proposed Amendment

The 2.5-year testing period for the EPS growth metric referred to in the Notice of EGM was incorrect, and was intended to be a 3-year period (1 April 2024 to 31 March 2027), consistent with the length of performance testing periods adopted for past grants. The Demerger Booklet which accompanied the Notice of EGM included the pro forma historical underlying NPAT (as defined therein) for the post-Demerger Company for the financial year ending 31 March 2024 to support the measurement of the EPS metric over a 3-year period.

Only the TSR metric was intended to be tested over a 2.5-year period commencing on the day following implementation of the Demerger as it is more appropriate to account for the impact of the Demerger on the Company's share price by adjusting the testing period to commence immediately after the implementation of the Demerger, rather than introduce complex adjustments to calculate the TSR metric.

The Company is seeking Shareholder approval under Resolution 5 (Amendment to terms of existing Rights), to correct the testing period of the EPS growth metric for the Rights to a 3-year period from 1 April 2024 to 31 March 2027 (**Proposed Amendment**). All other terms of the Rights will remain unchanged. The Company notes that a 3-year EPS testing period commencing 1 April 2024 is more rigorous than a 2.5-year EPS testing period commencing 1 October 2024 as it uses the Company's pro forma full-year FY24 results as a baseline, whereas the Company's 1H25 results were lower than the 1H24 results due to the TTV margin decline previously disclosed in the Company's 1H25 and FY25 results.

Listing Rules 6.23.3 and 6.23.4

Listing Rule 6.23.3 prohibits changes to terms of options and performance rights which have the effect of reducing the exercise price, increasing the exercise period or increasing the number of securities received on exercise. The Company has received confirmation from ASX that the Proposed Amendment is not prohibited by Listing Rule 6.23.3.

Listing Rule 6.23.4 allows variation to the terms of performance rights which are not otherwise prohibited by Listing Rule 6.23.3, provided shareholder approval is obtained. As such, the Company hereby seeks Shareholder approval pursuant to Listing Rule 6.23.4 for the Proposed Amendment. If Shareholder approval is not obtained, the testing period of the EPS growth metric for the Rights will remain as the 2.5-year period commencing on 1 October 2024.

What is the Board's recommendation?

Noting that each Director who is eligible to participate in the Plan is excluded from voting their Shares on Resolution 5 (as set out in the voting exclusion statement in the Notes), the Board (with Mr Guscic abstaining) recommends that Shareholders vote in favour of Resolution 5.

Resolution 6

Approval of grant of Rights to the Managing Director, John Guscic

Background

In respect of the Managing Director, John Guscic's FY26 LTI entitlement, the Company is proposing to issue Mr Guscic with 651,732 Rights under the Plan, details of which are summarised below. There are no changes made to Mr Guscic's fixed annual remuneration for FY26.

Why is shareholder approval being sought?

Listing Rule 10.14 provides that Shareholders of an ASX listed company must approve the issue of securities (including options and performance rights) to a director under an employee incentive scheme. Accordingly, the Board seeks Shareholder approval under Resolution 6 for the grant of Rights to the Managing Director, Mr Guscic, as part of his remuneration package applicable in FY26.

Summary of terms of Mr Guscic's proposed Rights grant

A summary of the material terms of the proposed grant are set out below. Further details of Mr Guscic's remuneration package is contained in the Remuneration Report.

Summary of terms of Mr Guscic's proposed Rights grant

Entitlements under LTI offer	Subject to Shareholder approval, Mr Guscic will be offered 651,732 Rights which has been calculated by dividing the LTI maximum opportunity amount (being 200% of the FAR) by \$4.91, the 20-day VWAP of the Company's shares commencing on 28 May 2025, being the date of release to the ASX of the Company's full year results for FY25. If Shareholder approval is not obtained the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Guscic. Each Right will give Mr Guscic a right to acquire one Share at nil cost if the applicable performance conditions are satisfied.
Date of grant	If Shareholder approval is obtained, the Rights will be granted to Mr Guscic as soon as practicable after the Annual General Meeting. In any event, they will not be granted more than 1 year after the date of the Annual General Meeting.
Why are Rights used for Mr Guscic's LTI?	The Company uses Rights because they ensure alignment with long-term Shareholder outcomes and reward strong outperformance but do not provide the full benefits of share ownership (such as dividend and voting rights) unless and until the Rights vest. The use of Rights is aligned with typical market practice.
Performance conditions	The vesting conditions for the vesting of the Rights will comprise the following two metrics each with a weighting of 50%: - a relative total shareholder return (TSR) metric tested over the applicable 3-year vesting period compared to ASX 200 listed entities excluding banks, resource companies, listed property trusts and ETF/index-based companies; and - an underlying diluted earnings per share (EPS) growth metric tested over the applicable 3-year vesting period. The vesting scales to be used for each vesting condition metric are:

TSR Metric

The Company's TSR ranking	Percentage of TSR metric achievement	Percentage of Rights that will vest
Below the 40th percentile	0%	0%
At the 40th percentile	25%	12.5%
Above the 40th percentile and below the 50th percentile	25% plus an additional 1% for each 1 percentile increase above the 40th percentile	12.5% plus an additional 0.5% increase for each 1 percentile increase above the 40th percentile
At the 50th percentile	35%	17.5%
Above the 50th percentile and below the 75th percentile	35% plus an additional 2.6% for each 1 percentile increase above the 50th percentile	17.5% plus an additional 1.3% increase for each 1 percentile increase above the 50th percentile
At or above the 75th percentile	100%	50%

EPS Metric

The Company's scaling 3-year underlying EPS	Percentage of metric achievement	Percentage of Rights that will vest
Less than 8%	0%	0%
At 8%	30%	15%
Above 8% and below 10%	30% plus an additional 0.15% for each 1 bps above 8%	15% plus an additional 0.075% for each 1 bps above 8%
At 10%	60%	30%
Above 10% and below 13%	60% plus an additional 0.06667% for each 1 bps above 10%	30% plus an additional 0.03334% for each 1 bps above 10%
At 13%	80%	40%
Above 13% and below 15%	80% plus an additional 0.1% for each 1 bps above 13%	40% plus an additional 0.05% for each 1 bps above 13%
At or above 15%	100%	50%

Performance period and vesting	The performance conditions for the Rights will be tested over a three-year period from 1 April 2025 until 31 March 2028. Subject to satisfaction of the performance conditions, the Rights will vest on the third anniversary of the date of grant.
Exercising vested performance rights	Once vested, the Rights may be exercised (into ordinary Shares) at any time within five years of the vesting date.
Price payable	Mr Guscic will not be required to make any payment to the Company on the grant or exercise of the Rights.
Value of the Rights	The number of Rights to be issued to Mr Guscic has been determined in accordance with the fair value attributable to the Rights and on the basis of delivering an LTI equal to 200% of Mr Guscic's FAR. However, given that the accounting for the fair value of the Rights is calculated on the date of issue of the Rights, the ultimate fair value of the Rights to be accounted for in the Company's financial statements will not be known until the issue of the Rights. The realised value of the Shares allocated to Mr Guscic following exercise of the Rights will depend on the price of the Shares on that date.
Dividend and voting rights	The Rights granted to Mr Guscic do not carry any dividend or voting rights prior to vesting. Once vested, if the Company determines to pay a dividend to its Shareholders, Mr Guscic may be entitled to, by way of cash or Shares, a payment equivalent to the value of dividends that would have been payable to him had he been the holder of the underlying Shares over which the Right is exercisable during a period determined by the Board.
Adjustments to performance rights	The Company reserves the right to adjust the outcome where appropriate for acquisitions and/or disposals or other events/circumstances which may unreasonably skew the outcome.
Trading restrictions	Mr Guscic will not be permitted to dispose of, or otherwise deal with, the Rights. Subject to compliance with applicable laws and the Company's Share Trading Policy, Mr Guscic will not be prevented from dealing with any Shares acquired by him upon the vesting of the Rights.
Cessation of employment	If Mr Guscic's employment is terminated for cause, the clawback provisions will apply. Where Mr Guscic's employment contract terminates because of redundancy, death, serious illness or disability, the Board retains a residual discretion to permit retention and/or exercise of unvested Rights. In all other circumstances, subject to the Clawback provisions, Mr Guscic will retain a pro-rata proportion (based on the portion of FY26 which has elapsed) of the number of Mr Guscic's unvested Rights which will be retained for testing at the end of the performance period.
Clawback	The Rights are subject to customary clawback provisions under which, subject to the discretion of the Board, will lapse if, among other things, Mr Guscic materially breaches his obligations to the Company or has acted fraudulently in relation to the affairs of the Company.

Change in control	If a change of control event occurs, the Board has discretion to determine that all or a portion of the Rights will, subject to the vesting conditions remaining capable of being satisfied at that time, vest at an earlier date to be determined by the Board.	
Mr Guscic's total remuneration package for FY26	Listing Rule 10.15.4 requires this Notice of Meeting to include details (including the amount) of Mr Guscic's current total annual remuneration:	
	Fixed Annual Remuneration (including superannuation) (FAR)	\$1.6 million
	Short term incentive	100% of FAR at maximum, subject to the achievement of both financial and non-financial measures
	Long term incentive	200% of FAR at maximum
	Shareholders are referred to the Remuneration Report for full details of Mr Guscic's remuneration.	
Other information required by Listing Rule 10.15	- Mr Guscic is a Director of the Company and accordingly falls into the category of people contemplated under Listing Rule 10.14.1. - Mr Guscic is the only Director of the Company entitled to participate in, and receive securities, under the Plan. 4,500,000 Options and 893,041 Rights have been granted to Mr Guscic for nil cost in respect of prior year LTI grants. 68,184 Rights were voluntarily forfeited by Mr Guscic in November 2024.¹ No loans have been provided by the Company to Mr Guscic in connection with the grant of such Options or Rights or allocation of shares on vesting and exercise of those Options or Rights. - Details of any securities issued under the Plan will be published in the Annual Report for the period to which the securities were issued, along with a statement that Shareholder approval for the issue was obtained under Listing Rule 10.14. - Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Options or Rights under the Plan after this Resolution 6 is passed and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule. - A voting exclusion statement in respect of Resolution 6 has been included in this Notice.	

What is the Board's recommendation?

Noting that each Director who is eligible to participate in the Plan is excluded from voting their Shares on Resolution 6 (as set out in the voting exclusion statement in the Notes), the Board (with Mr Guscic abstaining) recommends that Shareholders vote in favour of Resolution 6.

¹ Mr Guscic was initially granted 435,908 FY24 Rights, which were due to convert into 552,387 Shares on 1 April 2026 in accordance with the Supplementary Demerger Booklet lodged with the ASX on 21 August 2024. Mr Guscic volunteered to reduce his entitlement from 552,387 Shares to 367,724 Shares which was calculated by dividing the cash payment (in accordance with the Demerger Booklet dated 8 August 2024) by the 9-day VWAP of the Shares from 1 October to 11 October 2024. The net effect was a reduction in Mr Guscic's vested FY24 Rights by 68,184 Rights. Mr Guscic also volunteered to reduce his FY25 Rights entitlement by 33%. The number of Rights disclosed at item 3 above includes the number of FY25 Rights actually granted to Mr Guscic after the voluntary reduction. For more information, please refer to the Remuneration Report.
