Critical Minerals Group launches Investor Hub

Critical Minerals Group (ASX: CMG) is pleased to announce the launch of its new Investor Hub platform.

Investor Hub provides a central location for existing and prospective investors to access CMG announcements, presentations, materials and reports, while also offering a new channel to engage with the Company.

The platform has been established to support more direct, timely and accessible communication with CMG's shareholder base, providing greater visibility of the Company's strategy, project developments and broader progress as it advances its integrated, sovereign vanadium supply chain strategy.

By providing an additional channel for investor engagement, Investor Hub will enhance transparency and accessibility, enabling investors to better understand and follow CMG's activities, market positioning and long-term value creation opportunities.

CMG encourages shareholders and interested investors to join InvestorHub at:
