Resolution 4 – Re-election of Christopher Fong as Director

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.5, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Christopher Fong was appointed a Director of the Company on 5 December 2019 and was last re-elected as a Director at the Annual General Meeting held on 12 May 2021.

Under this Resolution, Christopher Fong has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Biography of Christopher Fong

Chris Fong has extensive business experience in Indonesia, built over more than 30 years of working across communications, corporate advisory and strategic project management. In 1992, he was appointed Country Manager (Indonesia) for media services group YRN Communications, and later became Vice President, Marketing, overseeing offices in six countries. In 1998, he became a managing partner in a Singapore-based communications business that experienced significant growth associated with the Indonesian market.

Over the following decade, Chris managed a diverse range of projects spanning debt restructuring, crisis management, consumer and brand development, and democratic and environmental reform for multinational corporations, family-controlled conglomerates and government.

Directors' Recommendation

Christopher Fong has an interest in this Resolution and therefore does not make a recommendation. The other Directors recommend a vote in favour of this Resolution.

Resolution 5 – ASX Listing Rule 7.1A Approval of Future Issue of Securities (Additional 10% Placement Capacity)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity. An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$3.57million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
 - (b) the time and date of the entity's next annual general meeting; and
-

(c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approve this Resolution and the Company does raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) to further develop the Company's business;
- (b) to be applied to the Company's working capital requirements; and
- (c) to pay service providers or consultants of the Company.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.0015 50% decrease in issue price	\$0.003 issue price ^(b)	\$0.006 100% increase in issue price

	Funds raised	\$401,651	\$803,301	\$1,606,602

Notes:

- (a) The total number of fully paid ordinary Shares on issue as at 1 April 2026 is 1,785,113,821.
- (b) Based on the closing price of the Company's Shares on ASX as at 1 April 2026, being \$0.003 per Share.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on several factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders has been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the board of Directors reserves the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

When and if the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Services Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to the AGM

The Company previously obtained shareholder approval under Listing Rule 7.1A at the 2025 AGM. However, the Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Voting Exclusion

A voting exclusion applies to this Resolution and is set out in the *Voting Exclusion and Prohibition Statements*.

Directors' Recommendation

The Directors recommend a vote in favour of this Resolution.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolutions 6, 7, 8 and 9 – Issue of Fully Paid Ordinary Shares in lieu of Director Fees

Resolutions 6, 7, 8 and 9 seek Shareholder approval to issue and allot a total of 83,762,889 Fully Paid Ordinary Shares at a deemed issue price of A\$0.003104 per Share to Directors (or their nominees) in lieu of cash Director fees for the period that they have served as a Director from 31 January 2026 until 31 December 2026 (**CY26 Fee Shares**).

Further details in respect of the intended issue of CY26 Fee Shares to the Directors are set out in the table below:

Allottee (or their nominee)	Annual Remuneration as of the date of this Notice	Remuneration that will be paid in CY26 Fee Shares	Grant of Fully Paid Ordinary Shares for which Shareholder approval is being sought

Mark Skipper	A\$30,000.00	A\$30,000.00	9,664,949

Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval (unless one of the exceptions in ASX Listing Rule 10.12 applies) for the issue of securities to certain persons, including:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;

- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an Associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

As Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper are current directors of the Company, they are a related party for the purposes of Listing Rule 10.11. The proposed issue does not fall within any of the exceptions in Listing Rule 10.12 and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

To this end, Resolutions 6, 7, 8 and 9 seek the required Shareholder approval to issue the CY26 Fee Shares to Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1 and the issuance will not be included within the Company's 15% capacity.

If any of Resolution 6, 7, 8 and 9 are passed, the Company will be able to proceed with the proposed issue of CY26 Fee Shares in respect of the relevant director to whom that specific resolution applies.

If any of Resolutions 6, 7, 8 and 9 are not passed, the Company will not be able to proceed with the proposed issue of CY26 Fee Shares in respect of the relevant director to whom that specific resolution applies, and may have to consider other ways to remunerate Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper which are not as cost effective for the Company.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval under Chapter 2E of the Corporations Act is obtained prior to the giving of the financial benefit.

The proposed issue of CY26 Fee Shares constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

As Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper are current Directors of the Company, they are considered to be "related parties" of the Company. Therefore, the proposed issue of CY26 Fee Shares to the Directors (or their nominees) requires Shareholder approval under Chapter 2E of the Corporations Act and Listing Rule 10.11, unless the issue of SARs falls within one of the exceptions to the provisions.

For each director for whom the issue of CY26 Fee Shares were considered, the other non-conflicted Directors considered the proposed issue and formed the view that the giving of this financial benefit was reasonable remuneration, given the circumstances of the Company, and the responsibilities held by that Director in the Company.

In reaching this view, the following considerations were taken into account:

- (a) CY26 Fee Shares do not represent an incentive, but reflect the actual Director fees owed to the Directors in accordance with their letters of appointment;
 - (b) the issue of CY26 Fee Shares is a cost effective and efficient method to remunerate the Directors for their services as Directors of the Company, as opposed to alternative forms of remuneration, such as additional payments of cash; and
-

(c) the issue of CY26 Fee Shares allows the Company to attract and maintain high quality professionals to the Board of the Company, without impacting the Company's cash reserves.

Accordingly, the Company considers that the issue of the CY26 Fee Shares to each of the directors falls within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of these Resolutions 6, 7, 8 and 9.

Shareholder approval under Chapter 2E of the Corporations Act is therefore not required for this issue.

The Directors note that this will be an effective way for the Company to preserve cash whilst appropriately remunerating Directors for their services.

The Directors (excluding Mr Jenkins) recommend a vote in favour of the Resolution 6.

The Directors (excluding Mr Fong) recommend a vote in favour of the Resolution 7.

The Directors (excluding Mr Macdonald) recommend a vote in favour of the Resolution 8.

The Chair intends to vote all undirected proxies in favour of Resolutions 6, 7, 8 and 9.

Resolution 10 - Approval of Issue of Fully Paid Ordinary Shares in lieu of Salary to Russell Kennett, Chief Executive Officer of the Company

Resolution 10 seeks Shareholder approval to issue and allot a total of 9,664,949 Fully Paid Ordinary Shares at a deemed issue price of A\$0.003104 per share to Russell Kennett, Chief Executive Officer of the Company, in lieu of the cash salary for the period from 31 January 2026 until 31 December 2026 (**CY26 Salary Shares**), as another mechanism to help the Company preserve cash and also assist in continuing to align the interests of the CEO with shareholders of the Company.

Accordingly, Resolution 10 seeks Shareholder approval to issue 9,664,949 CY26 Salary Shares at a deemed issue price of A\$0.003104 per share to Russell Kennett, Chief Executive Officer of the Company.

If approved, this Resolution will fall within an exception to ASX Listing Rule 7.1, which will allow the Company to issue these without using the Company's 15% capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The issue does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

To this end, Resolution 10 seeks Shareholder approval of the issue of the CY26 Salary Shares under and for the purposes of Listing Rule 7.1.

If Resolution 10 is passed, the issue of the CY26 Salary Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12-month period following the date on which the CY26 Salary Shares are issued.

If Resolution 10 is not passed, the Company will not be able to proceed with the issue of the CY26 Salary Shares, and the value will be paid in cash by the Company.

Information Required by ASX Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

Voting Exclusion

Directors' Recommendation

The Directors recommend a vote in favour of this Resolution.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of Resolution 10.

Resolutions 11, 12, 13 and 14 – Issue of Incentive Securities to Related Parties

Resolutions 11, 12, 13 and 14 seek Shareholder approval to issue and allot Share Appreciation Rights (**SARs**) under the Employee Incentive Plan (**Plan**) to Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper (or their nominees), Directors of the Company.

Accordingly, the Company considers that the issue of the SARs is an appropriate mechanism to incentivise and remunerate the Directors for their services and further align the interests of the Directors with Shareholders of the Company.

Director and Related Party Approvals

Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its Shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by the Company's shareholders.

As Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper are Directors of the Company, the proposed issue of SARs constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

To this end, Resolutions 11, 12, 13 and 14 seek the required Shareholder approval to issue the SARs to Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14 in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11. Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

In accordance with Listing Rule 7.2 (exception 14), if Resolutions 11, 12, 13 and 14 are passed, the issue of SARs will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the issue date.

If any of Resolution 11, 12, 13 and 14 are passed, the Company will be able to proceed with the proposed issue of SARs in respect of the relevant director to whom that specific resolution applies.

If any of Resolutions 11, 12, 13 and 14 are not passed, the Company will not be able to proceed with the proposed issue of SARs in respect of the relevant director to whom that specific resolution applies, and may have to consider other ways to incentivise and remunerate Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper which are not as cost effective for the Company.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval under Chapter 2E of the Corporations Act is obtained prior to the giving of the financial benefit.

The proposed issue of SARs constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

As Messrs Richard Jenkins, Christopher Fong, Neil Macdonald and Mark Skipper are current Directors of the Company, they are considered to be "related parties" of the Company. Therefore, the proposed issue of SARs to the Directors (or their nominees) requires Shareholder approval under Chapter 2E of

the Corporations Act and Listing Rule 10.14, unless the issue of SARs falls within one of the exceptions to the provisions.

For the proposed issue of SARs to Richard Jenkins, Executive Chair, the other non-conflicted Directors considered the proposed issue and formed the view that the giving of this financial benefit was reasonable remuneration, given the circumstances of the Company, the quantum of the SARs, the terms of the SARs and the responsibilities held by that Director in the Company.

In reaching this view, the following considerations were taken into account:

- a) the Executive Chair has not been issued any incentive securities which have been designed to incentivise and retain directors since 2021;
- b) the quantum reflects a modest grant when assessed against current market standards and/or practices of other ASX listed companies of a similar size and stage of development; and
- c) incentives to attract and retain the services of Directors who have appropriate knowledge and expertise, whilst maintaining the Company's cash reserves.

Accordingly, the Company considers that the issue of the SARs to Mr Jenkins falls within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of Resolution 11.

For the proposed issue of SARs to Messrs Fong, Macdonald and Skipper, the non-conflicted Directors for each proposed issue considered the proposed issue and formed the view that the giving of this financial benefit was reasonable remuneration, given the circumstances of the Company, the quantum of the SARs, the terms of the SARs and the responsibilities held by that Director in the Company.

Notably, a proposed grant of 5,000,000 SARs assessed against the Company's recent trading in 2026 (between \$0.002 and \$0.005) reflected a potential value of between \$10,000 and \$25,000, which was considered to be modest in the circumstances.

Accordingly, the Company considers that the issue of the SARs to Messrs Fong, Macdonald and Skipper falls within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of Resolutions 12, 13 and 14.

Voting Exclusion

A voting exclusion and prohibition applies to the Resolutions 11, 12, 13 and 14 and is set out in the *Voting Exclusion and Prohibition Statements*.

Directors' Recommendation

The Directors note that this will be an effective way for the Company to preserve cash whilst appropriately remunerating Directors for their services.

The Directors (excluding Mr Jenkins) recommend a vote in favour of the Resolution 11.

The Directors (excluding Mr Fong) recommend a vote in favour of the Resolution 12.

The Directors (excluding Mr Macdonald) recommend a vote in favour of the Resolution 13.

The Directors (excluding Mr Skipper) recommend a vote in favour of the Resolution 14.

Chair's Intention

The Chair intends to vote all undirected proxies in favour of the Resolutions 11, 12, 13 and 14.

Resolution 15 – Consolidation of Capital

Under section 254H of the Corporations Act, a Company may consolidate its shares if the consolidation is approved by an ordinary resolution of shareholders at a general meeting.

The Company proposes to consolidate its share capital through the consolidation of every 100 Shares into 1 Share (**Share Consolidation**).

The Share Consolidation ratio was determined so that the share price of the Company following implementation of the Share Consolidation would be approximately \$0.20 per Share, based on the closing price of the Shares of \$0.0020 on 20 April 2026 (the last Trading Day).

If the Share Consolidation is approved, it is expected that it will take effect on and from Tuesday, 26 May 2026.

Effect on Shareholders

As the Share Consolidation applies equally to all Shareholders, individual shareholdings will be reduced in the same ratio as the total number of Shares (subject only to the rounding of fractions). As such, the Share Consolidation will have no material effect on the percentage interest of each individual Shareholder.

Similarly, other than minor changes as a result of rounding, the aggregate value of each Shareholder's Shares (and the Company's market capitalisation) should not change as a result of the Share Consolidation alone (that is, assuming no other market movements or impacts occur).

Shareholders should note that the Share Consolidation, if approved, would also influence the Company's share price. The price per Share may increase proportionately to reflect the reduced number of Shares on issue (although this is not certain and may be impacted by market movements or other events).

As noted above in section above, the Company has chosen the ratio of 100:1 to achieve a price per Share of approximately \$0.20.

If this Resolution is passed, the Share Consolidation will be implemented and binding upon all Shareholders, regardless of how (or if) they vote on the resolution.

Reasons for Share Consolidation

At the date of this Notice, the Company has a total of 1,785,113,821 Shares on issue. The Share Consolidation is expected to result in a more appropriate and effective capital structure for the Company and a more appealing share price to a wider range of investors.

The Board also considers the Share Consolidation will have the following benefits:

- better market perception from investors who equate a low share price with the perception of a poorly performing company; and

- interest from quality, long term institutional investors, equity funds and lending institutions who seek stability and long-term growth.

Following implementation of the Share Consolidation, the Company expects there will be 17,851,138 Shares on issue (rounded up to the nearest whole number for each holder and assuming no further share issues occur between the date of this Notice and the effective date for the Share Consolidation).

Treatment of Fractions

Where the consolidation of a Shareholder's Shares results in an entitlement to a fraction of a Share, the fraction will be rounded up to the next whole number of Shares.

Share Appreciation Rights

At the date of this Notice, the Company has 97,500,000 Share Appreciation Rights on issue.

Listing Rule 7.21 provides that a listed entity which has convertible securities (except options) on issue may only recognise its capital, in respect of the convertible securities, the number of its convertible securities or the conversion price, or both, is reorganised so that the holder of the convertible securities will not receive a benefit that holders of ordinary securities do not receive. This rule does not prevent a rounding up of the number of securities to be received on conversion if the rounding up is approved at the shareholders' meeting which approves the reorganisation.

Accordingly, if this Resolution is passed, the SARs will also be consolidated on a 100:1 basis, and the applicable exercise price will be revised upwards in inverse proportion to that ratio.

The following table sets out the number of SARs that will be on issue and their applicable exercise price if the Share Consolidation is implemented:

Security	Number currently on issue	Exercise price currently	Number after consolidation	Exercise price after consolidation
SARs	97,500,000	\$0.00	975,000	\$0.00
