¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. DIATREME RESOURCES LIMITED

Corporate Governance Statement

For the Year Ended 31 Dec 2025

Introduction

This statement outlines the Corporate Governance Practices adopted by the Board of Directors for the financial year ended 31 December 2025 and describes how Diatreme Resources Limited (the Company) addresses the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations – 4th Edition. This statement is current as at 29 April 2026 and has been approved by the Board.

In addition to the information contained in this statement, the Company's website at www.diatreme.com.au has a dedicated corporate governance section which includes copies of key corporate governance policies adopted by it.

Where the Company's corporate governance practices do not correlate with the ASX Principles and Recommendations, it is because the Board does not consider it practical to implement those recommendations due to the size and stage of development of the Company's operations. The Board's reasoning for any departure is explained. As the Company's activities develop in size, nature and scope the implementation of additional corporate governance structures will be given further consideration.

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
Principle 1: Lay solid foundations for management and oversight

YES	The Company has a written agreement in place with each director and senior executive which sets out the term of their appointment. (b) disclose that policy or a summary of it; and	Partially	(a) The Company has adopted a Diversity Policy The Board did not establish measurable objectives for achieving gender diversity during the reporting period. It has determined that its workforce comprises individuals from diverse backgrounds with the relevant skills, knowledge and experience that management believe are necessary for the relevant role. The Board seeks to provide a safe working environment for all employees and values a workplace free of prohibited discrimination, harassment, victimisation, bullying and occupational violence. The Board is committed to increasing its workforce diversity as the Company grows. The Board also believes inclusiveness is a strength and will enhance long-term shareholder value (b) The Company's Diversity Policy is available on the Company's corporate governance section of its website at www.diatreme.com.au

Details of each director's qualifications, experience, and tenure are set out in the Directors' Report contained within the Annual Report. The Board considers that its current composition reflects an appropriate balance of skills, experience, independence, and diversity to effectively discharge its governance responsibilities and support the Company's strategic objectives. Collectively, the Board has significant experience across the following key areas: - Mining and resources - Project development and operations - Financial oversight and capital management - Risk management - Governance and regulatory compliance - Stakeholder and community engagement The Board is satisfied that this mix of capabilities enables it to provide effective oversight and strategic guidance to management.
