

Dalaroo Strengthens Board at Key Growth Phase with Appointment of Mr Faheem Ahmed

Dalaroo Metals Ltd (**ASX: DAL; OTCQB: DALMF**) (“**Dalaroo**” or “**the Company**”) is pleased to announce the appointment of Mr Faheem Ahmed as a Non-Executive Director of the Company, effective 29 April 2026.

Mr Ahmed is currently the Chief Executive Officer of leading Guyana gold explorer Altair Minerals Ltd (ASX: ALR) and a Non-Executive Director of Infini Resources Ltd (ASX: I88). Prior to his role at Altair Minerals, Faheem held the position of Non-Executive Director of Brazilian Rare Earth developer Viridis Mining & Minerals Ltd (ASX: VMM), where he was instrumental in securing the now globally significant Colossus Rare Earths Project of VMM and integral in the successful exploration and development stages of the Project.

Mr Ahmed holds a Bachelor of Engineering and a Bachelor of Project Management. His background is in project appraisal, asset management, data analysis and risk modelling, with experience across the mining, infrastructure and other sectors. Since 2023 he has held board and executive roles with a number of ASX-listed resources companies. Mr Ahmed brings a highly complementary mix of commercial acumen and strategic insight to the Board. His experience spans exploration and development asset evaluation, capital allocation and stakeholder engagement across ASX-listed resources companies.

His appointment further strengthens Dalaroo's Board at a pivotal stage in the Company's growth, as it accelerates exploration across its gold and critical minerals portfolio in Côte d'Ivoire, Greenland and Western Australia. The addition of Mr Ahmed enhances the Company's ability to execute its strategy, with a continued focus on disciplined exploration, robust governance and delivering sustainable, long-term shareholder value.

Management Commentary

Dalaroo CEO, John Morgan Commented:

“We are pleased to welcome Faheem to the Board at an exciting time for Dalaroo. His experience in the resources sector and strong commercial acumen will complement our existing Board and support the Company as we continue to advance our exploration strategy across Côte d’Ivoire, Greenland and Western Australia.”
