- Post Quarter end C29 announced that firm commitments have been received for A\$4.7 million placement from institutional and sophisticated investors
- Company continues to focus its efforts on existing Australian based assets.
- Extension of term lodged with NSW regulator for Sampsons Tank and Reedy Creek.

C29 Metals Limited (ASX: C29) ("C29" or the "Company") provides the following overview of activities for the period ending 31 March 2026 (the "Quarter", the "Reporting Period") to accompany the Appendix 5b.

During the Quarter the Company progress the lodgement of the applications to renew both the Sampsons Tank and Reedy Creek Projects for a further 3-year term. These applications were submitted to the Department of Regional New South Wales - Resources and Geoscience prior to the expiry of the tenement term.

The Company also focused on assessing new acquisition opportunities across with a view to expanding and diversifying the Company's exploration portfolio, post quarter end on 30 April 2026 the Company announced it had entered into binding agreements with Australian Private Company Cancun Gold Pty Ltd to acquire an 80% interest, with the right to acquire a further 10% interest, in seven exploration licence applications across three copper and gold project areas in Namibia, Southern Africa.

The Company also announced, post quarter end on 30 April 2026, it had received firm commitments from institutional and sophisticated investors to raise \$4,700,000 (before costs) through a two-tranche placement of a total of 195,833,333 fully paid ordinary shares in the capital of the Company (**Placement Shares**) at an issue price of \$0.024 each (**Placement**).

The funds from the Placement will be directed towards exploration activities at the Company's Australian-based projects and the newly acquired Namibian Projects, costs of the acquisition and working capital.

### C29 Metals Managing Director, Mr Shannon Green, commented:

*"Post Quarter end C29 announced it had entered into binding agreements to acquire 80% of advanced Namibian copper and gold portfolio following an extensive global search. This acquisition is the start of a new chapter for C29 Metals, providing exposure to a highly prospective copper and gold portfolio in Namibia, one of Africa's premier mining jurisdictions. Copper is increasingly recognised as a critical mineral crucial to the energy transition, while gold continues to trade at near-record levels following a strong 2025. In this market environment, C29 is moving into the right commodities at an opportune time."*
