Q3 Activity Report and Appendix 4C

Q3 Highlights

- **New generation Swift TV deployed and live at 7 customer sites/ facilities delivering both new customer wins and upgrades to existing customers**
- **5,000 additional Swift TV devices ordered from google certified supplier** to meet anticipated customer demand
- **Swift recognised as a finalist** in the Technology for Social Engagement category at APAC Eldercare Innovation Awards
- **Further contract wins in Oil & Gas, Aged Care and Hospital markets**
- **\$2.0m in cash and deposits** on 31 March 2026
- **\$1.45m R&D Tax Incentive monies received in Q3**

Swift TV (ASX:STV), "Swift" or "the Company", a technology company delivering enterprise in-room engagement and entertainment through its market-first Swift TV enterprise platform, is pleased to announce its Activities Report and Appendix 4C Cash flow Report for the quarter ended 31 March 2026.

Swift's recurring revenue base, product innovation, and expansion into high-value markets positions Swift for a transformational FY26. The introduction of Swift TV lowers costs, simplifies deployment, and broadens market reach and enables easy installation. Swift remains focused on margin expansion, scale, and recurring revenue growth.

Operations

Contract Wins

Q3 new contract wins included:

- **Oil and Gas Deployment** – Swift has been contracted by Walker Newman & Associates for Swift TV supply and associated communication engineering for a vessel connected to a major Oil and Gas company. The contract is expected to be followed by a longer-term subscription agreement for Swift TV once the vessel becomes operational.
- **Eldercare** – South Australian Aged Care Provider Eldercare has contracted Swift to upgrade its Goodwood facility to Swift TV (replacing Swift Access).
- **Sydney Children's Hospitals** – 2 new contracts secured with reseller, Rauland Australia, to supply Swift's premium entertainment package, curated specifically for Children at 2 hospitals.

Swift TV Deployment

Swift has successfully launched Swift TV to market with the initial installation of **2,758 screens across 7 sites within the first 7 weeks**. A further 8 sites are scheduled for completion by 1 June 2026.

These deployments include a mix of new customers and upgrades for existing Swift customers, including global oil and gas operators and leading aged care providers.

Product Development – Swift TV

With the rollout of Swift TV commencing in March, \$0.35m of cash was used on employee expenses and the initial Swift TV infrastructure required for the creation of the Swift TV devices.

A seamless, successful initial deployment of Swift TV was achieved during the period. Continued emphasis will be placed in Q4 to ensure the rapid deployment of initial customers is well supported.

14th APAC Eldercare Innovation Awards 2026, Singapore

Swift TV was recognised as a finalist in the Technology for Social Engagement category at the 14th Asia Pacific Eldercare Innovation Awards in Singapore. While APAC-focused, the event attracted global judges and stakeholders from the US, UK and Japan. This recognition validates Swift TV's relevance across markets facing similar structural challenges, while also raising its profile among leading aged care providers in Australia. Global participation further provides exposure to priority growth markets navigating increasing longevity, policy and funding reform, and investment in digital care infrastructure.

HITEC 2025, San Antonio

Swift TV will attend HITEC 2026 in the United States - one of the hospitality sector's leading global technology events, bringing together hotel operators, technology providers, and decision-makers.

Participation at HITEC represents an initial step in **Swift TV's international market development strategy**, with a focus on identifying partners with established paths to market and the capability to support scaled deployment across global hotel portfolios.

Cash Flow Commentary

Cash receipts from customers during the quarter totalled \$4.3m, cash receipts were in line with the prior period, (Q2: \$4.37m). The **R&D tax incentive** was also received during the period for \$1.45m.

During the quarter \$5.29m was spent on operating costs, an increase from the prior period (Q1: \$4.5m). The increase is largely due to utilising the R&D tax incentive funds to reduce general and creditor liabilities of \$1.17m.

Cash payments during the period included \$2.46m to deliver revenues during the quarter, staff costs of \$1.01m, a further 12% decrease from Q2 where Swift recorded a 9% decrease in staff costs from prior periods, administration and corporate costs of \$0.34m, advertising and marketing costs of \$0.04m and net interest expenses of \$0.27m.

Net Cash from operating activities for the March quarter was \$0.45m

Net cash used in investing activities consists of \$0.25m attributable to internal product development of Swift TV and \$0.1m for Swift TV Infrastructure.

Net cash used in financing activities of \$68,000 related to \$60,000 for office/facility leases and \$8,000 for costs relating to placement in prior period.

Related party payments for the quarter were \$138,000, comprising director fees, wages and superannuation.

Q4 Outlook

Sales efforts will continue to target **upgrades to Swift TV for existing customers.**

Increased investment in marketing and sales initiatives will continue in Q4. Swift TV will enable scalable growth in new industries and geographies. **Swift has identified and will be targeting potential partners** in these industries to drive market penetration of Swift TV.

Deployment of pre order customers and new sales to continue nationwide.

Product development continues to be a priority of the business to ensure a smooth transition of Swift TV to market whilst reinforcing rapid deployment of contracted and prospective customers.

Ordered next shipment of 5,000 Swift TV devices to meet anticipated customer demand.
