

Successful Defence of Work Health and Safety Matter

Veris Limited (ASX: VRS) provides the following update in relation to the Work Health and Safety (WHS) prosecution in Queensland previously disclosed in the Company's Annual Report for the year ended 30 June 2025.

As disclosed in the FY2025 Annual Report, the Company has been a defendant in a WHS prosecution arising from a workplace fatality that occurred in July 2022. The matter proceeded to trial on 28 July 2025.

The Company advises that the Magistrate presiding over the trial delivered judgement on 19 March 2026 that Veris is not guilty of all charges. The period for appeal by the WHS Prosecutor has now passed without appeal being lodged, and the matter is therefore fully resolved.

The Company expects that the legal costs incurred in defending the matter will be substantially reimbursed under the applicable insurance policy (less any prescribed deductible excess in accordance with the terms of the policy).

The Company takes workplace health and safety extremely seriously and remains deeply committed to the safety and wellbeing of all its people.
