About DXN Limited

DXN is a vertically integrated manufacturer and operator of modular data centres in Asia Pacific. DXN’s core business is designing, engineering, manufacturing, maintaining and operating data centres.

The Company works with major government and blue-chip enterprise customers.

It has two core divisions:

1. Modular Division – designs, engineers, manufactures, and deploys EDGE facilities and critical DC infrastructure; and
2. Data Centre Operations - operates, maintains and markets data centres and critical infrastructure for our own DXN data centres as well as our modular customers. For more <https://dxn.solutions>.
