

## Investor Webinar Invite

Unith Ltd (ASX: UNT | FWB: CM3) (“Unith” or the “Company”) is pleased to announce that it will be holding an investor webinar on Wednesday 6 May 2026.

The webinar will be presented by the following members of Unith’s senior leadership team: Non-Executive Chair, Mr Sytze Voulon, Executive Director and CEO, Mr Scott Mison and GM, Digital Humans Division, Mr Rakan Sleiman. It will be followed by a short Q&A session.

In their webinar presentation, Messrs Voulon, Mison and Sleiman will update the market on progress in delivering the ISO certification, the flexibility delivered by the new finance facility, and the growth upside attached to recent developments on the new products and client list front.

Both Unith shareholders and interested investors are invited to attend the webinar and participate in the accompanying Q&A session.

## About ÜNITH

**Unith Ltd (ASX:UNT)** is a technology company that specialises in **AI-driven digital human and conversation design solutions**. Its focus is the design, development, and deployment of interactive, artificial intelligence (AI)-powered, conversational agents that are realistic, multilingual and scalable. This technology, which can take the form of AI avatars, interacts in a lifelike manner and enhances business clients' customer engagement, education, and entertainment metrics. Unith is now successfully implementing a strategy to monetise its proprietary AI and digital human capabilities.

Unith also operates a growing business-to-consumer (B2C) subscription division, which leverages the value-add created by the company's digital human and conversation design solutions technology. This division, which utilises literally thousands of Unith-created digital humans, generates recurring revenue from clients through subscription models for their services or platforms. Driven by individual business client's requirements, Unith's subscriptions arm can offer a range of services, including access to specific functionalities, tools, or content related to digital humans and AI technology. These subscription services help Unith clients generate a steady income stream and develop long-lasting relationships with their customers.
