Dear Mr Korneluk,

**DIABLO RESOURCES LIMITED (ASX: DBO) – REQUEST FOR VOLUNTARY
SUSPENSION**

Diablo Resources Limited (ASX: DBO) (**the Company**) requests that its securities be placed in voluntary suspension under Listing Rule 17.2, effective immediately.

The voluntary suspension is requested pending the finalisation of a capital raising and a proposed material acquisition. While the Company had anticipated completing the raising within the timeframe for its current trading halt, additional time is required to finalise documentation and confirm commitments from investors and to complete documentation associated with the proposed acquisition.

The Company expects the voluntary suspension to continue until the announcement has been finalised and is made to the ASX in this regard. At this stage it expects to be able to do so by Thursday 7 May 2026.

The Company is not aware of any reason why the voluntary suspension should not be granted and confirms there is no further information the Company can provide to the market regarding the request for the voluntary suspension.

This ASX announcement was approved and authorised by the board of Directors.

Yours sincerely

Paul Jurman
Company Secretary
