

Atlantic Lithium Enters into a Binding Scheme Implementation Deed with Zhejiang Huayou Cobalt

Atlantic Lithium Limited (AIM: ALL, ASX: A11, GSE: ALLGH, “**Atlantic Lithium**” or the “**Company**”), the Africa-focused lithium exploration and development company, is pleased to announce it has entered into a binding Scheme Implementation Deed (“**SID**”) with Zhejiang Huayou Cobalt Co., Limited (“**Huayou**”), under which it is proposed that Huayou will acquire all of the issued shares in Atlantic Lithium by way of an Australian scheme of arrangement for cash consideration of US\$0.25486 per share (A\$0.354 per share / £0.188 per share)¹ (“**Scheme Consideration**”) (the “**Scheme**” or “**Transaction**”).

Transaction Highlights

- The all-cash Scheme Consideration values Atlantic Lithium at approximately US\$210 million² (approximately A\$292 million and £155 million) and represents a 26.6% premium³ to Atlantic Lithium’s last close of A\$0.280 per share⁴ and a 21.8% premium³ to Atlantic Lithium’s 30-day volume weighted average price (“**VWAP**”) of A\$0.291 (£0.154) per share⁵.
- Transaction with a leading participant in the new energy materials industry validates the Company’s flagship Ewoyaa Lithium Project (the “**Project**”) and the potential of its exploration tenure within Ghana and Côte d’Ivoire.
- The Board of Atlantic Lithium has determined that the Scheme provides Atlantic Lithium shareholders with the most attractive, certain, and accelerated realisation of value on a risk-adjusted basis versus other strategic alternatives.
- Atlantic Lithium’s Directors unanimously recommend that shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Atlantic Lithium shareholders⁶.
- Subject to the qualifications noted above, the Atlantic Lithium Directors intend to vote, or cause to be voted, all Atlantic Lithium shares in which they have a relevant interest at the time of the Scheme Meeting in favour of the Scheme, which as at the date of this announcement represents approximately 1.8% of the Company’s issued shares^{6,7}.
- Atlantic Lithium’s largest shareholder, Assore International Holdings Limited (“**Assore**”), which holds ~26.4%⁷ of the Company’s issued shares as at the date of this announcement, has confirmed to Atlantic Lithium that it intends to vote all Atlantic Lithium shares held or controlled by Assore at the time of the Scheme Meeting in favour of the Scheme, subject to there not being a superior proposal and subject to an independent expert concluding that the Scheme is in the best interests of Atlantic Lithium shareholders (and not changing that conclusion).
- The Transaction is subject to customary and other conditions including approval by Atlantic Lithium shareholders at a meeting of shareholders called to vote on the Scheme (“**Scheme Meeting**”), which is expected to be held in November 2026.

Commenting, Keith Muller, Chief Executive Officer of Atlantic Lithium, said:

“The Atlantic Lithium Board has undertaken a detailed evaluation of its strategic options in relation to maximising shareholder value assessed on a risk-adjusted basis and concluded that the Huayou proposal offers an attractive proposition for Atlantic Lithium shareholders, particularly when considered amid ongoing lithium price volatility, complex jurisdictional challenges and against the timing and execution risks attached to financing, developing and operating the Ewoyaa Lithium Project under the Project’s current joint venture arrangements.”

“Huayou’s proposal acknowledges Ewoyaa as a highly attractive hard rock lithium asset capable of serving the growing global electric vehicle and energy storage markets. We welcome the endorsement of the Company’s major shareholder, Assore, towards the Transaction, which is intended to facilitate a clearer direction for the Project towards the achievement of first production of lithium. In doing so, the Transaction is expected to accelerate the delivery of the substantial benefits anticipated for Ghana through the construction and operation of the Project, including, notably, the socio-economic development of the Project’s host communities.”

“I would like to thank Huayou for their professionalism throughout the process and in arriving at this commercial outcome. My sincere gratitude also to the Atlantic Lithium team for their efforts in driving the Company forward to this point and to the Company’s shareholders for their long-standing support.”

“We look forward to working with Huayou to satisfy the conditions precedent, with a view to closing the Transaction in late 2026.”

Chen Hongliang, Chairman and President of Huayou, commented:

“Following a detailed due diligence process and significant engagement with Atlantic Lithium, Huayou is very pleased to announce this Transaction today.”

“We look forward to working with Atlantic Lithium to complete the Transaction and engaging with the Government of Ghana ahead of planned development activities at the Ewoyaa Lithium Project in the near-term. The acquisition of the Ewoyaa Lithium Project complements our existing battery metal mining operations in Africa and represents a logical transaction for Huayou as we continue to build a new energy materials business.”

This announcement contains inside information for the purposes of Article 7 of the Market Abuse Regulation (EU) 596/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“MAR”), and is disclosed in accordance with the Company’s obligations under Article 17 of MAR.

Transaction Overview

Atlantic Lithium is pleased to announce that it has entered into the SID with Huayou, under which it is proposed that Huayou will acquire all the shares in Atlantic Lithium by way of the Scheme. The Scheme is subject to shareholder and Court approval in accordance with Part 5.1 of the *Corporations Act 2001* (Cth) (“**Corporations Act**”).

Under the terms of the Scheme, Atlantic Lithium shareholders will receive cash consideration of US\$0.25486 per share (A\$0.354 per share / £0.188 per share)¹. The Scheme Consideration values the fully diluted equity of Atlantic Lithium at approximately US\$210 million² (approximately A\$292 million and £155 million) and represents a premium³ of:

- 26.6% to Atlantic Lithium’s last closing price of A\$0.280 per share⁴ on 6 May 2026; and
- 21.8% to Atlantic Lithium’s 30-day VWAP of A\$0.291 (£0.154) per share⁵ up to and including 6 May 2026.

The Scheme is subject to certain conditions, including:

- An independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Atlantic Lithium shareholders;
- Approval by Atlantic Lithium shareholders at the Scheme Meeting. For the Scheme to proceed, the resolutions at the Scheme Meeting must be approved by at least 75% of all votes cast by Atlantic Lithium shareholders and a majority by number of all Atlantic Lithium shareholders present and voting (in person or by proxy) at the Scheme Meeting;
- Receipt of certain regulatory approvals (including from the Australian Foreign Investment Review Board, certain People’s Republic of China (“**PRC**”) regulators and the ECOWAS Regional Competition Authority⁸);
- No Material Adverse Change, Regulated Events or Prescribed Occurrences occurring in respect of Atlantic Lithium (as defined in the SID);
- All necessary waivers, exemptions and clearances in respect of the mandatory takeover requirements under the SEC Code on Takeovers and Mergers (as issued by the Ghana Securities and Exchange Commission) to implement the Transaction;
- Receipt of a private ruling from the Commissioner-General of the Ghana Revenue Authority;
- Completion of certain transactions relating to the Company’s subsidiary, Barari DV Ghana Limited;
- Court approvals; and
- Certain other customary conditions.

The Scheme is not subject to financing or due diligence conditions. The SID contains customary exclusivity provisions, including “no shop”, “no talk” and “no due diligence”, a notification obligation and a matching right in favour of Huayou (subject to Atlantic Lithium Directors’ fiduciary obligations in the case of the “no talk” and “no due diligence” restrictions). The SID also details circumstances under which a break fee may be required to be paid by either of the parties.

Full details of the conditions to the Scheme, as well as the other terms that have been agreed, are set out in the SID, which is attached to this announcement.

The Board of Atlantic Lithium has entered into this Transaction, in consultation with its advisers, after carefully assessing the valuation, funding, timing and execution certainty of the Transaction against other strategic options available to the Company. After considering the development risks, risk of raising project finance, joint venture arrangements, future shareholder dilution, and timeline associated with a standalone development of the Ewoyaa

Lithium Project, the Board concluded that this Transaction represents the best outcome for Atlantic Lithium shareholders⁶.

Unanimous Board Recommendation and Largest Shareholder Support

Atlantic Lithium's Directors unanimously support the Scheme and have unanimously recommended that Atlantic Lithium shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Atlantic Lithium shareholders⁶.

Atlantic Lithium's largest shareholder, Assore, which holds ~26.4%⁷ of the Company's issued capital as at the date of this announcement, has confirmed to Atlantic Lithium that it intends to vote all Atlantic Lithium shares held or controlled by Assore at the time of the Scheme Meeting in favour of the Scheme, subject to there not being a superior proposal and subject to an independent expert concluding that the Scheme is in the best interests of Atlantic Lithium shareholders (and not changing that conclusion).

Atlantic Lithium's Warrants and Performance Rights

The SID requires as a condition to the Scheme that all equity instruments (including performance rights and warrants) are cancelled or vested (subject to legal requirements), with the resulting Atlantic Lithium shares to be subject to the Scheme.

Further details of the terms and conditions relating to the unlisted warrants and performance rights are set out in the SID, which is attached to this announcement.

 - (17) guarantee the obligations of or indemnify any other person other than a member of the Target Group;
 - (18) cease, or threaten to cease, to carry on a substantial part of its business;
 - (19) unless otherwise required by law, commence, settle or compromise any claim, litigation, investigation, arbitration or other like proceeding in relation to any member of the Target Group the value of which exceeds \$500,000 (individually or in aggregate);
 - (20) waive any material third party default where the financial impact of the waiver of Target Group as a whole will be in excess of \$500,000 (individually or in aggregate)
 - (21) authorise, agree, offer, commit or resolve to do anything that affects the good standing of the Tenements or any Target Group Member's rights to the Tenements;
 - (22) enter into or otherwise agree to form or participate in any joint venture or partnership;
 - (23) establish any presence (physical or otherwise) or other activity outside Australia which the Target Group does not have as at the date of this deed;
 - (24) amend in any material respect any agreement or arrangement with an adviser existing as at the date of this deed, or enter into any new agreement or arrangement with an adviser after the date of this deed, in respect of the Transaction, and the Target warrants that all such agreements or arrangements in relation to the Transaction existing as at the date of this deed have been fairly disclosed in the Target Due Diligence Materials;
 - (25) pay or agree to pay any discretionary incentive fee to any financial adviser or other professional adviser for the provision of services in respect of the Transaction under any agreement or arrangement existing as at the date of this deed or any new agreement or arrangement after the date of this deed;
 - (26) vary, fail to renew or terminate any Authorisation; or
 - (27) authorise, agree, offer, commit or resolve to do any of the things referred to in clauses 6.1(c)(1) to 6.1(c)(26), whether conditionally or otherwise.
- (d) Nothing in clauses 6.1(a), 6.1(b) or 6.1(c) restricts the ability of the Target or any member of the Target Group to take any action:

- (1) expressly permitted or expressly required to be taken by a Target Group Member under the Transaction Documents;
- (2) expressly required under the Project Agreements or Joint Venture Agreements;
- (3) where the Target has first consulted in writing with the Bidder in relation to the matter and the Bidder has, acting reasonably, approved the proposed matter in writing;
- (4) that has been fairly disclosed prior to the date of this deed in the Target Due Diligence Materials as an action that is to take place between the date of this deed and the Implementation Date;
- (5) in accordance with the Initial Budget;
- (6) required by law or any court or Regulatory Authority order, injunction or undertaking, except where that requirement arises as a result of any action by a Target Group Member or any of their respective Representatives and provided that the Target must consult with the Bidder in good faith in relation to the application of the relevant applicable law or requirement before it or another Target Group Member is permitted to rely on this clause 6.1(d)(6);
- (7) in good faith, which is required to reasonably and prudently respond to an emergency or disaster (including a situation giving rise to a risk of personal injury or damage to property) provided that, to the extent that it is reasonably practicable having regard to the nature of the relevant emergency or disaster, the Target has notified the Bidder in good faith in respect of the proposal to take such action or not take such action (as applicable) and considers any reasonable comments or requests of the Bidder in relation to such proposal in good faith; or
- (8) in response to a Competing Proposal to the extent permitted in accordance with clause 12.

6.2 Information obligations

- (a) Subject to clause 6.2(c), between the date of this deed and the Implementation Date, the Target must and must cause each other Target Group Member to afford to the Bidder and its Representatives reasonable access to information, premises and such senior executives of any member of the Target Group as reasonably requested by the Bidder at mutually convenient times, and afford the Bidder reasonable co-operation, for the sole purpose of:
 - (1) the implementation of the Scheme;
 - (2) the Bidder developing and implementing plans for the carrying on of the businesses of the Target Group following implementation of the Scheme;
 - (3) the Bidder meeting its obligations under this deed and verifying the Target Warranties;
 - (4) keeping the Bidder informed of material developments relating to Target Group and obtaining an understanding of the operations of the Target Group's business, financial position, prospects and affairs; and
 - (5) any other purpose agreed in writing between the parties.
- (b) Subject to clause 6.2(c), between the date of this deed and the Implementation Date, the Target must and must cause each other Target Group Member to:

- (1) promptly notify the Bidder in advance of all proposed major business decisions of the Target Group or any Target Group Member, provide the Bidder with all relevant information concerning those matters (including such information as is reasonably necessary for the Bidder to assess the potential impact (including the potential financial impact) of those decisions on the Target Group's business and the Transaction) and keep the Bidder informed of all developments in relation to such matters;
 - (2) provide the Bidder with details of any material contracts which are proposed to be entered into;
 - (3) inform the Bidder of any material developments concerning the Target Group's business and the financial position and performance of the Target Group, including by providing the Target Group's monthly management accounts, in a timely manner to the Bidder;
 - (4) prior to the Target undertaking any activity or conduct in accordance with clause 6.1(c)(1), provide the Bidder with any program of work, or any other document of a similar nature;
 - (5) promptly notify the Bidder after becoming aware of a matter that makes any information in the Target Due Diligence Materials or the Target Disclosure Letter or a matter that has been publicly filed by the Target (including in respect of any other member of the Target Group) is incomplete, incorrect, untrue or misleading in any material respect; and
 - (6) promptly (and within 2 Business Days) notify the Bidder of:
 - (A) any breach or default under clause 6.1;
 - (B) any breach of, or default under, any law, contract or Authorisation that is binding on any member of the Target Group, or any key employee of any Target Group Member, and which is reasonably likely to result in a material liability for any Target Group Member; or
 - (C) any contact from any Regulatory Authority regarding any regulatory investigation into, or breaches of any applicable law, regulation or order by any Target Group Member or any employee of any Target Group Member.
- (c) Nothing in clause 6.2(a) and clause 6.2(b) restricts the ability of a Target Group Member to take any action where:
- (1) to undertake the relevant action would (i) constitute a breach of any legal obligations of the Target or be unlawful (except where that requirement arises as a result of an action by a Target Group Member and provided that the Target must consult with the Bidder in good faith in relation to the application of the relevant applicable law before a Target Group Member is permitted to rely on this clause 6.2(c)(1)), or (ii) breach any confidentiality or other contractual obligation owed to a third party by the Target, or result in a waiver of legal professional privilege (provided the Target must use reasonable endeavours to obtain any appropriate consents from any such third party to whom the confidentiality obligation or contractual obligation is owed or take any other reasonably action to allow the information to be shared without breaching or losing legal privilege);
 - (2) to undertake the relevant action would result in a significant disruption to or interference with the Target's business activities;

- (3) it requires the Target to provide information to the Bidder concerning the Target Board's consideration of the Transaction (but only to the extent such information relates to the Target Board's consideration of the Transaction); or
 - (4) it requires the Target to provide information concerning the Target Board's consideration of an actual or potential Competing Proposal (but only to the extent such information relates to the Target Board's consideration of the Competing Proposal).
- (d) The Target and the Bidder acknowledge and agree that:
- (1) all information that is provided pursuant to this clause 6.2 will be provided subject to the terms of the Confidentiality Agreement; and
 - (2) any exchange of information between the parties under or in connection with this deed must be conducted in accordance with applicable competition laws and, where the information to be shared is or may be competitively sensitive in any relevant market, subject to appropriate information-sharing protocols (including the establishment of clean teams or other safeguards) as agreed between the parties to ensure compliance with those laws.

6.3 Counterparty consents

The Target and the Bidder will cooperate with each other in good faith, and will take all actions reasonably required, to seek to identify and obtain all counterparty consents which are necessary or desirable to implement the Scheme.

6.4 Integration Committee

- (a) The parties will, as soon as practicable after the date of this deed, establish a committee comprised of an agreed number of senior Bidder executives, senior Target executives, and such other persons as agreed by the parties in writing (**Integration Committee**).
- (b) Each party will, as soon as practicable after the date of this deed, notify the other party of its appointees to the Integration Committee.
- (c) Without limiting clause 6.2, between (and including) the date of this deed and the Implementation Date, the Integration Committee will:
 - (1) oversee implementation of the Scheme, including coordinating a joint plan to secure any regulatory approvals or counterparty consents required for the Transaction;
 - (2) assist the Bidder in obtaining an understanding of the operations and conduct of the Target Group's business;
 - (3) be a forum to provide the necessary assistance and support to the Bidder in its engagement with Regulatory Authorities in connection with the Transaction, including assistance with making appropriate personnel available to attend meetings, interviews, calls and conferences with such authorities as reasonably requested by the Bidder;
 - (4) seek to determine how to best integrate the Target Group's business into the operations of the Bidder; and
 - (5) seek to determine how the Bidder should best engage with the communities in which the Target Group operates before and after the Implementation Date,

but, for the avoidance of doubt, the Integration Committee is a consultative body only that will make recommendations to the parties and does not bind either the Target or the Bidder.

- (d) The parties must use all reasonable endeavours to procure that the Integration Committee meets no less than once a month, commencing on the one-month anniversary of the date of this deed.

7. Recommendation, intentions and announcements

7.1 Target Board Recommendation and Voting Intention

- (a) The Target must procure that, subject to clause 7.1(b)(3), the Target Board Members unanimously recommend that Target Shareholders (excluding Excluded Shareholders) vote in favour of the Scheme at the Scheme Meeting in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interest of Target Shareholders (excluding Excluded Shareholders).

- (b) The Target must ensure that the Agreed Announcement and the Scheme Booklet include a statement to the effect that each Target Director:

- (1) recommends that Target Shareholders (excluding Excluded Shareholders) vote in favour of the resolution to approve the Scheme at the Scheme Meeting (**Recommendation**); and
- (2) intends to cause all Target Shares in which he or she has a Relevant Interest at the time of the Scheme Meeting to be voted in favour of the resolution to approve the Scheme at the Scheme Meeting (**Voting Intention**),

and must procure that the Target Board collectively, and the Target Board Members individually, do not change, withdraw, modify its or their Recommendation or Voting Intention or make a public statement that is inconsistent with their Recommendation or Voting Intention, unless the Target has complied with its obligations in clause 12 and:

- (3) the Independent Expert concludes in the Independent Expert's Report (including in any update of, or any revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Target Shareholders (excluding Excluded Shareholders);
 - (4) there is a Superior Proposal and the Target Board, after considering the matter in good faith and after taking advice from external legal advisers, determines that it no longer considers the Scheme to be in the best interests of Target Shareholders (excluding Excluded Shareholders); or
 - (5) the change, withdrawal or modification occurs because of a requirement or request by a court or Regulatory Authority that one or more Target Board Members abstain or withdraw from making a recommendation that Target Shareholders (excluding Excluded Shareholders) vote in favour of the Scheme after the date of this deed.
- (c) Without limiting the operation of clause 12 or the preceding provisions of this clause 7.1, if circumstances arise, including the receipt or expected receipt of an unfavourable report from the Independent Expert (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more Target Board Members adversely changing, withdrawing, adversely modifying or adversely changing their recommendation to vote in favour of the Scheme, the Target must:

- (1) immediately notify the Bidder of this fact; and
 - (2) consult with the Bidder in good faith for two Business Days after the date on which the notice above is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal or variation (as applicable).
- (d) Despite anything to the contrary in this clause 7.1, a statement made by the Target or the Target Board to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board or the completion of the matching right process set out in clause 12.7 shall not contravene this clause 7.1.

7.2 Confirmation

The Target represents and warrants to the Bidder that it has been advised by each Target Director in office at the date of this deed that he or she will make and maintain their Recommendation and Voting Intention unless permitted to change or withdraw it in accordance with this deed.

8. Target Warrants

8.1 LSI Warrants

- (a) Despite any other provision of this deed:
- (1) the Target and Bidder agree that the Target will use its best endeavours to put arrangements in place (including obtaining any necessary ASX waivers) so that all LSI Warrants will be vested, exercised and converted into Target Shares prior to the Record Date in accordance with the terms of the LSI Warrants as at the date of this deed;
 - (2) the Target must ensure that the LSI Warrants have either lapsed or vested and then been converted into Target Shares such that there are no outstanding LSI Warrants (or any other equity incentives) which are not Target Shares on issue as at the Record Date; and
 - (3) the Target and Bidder agree that the Scheme Consideration will be provided in relation to those Target Shares issued as a result of the exercise of the vested LSI Warrants prior to the Record Date.
- (b) For the avoidance of doubt, the exercise of any discretion by the Target Board under the terms of the LSI Warrants which is made in accordance with this clause 8 will not be a Target Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed.

8.2 Class A Warrants, Class B Warrants and Class C Warrants

- (a) Despite any other provision of this deed:
- (1) the Target must ensure that the Class A Warrants expire in accordance with their terms on 6 May 2026, or are otherwise exercised in accordance with their terms;
 - (2) the Target must not issue any Class B Warrants or Class C Warrants, unless it has put arrangements in place (on terms reasonably acceptable to the Bidder) so as to ensure that no such Class B Warrants or Class C Warrants are in existence as at the Delivery Time;

- (3) prior to the Delivery Time, the Target must ensure that arrangements (on terms reasonably acceptable to the Bidder) are put in place such that no Target Group Member is under any obligation to issue, or party to any agreement to issue, and no person has any right to call for the issue of, in each case whether on a conditional or unconditional basis, any Class B Warrants or Class C Warrants. For the avoidance of doubt, the Target must not pay any amount or give any benefit to any person to terminate, cancel or relinquish a right to subscribe for Class B Warrants or Class C Warrants without the Bidder's prior written approval; and
- (4) subject to the arrangements in clause 8.2(a)(2), the Target must not waive any vesting condition to the Class B Warrants or Class C Warrants.

9. Target Performance Rights

- (a) Despite any other provision of this deed:
 - (1) the Target and the Bidder agree that the Target Performance Rights may be vested (including on an accelerated basis) and converted into Target Shares prior to the Record Date and that the Scheme Consideration will be provided in relation to those Target Shares; and
 - (2) the Target must ensure that the Target Performance Rights have either lapsed or vested and then been converted into Target Shares such that there are no outstanding Target Performance Rights (or any other equity incentives) which are not Target Shares on issue as at the Record Date.
- (b) For the avoidance of doubt, the exercise of any discretion by the Target Board under the Target Long Term Incentive Plan governing the Target Performance Rights which is made in accordance with this clause 9 will not be a Target Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed.

10. Loan Funded Shares

- (a) It is acknowledged that the holders of the Loan Funded Shares may elect to repay the non-recourse loan and unconditionally acquire the Loan Funded Shares or elect to forfeit the Loan Funded Shares in accordance with their terms.
- (b) In relation to the 6,500,000 Loan Funded Shares that are subject to a non-recourse loan, if the holders do not exercise their rights in respect of those shares by repaying the non-recourse loan in respect of those Loan Funded Shares in full prior to and unconditionally acquiring the Loan Funded Shares by the date that is 5 Business Days before the Delivery Time, the Target must ensure that such Loan Funded Shares are forfeited and must direct the sale of those shares on-market on ASX prior to the Delivery Time, such that all of such Loan Funded Shares are sold and settled prior to the Record Date and the proceeds of sale are retained by the Target.
- (c) Despite any other provision of this deed, the Target must ensure that no Loan Funded Shares remain subject to a loan immediately prior to the Record Date, provided however that the Target must not waive, forgive, compromise, release or discharge any loan or other indebtedness owing in respect of the Loan Funded Shares, without the prior written consent of the Bidder.
- (d) For the avoidance of doubt, the exercise of any discretion by the Target Board under the terms of the Loan Funded Shares which is made in accordance with this clause 10 will not be a Target Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed, provided however that the Target must not

waive, forgive, compromise, release or discharge any loan or other indebtedness owing in respect of the Loan Funded Shares, without the prior written consent of the Bidder.

11. Security Shares

- (a) Despite any other provision of this deed:
 - (1) prior to the Delivery Time, the Target must terminate the arrangements under the Equity Placement Facility Agreement in accordance with its right of unilateral termination under the Equity Placement Facility Agreement;
 - (2) the Target must direct and procure LSI to sell the Security Shares on-market on AIM (or otherwise) prior to the Record Date in accordance with the process set out in the Target Disclosure Letter; and
 - (3) the proceeds from the sale of the Security Shares will be applied as described in the Target Disclosure Letter.
- (b) For the avoidance of doubt, any action which is taken in accordance with this clause 11 will not be a Target Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed.

12. Exclusivity arrangements

12.1 No current discussions

- (a) The Target represents and warrants that, as at the date of this deed:
 - (1) it is not, and its Related Bodies Corporate and its and their respective Representatives are not, a party to any agreement or arrangement with any third party entered into for the purposes of facilitating an actual, proposed or potential Competing Proposal;
 - (2) it is not, and its Related Bodies Corporate and its and their respective Representatives are not, directly or in indirectly, participating in any negotiations or discussions, and have ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal, or which could reasonably be expected to lead to a Competing Proposal; and
 - (3) any due diligence access granted to any third party for the purposes of such third party making, formulating, developing or finalising, or assisting in the making, formulation, development or finalisation of, a Competing Proposal (or could reasonably be expected to lead to a Competing Proposal) has been terminated, and the Target will, as soon as reasonably practicable after the date of this deed, enforce all rights to call for the immediate return and/or destruction of that non-public information previously provided or made available to any third party.
- (b) The Target must not, and must procure that its Related Bodies Corporate do not, in respect of any confidentiality or other agreement it or another member of the Target Group has with any person that has been entered into in the last 24 months in connection with the provision of confidential or non-public information in relation to the Target Group to that person or in connection with (or which could reasonably be expected to lead to) a Competing Proposal, modify, amend, waive, or terminate any confidentiality or standstill obligations under any such agreements, and the Target

must, and must procure that its Related Bodies Corporate, promptly enforce (including in respect of an anticipated breach) any such agreements.

- (c) The Target must, and must procure that its Related Bodies Corporate, cease any negotiations, discussions or other communications existing as at the date of this deed relating to any actual, proposed or potential Competing Proposal, or any transaction that would, or would reasonably be expected to lead to, a Competing Proposal or to reduce the likelihood of success of the Transaction.

12.2 No Shop

During the Exclusivity Period, the Target must not, and must ensure that its Representatives and Related Bodies Corporate and their respective Representatives do not, except with the prior written consent of the Bidder, directly or indirectly solicit, invite, facilitate, encourage or initiate any inquiry, expression of interest, offer, proposal, discussions, negotiations or other communication by any person in relation to, or which could reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal, or communicate any intention to do any of the things referred to in this clause 12.2.

12.3 No talk and no due diligence

Subject to clause 12.6, during the Exclusivity Period, the Target must not, and must ensure that its Representatives and Related Bodies Corporate and their respective Representatives do not, except with the prior written consent of the Bidder, directly or indirectly:

- (a) enter into, continue, facilitate or participate in any negotiations or discussions with any Third Party with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, an actual, proposed or potential Competing Proposal or which may reasonably be expected to encourage or lead to the making of an actual, proposed or potential Competing Proposal;
- (b) negotiate, accept or enter into (or offer or agree to negotiate, accept or enter into) any agreement, arrangement or understanding with any Third Party in relation to an actual, proposed or potential Competing Proposal or which may reasonably be expected to lead to an actual, proposed or potential Competing Proposal;
- (c) disclose, provide or make available any information to a Third Party for the purposes of enabling that party to make (or with a view of obtaining, or which would reasonably be expected to encourage or lead to), or otherwise in connection with, an actual, proposed or potential Competing Proposal or any agreement, arrangement or understanding that might be reasonably expected to lead to a Competing Proposal (including providing such information for the purposes of the conduct of due diligence investigations in respect of the Target Group); or
- (d) communicate any intention to do any of the things listed in clauses 12.3(a), 12.3(b) or 12.3(c),

even if the relevant actual, proposed or potential Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by the Target, any member of the Target Group, any of their respective Representatives or the person has publicly announced the Competing Proposal.

12.4 Notification of approaches

- (a) During the Exclusivity Period, the Target must as soon as possible notify the Bidder in writing (and in any event within 24 hours of becoming aware) if:
 - (1) it (or any member of the Target Group or its Representatives) receives or becomes aware of any negotiations, discussions or other communications, or

intention to make such an approach or attempt to initiate any negotiations or discussions by any person in connection with, or in respect of any exploration or completion of, any actual, proposed or potential Competing Proposal, including the identity and any other details of the party making the actual, proposed or potential Competing Proposal, the terms of the actual, proposed or potential Competing Proposal (including price and form of the consideration, conditions precedent, proposed deal protection arrangements and timetable) and any material updates to the actual, proposed or potential Competing Proposal; or

- (2) it (or any member of the Target Group or its Representatives) receives or becomes aware of a proposal made to the Target or any member of the Target Group or its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Proposal, including the identity and any other details of the party making the actual, proposed or potential Competing Proposal (including price and form of the consideration, conditions precedent, proposed deal protection arrangements and timetable) and any material updates to the Competing Proposal,

whether direct or indirect, in writing or otherwise, and whether or not that Competing Proposal was solicited, invited, encouraged or initiated by the Target, any member of the Target Group or any of its Representatives or otherwise. During the Exclusivity Period, the Target must also notify the Bidder in writing as soon as possible after any member of the Target Group or any of its Representatives:

- (3) provides or makes available any non-public information concerning the business or operations of the Target or the Target Group to any Third Party in connection with an actual, proposed or potential Competing Proposal; or
- (4) becomes aware of any material developments in relation to the actual, proposed or potential Competing Proposal, including in respect of any of the information previously provided to the Bidder pursuant to this clause 12.4.

12.5 Exclusivity of due diligence

Subject to clause 12.6, during the Exclusivity Period, the Target must not, and must ensure that neither it nor any member of the Target Group or any of their respective Representatives, in relation to an actual, proposed or potential Competing Proposal:

- (a) enables any other person to undertake due diligence investigations on any member of the Target Group, any of the operations or assets of the business of the Target Group or any member of the Target Group or any part thereof;
- (b) makes available to any other person, or permits any other person to receive any non-public information relating to any member of the Target Group, any of the operations or assets of the business of the Target Group or any member of the Target Group or any part thereof;
- (c) makes available to any other person, or permits any other person to have access to, any officers or employees of any member of the Target Group; or
- (d) makes available to any other person, or permits any other person to have access to any premises or sites used, leased, licenced or owned by any member of the Target Group,

other than the Bidder and any other person nominated by the Bidder (whether in the course of due diligence or otherwise).

12.6 Fiduciary exception

Clauses 12.3 and 12.5 do not apply to the extent that they restrict the Target from taking or refusing to take any action with respect to a genuine Competing Proposal (which was not directly or indirectly brought about, solicited, invited, encouraged, facilitated by or initiated by the Target, any member of the Target Group or any of their respective Representatives during the Exclusivity Period in breach of clause 12) provided that the Target Board has first determined acting in good faith, that:

- (a) after consultation with its financial advisors, such a genuine Competing Proposal is, or could reasonably be expected to become, a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisors (who must be reputable advisors experienced in transactions of this nature), taking or refusing to take such action in compliance with clauses 12.3 and 12.5 in relation to such genuine Competing Proposal would constitute, or would be likely to constitute, a breach of the Target Board's fiduciary or statutory duties,

provided that to the extent the Target, any member of the Target Group or any of their respective Representatives propose to provide information to which this clause 12.6 applies, the Target has entered into a binding confidentiality agreement with the relevant person who will receive that information, and either:

- (c) the terms of the confidentiality agreement (taken as a whole) are no more favourable to that person than the terms of the Confidentiality Agreement (taken as a whole) are to the Bidder; or
- (d) the Target agrees to amend the terms of the Confidentiality Agreement such that the rights and obligations of the Bidder under that agreement are no less favourable to the Bidder than the rights and obligations of the relevant person who will receive that information are to that other person.

12.7 Matching Right

- (a) Without limiting clause 12.1, during the Exclusivity Period, the Target:
 - (1) must not and must procure that each of its Related Bodies Corporate do not, enter into any legally binding agreement arrangement or understanding (whether in writing or not) pursuant to which one or more of a Third Party, Target or any Related Body Corporate of Target proposes, or proposes to undertake to give effect to, an actual, proposed or potential Competing Proposal; and
 - (2) must use reasonable endeavours to procure that none of its directors change, withdraw or modify their Recommendation or Voting Intention in favour of the Scheme, publicly recommend, support or endorse an actual, proposed or potential Competing Proposal or make any public statement to the effect that they may do so at a future point in time (provided that a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board and its Advisors will not contravene this clause),

unless:

- (3) the Target Board, acting in good faith and in order to satisfy what the directors of the Target consider to be their statutory or fiduciary duties (having received written legal advice from their external legal adviser) determine that the Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal;

- (4) the Target has provided the Bidder with the material terms and conditions of the actual, proposed or potential Competing Proposal (including price and form of consideration, conditions precedent, proposed deal protection arrangements and timetable (in each case to the extent known) and the identity of the Third Party making the actual, proposed or potential Competing Proposal);
 - (5) the Target has given the Bidder at least 5 Business Days after the date of the provision of the information referred to in clause 12.7(a)(4) above to provide a matching or superior proposal to the terms of the relevant actual, proposed or potential Competing Proposal (**Bidder Counter Proposal**); and
 - (6) the Bidder has not, by the expiry of the time period in clause 12.7(a)(5), provided to the Target or announced a Bidder Counter Proposal.
- (b) The Target must use its reasonable endeavours to procure that its directors, within 2 Business Days of receiving the Bidder Counter Proposal, consider in good faith whether the Bidder Counter Proposal would provide an equal or superior outcome for Target Shareholders as a whole compared to the Competing Proposal, taking into account all the terms and conditions of the Bidder Counter Proposal. The Target must notify the Bidder as to the outcome of its determination of the Bidder Counter Proposal within 3 Business Days of receiving the Bidder Counter Proposal.
- (c) If the notification provided by the Target to the Bidder pursuant to clause 12.7(b) is that the Target Board, acting reasonably and in good faith, has determined that the Bidder Counter Proposal would provide an equal or superior outcome for Target Shareholders as a whole compared to the Competing Proposal, then the Target and the Bidder must use their best endeavours to agree any necessary amendments to this deed, the Scheme and the Deed Poll (as applicable) and agree such other documents that are reasonably necessary to reflect and implement the Bidder Counter Proposal as soon as reasonably practicable and the Target must use its best endeavours to procure that each of the directors of the Target continue to recommend that Target Shareholders vote in favour of the Scheme (as modified by the Bidder Counter Proposal) (subject to the same qualifications as set out in clause 7.1).
- (d) For the avoidance of any doubt, subject to the Target having complied with its obligations under this clause 12.7 and without limitation to anything in this deed (including clause 13.2), in the event that the Bidder has not made a Bidder Counter Proposal by the expiry of the period referred to in clause 12.7(a)(5) or the notification provided by the Target to the Bidder pursuant to clause 12.7(b) is that the Target Board has determined, acting reasonably and in good faith, that the Bidder Counter Proposal would not provide an equal or superior outcome for Target Shareholders as a whole compared to the Competing Proposal, then the Target Board may:
- (1) publicly change or withdraw its statement that they consider the Scheme to be in the best interests of Target Shareholders (excluding Excluded Shareholders) and/or its recommendation that Target Shareholders (excluding Excluded Shareholders) vote in favour of the Scheme; and
 - (2) enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party proposes undertake or give effect to a Competing Proposal.

12.8 Normal provision of information

Subject to the other provisions of this deed and the Confidentiality Agreement, nothing in this clause 12 prevents the Target from (directly or indirectly):

- (a) other than in connection with soliciting, inviting, encouraging or initiating an actual, proposed or potential Competing Proposal in breach of this deed, providing information to its Representatives;
- (b) providing information to any Regulatory Authority in the ordinary course of business unrelated to the Transaction or any Competing Proposal;
- (c) other than in connection with soliciting, inviting, encouraging or initiating an actual, proposed or potential Competing Proposal in breach of this deed, providing information to its auditors, customers, joint venturers and suppliers acting in that capacity in the ordinary course of business unrelated to the Transaction or a Competing Proposal;
- (d) providing information required to be provided by law (including to satisfy its obligations of disclosure under the Listing Rules), except where the requirement arises as a result of an action by a member of the Target Group or any of their respective Representatives and provided that the Target must, where permitted by the relevant law, consult with the Bidder in good faith in relation to the application of the relevant applicable law or requirement before it is permitted to rely on this clause 12.8(d);
- (e) other than in connection with soliciting, inviting, encouraging or initiating an actual, proposed or potential Competing Proposal in breach of this deed, making presentations to Target Shareholders, brokers, portfolio investors, analysts and other Third Parties in the ordinary course of business; or
- (f) responding to any person in relation to any offer, inquiry, expression of interest or proposal by that person to make, or that may reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal strictly for the purpose of, and provided the response is strictly limited to:
 - (1) acknowledging receipt; or
 - (2) advising that person that Target is bound by the provisions of this clause 12 and is only able to engage in negotiations or discussions if the fiduciary exception in clause 12.6 applies,

and provided that the Target has also complied with its obligations under clause 12.4(a).

12.9 Legal advice

The Target acknowledges that it has received legal advice on this deed and the operation of this clause 12 from reputable legal advisers experienced in transactions of this nature.

13. Reimbursement of Costs

13.1 Rationale and nature of payment

Each party acknowledges and agrees that:

- (a) it has required the inclusion of this clause 13 in the absence of which it would not have entered into this deed or otherwise agreed to implement the Scheme, subject to the terms and conditions in this deed;
- (b) it believes that the Scheme will provide significant benefits to it and its shareholders, and that it is reasonable and appropriate that the Target (in respect of the Target Payment) and the Bidder (in respect of the Bidder Payment) agree to the inclusion of this clause 13 in order to secure the other party's execution of this deed and agreement to implement the Scheme, subject to the terms and conditions in this deed;

- (c) it has received legal advice on the operation of this clause 13 from reputable legal advisers experienced in transactions of this nature;
- (d) the amount payable by the Target (in respect of the Target Payment) pursuant to clause 13.2 and by the Bidder (in respect of the Bidder Payment) pursuant to clause 13.3 is to be purely and strictly compensatory in nature so as to compensate the Bidder (in respect of the Target Payment) and the Target (in respect of the Bidder Payment) for the following:
 - (1) advisory costs relating to the Scheme;
 - (2) costs of management and directors' time;
 - (3) out-of-pocket expenses relating to the Scheme;
 - (4) reasonable opportunity costs incurred by the Bidder or the Target (as applicable) in pursuing the Scheme or in not pursuing other alternative acquisitions or strategic initiatives which the Bidder or the Target (as applicable) could have developed to further its business and objectives; and
 - (5) damage to the Bidder's or the Target's (as applicable) reputation associated with a failed transaction and the implications of that damage to the Bidder's or the Target's (as applicable) business; and
- (e) the costs incurred by each party are of a nature that cannot be accurately quantified, and that a genuine pre-estimate of the costs to be incurred by each of the Target and the Bidder would equal or exceed the compensatory amount payable under clause 13.2 and clause 13.3, respectively.

13.2 The Target Payment

The Target must pay the Target Payment to the Bidder without deduction, set off or withholding if:

- (a) **(Competing Proposal)** an actual, proposed or potential Competing Proposal of any kind is announced during the Exclusivity Period, and within 12 months of the date of such announcement, the Third Party who announced the Competing Proposal (or any of its Associates) completes that Competing Proposal, or enters into an agreement, arrangement or understanding of the kind referred to in the definition of Competing Proposal; or
- (b) **(Change of recommendation)** during the Exclusivity Period, one or more of the Target Directors fail to recommend the Scheme or changes, modifies, adversely qualifies or withdraws their Recommendation or Voting Intention or publicly recommends, supports or endorses a Competing Proposal, other than in the following circumstances:
 - (1) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Scheme occurs because of a requirement or request by a court or a Regulatory Authority that one or more Target Board Members abstain or withdraw from making a recommendation that Target Shareholders (excluding Excluded Shareholders) vote in favour of the Scheme after the date of this deed;
 - (2) the Independent Expert has concluded in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report, or in a subsequent change or public withdrawal of a prior conclusion) that the Scheme is not in the best interests of Target Shareholders (excluding Excluded

Shareholders) (except where the conclusion is due partly or wholly to the existence, announcement or publication of a Competing Proposal); or

- (3) the Target has become entitled to terminate this deed pursuant to clause 3.7 or clause 17.3(b)(1) and has given the appropriate notice to the Bidder;
- (c) **(Termination)** the Bidder terminates this deed in accordance with clause 17.2(b)(1), clause 17.2(b)(2)(B) or clause 17.2(b)(2)(C); or
- (d) **(Support of Competing Proposal)** during the Exclusivity Period, one or more Target Directors recommends that Target Shareholders (excluding Excluded Shareholders) accept or vote in favour of, or otherwise supports or endorses (including support by way of accepting or voting or by way of stating an intention to accept or vote, in respect of any Target Shares in which he or she has a Relevant Interest in), a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any preconditions) during the Exclusivity Period, save that a statement made by the Target or the Target Board to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board or the completion of the matching right process set out in clause 12.7 shall not give rise to an action of support under this clause 13.2(d).

13.3 The Bidder Payment

The Bidder must pay the Bidder Payment to the Target without deduction, set off or withholding if:

- (a) at any time after the date of this deed, the Target terminates this deed in accordance with clause 17.3(b)(1); or
- (b) the Bidder does not pay or procure the payment of the Scheme Consideration in accordance with the terms and conditions of this deed, the Scheme and the Deed Poll.

13.4 Timing of payment of Target Payment or Bidder Payment

- (a) A demand by a party for payment of the Target Payment under clause 13.2 or the Bidder Payment under clause 13.3 must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (3) state the circumstances which give rise to the demand; and
 - (4) nominate an account in the name of the Bidder or a Related Body Corporate of the Bidder into which the Target is to pay the Target Payment, or the Target or a Related Body Corporate of the Target into which the Bidder is to pay the Bidder Payment (as applicable).
- (b) The Target must pay the Target Payment into the account nominated by the Bidder and the Bidder must pay the Bidder Payment into the account nominated by the Target (as applicable), without deduction, set-off or withholding, within 5 Business Days after receiving a valid demand for payment where the Bidder is entitled under clause 13.2 to the Target Payment or the Target is entitled under clause 13.3 to the Bidder Payment (as applicable).

13.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Target Payment or the Bidder Payment (as applicable) (**Impugned Amount**):
- (1) is determined to be unenforceable or unlawful for any reason by a court (including by virtue of it being a breach of the fiduciary or statutory duties of any Target Board Member); or
 - (2) constitutes 'unacceptable circumstances' within the meaning of the Corporations Act or breaches an order of the Takeovers Panel,
- then:
- (3) the requirement to pay the Target Payment or the Bidder Payment (as applicable) does not apply to the extent of the Impugned Amount; and
 - (4) if the Bidder or the Target (as applicable) has received the Impugned Amount, it must refund it within 5 Business Days of the final determination.
- (b) For the avoidance of doubt, if clause 13.5(a) applies and the Takeovers Panel or a court of competent jurisdiction (as applicable) determines that an amount lower than the Target Payment or Bidder Payment (as applicable) does not constitute unacceptable circumstances or is not unenforceable (as applicable) (**Permitted Amount**), then the Target must pay the Permitted Amount if it would have been required to pay the Target Payment under clause 13.2 (but for clause 13.5(a)) and the Bidder must pay the Permitted Amount if it would have been required to pay the Bidder Payment under clause 13.3 (but for clause 13.5(a)). The Target and the Bidder must not make, or cause to be made, any application to the Takeovers Panel or a Court for or in relation to a declaration or determination referred to in this clause 13.5.

13.6 One payment only

- (a) Where the Target Payment becomes payable to the Bidder under clause 13.2 and is actually paid to the Bidder, the Bidder cannot make any claim against the Target for the payment of any subsequent Target Payment.
- (b) Where the Bidder Payment becomes payable to the Target under clause 13.3 and is actually paid to the Target, the Target cannot make any claim against the Bidder for the payment of any subsequent Bidder Payment.

13.7 No payment if Scheme Effective

Despite anything to the contrary in this deed (including the occurrence of any event in clause 13.2 or clause 13.3), neither the Target Payment nor the Bidder Payment will be payable if the Scheme becomes Effective and if any amount has already been paid, it must be refunded by the Bidder or the Target (as applicable) within 10 Business Days after the Scheme becomes Effective.

13.8 The Target's limitation of liability

- (a) Notwithstanding any other provision of this deed, the maximum liability of the Target to all other persons under or in connection with this deed, including in respect of any breach of this deed (except to the extent that the breach arises out of wilful or deliberate breach of this deed by the Target Group or its Representative) and the indemnity in clause 15.5, will be the amount of the Target Payment.
- (b) A payment made by the Target in accordance with this clause 13 represents the sole and absolute liability of the Target and any member of the Target Group under or in

connection with this deed and represents the sole and absolute remedy to the Bidder, and no further damages, fees, expenses or reimbursements of any kind will be payable by the Target under or in connection with this deed.

- (c) The amount of the Target Payment to be paid to the Bidder under this clause 13 will be reduced by the amount of any loss or damage recovered by the Bidder in relation to a breach of this deed under the indemnity clause 15.5.

13.9 The Bidder's limitation of liability

- (a) Notwithstanding any other provision of this deed, the maximum liability of the Bidder to all other persons under or in connection with this deed, including in respect of any breach of this deed (except to the extent that the breach arises out of wilful or deliberate breach of this deed by the Bidder Group or its Representative) and the indemnity in clause 15.2, will be the amount of the Bidder Payment.
- (b) A payment made by the Bidder in accordance with this clause 13 represents the sole and absolute liability of the Bidder and any member of the Bidder Group under or in connection with this deed and represents the sole and absolute remedy to the Target, and no further damages, fees, expenses or reimbursements of any kind will be payable by the Bidder under or in connection with this deed.
- (c) The amount of the Bidder Payment to be paid to the Target under this clause 13 will be reduced by the amount of any loss or damage recovered by the Target in relation to a breach of this deed under the indemnity in clause 15.2.

13.10 Survival

Any accrued obligations under this clause 13 survives termination of this deed.

14. Releases and insurance

14.1 Liability of directors, officers and employees

To the maximum extent permitted by law, each party releases all rights against, and agrees that it will not make any claim against, the other party's past or present directors, officers or employees (or the directors, officers or employees of the Related Bodies Corporate of a party) in respect of any matter arising in connection with this deed or the Transaction, including:

- (a) any breach of any representation or warranty given by that party or any of its Related Bodies Corporate under this deed;
- (b) any disclosure containing any statement which is false or misleading (whether by omission or otherwise); or
- (c) any failure to provide information,

whether current, future, known or unknown, arising at common law, in equity, under statute or otherwise, except:

- (d) in the case of the release in clause 14.1(a), to the extent arising from the fraud of the relevant director, officer or employee; and
- (e) otherwise, to the extent arising from the fraud, dishonesty or wilful default of the relevant director, officer or employee.

14.2 Directors and officers insurance

- (a) The Bidder acknowledges and agrees that:
 - (1) subject to clause 14.2(b), prior to the Implementation Date, the Target will arrange and pay all premiums required for run off directors' and officers' liability insurance cover (**Run Off Cover**) to be put in place for the benefit of each Beneficiary on, so far as practicable, terms (including as to limits of liability and deductibles) no less favourable than under the Policy; and
 - (2) the Run Off Cover will cover claims made up to 7 years after the Implementation Date in respect of conduct or matters occurring on or before the Implementation Date.
- (b) Prior to purchasing any Run Off Cover, the Target must provide the Bidder with the terms of the proposed Run Off Cover, including the price, and must not arrange or pay any premiums for the Run Off cover unless first approved in writing by the Bidder, acting reasonably and in good faith.

14.3 Obligations in relation to directors and officers insurance

From the Implementation Date, the Bidder must procure that the Target does not:

- (a) vary or cancel the Policy or Run Off Cover, so long as it is available on commercially reasonable terms; or
- (b) unless required under the Policy or Run Off Cover, commit any act or omission that may prejudice any claim by a Beneficiary under the Policy or Run Off Cover.

14.4 Directors and officers indemnities

Without limiting any other term of this deed, the Bidder undertakes that it will, from the Implementation Date and in respect of each deed of indemnity, access and insurance (**Relevant Deed**) made by a member of the Target Group (**Relevant Entity**) in favour of a director, officer or employee of any member of the Target Group, whether past or present, (**Indemnified Person**) from time to time procure that:

- (a) the Relevant Entity complies with the Relevant Deed; and
- (b) to the extent that the Relevant Entity ceases to exist after the Implementation Date, each Indemnified Person has the benefit of an indemnity from another member of the Target Group of good financial standing on terms no less favourable to the Indemnified Person than those contained in the Relevant Deed as at the Implementation Date.

14.5 Compliance with law and benefit

- (a) Clause 14.1 and clause 14.4 are subject to any restriction under the Corporations Act and will (if and to the extent required) be read down accordingly.
- (b) The Bidder acknowledges and agrees that the Target holds the benefit of this clause 14 to the extent it relates to each Target Indemnified Party as trustee for them, and, as such, each such Target Indemnified Party may enforce this clause 14 against the Bidder.
- (c) The Target acknowledges and agrees that the Bidder holds the benefit of this clause 14 to the extent it relates to each Bidder Indemnified Party as trustee for them, and, as such, each such Bidder Indemnified Party may enforce this clause 14 against the Target.

15. Representations, warranties and indemnities

15.1 Representations and warranties by the Bidder

The Bidder represents and warrants to the Target (on its own behalf and separately as trustee for each of the Target Indemnified Parties) that each of the Bidder Warranties is true and correct:

- (a) as at the date of this deed; and
- (b) are repeated continuously thereafter until the Delivery Time,

unless the relevant Bidder Warranty is expressed to be given only at a particular time in which case it is given as at that time.

15.2 The Bidder's indemnity

- (a) The Bidder acknowledges and agrees that in entering into this deed the Target and the Target Indemnified Parties have relied on the Bidder Warranties.
- (b) Subject to clause 13.9, the Bidder indemnifies the Target (on its own behalf and separately as trustee for each of the Target Indemnified Parties) against any claim, action, damage, liability, cost, expense, payment or loss suffered or incurred arising out of any breach of any of the Bidder Warranties.

15.3 Qualifications of the Bidder's Warranties and the indemnity

The Bidder Warranties and the indemnity provided under clause 15.2 are subject to facts, matters, circumstances and acts which:

- (a) are expressly required to be done by the Bidder under the Transaction Documents;
- (b) were within the actual knowledge of the Target or any of its Representatives as at the date of this deed; or
- (c) have been disclosed to the Target prior to the date of this deed.

15.4 Representations and warranties by the Target

The Target represents and warrants to the Bidder (on its own behalf and separately as trustee for each of the Bidder Indemnified Parties) that each of the Target Warranties is true and correct:

- (a) as at the date of this deed; and
- (b) are repeated continuously thereafter until the Delivery Time,

unless the relevant Target Warranty is expressed to be given only at a particular time in which case it is given as at that time.

15.5 Target indemnity

- (a) The Target acknowledges and agrees that in entering into this deed the Bidder and the Bidder Indemnified Parties have relied on the Target Warranties.
- (b) Subject to clause 13.8, the Target indemnifies the Bidder (on its own behalf and separately as trustee for each of the Bidder Indemnified Parties) against any claim, action, damage, liability, cost, expense, payment or loss suffered or incurred arising out of any breach of any of the Target Warranties.

15.6 Qualifications of the Target's Warranties and the indemnity

The Target Warranties and the indemnity under clause 15.5 are subject to facts, matters, circumstances and acts which:

- (a) are expressly required to be done by the Target under the Transaction Documents, the Project Agreements or the Joint Venture Agreements;
- (b) were within the actual knowledge of the Bidder or any of its Representatives as at the date of this deed; or
- (c) have been Disclosed by the Target prior to the date of this deed.

15.7 Notifications

Each party will promptly (and in any event, within 2 Business Days) advise the other in writing if it becomes aware of any fact, matter or circumstance which constitutes or may constitute a breach of any of the representations or warranties given by it under this clause 15, with such notice to include details of the relevant circumstances and any actions taken to remedy the actual or potential breach.

15.8 Status of representations and warranties

Each representation and warranty in this clause 15:

- (a) is severable;
- (b) will survive the termination of this deed; and
- (c) is given with the intent that liability thereunder will not be confined to breaches which are discovered prior to the date of termination of this deed.

15.9 Status and enforcement of indemnities

- (a) Each indemnity in this deed is a continuing obligation, separate and independent from the other obligations of the Target and the Bidder, and survives termination, completion or expiration of this deed.
- (b) It is not necessary for a party to incur expense or to make any payment before enforcing a right of indemnity conferred by this deed.

15.10 Necessary tense changes

For the purposes of clauses 15.1 and 15.4, the Bidder Warranties and the Target Warranties shall be read with any necessary adjustments to the tense used in the relevant warranty.

16. Confidentiality and public announcements

16.1 Confidentiality Agreement

The Target and the Bidder acknowledge and agree that they continue to be bound by the Confidentiality Agreement after the date of this deed until the End Date (including the confidentiality undertakings, consent on conduct, restrictions on conduct and restrictions on contact with any Government bodies contained in that deed). The terms of this deed will prevail over the terms of the Confidentiality Agreement to the extent of any inconsistency.

16.2 Survival of obligations

The rights and obligations of the Target and the Bidder in relation to confidential information under the Confidentiality Agreement survive termination of this deed.

16.3 Disclosure on termination of deed

The parties agree that, if this deed is terminated under clause 17, any party may disclose:

- (a) the fact that this deed has been terminated, where such disclosure is required by the Listing Rules or is in the reasonable opinion of that party required to ensure that the market in its securities is properly informed; and
- (b) the fact that this deed has been terminated to ASIC and the Court.

16.4 Public announcements

(a) Where a party proposes or is required to make any subsequent public announcement or disclosure in connection with the Transaction or the Scheme, that party must, before making such announcement, to the extent lawful and practicable to do so, consult with the other party prior to making the relevant announcement or disclosure and unless immediate disclosure is required must give the other party a reasonable opportunity to comment on the form and content of the public announcement or disclosure and considering in good faith any such comments from the other party.

(b) The Bidder and the Target agree to consult with each other in advance in relation to:

- (1) overall communication plans;
- (2) approaches to Target Shareholders;
- (3) approaches to the media;
- (4) proxy solicitation; and
- (5) written presentations,

in each case relating to the Transaction, including to provide each other a reasonable advance opportunity to comment, to ensure that the information is consistent with the information in the Scheme Booklet.

(c) The parties are not required to comply with clauses 16.4(a) or 16.4(b) where the announcement is being made in connection with a Competing Proposal or Superior Proposal, a change in recommendation of the Target Directors or in connection with a dispute between the parties regarding the Scheme.

17. Termination

17.1 Limited termination events

This deed may only be terminated:

- (a) by either party in the circumstances contemplated by clauses 17.2 and 17.3;
- (b) by mutual written agreement of the parties;
- (c) by either party at any time before the Delivery Time if a court or other Regulatory Authority has issued a final, permanent and non-appealable or non-reviewable order,

decree or ruling or has taken other action which permanently restrains or prohibits the Transaction or has refused to do anything necessary to permit the Transaction to be implemented by the End Date (or the party, acting reasonably, believes that there is no realistic prospect of an appeal or review succeeding by the End Date);

- (d) by either party if the Scheme is not approved at the Scheme Meeting by the requisite majorities of Target Shareholders (excluding Excluded Shareholders) under section 411(4)(a) of the Corporations Act (provided that such party has first complied with its obligations in respect of clause 3.6(g)); or
- (e) by either party if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date (provided the party purporting to terminate has complied with its obligations under clause 3 in all material respects).

17.2 Termination by Bidder

The Bidder may terminate this deed at any time prior to the Delivery Time:

- (a) **(Failure to agree after failure of Conditions)** in the circumstances set out in, and in accordance with, clause 3.7;
- (b) **(Material breach or Target Event)** by giving written notice to the Target if:
 - (1) the Target has materially breached this deed (including a material breach of any of the Target Warranties) and:
 - (A) the Bidder has given written notice to the Target setting out the relevant circumstances and stating an intention to terminate this deed; and
 - (B) the relevant circumstances have not been remedied and have continued to exist for 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) from the time the notice in clause 17.2(b)(1)(A) is given,

and for the purpose of this clause 17.2(b)(1) a breach of the Target Warranty in clause (m) of Schedule 2 which results, or could reasonably be expected to result, in an adverse outcome for the Bidder or which has the effect of the Bidder not having reviewed material information will be deemed to be a material breach of that warranty; or

- (2) there is:
 - (A) a Target Material Adverse Change;
 - (B) a Target Prescribed Occurrence; or
 - (C) a Target Regulated Event;
- (3) **(Change of Recommendation)** if a Target Director:
 - (A) withdraws, fails to make or adversely changes or adversely qualifies their Recommendation or Voting Intention;
 - (B) makes a public statement indicating that he or she no longer recommends the Transaction or recommends, supports or endorses another transaction (including a Competing Proposal), for any reason (but excluding a statement that no action should be taken by Target

Shareholders pending the assessment of a Competing Proposal by the Target Board),

other than where that Target Director is required by a court or Regulatory Authority to abstain or withdraw from making a recommendation that Target Shareholders (excluding Excluded Shareholders) vote in favour of the Scheme after the date of this deed, but only in relation to that specified Target Director and only to the extent required to comply with that requirement of the court or Regulatory Authority; or

- (c) **(Competing Proposal)** in circumstances where the Target enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Competing Proposal (including, for the avoidance of doubt, where permitted by clause 12.7).

17.3 Termination by Target

The Target may terminate this deed at any time prior to the Delivery Time:

- (a) **(Failure to agree after failure of Conditions)** in the circumstances set out in, and in accordance with, clause 3.7;
- (b) **(Material breach)** by giving written notice to Bidder if:
 - (1) the Bidder has materially breached this deed (including a material breach of any of the Bidder Warranties) and:
 - (A) the Target has given written notice to the Bidder setting out the relevant circumstances and stating an intention to terminate this deed; and
 - (B) the relevant circumstances are not remedied and have continued to exist for 5 Business Days from the time such notice is received by the Bidder (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date); or
- (c) **(Change of Recommendation)** a majority of the Target Directors publicly withdraw, fail to make or adversely change their Recommendation or Voting Intention or publicly recommend a Competing Proposal as permitted by clause 7.1(b) and, if required to do so, the Target has paid the Target Payment to the Bidder.

17.4 Effect of termination

If this deed is terminated:

- (a) the provisions of this deed (and all further obligations and liabilities of the parties under this deed) shall cease to have effect except for the provisions of (and obligations set out in) this clause and clauses 1, 13, 14, 15.8, 15.9, 16.1, 16.2, 16.3, 17.4, 17.5, 18, 19, 20, 21.4, 21.5, 21.6, 21.7, 21.9, 21.11, 21.12, 21.13 and 21.14 (inclusive) which will survive termination; and
- (b) each party will retain the rights it has or may have against the other party in respect of any past breach of this deed.

17.5 Remedies

The parties acknowledge that damages may not be a sufficient remedy for breach of this deed and that specific performance, injunctive relief or any other remedies which would otherwise be available in equity or law are available as a remedy for a breach or threatened breach of

this deed by any party, notwithstanding the ability of the other party to terminate this deed or demand payment of the Target Payment or the Bidder Payment (as the case may be).

18. GST

18.1 Interpretation

- (a) Except where the context suggests otherwise, terms used in this clause have the meanings given to those terms by the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) (as amended from time to time).
- (b) Any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause.
- (c) To the extent any consideration for a supply is expressly specified to be inclusive of GST, that consideration must not be taken into account in calculating the GST payable under clause 18.4(a) in relation to that supply.

18.2 GST exclusive

Unless this deed expressly states otherwise, all consideration to be provided under this deed is exclusive of GST.

18.3 Reimbursements and similar payments

Any payment or reimbursement required to be made under this deed that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity (or the representative member of the GST group of which the entity seeking reimbursement is a member of) is entitled for the acquisition to which the cost, expense or amount relates.

18.4 GST payable

- (a) If GST is payable in relation to a taxable supply made under or in connection with this deed then any party (**Recipient**) that is required to provide consideration to another party (**Supplier**) for that supply must pay an additional amount to the Supplier equal to the amount of that GST at the same time as other consideration is to be provided for that supply.
- (b) No payment of any amount pursuant to clause 18.4(a) is required until the Supplier has provided a valid tax invoice to the Recipient.
- (c) If the GST payable in relation to a supply made under or in connection with this deed varies from the additional amount paid by the Recipient under clause 18.4(a) then the Supplier must promptly issue an adjustment note to the Recipient and will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 18.4(a).
- (d) Clauses 18.4(a) to 18.4(c) do not apply to the extent that the consideration for the supply is subject to a reverse-charge.

19. Notices

19.1 Giving notice

A notice, approval, consent, demand, request or other communication connected with this deed (**Notice**) has no legal effect unless it is:

- (a) in writing and in the English language;
- (b) addressed to the address of the addressee shown in this deed or to such other address as it may have notified the sender; and
- (c) in the case of:
 - (1) personal service or post, signed by the party or by an Authorised Officer of the sender; or
 - (2) email, the Notice must state that the email is a communication under this deed.

19.2 How notice is given

In addition to any other method of service provided by law, the Notice may be:

- (a) sent by prepaid ordinary post to the address for service of the addressee, if the address is in Australia and the Notice is sent from within Australia;
- (b) sent by prepaid airmail to the address for service of the addressee, if the address is outside Australia or if the Notice is sent from outside Australia;
- (c) sent by electronic mail to the electronic mail address of the addressee (and a Notice must not be given by any other electronic means of communication); or
- (d) personally delivered at the address for service of the addressee.

19.3 Deemed service

If the Notice is sent or delivered in a manner provided by clause 19.2, it must be treated as given to and received by the addressee:

- (a) if personally delivered, on delivery;
- (b) if sent by prepaid ordinary post from within Australia to an address in Australia, on the second Business Day (at the address to which it is posted) after posting;
- (c) if sent by prepaid airmail to an address outside Australia or sent by prepaid airmail from outside Australia, on the fifth Business Day (at the address to which it is posted) after posting; or
- (d) if sent by email, 2 hours after the email was sent, unless the party sending the email knows or reasonably ought to suspect that the email and the attached communication were not delivered to the addressee's domain specified in the email address notified for the purposes of clause 19,

but if the communication would otherwise be taken to be received on a day that is not a Business Day or after 5.00pm, it is taken to be received at 9.00am on the next Business Day.

19.4 Target address

- (c) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder or Scheme DI Holder to the Target (or the Target Share Registry or Depository) (which request may not be made until that date which is 10 Business Days after the Implementation Date), the Target must reissue a cheque that was previously cancelled under this clause 5.5.
- (d) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in that Act).

5.6 Orders of a court or Regulatory Authority

In the case of notice having been given to the Target (or the Target Share Registry or Depository) or the Bidder of an order made by a court of competent jurisdiction or by another Regulatory Authority that:

- (a) requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder (or Scheme DIs held by a particular Scheme DI Holder), which sum would otherwise be payable to that Scheme Shareholder (or Scheme DI Holder) by the Target in accordance with this clause 5, then the Target will be entitled to make that payment (or procure that it is made) in accordance with that order or direction; or
- (b) prevents the Target from making a payment to a particular Scheme Shareholder or Scheme DI Holder in accordance with clause 5.2(b), or such payment is otherwise prohibited by applicable law, the Target will be entitled to retain an amount, in United States dollars, equal to the amount of the relevant payment until such time as payment in accordance with this clause 5 is permitted by that order or direction or otherwise by law.

5.7 Fractional entitlements and share splitting or division

If the number of Scheme Shares held by a Scheme Shareholder or Target DIs held by a Scheme DI Holder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder or Scheme DI Holder to Scheme Consideration results in a fractional entitlement to a cent, then the entitlement of that Scheme Shareholder or Scheme DI Holder must be rounded down to the nearest whole cent.

5.8 Withholding

- (a) The Bidder must make all payments that become due under the Scheme free and clear and without deduction of all present and future withholdings (including Tax or Duty), unless the Bidder determines (acting reasonably) that it is required by law to withhold or deduct an amount or to pay an amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 to the Taxation Administration Act (a **CGT Withholding Amount**) with respect to the acquisition of the Scheme Shares from each Scheme Shareholder.

- (b) The Target represents and warrants that none of the Scheme Shares held by the Scheme Shareholders should comprise indirect Australian real property interests within the meaning of section 855-25 of the Tax Act on the basis that the 'principal asset test' referred to in section 855-25(1)(b) of the Tax Act should not be satisfied.
- (c) Prior to exercising its rights under this clause 5.8, the Bidder must use reasonable endeavours to notify the Scheme Shareholder of its intention to withhold so that the Scheme Shareholder has the opportunity to take any action which would prevent the Bidder from being required to withhold or pay a CGT Withholding Amount.
- (d) If the Bidder determines (acting reasonably) that it is required to pay a CGT Withholding Amount, the Bidder will:
 - (1) determine the amount of the CGT Withholding Amount;
 - (2) remit the CGT Withholding Amount to the Commissioner of Taxation within the time required under Subdivision 14-D of Schedule 1 to the Taxation Administration Act; and
