

ASX Release

7 May 2026

Appointment of Auditor

In accordance with Listing Rule 3.16.3, Decidr AI Industries Ltd (ASX: DAI) (“DAI” or “the Company”) announces that MVAB Audit Pty Ltd (MVAB Audit) has been appointed as auditor of the Company. The appointment follows the resignation of MVAB Assurance (formerly known as JTP Assurance), and ASIC’s consent to the resignation in accordance with s329(5) of the *Corporations Act 2001* (Act).

The change of auditor arose as a result of MVAB Assurance restructuring its audit practice whereby audits will be conducted by MVAB Audit, an ASIC authorised audit company, rather than MVAB Assurance partnership.

In accordance with section 327C of the Act, a resolution will be proposed at the 2026 Annual General Meeting to confirm the appointment of the Company’s auditor.

About Decidr AI Industries (ASX:DAI)

Decidr AI Industries (ASX: DAI) is an agentic transformation group building and scaling portfolio companies that enable organisations to systematically organise, execute, and distribute work using enterprise-grade agentic systems. The Company’s strategy addresses the full agentic lifecycle, including organisational self-knowledge, human and agentic role definition, data and schema normalisation, task orchestration, and the distribution of work across teams, partners, and labour markets.

DAI’s portfolio includes Decidr.ai, developer of the Decidr Agentic Operating System, which provides an enterprise-grade platform for orchestrating agentic workflows and decision-

making, and Sugarwork, a knowledge-capture and workflow-automation platform that strengthens the group's capabilities in organisational intelligence and enterprise AI adoption.

Through its portfolio companies, DAI supports organisations as they transition from fragmented AI experimentation to coordinated, scalable, and commercially deployable agentic systems across industries and geographies.
