Our Business Model

Cash Converters operates three business lines across lending, pre-owned retail and franchising, combining stores and digital channels

Consumer Lending

Responsible, lower-cost lending solutions

- Transitioned to longer-duration, higher-quality, lower risk and cost loan products
- Integrated store and digital origination model lowers customer acquisition costs
- Proprietary AI-driven credit decisioning improving portfolio quality, net loss rates reduced from ~20% to ~14%
- Securitised funding structure supports scalable growth
- 25k apps per month received

Personal loans up to \$10k
from 19.95% p.a.

Circular Retail

High-margin pre-owned goods platform

- Buying, selling and repurposing pre-owned goods across stores and online
- Jewellery, luxury and electronics driving margin expansion
- Self-replenishing inventory model supports strong cash generation
- Growing luxury-only retail footprint across metro locations
- Inventory available in store or online

Over 1.7m items
bought & sold annually in AU

Store Network & Franchising

Scalable store network driving earnings and customer acquisition

- Global network across Australia, UK, NZ, Europe and Asia
- Franchise acquisitions increasing corporate earnings contribution
- Physical stores are important in the local community, support low-cost lending origination and enhance customer trust
- Expanding corporate ownership across Australia and the UK
