

Change of Registered Office Address

Engage with this announcement at: [InvestorHub](#)

Livium Ltd (ASX: LIT) ("Livium" or the "Company") announces today in accordance with ASX Listing Rule 3.14, that effective immediately the Company's registered office has changed to **15 Marwen Drive, Derrimut, Victoria, 3026**, the same address as the Derrimut Recycling Hub¹.

Relocation of the Laverton North operations into the Derrimut Recycling Hub completed in late March 2026. Relocation of the Livium corporate office from Kew, Victoria, completes the next phase of the consolidation of all Victorian operations into the Derrimut Recycling Hub. This seeks to deliver operational and cost efficiencies, while preserving flexibility to scale processing capacity in a measured and disciplined manner.

Authorised for release by the Managing Director and CEO.

About Livium

Livium Ltd (ASX: LIT) is Australia's leading battery recycler through its wholly owned subsidiary Envirostream — a profitable business focused on the recovery of valuable materials from end-of-life batteries.

Building on this foundation, Livium is expanding into adjacent opportunities including recycling of rare earth elements and solar panels, and the processing of black mass — strengthening Australia's clean-energy supply chain.

Forward-looking statements

This announcement contains forward-looking statements. Forward-looking statements are subject to a variety of risks and uncertainties that it is beyond the Company's ability to control or predict and which could cause actual events or results to differ materially from those anticipated in such forward-looking statements. Investors should be aware that past performance should not be relied upon as being indicative of future performance.
