The Placement and SPP together, referred to as the **Offer**.

The Company has engaged Barrenjoey Markets Pty Limited, Canaccord Genuity (Australia) Limited and Petra Capital Pty Ltd (**Joint Lead Managers**) to manage the Placement under a placement management agreement (**PMA**). A summary of the material terms and conditions of the PMA between the Company and the Joint Lead Managers is set out below:

- (a) **Background:** Finder has entered into a placement agreement with the Joint Lead Managers, under which the Joint Lead Managers have agreed to act as joint lead managers and bookrunners in connection with the PMA, subject to the terms and conditions of the PMA.

- (b) **Conditions precedent** The PMA contains certain conditions precedent (including, for Tranche 2, that Finder shareholder approval is received at the Company’s EGM), representations and warranties, undertakings and indemnities in favour of the Joint Lead Managers.
- (c) **Fees:** The Joint Lead Managers are entitled (provided they fulfil their obligations) to a 5% management fee of the Placement proceeds. Each Joint Lead Manager will be paid one third. If the Joint Lead Managers terminate the PMA, the Company does not need to pay any fees that have not accrued as at the termination date.
- (d) **Termination:** The Joint Lead Managers may terminate the PMA if certain conditions contemplated by the PMA are not satisfied or if certain events occur. The conditions and termination events in the PMA are not uncommon for an arrangement of this nature and a detailed summary of those conditions are contained in the Company’s ASX announcement of 30 April 2026 titled ‘Corporate Presentation and Equity Raising’. In some cases, the ability of a Joint Lead Manager to terminate the PMA is limited to circumstances where a Joint Lead Manager has reasonable and bona fide grounds to believe that such event could give rise to a liability of a Joint Lead Manager under any law, has or may have a material adverse effect on the financial position, performance or prospects of the Finder group or the marketing, settlement or outcome of the Placement (or any part of it) or the likely trading price of any of the Placement Shares.

If a Joint Lead Manager terminates its obligations under the PMA, the Joint Lead Manager will not be obliged to perform any of its obligations that remain to be performed. Termination of the PMA could have an adverse impact on the amounts of proceeds raised under the Placement.

RESOLUTION 1 – RATIFICATION OF ISSUE OF TRANCHE 1 PLACEMENT SHARES

Background

On Friday, 8 May 2026, the Company issued 42,000,000 Shares at an issue price of \$0.50 per Share under the Tranche 1 Placement (**Tranche 1 Placement Shares**) pursuant to the Company's placement capacity under Listing Rule 7.1, which the Company is seeking to ratify under this Resolution.

Resolution 1 seeks Shareholder ratification pursuant to and in accordance with Listing Rule 7.4 (and for all other purposes) for the issue of the 42,000,000 Tranche 1 Placement Shares.

Further information in relation to the Placement and the issue of the Tranche 1 Placement Shares is set out under the heading "Background to the Offer" above.

Listing Rule 7.1

Listing Rule 7.1 provides that, without Shareholder approval, a company must not issue or agree to issue new Equity Securities constituting more than 15% of its total issued capital within a 12-month period, subject to a number of exceptions.

As the issue of these Shares did not fit within any of the exceptions to Listing Rules 7.1 and was not approved by the Company's Shareholders, the issue of these Shares effectively used up 56% of the Company's 15% placement capacity under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval during the 12-month period following the issue of the Shares.

Listing Rule 7.4 allows an issue of securities made without the approval of shareholders for the purposes of Listing Rule 7.1 to be ratified by shareholders, in order to ensure that such securities are not counted towards the 15% limitation under Listing Rule 7.1, provided that at the time the issue was made, the issue was made within the Company's existing capacity.

Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Tranche 1 Placement Shares will be excluded from the Company's placement capacity, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, the Company will need to continue to include the relevant number of Shares in its calculation of the number of securities it is able to issue under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

Technical information required by Listing Rule 7.5

Pursuant to, and in accordance with, Listing Rule 7.5, the following information is provided in relation to Resolution 1:

Names of the persons to whom the securities were issued or the basis on which those persons were selected

The Tranche 1 Placement Shares were issued to sophisticated, professional and institutional investors who were identified through the bookbuild process by the Company in conjunction with the Joint Lead Managers to the Placement in accordance with their mandate. The Company confirms that none of the participants in the Tranche 1 Placement were related parties of the Company or Material Investors.

Number and class of securities

42,000,000 Tranche 1 Placement Shares were issued pursuant to Listing Rule 7.1 (ratification of which is sought under this Resolution 1).

Date on which the securities were issued

The Tranche 1 Placement Shares were issued on Friday, 8 May 2026.

Issue price

The Tranche 1 Placement Shares were issued for \$0.50 per Share, raising \$21,000,000.

Purpose of the issue

The purpose of the issue of the Tranche 1 Placement Shares and the intended use of funds raised under the Placement is summarised under the heading “Background to the Offer” above.

Summary of the material terms of the agreement

The Tranche 1 Placement Shares were issued pursuant to standard confirmation letters and/or share subscription documents containing customary terms for a transaction of this nature.

Voting exclusion statement

A voting exclusion statement applies to Resolution 1 as set out in the Notice.

Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

RESOLUTION 2 – PARTICIPATION IN PLACEMENT BY A SUBSTANTIAL SHAREHOLDER – LONGREACH CAPITAL INVESTMENT PTY LTD

Background

Resolution 2 seeks Shareholder approval under Listing Rule 10.11 for the issue of up to 10,000,000 Tranche 2 Placement shares to Longreach, a substantial (30%+) holder of the Company.

Further information in relation to the Placement and the issue of the Tranche 2 Placement shares is set out under the headings “Background to the Offer” above.

Listing Rule 10.11

As noted above, unless an exception in Listing Rule 10.12 applies, the Company must obtain Shareholder approval under Listing Rule 10.11 to issue or agree to issue equity securities to:

- (a) a related party (Listing Rule 10.11.1); or
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company (Listing Rule 10.11.2).

It is the view of the Company that the proposed participation by Longreach in the Placement falls within Listing Rules 10.11.1 and 10.11.2 and the exceptions set out in Listing Rule 10.12 do not apply to the current circumstances. Accordingly, Shareholder approval is sought under Resolution 2 for the issue of Tranche 2 Placement shares to Longreach (or their nominee) pursuant to Listing Rule 10.11.

Sections 606 and 611 of the Corporations Act

Pursuant to section 606(1) of the Corporations Act, a person must not acquire a “relevant interest” in issued voting shares in a listed company if the person acquiring the interest does so through a transaction in relation to securities entered into by or on behalf of the person and because of the transaction, that person’s or someone else’s voting power in the company increases:

- (a) from 20% or below to more than 20%; or
- (b) from a starting point above 20% and below 90%.

The voting power of a person in a body corporate is determined in accordance with Section 610 of the Corporations Act. The calculation of a person’s voting power in a company involves determining the voting shares in the company in which the person and the person’s associates have a relevant interest.

Section 611 of the Corporations Act provides that certain acquisitions of relevant interests in a company's voting shares are exempt from the prohibition in Section 606(1), including acquisitions by a person who throughout the 6 months before the acquisition had a voting power of at least 19% and, as a result of the acquisition, that person would not have voting power in the company more than 3 percentage points (3%) higher than they had 6 months before the acquisition (this exemption is known as the "3% creep" exemption and is found in item 9 of section 611 of the Corporations Act).

The Company notes that:

- (a) Longreach's voting power in the Company as at the date 6 months before the expected issue date of the Tranche 2 Placement shares was 43.5% following the settlement of the first tranche of the Company's placement in December 2025 (see the Company's ASX announcement dated 9 December 2025 and Longreach's change of holding notice released to ASX on 11 December 2025);
- (b) Longreach's voting power in the Company is 37.98% at the latest practicable date before the finalisation of this Notice of Meeting, as a result of having been temporarily diluted by the issue of the Tranche 1 Placement Shares; and
- (c) Longreach's voting power in the Company is expected to be approximately 38.54% on issue of the Tranche 2 Placement shares if 100% of the SPP is subscribed to (see Company's ASX announcement dated 30 April 2026 and 6 May 2026) or 38.96% if there is a nil take up of the SPP.

Accordingly, the Tranche 2 Placement shares the subject of this Resolution may be issued to Longreach without breaching the prohibition under section 606(1) of the Corporations Act in reliance on the 3% creep exemption.

Prescribed information pursuant to Listing Rule 10.11

The following information is provided for the purposes of the shareholder approval sought under Listing Rule 10.11, and in accordance with the requirements of Listing Rule 10.13 in respect of the proposed issue of shares.

- (a) The Tranche 2 Placement shares the subject of this Resolution are to be issued to Longreach Capital Investment Pty Ltd (ACN 117 213 706) (or their nominee).
- (b) Longreach was during the six months prior to the Placement a related party (Listing Rule 10.11.1) and a substantial (30%+) holder (Listing Rule 10.11.2) of the Company. In the event the Tranche 2 Placement shares the subject of this Resolution are issued to a nominee of Longreach, that nominee will fall into the category stipulated by Listing Rule 10.11.4.
- (c) A maximum of 10,000,000 Tranche 2 Placement shares are to be issued to Longreach.
- (d) The Tranche 2 Placement shares will be issued no later than 1 month after the date of the Meeting, or such date to the extent permitted by any ASX waiver or modifications of the Listing Rules and it is intended that the issue of the Tranche 2 Placement shares will occur on the same date.
- (e) The Tranche 2 Placement shares to be issued to Longreach will be issued at a price of A\$0.50 each (which is the same price per Share as under Tranche 1 of the Placement).
- (f) The Tranche 2 Placement shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
- (g) The purpose of the issue of the Tranche 2 Placement shares and the intended use of funds raised under the Placement is summarised under the heading "Background to the Offer" above.
- (h) The Tranche 2 Placement shares will be issued pursuant to a standard confirmation letter and/or share subscription document containing customary terms for a transaction of this nature. There are no other material terms to the proposed issue of the Tranche 2 Placement shares.
