1 CHAIR'S LETTER

On behalf of the Boards of Directors of BWP Group (BWP), we are pleased to offer you the opportunity to participate in an equity raising to enable and support the future growth of BWP.

BWP is raising approximately \$228 million of new equity and is providing the opportunity for all eligible BWP securityholders to acquire new securities in BWP (New Securities) at a fixed price of \$3.77 per New Security (Issue Price) at the ratio of 1 New Security for every 12 existing BWP securities owned (Entitlement Offer).

Why BWP is conducting the Entitlement Offer

BWP has successfully deployed capital to strengthen the business and enhance growth for securityholders over the past two years, notably the \$517 million acquisition of Newmark Property REIT (NPR) in 2024 and the \$143 million management internalisation in 2025. Together with ongoing developments and portfolio renewal, BWP has deployed in excess of \$700 million of capital and added over \$400 million of debt to the balance sheet, net of portfolio renewal and divestment activity.

BWP currently has a \$163 million pipeline of capital commitments, including repurposing developments, asset expansions and upgrades to older generation properties (**Capital Commitments**). Importantly, yields on cost and rentalisation rates, being the return BWP receives on its Capital Commitments, provide an attractive spread to BWP's cost of capital. Four large format retail (**LFR**) projects with expenditure totalling \$78 million are currently active, including one scheduled to commence in July 2026. Further projects are expected to commence across the portfolio in the near term. In addition, for the four LFR projects currently active, the estimated values on completion are expected to be higher than the valuations of the assets prior to development plus the cost of development. This is expected to provide opportunities for portfolio and valuation metric uplifts, including accretion to net tangible assets per security.

Proceeds from the Entitlement Offer will deliver significant balance sheet capacity to enable future capital deployment opportunities that provide further growth for BWP securityholders. Following the Entitlement Offer, BWP's pro forma gearing at 31 December 2025 will reduce to 17.0 per cent and, adjusted for the Capital Commitments, pro forma gearing at 31 December 2025 is approximately 20.3 per cent, at the low end of BWP's target gearing range.

Portfolio evolution

BWP's portfolio has evolved over the past two years with acquisitions of new properties via the NPR acquisition, and through site repurposing and Bunnings upgrades and expansions. BWP has increased participation in the LFR sector, where continued tenant strength, together with an undersupply of lettable area, is driving an attractive rental growth outlook for LFR within Australia. Population growth, rising residential property values and low unemployment have underpinned strong retailer performance, with listed large format retailers continuing to demonstrate resilient sales growth. BWP is a substantial owner of Australian LFR assets with a portfolio of \$1.2 billion as at 31 December 2025¹, with aspirations for further growth.

Entitlement Offer

The Entitlement Offer comprises an accelerated institutional entitlement offer (**Institutional Entitlement Offer**) and retail entitlement offer (**Retail Entitlement Offer**), both conducted at the same Issue Price. As announced by BWP on 7 May 2026, the Institutional Entitlement Offer was successfully completed with strong support from BWP's Eligible Institutional Securityholders, raising \$122 million at a take-up rate of approximately 98 per cent.

Wesfarmers' Commitment to the Entitlement Offer

Wesfarmers², BWP's largest securityholder with 23.4 per cent of BWP securities, has taken up its full entitlement under the Entitlement Offer, representing a commitment of approximately \$53 million.

¹ Including ~\$400m of Bunnings warehouses co-located LFR.

² Wesfarmers holds its securities in BWP via Wesfarmers Investments Pty Ltd ACN 078 120 887.

Retail Entitlement Offer

This Retail Offer Booklet relates only to the Retail Entitlement Offer.

Eligible Retail Securityholders are entitled to apply for 1 New Security for every 12 existing BWP securities held on the Record Date of Friday, 8 May 2026 at 7.00pm (AEST) at the Issue Price of \$3.77 per New Security. The Issue Price represents a:

- 4.3 per cent discount to the closing price of \$3.94 on 5 May 2026;
- 3.4 per cent discount to the 5-day volume weighted average price of \$3.90 on 5 May 2026; and
- 4.0 per cent discount to the theoretical ex-rights price of \$3.93 (TERP)³.

Detailed information regarding the Entitlement Offer and how to apply is included in this Retail Offer Booklet. Details of your specific Entitlement are included in your personalised Entitlement and Acceptance Form.

The Retail Entitlement Offer closes at 5.00pm (AEST) on Friday, 22 May 2026.

Distribution Guidance

BWP reaffirms FY26 distribution guidance of 19.41 cents per security.

New Securities issued under the Entitlement Offer will rank equally with existing BWP securities on issue and will be entitled to the distribution for the second half of FY26 expected to be 9.83 cents per Security⁴.

About BWP

BWP Trust listed on the ASX on 16 September 1998, and for the past 28 years has remained committed to its original investment proposition by focusing on well-located, geographically diverse properties, with long-term leases to quality tenants. BWP's largest tenant is Bunnings with approximately 77 per cent of BWP's gross income coming from Bunnings. Underpinning BWP's listed life has been a disciplined approach to capital management, with BWP's last equity raising undertaken 13 years ago.

\$1.00 invested into BWP at listing in September 1998 would be worth \$22.95⁵ today, assuming reinvestment of distributions, equating to approximately 12 per cent annualised returns.

Further Information and Application Instructions

This Retail Offer Booklet contains important information and a number of important documents, including:

- details of the Entitlement Offer, including information on how to apply, explaining how to accept all or some of your Entitlement if you choose to do so, and a timetable of key dates;
- a presentation and ASX announcement dated 6 May 2026, which provide detailed information regarding the Entitlement Offer, the Capital Commitments and key investment risks for you to consider;
- an ASX announcement dated 7 May 2026 regarding the successful completion of the Institutional Entitlement Offer; and
- "Important Information" outlining other key information you need to know as a Securityholder.

³ TERP is calculated with reference to the last close price of \$3.94 on 5 May 2026.

⁴ Guidance is subject to there being no major disruption to the Australian economy and no material change in market conditions.

⁵ As at close on 5 May 2026 from IRESS.

To participate in the Retail Entitlement Offer, please ensure that you validly apply before 5.00pm (AEST) on Friday, 22 May 2026 (unless extended). You can apply by paying your Application Monies via BPAY® or (for Eligible Retail Securityholders in New Zealand only) EFT or as otherwise agreed with BWP.

If you apply and pay your Application Monies before 5.00pm (AEST) on Thursday, 14 May 2026 via BPAY® or (for Eligible Retail Securityholders in New Zealand only) EFT, your New Securities will be allotted to you on Monday, 18 May 2026, which is the same date applicable to Eligible Institutional Securityholders who took up their entitlements on Wednesday, 6 May 2026 under the Institutional Entitlement Offer.

For Securityholders, it is important to note that your Entitlement is non-renounceable. This means it is personal to you and cannot be traded, transferred, assigned or otherwise dealt with. If you do not take up your Entitlement it will lapse and you will not receive any New Securities under the Entitlement Offer.

If you do not wish to take up any of your Entitlement, you do not have to take any action. If you do not take up your Entitlement, your holding in BWP will be diluted. This dilution will result from subscriptions by other eligible securityholders who take up some or all of their entitlements and by wholesale investors who subscribe for New Securities under the Institutional Entitlement Offer. Despite this, given that the Entitlement Offer is structured as a pro rata issue and having regard to the current level of holdings of substantial holders, it is not anticipated that the Entitlement Offer will have a significant effect on the control of BWP.

Securityholders with a registered address outside Australia and New Zealand are not eligible to participate in the Entitlement Offer due to applicable securities law restrictions in those jurisdictions.

If you have any questions about the Retail Entitlement Offer, please contact our information line on 1300 850 505 (from within Australia) or +61 3 9415 4000 (from outside Australia) from 8.30am to 7.00pm (AEST) Monday to Friday during the Retail Entitlement Offer Period.

Conclusion

The Entitlement Offer is the next step in BWP's strategy to deliver secure and growing income and create value for securityholders over the long term. Following the Entitlement Offer, BWP will have significant balance sheet capacity to execute future capital deployment opportunities that provide further growth for BWP securityholders.

On behalf of the Board of Directors of BWP, I thank you for your existing investment in BWP, and I'm delighted to invite you to consider this new investment opportunity.

Finally, your consideration of this Entitlement Offer is very much appreciated, and thank you for your ongoing support of BWP.

4 OVERVIEW OF THE ENTITLEMENT OFFER

References to “you” in this Retail Offer Booklet are references to Eligible Retail Securityholders.

4.1 Overview

On Wednesday, 6 May 2026, BWP announced that it was conducting the Entitlement Offer. The Entitlement Offer comprises the accelerated Institutional Entitlement Offer and the Retail Entitlement Offer. Proceeds from the Entitlement Offer will deliver significant balance sheet capacity to enable future capital deployment opportunities that provide further growth for BWP securityholders.

Under the Entitlement Offer, BWP is offering Eligible Retail Securityholders the opportunity to subscribe for 1 New Security for every 12 Securities held on the Record Date. The Issue Price for each New Security is \$3.77 and the Entitlement Offer is expected to raise approximately \$228 million (before costs).

The Entitlement Offer has two components:

- a) Institutional Entitlement Offer** – being an offer to Eligible Institutional Securityholders to take up all or part of their Entitlement, where a bookbuild process was carried out to sell Entitlements for New Securities not taken up by Eligible Institutional Securityholders as well as New Securities that otherwise would have been offered to Ineligible Institutional Securityholders. The Institutional Entitlement Offer received strong support from Eligible Institutional Securityholders, raising gross proceeds of approximately \$122 million, with a take-up rate of approximately 98 per cent.
- b) Retail Entitlement Offer** (to which this Retail Offer Booklet relates) – being an offer to Eligible Retail Securityholders to take up all or part of their Entitlement. The Retail Entitlement Offer is expected to raise gross proceeds of approximately \$106 million.

Both the Institutional Entitlement Offer and Retail Entitlement Offer are non-renounceable, meaning the Entitlements cannot be traded on the ASX, nor can they be sold, transferred or otherwise disposed of.

As noted above, New Securities issued under the Retail Entitlement Offer are to be issued at the same price as New Securities issued under the Institutional Entitlement Offer. In addition, Entitlements under the Institutional Entitlement Offer and the Retail Entitlement Offer are calculated based on the same ratio.

The Entitlement Offer is fully underwritten⁹ by the Underwriter in accordance with the Underwriting Agreement. For further information about the Underwriting Agreement, see **section 7.7** of this Retail Offer Booklet and the “Key risks” section and the “Key terms of Underwriting Agreement” section of the Investor Presentation accompanying this Retail Offer Booklet at **section 6**.

4.4 Retail Entitlement Offer

The Retail Entitlement Offer is being made utilising sections 708AA and 1012DAA of the Corporations Act as relevantly amended or modified, including by *ASIC Corporations (Disregarding Technical Relief) Instrument 2026/180* and *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98*, which allows entitlement offers to be offered without a prospectus or product disclosure statement, provided certain conditions are satisfied.

As a result, the Retail Entitlement Offer is not being made under a prospectus or product disclosure statement, and it is important for Eligible Retail Securityholders to read and understand the information on BWP and the Retail Entitlement Offer that is publicly available prior to taking up all or part of their Entitlement. In particular, you should have regard to the materials in this Retail Offer Booklet (including in **section 6**) as well as other announcements concerning BWP made available at www.asx.com.au and read that information carefully before making any decisions in relation to your Entitlement.

Under the Retail Entitlement Offer, Eligible Retail Securityholders are being invited to subscribe for 1 New Security for every 12 Securities held on the Record Date, at the Issue Price of \$3.77 per New Security.

The Issue Price of \$3.77 per New Security represents a:

- 4.3 per cent discount to the closing price of \$3.94 on 5 May 2026;
- 3.4 per cent discount to the 5-day volume weighted average price of \$3.90 on 5 May 2026; and
- 4.0 per cent discount to the theoretical ex-rights price of \$3.93.

You should note that not all Securityholders will be eligible to participate in the Retail Entitlement Offer. For further information on eligibility, please read **sections 4.5** and **4.6** carefully.

The Retail Entitlement Offer opens at 9.00am (AEST) on Tuesday, 12 May 2026 and will close at 5.00pm (AEST) on Friday, 22 May 2026 (unless extended or withdrawn by BWP).

An investment in New Securities is subject to investment and other known and unknown risks, some of which are beyond the control of BWP, including possible loss of income and principal invested. Some of these risks are outlined in the “Key risks” section of the Investor Presentation, a copy of which has been included in **section 6** of this Retail Offer Booklet. BWP does not guarantee any particular rate of return or the performance of BWP, nor does it guarantee the repayment of capital from BWP or any particular tax treatment.

You should consider the Retail Entitlement Offer in the light of your particular investment objectives and circumstances, and consult with your stockbroker, accountant, financial advisor, taxation advisor or other independent professional advisor if you have any queries or are uncertain about any aspects of the Retail Entitlement Offer.

4.5 Eligibility to participate in the Retail Entitlement Offer

Eligible Retail Securityholders are those persons who:

- a) as at the Record Date, have a registered address in Australia or New Zealand (or are an Institutional Investor in another permitted jurisdiction);
- b) are not located in the United States and are not acting for the account or benefit of a person in the United States (to the extent that such a Securityholder holds Securities for the account or benefit of such person in the United States); and
- c) are not an Eligible Institutional Securityholder or an Ineligible Institutional Securityholder.

Eligible Retail Securityholders have access to the offer website at www.computersharecas.com.au/BWPOffer, which contains this Retail Offer Booklet and a personalised Entitlement and Acceptance Form.

4.6 Ineligible Securityholders

Each Securityholder who is either an Ineligible Institutional Securityholder or an Ineligible Retail Securityholder is an Ineligible Securityholder. Ineligible Securityholders are not entitled to participate in the Entitlement Offer, unless BWP otherwise determines.

The restrictions upon eligibility to participate in the Entitlement Offer arise because BWP has determined, pursuant to ASX Listing Rule 7.7.1(a) and section 9A(3)(a) of the Corporations Act, that it would be unreasonable to extend the Entitlement Offer to Ineligible Securityholders.

This decision has been made after taking into account the relatively small number of Ineligible Securityholders, the number and value of New Securities to which those Ineligible Securityholders would otherwise be entitled and the potential costs of complying with legal and regulatory requirements in the jurisdictions in which the Ineligible Securityholders are located in relation to the Entitlement Offer.

BWP, in its absolute discretion, may extend the Entitlement Offer to any Securityholder if it is satisfied that the Entitlement Offer may be made to the Securityholder in compliance with all applicable laws. BWP, in its absolute discretion, reserves the right to determine whether a Securityholder is an Eligible Retail Securityholder, Eligible Institutional Securityholder or an Ineligible Securityholder. To the maximum extent permitted by law, BWP disclaims all liability in respect of such determination.

4.7 Rights issue exemption

BWP has not appointed a sale nominee for Ineligible Securityholders under section 615 of the Corporations Act. Accordingly, Eligible Securityholders may not rely on the rights issue exception to the takeover restrictions in section 606 of the Corporations Act. Any Eligible Retail Securityholder at risk of exceeding the takeover restrictions should obtain professional advice before applying for New Securities under Retail Entitlement Offer. BWP will only issue New Securities to Eligible Retail Securityholders where BWP is satisfied, in its sole discretion, that doing so will not result in a person contravening the takeover restrictions in section 606.

4.8 Effect on Control

The potential effect that the Entitlement Offer will have on the control of BWP and the consequences of that effect will depend on a number of factors, including the extent to which Eligible Securityholders take up New Securities under the Entitlement Offer.

Where an Eligible Securityholder does not take up their full Entitlement, or where an existing Securityholder is not an Eligible Securityholder, that Securityholder's percentage holding in BWP will be diluted. Such dilution will result from subscriptions by other Eligible Securityholders who take up some or all of their Entitlements and by wholesale investors who subscribe for New Securities under the institutional bookbuild. Despite this, given that the Entitlement Offer is structured as a pro rata issue and having regard to the current level of holdings of substantial holders, it is not anticipated that the Entitlement Offer will have a significant effect on the control of BWP.

Wesfarmers is the largest securityholder in BWP, holding 23.4 per cent of BWP securities¹⁰. Wesfarmers has taken up its full entitlement under the Entitlement Offer, representing a commitment of approximately \$53 million. Wesfarmers will not sub-underwrite the Entitlement Offer. As such, the voting power of Wesfarmers and its associates will not increase as a result of the Entitlement Offer.

¹⁰ As at the Record Date.

5 HOW TO APPLY

5.1 Your Entitlement

If you are an Eligible Retail Securityholder that has received this Retail Offer Booklet, the number of New Securities to which you are entitled (your **Entitlement**) is shown on your personalised Entitlement and Acceptance Form (obtained online via www.computersharecas.com.au/BWPOffer). If you have more than one registered holding of Securities, you will have more than one personalised Entitlement and Acceptance Form and you will have separate Entitlements for each separate holding.

Please note that the Entitlement stated on your Entitlement and Acceptance Form may be in excess of the actual Entitlement you may be permitted to take up where, for example, you are holding Securities on behalf of a person in the United States (refer to the definition of Eligible Retail Securityholders in **section 4.5** of this Retail Offer Booklet). Eligible Retail Securityholders who hold Securities in the capacity as trustee, nominee or custodian (or in any other capacity) for a person that is in the United States cannot take up Entitlements or purchase New Securities on behalf of that person. See **section 5.13** for the notice to nominees and custodians.

5.2 Options available to you

If you are an Eligible Retail Securityholder, you may take one of the following actions:

The Closing Date for acceptance of the Retail Entitlement Offer is 5.00pm (AEST) on Friday, 22 May 2026.¹¹

¹¹ BWP may in its discretion vary the Closing Date in accordance with the ASX Listing Rules and applicable law.

¹² BWP Securityholder Retail Entitlement Offer

5.3 If you wish to take up your Entitlement in full by the Early Retail Entitlement Offer Acceptance Due Date or the Closing Date

If you wish to take up all of your Entitlement, you are encouraged to make payment via BPAY® by following the instructions on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or you can obtain a paper copy of your personalised Entitlement and Acceptance Form upon request).

If you are a New Zealand Eligible Retail Securityholder who does not have an Australian bank account or do not wish to pay via BPAY®, see **section 5.8** of this Retail Offer Booklet.

Payment must be received by the Registry by no later than 5.00pm (AEST) on Friday, 22 May 2026.

If you wish to be allotted New Securities the subject of your Entitlement at the same time as Eligible Institutional Securityholders (being, Monday, 18 May 2026), you must make payment of the Application Monies via BPAY® or (for Eligible Retail Securityholders in New Zealand only, EFT) in time to ensure that cleared funds are received no later than 5.00pm (AEST) on Thursday, 14 May 2026. If your payment of Application Monies is received in cleared funds after 5.00pm (AEST) on Thursday, 14 May 2026, but before the Closing Date, New Securities will be allotted to you on Friday, 29 May 2026. Your payment of the Application Monies will not be accepted after the Closing Date, being 5.00pm (AEST) on Friday, 22 May 2026, and no New Securities will be issued to you in respect of that Application.

5.4 Take up part of your Entitlement and allow the balance to lapse

If you wish to take up part of your Entitlement, you are encouraged to make payment via BPAY® by following the instructions on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or you can obtain a paper copy of your personalised Entitlement and Acceptance Form upon request).

If you are a New Zealand Eligible Retail Securityholder who does not have an Australian bank account or do not wish to pay via BPAY®, see **section 5.8** of this Retail Offer Booklet.

Payment must be received by the Registry by no later than 5.00pm (AEST) on Friday, 22 May 2026.

If BWP receives an amount that is less than the Issue Price multiplied by your Entitlement, your payment may be treated as an Application for as many New Securities as your Application Monies will pay for in full at the Issue Price.

Any Entitlements which you do not take up will lapse and will be acquired by the Underwriter or any sub-underwriters subject to the terms of the underwriting arrangements. Further details of these arrangements are set out in the "Key terms of Underwriting Agreement" section of the Investor Presentation.

5.5 Take no action and allow all of your Entitlement to lapse

To the extent you do not accept all or part of your Entitlements, they will lapse.

Any Entitlements which you do not take up will lapse and will be acquired by the Underwriter or any sub-underwriters subject to the terms of the underwriting arrangements. Further details of these arrangements are set out in the “Key terms of Underwriting Agreement” section of the Investor Presentation.

As the Entitlement Offer is non-renounceable, your Entitlements are not tradeable on ASX or otherwise transferable or able to be sold. Securityholders who do not take up their Entitlement in full will not receive any payment or value for the portion of their Entitlement they do not take up.

You should also be aware that if you do not, or are otherwise unable to, participate in the Retail Entitlement Offer, your holdings may be diluted by as much as approximately 7.7 per cent

(assuming the issue of 60,394,388 New Securities, being the maximum number of New Securities that may be issued under the Entitlement Offer).

The table below illustrates examples of how any dilution may impact you if you do not participate in the Retail Entitlement Offer, assuming the maximum number of New Securities are issued under the Entitlement Offer.

If you do not accept all or part of your Retail Entitlement in accordance with the instructions set out in this Retail Offer Booklet, those New Securities that you would have otherwise been entitled to under the Retail Entitlement Offer (including New Securities that relate to the portion of your Entitlement that has not been accepted) may be acquired by the Underwriter or any sub-underwriters.

By allowing your Retail Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Securities had you taken up your Retail Entitlement and you will not receive any value for your Retail Entitlement.

Example Securityholder	Holding as at Record Date (number of Securities)	% as at Record Date	Entitlements under the Entitlement Offer	Holding if not taken up (number of Securities)	Approximate % post Entitlement Offer if Entitlements not taken up
Securityholder 1	1,200	0.00017	100	1,200	0.00015
Securityholder 2	2,400	0.00033	200	2,400	0.00031
Securityholder 3	3,600	0.00050	300	3,600	0.00046

5.6 Payments and refunds

You are encouraged to pay your Application Monies using BPAY® (if possible) (see **section 5.7** of this Retail Offer Booklet).

If you are a New Zealand Securityholder who does not have an Australian bank account or do not wish to pay via BPAY®, see **section 5.8** of this Retail Offer Booklet.

Cash payments will not be accepted. Receipts for payment will not be issued.

All payments must be made in Australian dollars.

BWP will treat you as applying for as many New Securities as your payment will pay for in full up to your Entitlement. If BWP receives an amount that is more than your full Entitlement, that amount will be refunded as soon as practicable after the Closing Date unless that refund would be for a nominal amount of less than \$2, in which case no refund will be made. No interest will be paid to Applicants on any Application Monies received or refunded.

Refund amounts, if any, will be paid in Australian dollars by direct credit or cheque as determined by BWP.

If you wish to advise or change your banking instructions with the Registry, you may do so by updating your bank account details online at www.investorcentre.com/au or by contacting the BWP Offer Information Line for instructions on how to update your bank account details on 1300 850 505 (from within Australia) or +61 3 9415 4000 (from outside Australia) from 8.30am to 7.00pm (AEST) Monday to Friday during the Retail Entitlement Offer Period.

All Application Monies will be held by BWP in a bank account on trust for Applicants until the New Securities are issued or, if the New Securities are not issued, until the Application Monies are returned to Applicants. The bank account will be established and maintained by BWP solely for the purposes of depositing Application Monies and retaining those funds for as long as required under the Corporations Act.

Interest earned on the Application Monies will be for the benefit of, and will remain the property of, BWP and will be retained by BWP whether or not the allotment and issue of New Securities take place.

5.7 Payment by BPAY®

For payment by BPAY®, please follow the instructions on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or you can obtain a paper copy of your personalised Entitlement and Acceptance Form upon request). You can only make payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions.

If you are paying by BPAY®, please make sure you use the specific Biller Code and your unique Customer Reference Number (CRN) on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or you can obtain a paper copy of your personalised Entitlement and Acceptance Form upon request). If you have multiple holdings and consequently have more than one CRN, when taking up your Entitlement in respect of one of those holdings only use the CRN

specific to that holding. If you do not use the CRN specific to that holding your Application will not be recognised as valid.

Please note that by paying by BPAY®:

- while you are not required to return your Entitlement and Acceptance Form, you are taken to make the declarations, acknowledgements, representations, warranties and other confirmations on the Entitlement and Acceptance Form and in this Retail Offer Booklet, including **section 5.11** of this Retail Offer Booklet;
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Securities which is covered in full by your Application Monies; and
- if you pay for more than the whole number of New Securities that you are allocated under the Entitlement Offer, that additional amount will be refunded as soon as practicable after the close of the Entitlement Offer unless the refund would be for a nominal amount of less than \$2, in which case no refund will be made. No interest will be paid to Eligible Retail Securityholders on any Application Monies received or refunded.

If you wish to be allotted New Securities the subject of your Entitlement at the same time as Eligible Institutional Securityholders (being, Monday, 18 May 2026), you must make payment of the Application Monies via BPAY® in time to ensure that cleared funds are received no later than 5.00pm (AEST) on Thursday, 14 May 2026. If your payment of Application Monies is received in cleared funds after 5.00pm (AEST) on Thursday, 14 May 2026, but before the Closing Date, New Securities will be allotted to you on Friday, 29 May 2026. Your payment of the Application Monies will not be accepted after the Closing Date, being 5.00pm (AEST) on Friday, 22 May 2026, and no New Securities will be issued to you in respect of that Application.

It is your responsibility to ensure that your BPAY® payment is received by the Registry by no later than 5.00pm (AEST) on Friday, 22 May 2026 (being the Closing Date). You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration in the timing of when you make payment.

You will also need to ensure that you are aware of any transfer or foreign exchange fees with your financial institution.

Neither BWP nor the Registry accepts any responsibility for loss incurred through incorrectly completed payments via BPAY®.

5.8 If you are unable to pay by BPAY®

As set out above, you are encouraged to pay your Application Monies using BPAY®, if possible.

If you are an Eligible Retail Securityholder in New Zealand who does not have an Australian bank account or does not wish to pay via BPAY®, you may make payment by EFT by following the instructions on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or, if you request a paper copy, by following the instructions on the letter accompanying the Entitlement and Acceptance Form).

EFT payment instructions (including your personalised reference number) are on your personalised Entitlement and Acceptance Form available online at www.computersharecas.com.au/BWPOffer (or, if you request a paper copy, EFT payment instructions (including your personalised reference number) are on the letter accompanying your personalised Entitlement and Acceptance Form). You must use the personalised reference number provided so that the Registry can match your payment with your holding.

Please note that by paying by EFT or another method agreed by BWP in its absolute discretion:

- while you are not required to return your Entitlement and Acceptance Form, you are taken to make the declarations, acknowledgements, representations, warranties and other confirmations on the Entitlement and Acceptance Form and in this Retail Offer Booklet, including **section 5.11** of this Retail Offer Booklet;
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Securities which is covered in full by your Application Monies; and
- if you pay for more than the whole number of New Securities that you are allocated under the Entitlement Offer, that additional amount will be refunded as soon as practicable after the close of the Entitlement Offer unless the refund would be for a nominal amount of less than \$2, in which case no refund will be made. No interest will be paid to Eligible Retail Securityholders on any Application Monies received or refunded.

It is your responsibility to ensure that your payment via EFT or as otherwise agreed with BWP in its absolute discretion is received by the Registry in accordance with the above instructions by no later than 5.00pm (AEST) on Friday, 22 May 2026 (being the Closing Date). You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration in the timing of when you make payment.

You will also need to ensure that you are aware of any transfer or foreign exchange fees with your financial institution.

Neither BWP nor the Registry accepts any responsibility for loss incurred through incorrectly completed payments via EFT or otherwise.

5.9 Payment via BPAY® or EFT is binding

A payment made via BPAY® or EFT constitutes a binding offer to acquire New Securities on the terms set out in this Retail Offer Booklet and the accompanying Entitlement and Acceptance Form and once lodged or paid, cannot be withdrawn.

BWP's decision to treat an Application as valid or whether to reject it for being invalid is final.

5.10 Risks

Eligible Retail Securityholders should be aware that an investment in BWP involves risks. The "Key risks" identified by BWP are set out in the Investor Presentation contained in **section 6** of this Retail Offer Booklet. However, this is not an exhaustive list of the risks associated with an investment in BWP, and you should carefully consider these risks in light of your personal circumstances (including financial and taxation issues) before making an investment decision in connection with the Retail Entitlement Offer.

5.11 Implications of making an Application

Submitting an Application (including making a payment by BPAY® or EFT) constitutes a binding offer by you to acquire New Securities on the terms set out in this Retail Offer Booklet and, once submitted, cannot be withdrawn. The Entitlement and Acceptance Form does not need to be signed to be binding on you.

If an Application is not completed or submitted correctly it may still be treated as a valid Application for New Securities. BWP's decision on whether to treat an Application as valid and how to construe, amend, complete or submit the Application is final and binding.

By making a payment by BPAY® or EFT, you:

- a)** acknowledge that you have received, read and understood this Retail Offer Booklet and your personalised Entitlement and Acceptance Form in their entirety;
- b)** agree to be bound by the terms of the Retail Entitlement Offer, the provisions of this Retail Offer Booklet, the provisions of your personalised Entitlement and Acceptance Form and the provisions of the Constitutions;

- f)** acknowledge that there is no cooling off period and that once a BPAY® payment instruction is given in relation to any Application Monies, that you may not withdraw your Application except as allowed by law;
- g)** agree to apply for and be issued with up to the number of New Securities specified in your personalised Entitlement and Acceptance Form for which you have submitted payment of the Application Monies via BPAY® or EFT at the Issue Price of \$3.77 per New Security;
- h)** acknowledge that determination of eligibility of Eligible Retail Securityholders for the purposes of the Entitlement Offer is determined by reference to a number of matters, including legal and regulatory requirements, logistical and registry constraints and acknowledge that each of BWP, the Underwriter and the Registry and their respective officers, employees and agents disclaim any duty or liability (including for negligence) in respect of that determination and the exercise or otherwise of that discretion, to the maximum extent permitted by law;
- i)** authorise BWP, the Underwriter, the Registry and their respective officers, employees and agents to do anything on your behalf necessary for the New Securities to be issued to you, including authorising BWP or the Registry to correct any errors in your personalised Entitlement and Acceptance Form, and to act on instructions of the Registry upon using the contact details set out in your personalised Entitlement and Acceptance Form;
- j)** acknowledge that neither BWP nor any of BWP's Directors, officers, employees, agents, consultants or their advisors or the Underwriter, guarantees the performance of the New Securities or the performance of BWP, nor do they guarantee the repayment of capital from BWP;

- l)** warrant that you were the registered holder(s) at the Record Date of the Securities indicated on your personalised Entitlement and Acceptance Form as being held by you on the Record Date;
- m)** acknowledge that the information contained in this Retail Offer Booklet is not investment advice or a recommendation that New Securities are suitable for you, given your investment objectives, financial situation or particular needs and that this Retail Offer Booklet is not a prospectus or product disclosure statement, does not contain all of the information that you may require in order to assess an investment in BWP and is given in the context of BWP's past and ongoing continuous disclosure announcements to ASX;
- n)** agree to provide (and direct your nominee or custodian to provide) any requested substantiation of your eligibility to participate in the Entitlement Offer and/or of your holding of Securities on the Record Date;
- o)** acknowledge, represent and warrant that the law of any place does not prohibit you from being given this Retail Offer Booklet, your personalised Entitlement and Acceptance Form or any other documents associated with the Entitlement Offer, or making an Application, and that you are otherwise eligible to participate in the Retail Entitlement Offer;
- p)** for the benefit of BWP, the Underwriter and their respective related bodies corporate and affiliates, you acknowledge that you did not receive an invitation to participate in the Institutional Entitlement Offer either directly or through a nominee, you are not an Ineligible Institutional Securityholder under the Institutional Entitlement Offer, you are not an Ineligible Retail Securityholder and are otherwise eligible to participate in the Retail Entitlement Offer;

- q)** understand and acknowledge, on your own behalf and on behalf of each person on whose account you are or may be acting, that neither the Entitlements nor the New Securities have been or will be, registered under the US Securities Act or the securities laws of any state or other jurisdiction in the United States, and accordingly, that the Entitlements may not be taken up by, and the New Securities may not be offered or sold, directly or indirectly, to persons in the United States or persons who are acting for the account or benefit of a person in the United States;
- r)** acknowledge, represent and warrant that you are not in the United States, and are not making an Application for or on behalf of any person in the United States (or, in the event that you are acting for the account or benefit of a person in the United States, you are not participating in the Retail Entitlement Offer in respect of that person);
- s)** represent and warrant that you are subscribing for or purchasing New Securities outside the United States in an “offshore transaction” (as defined in Rule 902(h) under the US Securities Act) in reliance on Regulation S under the US Securities Act;
- t)** represent and warrant that if in the future you decide to sell or otherwise transfer any New Securities, you will only do so in a transaction exempt from, or not subject to, the registration requirements of the US Securities Act, including in a standard (regular way) brokered transaction on the ASX where neither you nor any person acting on your behalf knows, or has reason to know, that the sale has been pre-arranged with, or that the purchaser is, a person in the United States;
- u)** acknowledge, represent and warrant that you (and each person on whose account you are acting) have not and will not send any materials relating to the Retail Entitlement Offer to any person in the United States or in any other country outside of Australia and New Zealand unless you are a nominee or custodian and you are acting on behalf of an Institutional Investor or have obtained BWP’s express consent to distribute such materials to a person in a jurisdiction outside of Australia and New Zealand;
- v)** acknowledge, represent and warrant that, if you are acting as a nominee or custodian, each beneficial holder on whose behalf you are submitting an Application is resident in Australia or New Zealand and is not in the United States and is not acting for the account or benefit of a person in the United States (or, in the event that you are acting for the account or benefit of a person in the United States, you are not participating in the Retail Entitlement Offer in respect of that person), and you have not sent this Retail Offer Booklet, the Entitlement and Acceptance Form or any information relating to the Retail Entitlement Offer to any such person in the United States or elsewhere outside Australia and New Zealand; and
- w)** acknowledge, represent and warrant that you are an Eligible Retail Securityholder and have read and understood this Retail Offer Booklet and your personalised Entitlement and Acceptance Form and that you acknowledge the matters, and make the warranties and representations and agreements, contained in this Retail Offer Booklet and the Entitlement and Acceptance Form.

5.12 Brokerage

No brokerage fee is payable by Eligible Retail Securityholders who accept their Entitlement.

5.13 Nominees and custodians

Nominees or custodians with registered addresses in Australia or New Zealand, irrespective of whether they participate under the Institutional Entitlement Offer, may also be able to participate in the Retail Entitlement Offer in respect of some or all of the beneficiaries on whose behalf they hold Securities, provided that the eligible beneficiary would satisfy the criteria for an Eligible Retail Securityholder.

Nominees and custodians who hold Securities as nominees or custodians will have received, or will shortly receive, a letter from BWP. Nominees and custodians should carefully consider the contents of that letter and note in particular that the Retail Entitlement Offer is not available to:

- a)** beneficiaries on whose behalf they hold Securities who would not satisfy the criteria for an Eligible Retail Securityholder (other than the requirement for the person to be registered as a holder of Securities as at the Record Date);
- b)** Eligible Institutional Securityholders who received an offer to participate in the Institutional Entitlement Offer (whether they accepted their Entitlement or not);
- c)** Ineligible Institutional Securityholders who were ineligible to participate in the Institutional Entitlement Offer; or
- d)** beneficiaries on whose behalf they hold Securities who are not eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer.

Nominees and custodians may not distribute this Retail Offer Booklet (including any Entitlement and Acceptance Form), and may not permit any beneficial Securityholder to participate in the Entitlement Offer, in any country outside Australia or New Zealand except, with the consent of BWP, to beneficial Securityholders that are Institutional Investors or where BWP may determine it is lawful and practical to make the Retail Entitlement Offer. In particular, persons acting as nominees or custodians for other persons may not take up Entitlements on behalf of, or send any documents relating to the Retail Entitlement Offer to, any person in the United States or any person acting for the account or benefit of any person in the United States. Making a payment via BPAY® or EFT using the information provided on your personalised Entitlement and Acceptance Form will be taken by BWP to constitute a representation by the Applicant that there has been no breach of those obligations.

BWP is not required to determine whether or not any registered holder is acting as a nominee or custodian or the identity or residence of any beneficial owners of Securities.

5.14 Rights of BWP

BWP reserves the right (in its absolute and sole discretion) to reduce the number of Entitlements or New Securities allocated to Eligible Retail Securityholders or persons claiming to be Eligible Retail Securityholders, if their Entitlement claims prove to be overstated, or if they (or their nominees/custodians) fail to provide information requested to substantiate their Entitlement claims, or if they are indeed not Eligible Retail Securityholders.

In that case BWP may, in its absolute and sole discretion and subject to the terms of the Underwriting Agreement, require the relevant Securityholder to transfer excess New Securities to the Underwriter at the Issue Price per New Security. If necessary, the relevant Securityholder may need to transfer existing Securities held by them or purchase additional Securities on-market to meet this obligation. The relevant Securityholder will bear any and all losses and expenses caused by subscribing for New Securities in excess of their Entitlement and any actions they are required to take in this regard.

By applying under the Retail Entitlement Offer, you irrevocably acknowledge and agree to do the above as required by BWP in its absolute discretion. You acknowledge that there is no time limit on the ability of BWP to require any of the actions set out above. BWP also reserves the right to reject any acceptance of an Entitlement that it believes comes from a person who is not eligible to accept an Entitlement.

5.15 Withdrawal

BWP reserves the right, subject to the Corporations Act, the ASX Listing Rules and applicable laws, to withdraw the Retail Entitlement Offer at any time. If the Retail Entitlement Offer is withdrawn, all Application Monies received by an Applicant for New Securities which have not been issued will be refunded to that Applicant (without interest) as soon as practicable. 6 ASX ANNOUNCEMENT AND INVESTOR PRESENTATION

ASX Announcement

ASX release

6 May 2026

CAPITAL DEPLOYMENT AND EQUITY RAISING

BWP Group (“**BWP**”) today announces an opportunity for securityholders to enable and support future growth in its business by way of a fully underwritten entitlement offer to raise approximately \$228 million.

Highlights

- Fully underwritten 1 for 12 accelerated non-renounceable pro rata entitlement offer to raise approximately \$228 million at a fixed issue price of \$3.77 per new security;
- Committed pipeline of \$163 million in accretive developments, asset expansions and upgrades; and
- FY26 distribution guidance of 19.41 cents per security reaffirmed.

Capital Commitments

Over the past two years, BWP has successfully deployed capital to strengthen its business and enhance growth for securityholders. This includes the \$517 million acquisition of NPR and the \$143 million internalisation of management. Together with ongoing developments and portfolio renewal, BWP has deployed in excess of \$700 million of capital and added over \$400 million of debt to its balance sheet (net of portfolio renewal and divestment activity).

BWP currently has a pipeline of \$163 million in capital commitments including repurposing developments, asset expansions and upgrades to older generation properties (“**Capital Commitments**”). Four large format retail (“**LFR**”) projects totalling \$78 million of capital expenditure are currently active, including one scheduled to commence in July 2026, with further projects expected to commence across the portfolio in the near term. Importantly, yields on cost and rentalisation rates, being the return BWP receives on its Capital Commitments, provide an attractive spread to BWP’s cost of capital. In addition, for the four LFR projects currently active, the estimated values on completion are expected to be higher than the valuations of the assets prior to development plus the costs of development. This is expected to provide opportunities for portfolio and valuation metric uplifts, including accretion to net tangible assets per security.

Portfolio evolution

BWP’s portfolio has evolved substantially over the past two years with acquisitions of new properties via the NPR takeover, and through site repurposing, Bunnings upgrades and expansions. BWP has increased participation in the LFR sector, where continued tenant strength, together with an undersupply of lettable area, is driving an attractive rental growth outlook for LFR within Australia. Population growth, rising residential property values and low unemployment have underpinned strong retailer performance, with listed large format retailers continuing to demonstrate resilient sales growth.

BWP is a substantial owner of Australian LFR assets with a portfolio of \$1.2 billion as at 31 December 2025¹, with aspirations for further growth. This portfolio has grown at approximately 22 per cent per annum since 2020, driven by income growth, yield compression, acquisitions and asset repurposing, and BWP continues to actively seek opportunities to grow its portfolio and market position in the sector.

Entitlement Offer

BWP has today launched a fully underwritten accelerated non-renounceable pro rata entitlement offer to eligible existing securityholders to raise approximately \$228 million at a price of \$3.77 ("**Issue Price**") per new BWP security ("**New Security**") (the "**Entitlement Offer**"). The Entitlement Offer comprises an accelerated institutional entitlement offer ("**Institutional Entitlement Offer**") and retail entitlement offer ("**Retail Entitlement Offer**").

Pricing

Eligible securityholders will be entitled to subscribe for 1 New Security for every 12 existing BWP securities held on the Record Date (as defined below), at the Issue Price of \$3.77 per New Security. The Issue Price represents a:

- 4.3 per cent discount to the closing price of \$3.94 on 5 May 2026;
- 3.4 per cent discount to the 5-day volume weighted average price of \$3.90 on 5 May 2026; and
- 4.0 per cent discount to the theoretical ex-rights price of \$3.93 ("**TERP**")².

Proceeds

Proceeds from the Entitlement Offer will deliver significant balance sheet capacity to enable future capital deployment opportunities that provide further growth for BWP securityholders, including funding of the Capital Commitments.

Commitments and Underwriting

Wesfarmers³, BWP's largest securityholder with 23.4 per cent of BWP securities, has committed to take up its full entitlement under the Entitlement Offer, representing a commitment of approximately \$53 million.

The Entitlement Offer is underwritten by Morgan Stanley Australia Securities Limited ABN 55 078 652 276.

Distribution Guidance

BWP reaffirms FY26 distribution guidance of 19.41 cents per security.

New Securities issued under the Entitlement Offer will rank equally with existing BWP securities on issue and will be entitled to the distribution for the second half of FY26 expected to be 9.83 cents per security⁴.

¹ As at 31 December 2025 (and including ~\$400m of Bunnings warehouses co-located LFR).

² TERP is calculated with reference to the last close price of \$3.94 on 5 May 2026.

³ Wesfarmers holds its securities in BWP via Wesfarmers Investments Pty Ltd ACN 078 120 887.

⁴ Guidance is subject to there being no major disruption to the Australian economy and no material change in market conditions.

Strategy to deliver profitable growth

Continued tenant strength and undersupply of lettable area driving attractive LFR rental growth opportunity; BWP has identified the LFR market as a key contributor to future growth and an opportunity to leverage its competence and capability in the LFR segment

- > Australian population growth, rising residential real estate values and low unemployment continues to support large format retailer performance
- > LFR floor area remains under-represented in Australia relative to other sectors, with LFR outlook expected to remain positive, supported by low vacancy and modest new supply continuing to drive rental growth
- > LFR market is large, estimated to be approximately \$25 billion and offers churn to enable acquisition opportunities accretive to BWP's cost of capital
- > BWP's share of the LFR market is under-represented (relative to its share of the Bunnings Warehouse market), presenting an opportunity to grow the portfolio
- > BWP believes increasing its LFR market share presents an attractive and executable strategy to deliver growth and value to securityholders
- > Overall long-term BWP portfolio composition will continue to be driven by the merits of respective opportunities and their ability to deliver securityholder returns

Key risks

General risks

This section identifies some of the key risks associated with an investment in BWP along with the key risks relating to participation or non-participation in the Entitlement Offer. A number of risks and uncertainties may adversely affect the operating and financial performance or position of BWP and in turn affect the value of BWP securities. These include specific risks associated with an investment in BWP and general risks associated with any investment in listed securities. The risks and uncertainties described below are not an exhaustive list of the risks relevant to BWP. Potential investors should carefully consider whether the New Securities offered are a suitable investment having regard to their own personal investment objectives and financial circumstances and the risks set out below.

Risk	Description
Pre-existing risks with an investment in BWP	Investors are already subject to the risks relevant to their investment in BWP, and the Entitlement Offer does not affect those risks.
Economic conditions	The operating and financial performance of BWP will be influenced by a variety of general economic conditions and business conditions, including the level of inflation, interest rates and government fiscal, monetary and regulatory policies. Higher than expected inflation rates generally or specific to the property sector could be expected to increase costs. A prolonged deterioration in general economic conditions could materially and adversely affect BWP's operations and/or financial position and performance.
Geopolitical risk	Global economic and geopolitical factors, industry demand and supply balances, trade wars, product substitution and national tariffs. Geopolitical conditions, hostilities, civil or political unrest, any acts of war, sabotage, cyberattack or terrorism (including any outbreak, escalation or worsening of the foregoing) may result in trade sanctions, embargoes and disruption to supply chains which may impact net operating income, capital works, development and the business of tenants.
Regulatory risk	BWP may be affected by government legislation and regulations (including environmental and industrial relations legislation). Changes in legislation and regulations pertaining to, but not limited to, tenancy laws, stamp duty and taxation laws, environmental laws and industrial relations laws may have a material adverse effect on the forecast capital expenditure of BWP or on BWP's financial position or financial performance (such as by directly or indirectly reducing its income from its properties or increasing its costs in relation to the properties).
Taxation	Changes in tax law (including goods and services taxes, capital gains taxes and stamp duties), or changes in the way taxation laws are interpreted may impact the tax liabilities of BWP or the tax treatment of an investor's investment. In particular, both the level and basis of taxation may change. In addition, an investment in BWP securities involves tax considerations which may differ for each investor. Each investor is encouraged to seek professional tax advice in connection with any investment in BWP.
Disputes and litigation	Disputes or litigation may arise from time to time in the course of business activities. There is a risk that material or costly disputes or litigation could adversely affect BWP's financial performance and the value of BWP securities.
Insurance	BWP carries a range of insurance cover for various assets. However, there are certain events for which BWP may not be able to maintain insurance cover. These events may include, but are not limited to, acts of war or political instability and catastrophic events such as floods. Further, insurance markets may be detrimentally affected such that insurance becomes more expensive or the financial ability of insurance companies to respond to claims is diminished.

Key risks

General risks continued

Risk	Description
Financial risks	BWP is well-positioned from a financial risk perspective with a majority of BWP's counterparty exposure being to Wesfarmers (A- (stable) S&P rating, A3 (stable) Moody's rating). BWP's assets comprise a geographically diverse portfolio of large format retail properties, generally with long-term leases in place with a portfolio weighted average lease expiry of approximately 7.5 years as at 31 December 2025. The capital structure of BWP (preferred gearing range of 20 to 30 per cent) takes into account the dynamics of the property investment portfolio, and the lease terms of each asset. BWP actively seeks to diversify its sources of debt funding, currently through two domestic banks, three international banks, the domestic medium-term note market and the international institutional loan market. BWP has a portfolio of 82 properties as at 31 December 2025, limiting the financial impact of vacancies or decline in rent for any particular property. The key economic risk relates to interest rate movements, the impact of these on property capitalisation rates, and the cost of debt funding. All investment proposals are evaluated in relation to longer term return objectives, which consider interest rate cycles. The interest rate impact on debt funding is managed with levels of interest rate hedging.
Inflation	Increases in inflation could result in higher funding and construction costs for BWP, impacting the feasibility and timing of some property repositioning and upgrades as well as increased operating costs and thereby impacting the profitability of BWP.
Construction risk	BWP uses tier one builders and fixed price contracts, where practicable, to mitigate construction cost risk, including input cost inflation
Climate-related and environmental risks	The climate change risks particularly attributable to BWP include: <ul style="list-style-type: none"> > The emergence of new or expanded regulations associated with transitioning to a lower-carbon economy and market changes related to climate change mitigation. BWP may be impacted by changes to local or international compliance regulations related to climate change mitigation efforts, or by specific taxation or penalties for carbon emissions or environmental damage. While BWP will endeavour to manage these risks and limit any consequential impacts, there can be no guarantee that BWP will not be impacted by these occurrences > Climate change may cause certain physical and environmental risks that cannot be predicted by BWP, including events such as increased severity of weather patterns and incidence of extreme weather events and longer-term physical risks such as shifting climate patterns which may for example result in damage to property. The risks associated with climate change may significantly impact on the industry generally and specifically for BWP the properties owned, insurance and operating costs and ultimately financial performance
Social sustainability risks	BWP recognises the significant importance of ensuring that people's health and safety is not put at risk by its activities and operations. It has in place policies and practices to help identify health and safety risks and to manage those risks appropriately. To that end, BWP is committed to ensuring that its supply chain and business operations do not involve modern slavery and has policies and procedures in place to manage the risk appropriately. As far as practicable, BWP's operational and supplier contract terms include requirements to comply with all relevant laws, and to meet minimum standards for ethical sourcing.
ASX listing requirements	There are various listing requirements that BWP must comply with, which may change over time. While BWP will always seek to comply with these requirements, there can be no assurance that they will continue to be met.

Risk	Description
Forward-looking statements	The forward-looking statements, opinions and estimates provided, including the financial forecasts, are based on assumptions. There can be no guarantee that the assumptions and contingencies on which the forward-looking statements, opinions and estimates are based will ultimately prove to be valid or accurate. This includes but is not limited to such forward-looking statements, opinions or estimates relating to rents, direct property expenses or outgoings and operating expenses incurred for the day-to-day running of BWP and estimated on completion values for development assets. The forward-looking statements, opinions and estimates depend on various factors, many of which are or will be outside the control of BWP. Various factors, both known and unknown, may impact BWP's performance and cause actual performance to vary significantly from what was expected. There can be no guarantee that BWP will achieve its stated objectives or that any forward-looking statement or forecast is indicative of BWP's future performance or that actual results will not materially differ from those presented in the forecast information.
Foreign exchange/currency risk	All information in this Presentation is presented in Australian dollars. Investors who reside outside of Australia, or who rely on funding denominated in a currency other than the Australian dollar, should be aware of the impact that fluctuations in exchange rates may have on the value of their investments in the BWP securities following Implementation.
Property valuation risk	Returns from investments in properties largely depend on the rental income generated from the property and the expenses incurred in its operation, including the management and maintenance of the property - commonly referred to as Net Operating Income ("NOI") - as well as changes in the market value of the property. NOI and/or the market value of properties may be adversely affected by a number of factors, including: <ul style="list-style-type: none"> > the overall conditions in the national and local economy; > interest rates; > local real estate conditions; > the financial covenant of tenants which may be impacted by economic conditions, consumer sentiment and customer demand; > the perception of prospective tenants regarding attractiveness and convenience of properties and the intensity of competition with other participants in the real estate industry; > the convenience and quality of properties; > unforeseen capital expenditure; > supply of developable land, new properties and other investment properties; > investor demand / liquidity in investments; > unforeseen events such as pandemics which may result in Government policies or changes in law not previously anticipated (such as rent relief and abatements); and > lease expiry timing and the matters impacting any lease renewal at that time.
Tenant concentration risk	Most of BWP's properties have significant or key tenants with the largest tenant (by income) being Bunnings. Bunnings comprise approximately 76.7% of the gross income of BWP as at 31 December 2025. If any tenant defaults in performing its obligations under a lease, or vacates, particularly if that tenancy cannot be re-let on equivalent terms within the estimated timeframes or at all, then income, distributions and the value of BWP stapled securities may be negatively affected. This risk is heightened where it is a key tenant whose rent will represent a significant proportion of BWP's net operating income. Further, if a property remains wholly or materially vacant for any significant period of time, this may impact adjoining tenancies, and BWP's ability to achieve market rents or may require higher incentives to be paid to secure tenants. Any negative impact on the net operating income of BWP (or consequential impacts on asset valuations) has the potential to impact on distributions and the value of BWP stapled securities.

Investor Presentation

Key risks

General risks continued

Risk	Description
Development risks	BWP does not intend to undertake any speculative development without significant income certainty. Development, redevelopment or refurbishment of properties may be undertaken with approval of the BWP Boards and with a requirement to adopt appropriate risk management strategies which may include substantial tenant pre-commitments, rental guarantees or fixed-price fund-through structures. Even though appropriate risk management strategies will be adopted, there will be risks involved with development.
Future projects risk	The risks faced by BWP in relation to a future project will depend on the terms of the transaction at the time. There is a risk that a developer engaged on any given project is unable to complete the specified works on time or could default on other obligations under its contract. Completion of construction works may be delayed for a number of reasons, including industrial disputes, inclement weather, permitted variations to the works, changes to legislative requirements, government health orders, delays in authority inspections or approvals or a builder experiencing financial difficulties. Even where a development is under a fixed price contract, a developer may default where there is an increase in costs to a level materially greater than the expected development costs which may not be able to be funded by the developer and the development may not complete (or BWP may agree to bear the excess costs in order to complete the development). Under these circumstances, BWP may not be able to replace the developer with another of similar experience and/or on terms as advantageous to it. In addition, BWP may suffer loss of rent in respect of a delay in completion. Standards applied to properties when an issue becomes apparent may not be standards that applied when the property was constructed. BWP may need to make claims under warranties, and defective construction may not be covered under statutory or contractual warranties and may not be insured or may involve litigation and delays.
Funding and refinancing risk	To fund new acquisitions, capital expenditure and other material capital events, it is intended that BWP rely on a combination of funding options including equity and debt. The real estate investment industry tends to be highly capital intensive. The ability of BWP to raise funds on favourable terms for future refinancing and acquisitions depends on a number of factors including general economic, political and capital and credit market conditions. An inability to attract funding may adversely affect BWP's ability to make future acquisitions or to meet future capital expenditure needs, which in turn could adversely affect the growth prospects and distributions of BWP, the value of BWP stapled securities or BWP's ability to maintain its properties to the requisite standard (which in turn may affect its ability to retain existing, or to attract new, tenants). An inability to refinance any debt (either on acceptable terms or at all) or any increase in the cost of such funding, may also adversely impact the performance and the financial position of BWP.
Distribution Risk	Future payment of distributions to BWP's securityholders will be determined by the BWP Boards. BWP will pay distributions having regard to the free cash flow and its financial position and there is no guarantee that future distributions will be paid.
Other factors	Following completion of the Entitlement Offer, other factors may impact on BWP's performance including natural disasters, changes or disruptions to political, regulatory, legal or economic conditions or to the national or international financial markets including as a result of pandemics, epidemics, terrorist attacks or war, conflicts and supply constraints.

Key risks

Risks associated with the offer

Risk	Description
Dilution	Existing securityholders who do not participate in the Entitlement Offer will have their percentage holding in BWP diluted. Investors may also have their investment diluted by future capital raisings by BWP. BWP may issue new securities in the future (including, without limitation, to finance acquisitions, pay contractually payable amounts, or pay down debt) which may, under certain circumstances, dilute the value of an investor's interest.
Underwriting risk	The Entitlement Offer is subject to a range of conditions and termination events set out in the underwriting agreement entered into by BWP and the Underwriter on 5 May 2026 ("Underwriting Agreement"). If certain conditions are not satisfied or certain events occur, then the Underwriter may terminate the Underwriting Agreement. The circumstances in which the Underwriter may terminate the Underwriting Agreement are set out in the "Key terms of Underwriting Agreement" section of this Presentation. Termination of the Underwriting Agreement may have an adverse impact on the ability of BWP to proceed with the Entitlement Offer and the quantum of funds raised as part of the Entitlement Offer. If the Underwriting Agreement is terminated by the Underwriter, there is no guarantee that the Entitlement Offer will continue in its current form or continue at all. Failure to raise sufficient funds under the Entitlement Offer (as a result of it not proceeding or otherwise) could materially adversely affect BWP.
Liquidity	There can be no guarantee that an active market for BWP securities will exist following the Entitlement Offer. There may be relatively few potential buyers or sellers of the Securities on the ASX at any given time.
Security Market Generally	<p>Security market conditions may affect the value of the Securities regardless of BWP's operating performance. Security market conditions are affected by many factors such as:</p> <ul style="list-style-type: none"> > General economic outlook > Introduction of tax reform or other new legislation > Currency rates, interest rates and inflation rates > Changes in investor sentiment toward particular market sectors > The demand for, and supply of, capital > The potential impact of short selling > Global or domestic pandemics > Geopolitical instability, international hostilities or war and acts of terrorism in Australia and around the world <p>The market price of securities can fall as well as rise and may be subject to varied and unpredictable influences on the market for equities in general and real estate investment trusts in particular. Neither BWP nor its Directors warrant the future performance of BWP or any return on investment in BWP.</p>

Key terms of Underwriting Agreement

Term	Description
Representation warranties and undertakings	Customary representations and warranties are given by BWP in favour of the Underwriter in relation to, among other things, power and authority, compliance with law, business matters, quality of disclosure and in respect of the conduct of the Entitlement Offer. Various customary undertakings are also given by BWP in favour of the Underwriter, including in relation to the conduct of the Entitlement Offer and continuing to carry on the business of BWP in the ordinary course. As part of this, BWP has agreed not to, without the prior written consent of the Underwriter (such consent not to be unreasonably withheld or delayed), before the expiration of 90 days after completion of the Entitlement Offer, allot (or agree to allot) or indicate in any way that it may or will allot (or agree to allot) any BWP securities or other securities convertible or exchangeable into equity, other than in certain prescribed circumstances (including pursuant to the Entitlement Offer, an employee security or option plan, or a non-underwritten dividend reinvestment or bonus security plan).
Indemnity	Subject to certain exclusions, BWP indemnifies and holds harmless the Underwriter and certain affiliated parties (" Indemnified Parties ") against all losses suffered or incurred in connection with the Entitlement Offer and the appointment of the Underwriter. The indemnity does not apply to the extent a loss: > is finally judicially determined to have resulted from the gross negligence, fraud or wilful misconduct of an Indemnified Party; > represents an amount in respect of which the indemnity would be illegal, void or unenforceable under any applicable law; or > comprises a fine or penalty for a contravention of the Corporations Act.
Fees	The Underwriter is entitled to a management fee of 0.25% of the Offer Proceeds and an underwriting fee of 1.50% of the proceeds from the Institutional Entitlement Offer (excluding proceeds from Wesfarmers taking up its entitlement under the Entitlement Offer) and the gross proceeds from the Retail Entitlement Offer, plus a discretionary incentive fee of up to 0.25% of the Offer Proceeds payable at BWP's sole discretion.

International Offer Restrictions

This Presentation does not constitute an offer of New Securities in any jurisdiction in which it would be unlawful. In particular, this Presentation may not be distributed to any person, and the New Securities may not be offered or sold, in any country outside Australia except to the extent permitted below.

Canada (British Columbia, Ontario and Quebec provinces)

This Presentation constitutes an offering of New Securities only in the Provinces of British Columbia, Ontario and Quebec (the "**Provinces**"), only to persons to whom New Securities may be lawfully distributed in the Provinces, and only by persons permitted to sell such securities. This Presentation is not a prospectus, an advertisement or a public offering of securities in the Provinces. This Presentation may only be distributed in the Provinces to investors that are both (i) "accredited investors" (as defined in *National Instrument 45-106 – Prospectus Exemptions*) and (ii) "permitted clients" (as defined in *National Instrument 31-103 – Registration Requirements, Exemptions and Ongoing Registrant Obligations*).

No securities commission or authority in the Provinces has reviewed or in any way passed upon this Presentation, the merits of the New Securities or the offering of the New Securities and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of New Securities or the resale of such securities. Any person in the Provinces lawfully participating in the Entitlement Offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and received by the securities regulator in the applicable Province. Furthermore, any resale of the New Securities in the Provinces must be made in accordance with applicable Canadian securities laws. While such resale restrictions generally do not apply to a first trade in a security of a foreign, non-Canadian reporting issuer that is made through an exchange or market outside Canada, Canadian purchasers should seek legal advice prior to any resale of the New Securities.

BWP as well as its directors and officers may be located outside Canada and, as a result, it may not be possible for purchasers to effect service of process within Canada upon BWP or its directors or officers. All or a substantial portion of the assets of BWP and such persons may be located outside Canada and, as a result, it may not be possible to satisfy a judgment against BWP or such persons in Canada or to enforce a judgment obtained in Canadian courts against BWP or such persons outside Canada.

Statutory rights of action for damages and rescission. Securities legislation in certain Provinces may provide a purchaser with remedies for rescission or damages if an offering memorandum contains a misrepresentation, provided the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's Province. A purchaser may refer to any applicable provision of the securities legislation of the purchaser's Province for particulars of these rights or consult with a legal adviser.

Certain Canadian income tax considerations. Prospective purchasers of the New Securities should consult their own tax adviser with respect to any taxes payable in connection with the acquisition, holding or disposition of the New Securities as there are Canadian tax implications for investors in the Provinces.

Language of documents in Canada. Upon receipt of this Presentation, each investor in Canada hereby confirms that it has expressly requested that all documents evidencing or relating in any way to the sale of the New Securities (including for greater certainty any purchase confirmation or any notice) be drawn up in the English language only. *Par la réception de ce document, chaque investisseur canadien confirme par les présentes qu'il a expressément exigé que tous les documents faisant foi ou se rapportant de quelque manière que ce soit à la vente des valeurs mobilières décrites aux présentes (incluant, pour plus de certitude, toute confirmation d'achat ou tout avis) soient rédigés en anglais seulement.*

7.1 Responsibility for Retail Offer Booklet

The information contained in this Retail Offer Booklet (including the ASX Announcement and Investor Presentation set out in **section 6** of this Retail Offer Booklet) has been prepared by BWP.

No person is authorised to give any information, or to make any representation, in connection with the Entitlement Offer that is not contained in this Retail Offer Booklet. To the maximum extent permitted by law or regulation, any information or representation that is not in this Retail Offer Booklet may not be relied on as having been authorised by BWP in connection with the Entitlement Offer.

7.2 Status of Retail Offer Booklet

This Retail Offer Booklet is being made pursuant to provisions of the Corporations Act (as modified by *ASIC Corporations (Disregarding Technical Relief) Instrument 2026/180* and *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98*) which allow rights issues to be conducted without a prospectus or product disclosure statement, provided that certain conditions are satisfied.

Neither this Retail Offer Booklet nor the Entitlement and Acceptance Form are required to be lodged or registered with ASIC. This Retail Offer Booklet is not a prospectus or product disclosure statement under the Corporations Act and no prospectus or product disclosure statement for the Entitlement Offer will be prepared or issued. These documents do not contain, or purport to contain, all of the information that a prospective investor may require in evaluating an investment in BWP. They do not contain all the information which would be required to be disclosed in a prospectus or product disclosure statement.

As a result, it is important for Eligible Retail Securityholders to carefully read and understand the information on BWP and the Entitlement Offer made publicly available, prior to accepting all or part of their Entitlement. In particular, please refer to this Retail Offer Booklet, the Investor Presentation and other announcements made available at <http://www.bwptrust.com.au/site/investor-centre/ASX-Announcements>.

This Retail Offer Booklet does not contain financial product advice and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. BWP is not licensed to provide financial product advice in respect of New Securities. Before deciding whether to apply for New Securities, you should consider all materials sent to you in relation to the Retail Entitlement Offer and any relevant materials lodged by BWP with ASX and ASIC. You should also consider whether the New Securities are a suitable investment for you in light of your own investment objectives, financial circumstances and investment needs (including financial and taxation issues),

having regard to the merits or risks involved in an investment in BWP. You should carefully consider the risks of an investment in BWP, including the “Key risks” described in the Investor Presentation accompanying this Retail Offer Booklet at **section 6**.

If, after reading this Retail Offer Booklet, including the Investor Presentation and in particular the “Key risks” section, you have any questions about the Entitlement Offer, you should consult your stockbroker, accountant, financial or other professional advisor.

7.3 Currency of information

The information contained in the ASX Announcement and Investor Presentation set out in **section 6** of this Retail Offer Booklet is current as at the date on which those documents were released to ASX. All other statements in this Retail Offer Booklet are made as at the date of this Retail Offer Booklet unless otherwise stated, and the information in this Retail Offer Booklet remains subject to change without notice. BWP is not responsible for updating this Retail Offer Booklet.

There may be additional announcements that are made by BWP (including after the date of this Retail Offer Booklet) that may be relevant to your consideration of whether to take up your Entitlement. Therefore, you should check whether any further announcements have been made by BWP before submitting an Application.

7.4 Ranking of New Securities

New Securities under the Entitlement Offer will be fully paid and rank equally with Securities on issue at the date of this Retail Offer Booklet. The rights attaching to the New Securities are set out in the Constitutions, and are regulated by the Corporations Act, the ASX Listing Rules and general law.

7.5 Allotment of New Securities

BWP will apply to ASX for official quotation of the New Securities in accordance with the requirements of the ASX Listing Rules. If ASX does not grant quotation of the New Securities, BWP will repay all Application Monies (without interest).

Subject to the ASX granting permission for the quotation of the New Securities, it is expected that:

- normal trading of New Securities allotted under the Institutional Entitlement Offer and the Retail Entitlement Offer for applications received by the Early Retail Entitlement Offer Acceptance Due Date will commence on Monday, 18 May 2026; and
- normal trading of New Securities issued under the Retail Entitlement Offer for applications received after the Early Retail Entitlement Offer Acceptance Due Date will commence on Monday, 1 June 2026.

It is the responsibility of each Applicant to confirm their holding before trading in New Securities. Any Applicant who sells New Securities before receiving confirmation of their holding in the form of their holding statement will do so at their own risk. BWP and the Underwriter disclaim all liability, whether in negligence or otherwise to Applicants who trade New Securities before receiving their holding statements, whether on the basis of confirmation of the allocation provided by BWP or the Registry.

7.6 Reconciliation

In any entitlement offer, investors may believe that they own more Securities on the Record Date than they ultimately do. This may result in a need for reconciliation to ensure all Eligible Retail Securityholders have the opportunity to receive their full Entitlement.

BWP may need to issue a small quantity of additional Securities to ensure all Eligible Retail Securityholders have the opportunity to receive their appropriate allocation of New Securities. The price at which these New Securities would be issued, if required, is the same as the Issue Price.

BWP reserves the right (in its absolute sole discretion) to reduce the number of Entitlements or New Securities allocated to Eligible Retail Securityholders, or persons claiming to be Eligible Retail Securityholders, if their claims prove to be overstated, or if they (or their nominees/custodians) fail to provide information to substantiate their claims. See **section 5.14** for further details.

7.7 Underwriting Arrangements

BWP has entered into an underwriting agreement with the Underwriter (**Underwriting Agreement**), pursuant to which the Underwriter has been appointed on an exclusive basis as the sole lead manager, broker and underwriter of the Entitlement Offer.

The Underwriter will be paid:

- a management fee of 0.25% of the Institutional Entitlement Offer proceeds, and an underwriting fee of 1.5% of the Institutional Entitlement Offer proceeds (excluding proceeds from Wesfarmers¹²); and
- a management fee of 0.25% of the Retail Entitlement Offer proceeds, and an underwriting fee of 1.5% of the Retail Entitlement Offer proceeds.

The Underwriter may also receive a discretionary incentive fee of up to 0.25% of the gross proceeds of the Entitlement Offer.

BWP must also pay to the Underwriter other costs and expenses including legal and reasonable out-of-pocket expenses incurred by the Underwriter in relation to the Entitlement Offer.

For further detail regarding the key terms of, and some of the risks associated with, the Underwriting Agreement, please refer to the item titled "Underwriting risk" in the "Key risks" section and the "Key terms of Underwriting Agreement" section of the Investor Presentation accompanying this Retail Offer Booklet at **section 6**.

To the maximum extent permitted by law, BWP and the Limited Parties: (i) expressly disclaim all responsibility and liability (including, without limitation, any liability arising from fault, negligence or negligent misstatement) for any direct, indirect, consequential or contingent loss or damage arising from this Retail Offer Booklet or reliance on anything contained in or omitted from it or otherwise arising in connection with this Retail Offer Booklet; (ii) disclaim any obligations or undertaking to release any updates or revisions to the information in this Retail Offer Booklet to reflect any change in expectations or assumptions; and (iii) do not make any representation or warranty, express or implied, as to the accuracy, reliability, completeness or fairness of the information, opinions and conclusions contained in this Retail Offer Booklet or that this Retail Offer Booklet contains all material information about BWP or that a prospective investor or purchaser may require in evaluating a possible investment in BWP or acquisition of New Securities, or likelihood of fulfilment of any forward-looking statement or any event or results expressed or implied in any forward-looking statement.

The Underwriter and its affiliates are full service financial institutions engaged in various activities, which may include trading, financing, corporate advisory, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates have provided, and may in the future provide, financial advisory, financing services and other services to BWP and to persons and entities with relationships with BWP, for which they received or will receive customary fees and expenses. In the ordinary course of their various business activities, the Underwriter and its affiliates may act as market maker or purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities,

currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and those investment and trading activities may involve or relate to assets, securities and/or instruments of BWP, and/or persons and entities with relationships with BWP. The Underwriter and its affiliates may also communicate independent investment recommendations, market colour or trading ideas and/or publish or express independent research views in respect of those assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in those assets, securities and instruments.

The information in this Retail Offer Booklet is not intended to be relied upon as advice to investors or potential investors, who should consider seeking independent professional advice depending upon their specific investment objectives, financial situation and particular needs.

7.8 Continuous disclosure

BWP Group are “disclosing entities” under the Corporations Act and are subject to regular reporting and disclosure obligations under the Corporations Act and the ASX Listing Rules, including the preparation of annual reports and half-yearly reports.

BWP is required to notify ASX of information about specific events and matters as they arise for the purposes of ASX making that information available to the securities markets conducted by ASX. In particular, BWP has an obligation under the ASX Listing Rules (subject to certain exceptions) to notify ASX immediately of any information of which it is or becomes aware which a reasonable person would expect to have a material effect on the price or value of Securities. That information is available to the public from ASX on www.asx.com.au.

Some documents are required to be lodged with ASIC in relation to BWP. These documents may be obtained from, or inspected at, an ASIC office, subject to any changes in access given the current circumstances.

7.9 No cooling off rights

Cooling off rights do not apply to an investment in New Securities. You cannot, in most circumstances, withdraw your Application once it has been accepted.

7.10 Rounding of entitlements

Fractional Entitlements to New Securities will be rounded up to the nearest whole New Security. Where BWP considers that holdings have been split in order to take advantage of this rounding, BWP reserves the right to aggregate holdings held by associated Securityholders for the purpose of calculating Entitlements.

8 AUSTRALIAN TAXATION CONSEQUENCES

8.1 Overview

Below is a general guide to the Australian income tax, goods and services tax (**GST**) and stamp duty implications of the Retail Entitlement Offer for Eligible Retail Securityholders that hold their existing Securities and New Securities on capital account.

The information contained in this **section 8** is general in nature only. It does not constitute advice, nor should it be relied on as such.

In addition, the guide below applies only to Eligible Retail Securityholders who are Australian tax resident and non-resident individuals, companies or complying superannuation entities. The guide does not consider the Australian tax consequences with respect to Eligible Retail Securityholders who:

- a) hold their Securities as revenue assets or trading stock (which will generally be the case if you are a bank, insurance company or carry on a business of security trading), or are subject to the Taxation of Financial Arrangements regime in Division 230 of the *Income Tax Assessment Act 1997* (Cth) in relation to gains and losses on the Securities, or are exempt from Australian income tax;
- b) are dealers in securities;
- c) are Australian residents who will hold the New Securities as part of an enterprise carried on, at or through a permanent establishment in a foreign country;
- d) are temporary residents or change their tax residence while holding New Securities; or
- e) may be subject to special tax rules, including financial institutions, insurance companies, partnerships, tax exempt organisations, trusts (except where explicitly stated), superannuation funds (except where explicitly stated) and entities subject to the Investment Manager Regime under Subdivision 842-I of the *Income Tax Assessment Act 1997* (Cth) in respect of their New Securities.

The guide does not take account of the individual circumstances of particular Eligible Retail Securityholders and does not constitute tax advice. It does not purport to be a complete analysis of the potential tax consequences of the Retail Entitlement Offer and is intended as a general guide to the Australian income tax, GST and stamp duty implications. **All Eligible Retail Securityholders should seek independent professional advice from an appropriate professional advisor in relation to the tax implications of the Retail Entitlement Offer based on their own individual circumstances.**

The comments below are based on the Australian tax law (specifically, the provisions of the *Income Tax Assessment Act 1936* (Cth), *Income Tax Assessment Act 1997* (Cth), the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related Acts, regulations and Australian Taxation Office (**ATO**) rulings and determinations applicable) applicable as at 9.00am (AEST) on the date of this document. Other than as expressly discussed or specified, the comments do not take into account or anticipate changes in Australian tax law or future judicial interpretations of law after this time. Taxation laws and their interpretation may change from time to time. The observations in this summary do not take account of any changes in Australian tax laws, administrative practice or judicial interpretation of tax laws after this time, including any changes that may have retrospective application.

The comments also do not take into account tax legislation of any country other than Australia. **Non-Resident Eligible Retail Securityholders should obtain advice on the taxation implications of the proposed transaction in their local jurisdictions.**

This guide reflects that each New Security is a stapled security comprising one BWP Property Group Share and one BWP Trust Unit. Returns to Securityholders may therefore comprise company dividends (which may be franked) and trust distributions. Where the BWP Trust operates as an attribution managed investment trust (**AMIT**), amounts are attributed to members and generally retain their character for tax purposes, with details provided in an AMMA statement.

8.2 Issue of the Entitlement

The grant of an Entitlement to subscribe for New Securities does not, of itself, give rise to assessable income for an Eligible Retail Securityholder.

8.3 Exercise of the Entitlement

New Securities will be acquired where an Eligible Retail Securityholder exercises (i.e. takes up) all or part of their Entitlement under the Retail Entitlement Offer.

An Eligible Retail Securityholder will not derive any assessable income, or make any capital gain or capital loss, at the time of exercising their Entitlement under the Retail Entitlement Offer.

On exercise, an Eligible Retail Securityholder will acquire two separate CGT assets (one share and one unit).

The cost base implications are addressed at subsections **8.6.2** to **8.6.3** below.

8.4 Lapse of the Entitlement

If you do not exercise your Entitlement and it lapses, no assessable income or capital gain/loss should arise in respect of your lapsed Entitlement.

8.5 Taxation in respect of holding New Securities

Eligible Retail Securityholders will hold an interest in each of the individual BWP Trust Units and BWP Property Group Shares and will be entitled to receive dividends or distributions (as applicable) in respect of those Securities.

8.5.1. GENERAL CONSEQUENCES OF HOLDING STAPLED SECURITIES

The Securities are stapled securities. Eligible Retail Securityholders need to separately account for each component of the Security for tax purposes.

Specifically:

- a) Eligible Retail Securityholders will receive, and separately deal with the tax consequences of, dividends from BWP Property Group and distributions from the BWP Trust. Because each Security is stapled, returns may comprise company dividends from BWP Property Group Ltd and trust distributions attributed by the BWP Trust. The income tax treatment of these amounts differs; and
- b) when the Securities are disposed of by an Eligible Retail Securityholder, the relevant Eligible Retail Securityholder will have to separately consider and account for the tax issues associated with disposing of the BWP Trust Units and the BWP Property Group Shares.

8.5.2. DIVIDENDS FROM BWP PROPERTY GROUP

Resident Eligible Retail Securityholders

Resident Eligible Retail Securityholders will include dividends paid by BWP Property Group Ltd in their assessable income.

Resident Eligible Retail Securityholders will also generally include any franking credits attached to such dividends in their assessable income and will generally be entitled to a corresponding tax offset equal to the franking credit.

To be eligible for the franking credit and tax offset, a Resident Eligible Retail Securityholder must be a qualified person (discussed below).

Where the franking tax offset exceeds the tax payable on the Resident Eligible Retail Securityholder's taxable income and such Resident Eligible Retail Securityholder is:

- a) an individual or complying superannuation entity – the Eligible Retail Securityholder will generally be entitled to a refund of the excess franking tax offsets;
- b) a corporate tax entity – this will generally give rise to a franking credit in its franking account. To the extent the franking credit tax offset exceeds the entity's income tax liability for the income year, the excess cannot give rise to a refund but is instead converted into a tax loss which may be carried forward to future income years (provided certain loss utilisation tests are satisfied); or
- c) a trustee – the treatment of the excess franking tax offsets will depend upon the identity of the person liable to tax on the trust's net income.

To be eligible for the franking credit tax offset, a Resident Eligible Retail Securityholder must have held the BWP Property Group Share "at risk" for at least 45 days. This excludes the date of the acquisition / disposal of the relevant BWP Property Group Share. This rule should not apply to a Resident Eligible Retail Securityholder if the Resident Eligible Retail Securityholder is an individual whose tax offset entitlement (on all BWP Property Group Shares and interests in BWP Property Group Shares held) does not exceed \$5,000 for the income year in which the franked dividend is paid.

Where a dividend paid by BWP is unfranked, the Eligible Retail Securityholder will not be entitled to a franking tax offset and will be required to include the unfranked dividend amount in their assessable income.

Non-Resident Eligible Retail Securityholders

Non-Resident Eligible Retail Securityholders should not be assessed on the amount of any dividend received from BWP Property Group. However, BWP Property Group will be required to withhold tax from any unfranked component of dividends paid to a Non-Resident Eligible Retail Securityholder. If no double tax agreement (**DTA**) applies, withholding tax will apply at 30 per cent of the unfranked component of the dividend. This rate may be reduced where the Non-Resident Eligible Retail Securityholder is tax resident of a country that has executed a DTA with Australia.

8.5.3. INCOME DISTRIBUTIONS FROM BWP TRUST

The BWP Trust has elected into the AMIT regime and will continue to be subject to the AMIT regime after the Closing Date. Accordingly, Eligible Retail Securityholders should generally be taxed in the same manner in respect of distributions from the BWP Trust as they currently are in accordance with the AMIT regime.

As an AMIT, the BWP Trust is required to determine its 'determined trust components' each income year, which broadly reflect the taxable income of the BWP Trust split into various classes of income for tax purposes. These components are then 'attributed' to the Eligible Retail Securityholders. BWP Management Limited (as responsible entity of the BWP Trust) should generally not be subject to tax in respect of Australian income and capital gains derived provided:

- a) the Eligible Retail Securityholders are attributed (in full) the 'determined trust components' of the BWP Trust within three months of the end of each income year; and,
- b) the BWP Trust carries on an eligible passive investment business only, e.g. investment in land for the purposes of deriving rent.

8.6 Disposal of New Securities

8.6.1. GENERAL

The disposal of New Securities will constitute a disposal for Australian CGT purposes. Notwithstanding that the BWP Trust Units and BWP Property Group Shares will be stapled, for CGT purposes they should each be treated as separate CGT assets. Accordingly, where an Eligible Retail Securityholder disposes of a Stapled Security, for CGT purposes the Eligible Retail Securityholder will be taken to have separately disposed of a BWP Trust Unit and a BWP Property Group Share. This means that an Eligible Retail Securityholder will have to separately consider, and account for, the tax consequences associated with disposing of BWP Trust Units and BWP Property Group Shares (as they are separate CGT assets).

Where consideration is received in connection with a transaction relating to more than one CGT asset, the capital proceeds for each asset is the portion of the total consideration that is reasonably attributable to that asset.

As such, the capital proceeds referable to disposing of each individual BWP Trust Unit and BWP Property Group Share comprising a Security will be determined by apportioning the total capital proceeds received from the disposal of the Security between the BWP Trust Unit and BWP Property Group Share on a reasonable basis.

8.6.2. RESIDENT ELIGIBLE RETAIL SECURITYHOLDERS

On disposal of a New Security, a Resident Eligible Retail Securityholder will make a capital gain if:

- a) the portion of the consideration reasonably attributable to a BWP Trust Unit exceeds the cost base of the BWP Trust Unit; and/or
- b) the portion of the consideration reasonably attributable to a BWP Property Group Share exceeds the cost base of the BWP Property Group Share.

On disposing of a New Security, a Resident Eligible Retail Securityholder will make a capital **loss** if:

- a) the portion of the consideration reasonably attributable to a BWP Trust Unit is less than the reduced cost base of the BWP Trust Unit; and/or
- b) the portion of the consideration reasonably attributable to a BWP Property Group Share is less than the reduced cost base of the BWP Property Group Share.

In broad terms, the cost base of a BWP Trust Unit, and a BWP Property Group Share, is in each case the part of the Issue Price reasonably attributable to that component (including incidental costs of acquisition and disposal). For CGT purposes, each of the BWP Trust Unit and BWP Property Group Share is taken to be acquired on the date you exercise your Entitlement and the Securities are issued.

Resident Eligible Retail Securityholders who realise a capital gain from disposing of New Securities may be entitled to a CGT discount if eligible. Specifically, Resident Eligible Retail Securityholders that are individuals, trustees or complying superannuation entities and that have held their New Securities for 12 months or more before the date of the capital gain should be entitled to apply the applicable CGT discount factor to reduce the capital gain (after application of capital losses). In broad terms, the CGT discount factor is 50% for individuals and trusts and 33 $\frac{1}{3}$ % for complying superannuation entities. The

CGT discount is not available to entities that are companies or are deemed to be companies for Australian tax law purposes. The CGT discount may also apply where a trust or partnership distributes the capital gain to a taxpayer who may be entitled to the CGT discount, subject to satisfying certain conditions.

For CGT purposes, New Securities will be taken to have been acquired on the day that an Eligible Retail Securityholder exercises their Entitlement.

If capital gains are attributed to you by the BWP Trust, the CGT discount may also apply subject to trust streaming and general eligibility rules.

Eligible Retail Securityholders that make a capital loss can only use that loss to offset capital gains from other sources (i.e. the capital loss cannot be utilised against taxable income on revenue account). However, if the capital loss cannot be utilised in a particular income year, it may be carried forward to use in future income years, provided certain loss utilisation tests are satisfied.

Resident Eligible Retail Securityholders should consider any amendments to the CGT discount that are expected to be announced by the Federal Government on 12 May 2026.

8.6.3. NON-RESIDENT ELIGIBLE RETAIL SECURITYHOLDERS

The cost base implications for Non-Resident Eligible Retail Securityholders should be the same as those applicable to Resident Eligible Retail Securityholders set out above. Non-Resident Eligible Retail Securityholders who hold their New Securities on capital account should not be subject to the Australian CGT regime provided that the New Securities are not taxable Australian property.

Under current law, a New Security will be taxable Australian property if:

- a) more than 50 per cent of the value of the New Security is attributable to Australian real property (the **Principal Asset Test**) and the interest passes the non-portfolio test just before the CGT event or throughout a 12-month period that began no earlier than 24 months before that time. An interest held by an entity in another entity passes the non-portfolio interest test at a time if the sum of the 'direct participation interests' held by the first entity and its associates in the other entity at the time is 10 per cent or more;
- b) the Non-Resident Eligible Retail Securityholder holds their BWP Trust Units in carrying on a business through a permanent establishment in Australia; or
- c) the Non-Resident Eligible Retail Securityholder has elected to treat the New Securities as taxable Australian property at the time they ceased to be an Australian resident (if the Non-Resident Eligible Retail Securityholder was ever an Australian resident).

Non-Resident Eligible Retail Securityholders need to assess whether these requirements are met at the time of the CGT event. Non-Resident Eligible Retail Securityholders are encouraged to obtain independent tax advice to confirm whether these provisions apply to their individual circumstances.

Any capital gain or capital loss made by Non-Resident Eligible Retail Securityholders from disposing of BWP Trust Units or BWP Property Group Shares should be disregarded provided the relevant BWP Trust Units or BWP Property Group Shares (as applicable) are not taxable Australian property.

8.7 GST and stamp duty

Subject to the comments below, no Australian GST or stamp duty should be payable in respect of the issue, exercise or lapse of Entitlements or the acquisition of New Securities pursuant to the Retail Entitlement Offer.

There may be a restriction on the entitlement of Eligible Retail Securityholders to claim an input tax credit for any GST incurred on costs associated with the acquisition of New Securities (such as brokerage or advisor fees) and potential investors should seek their own advice.

No stamp duty should be payable by an Eligible Retail Securityholder in respect of the acquisition of New Securities provided each Eligible Retail Securityholder – either alone, together with associated persons or under one arrangement or in concert with other persons – does not acquire 90% or more of the total issued interests in BWP or, as a result of the acquisition, hold 90% or more of the interests in BWP immediately after that acquisition.

8.8 Provision of TFN and/or ABN

Eligible Retail Securityholders are not obliged to provide their TFN or ABN.

However, if an Eligible Retail Securityholder does not quote a TFN or ABN (and no exemption applies), withholding tax may apply on any gross distributions made from the BWP Trust and dividends paid from BWP Property Group. An Eligible Retail Securityholder will be entitled to claim an income tax credit in respect of tax withheld.

You are able to provide your TFN, ABN or relevant exemption online with the Registry at www.computershare.com/au. When providing your details online, you will be required to enter your SRN/HIN as shown on your issuer Sponsored/CHESS statements and other such personal details.

RETAIL ENTITLEMENT OFFER NOW OPEN

Overview of Entitlement Offer and use of proceeds

On behalf of the Boards of BWP, I am pleased to offer you the opportunity to participate in an equity raising to enable and support the future growth of BWP Group.

On Wednesday, 6 May 2026, BWP announced a fully underwritten accelerated non-renounceable pro rata entitlement offer of 1 new BWP security (**New Security**) for every 12 existing BWP securities held, at a fixed issue price of \$3.77 per New Security (**Issue Price**), to raise approximately \$228 million (the **Entitlement Offer**).

The Entitlement Offer is fully underwritten by Morgan Stanley Australia Securities Limited ABN 55 078 652 276 (**Underwriter**), who is the sole lead manager, broker and underwriter to the Entitlement Offer, pursuant to an underwriting agreement entered into by BWP and the Underwriter on 6 May 2026 (**Underwriting Agreement**).

The Entitlement Offer comprises an institutional entitlement offer on an accelerated timetable (**Institutional Entitlement Offer**) and an offer to Eligible Retail Securityholders (described below) (**Retail Entitlement Offer**) at the same Issue Price and ratio.

The Institutional Entitlement Offer has now closed and the results were announced to the Australian Securities Exchange (**ASX**) on Thursday, 7 May 2026. The Institutional Entitlement Offer received strong support from BWP's eligible institutional securityholders, with a take-up of approximately 98 per cent, raising gross proceeds of approximately \$122 million (including Wesfarmers' full entitlement of \$53 million).

The proceeds of the Entitlement Offer will be used to deliver significant balance sheet capacity to enable:

- funding of \$163 million in capital commitments for repurposing developments, asset expansions and upgrades to older generation properties; and
- funding of future capital deployment opportunities that provide further growth for BWP securityholders.

The proceeds of the Entitlement Offer will initially be used to repay debt and fund the costs of the Entitlement Offer. BWP reserves the right to alter the way in which funds are applied. Termination of the Underwriting Agreement may have an adverse impact on the ability of BWP to proceed with the Entitlement Offer and consequently, on the total amount of proceeds raised as part of the Entitlement Offer.

Details of the Entitlement Offer

This letter is not an offer document. The purpose of this letter is to inform you about the Entitlement Offer and to explain that, if you are an Eligible Retail Securityholder (described below), you will be able to subscribe for 1 New Security for every 12 existing BWP securities held by you at 7.00pm (AEST) on Friday, 8 May 2026 (**Record Date**). The Issue Price is \$3.77 per New Security. Fractional entitlements will be rounded up to the nearest whole number of New Securities.

New Securities issued under the Entitlement Offer will be fully paid and rank equally with existing BWP securities from the date of issue. BWP will apply to the ASX for official quotation of the New Securities in accordance with ASX Listing Rule requirements.

The retail component of the Entitlement Offer (**Retail Entitlement Offer**) will be open to Eligible Retail Securityholders as at the Record Date from 9.00am (AEST) on Tuesday, 12 May 2026 to 5.00pm (AEST) on Friday, 22 May 2026.

An offer booklet in respect of the Retail Entitlement Offer (**Retail Offer Booklet**) is available to Eligible Retail Securityholders from Tuesday, 12 May 2026.

The Entitlement Offer is non-renounceable and entitlements will not be tradeable or otherwise transferable.

BWP is not issuing a prospectus or product disclosure statement for the Entitlement Offer, but rather has issued or will issue an ASX announcement (**Announcement**), investor presentation (**Investor Presentation**), a "cleansing notice" in accordance with sections 708AA and 1012DAA of the *Corporations Act 2001* (Cth) (**Corporations Act**) and the Retail Offer Booklet (together, the **Offer Documents**). The Announcement, Investor Presentation and Cleansing Notice were lodged with ASX on Wednesday, 6 May 2026. The Retail Offer Booklet will be lodged with ASX on Tuesday, 12 May 2026. The terms of the Entitlement Offer are detailed in the Announcement and Investor Presentation, which are included in the Retail Offer Booklet.

Dear Securityholder

**BWP GROUP – COMPRISING BWP PROPERTY GROUP LTD ACN 688 059 074 AND
BWP MANAGEMENT LIMITED ACN 082 856 424
AS RESPONSIBLE ENTITY FOR THE BWP TRUST ARSN 088 581 097 (ASX:BWP) (BWP)**

**ACCELERATED NON-RENOUCEABLE PRO-RATA ENTITLEMENT OFFER – NOTIFICATION TO INELIGIBLE
SECURITYHOLDERS**

On Wednesday, 6 May 2026, BWP announced a fully underwritten accelerated non-renounceable pro rata entitlement offer of 1 new BWP security (**New Security**) for every 12 existing BWP securities held, at a fixed issue price of \$3.77 per New Security (**Issue Price**), to raise approximately \$228 million (the **Entitlement Offer**).

The Entitlement Offer is fully underwritten by Morgan Stanley Australia Securities Limited ABN 55 078 652 276 (**Underwriter**), who is the sole lead manager, broker and underwriter to the Entitlement Offer pursuant to an underwriting agreement entered into by BWP and the Underwriter on 6 May 2026 (**Underwriting Agreement**).

The Entitlement Offer comprises an institutional entitlement offer on an accelerated timetable (**Institutional Entitlement Offer**) and an offer to Eligible Retail Securityholders (described below) (**Retail Entitlement Offer**) at the same Issue Price and ratio.

The Institutional Entitlement Offer has now closed and the results were announced to the Australian Securities Exchange (**ASX**) on Thursday, 7 May 2026. The Institutional Entitlement Offer received strong support from BWP's eligible institutional securityholders, with a take-up of approximately 98 per cent, raising gross proceeds of approximately \$122 million (including Wesfarmers' full entitlement of \$53 million).

The proceeds of the Entitlement Offer will be used to deliver significant balance sheet capacity to enable:

- funding of \$163 million in capital commitments for repurposing developments, asset expansions and upgrades to older generation properties; and
- funding of future capital deployment opportunities that provide further growth for BWP securityholders.

The proceeds of the Entitlement Offer will initially be used to repay debt and fund the costs of the Entitlement Offer. BWP reserves the right to alter the way in which funds are applied. Termination of the Underwriting Agreement may have an adverse impact on the ability of BWP to proceed with the Entitlement Offer and consequently, on the total amount of proceeds raised as part of the Entitlement Offer.

More details are provided in BWP's investor presentation lodged with the ASX on Wednesday, 6 May 2026. BWP has also today lodged a retail offer booklet with the ASX, which sets out further details in respect of the Retail Entitlement Offer.

This letter is to inform you about the Entitlement Offer and to explain why you will not be able to subscribe for New Securities under the Entitlement Offer. This letter is not an offer to issue entitlements or New Securities to you, nor an invitation for you to apply for New Securities. **You are not required to do anything in response to this letter but there may be financial implications for you as a result of the Entitlement Offer that you should be aware of.**

Eligibility criteria

BWP has determined, pursuant to section 9A(3) of the *Corporations Act 2001* (Cth) (**Corporations Act**) and ASX Listing Rule 7.7.1(a), that it would be unreasonable to make offers to BWP securityholders outside of Australia and New Zealand in connection with the Retail Entitlement Offer.

This is because of the small number of BWP securityholders in each of those countries, the number and value of securities in BWP that those BWP securityholders hold and the cost of complying with the applicable laws and regulations and the requirements of any regulatory authority in jurisdictions outside Australia and New Zealand.

Accordingly, in compliance with section 9A(3) of the Corporations Act and ASX Listing Rule 7.7.1(b), BWP wishes to inform you that it will not be extending the Retail Entitlement Offer to you, BWP will not be sending a copy of the Retail Offer Booklet to you and you will not be able to subscribe for New Securities under the Retail Entitlement Offer.

Eligible Retail Securityholders

In order to comply with relevant securities laws, the Retail Entitlement Offer is open to those holders of securities in BWP who, as at 7.00pm (AEST) on the Record Date:

- have a registered address in Australia or New Zealand (or is an Institutional Investorⁱ);
- are not located in the United States and are not acting for the account or benefit of a person in the United States (to the extent the holder holds securities in BWP for the account or benefit of such person in the United States); and
- are not an Eligible Institutional Securityholderⁱⁱ or an Ineligible Institutional Securityholderⁱⁱⁱ.

Such securityholders are referred to in this letter as “**Eligible Retail Securityholders**”.

Securityholders who are not Eligible Retail Securityholders, Eligible Institutional Securityholders or Ineligible Institutional Securityholders are **Ineligible Retail Securityholders** and are consequently unable to participate in the Retail Entitlement Offer.

Despite the above, BWP may (in its absolute discretion) agree to extend the Retail Entitlement Offer to any institutional securityholder, subject to compliance with applicable laws.

Non-renounceable offer

As with the Institutional Entitlement Offer, the Retail Entitlement Offer is non-renounceable. Entitlements in respect of New Securities you would have been entitled to if you were an Eligible Retail Securityholder will lapse. A number of New Securities equal to the number that you would otherwise be entitled to subscribe for under the Retail Entitlement Offer will be subscribed for by the Underwriter and/or the sub-underwriters. As a result, no amount will be payable by you and you will not otherwise receive any payment or value for entitlements in respect of any New Securities that would have been offered to you if you were an Eligible Retail Securityholder.

Further details in respect of the Entitlement Offer (including details of eligibility) can be found on the ASX market announcements platform (www.asx.com.au).
