## Suncorp Group Launches Wholesale Tier 2 Subordinated Notes due 2037 Offer

Suncorp Group Limited (**Suncorp**) (ASX: SUN | ADR: SNMCY) today announced the launch of the offer for new Australian dollar denominated direct, unsecured, subordinated debt obligations (**Wholesale Subordinated Notes**).

The Wholesale Subordinated Notes will be offered to institutional investors and other wholesale investors at a face value of \$10,000 per note, with a minimum subscription amount of \$500,000 or otherwise issued in a manner which does not require disclosure in accordance with Chapter 6D or Chapter 7 of the Corporations Act.

Pricing for the Wholesale Subordinated Notes will be determined by a bookbuild process and is expected to take place on 13 May 2026, subject to market conditions. Wholesale Subordinated Notes are not being offered to retail investors and are not issued under a prospectus.

The Wholesale Subordinated Notes support Suncorp's ongoing funding and capital management strategy. Suncorp expects to use the proceeds from the issue of the Wholesale Subordinated Notes to fund Tier 2 Capital (as described in the Prudential Standards issued by the Australian Prudential Regulation Authority (**APRA**)) of one or more Regulated Entities within the Suncorp Group and for general funding and capital management purposes.

The key features of the Wholesale Subordinated Notes include:

- term of 11 years, with a maturity date on 1 June 2037 and Suncorp's option to redeem or resell on 1 June 2032, or any Interest Payment Date thereafter, subject to APRA's prior written approval and certain other conditions. Dates for payments, redemption or resales of the Wholesale Subordinated Notes may be adjusted in accordance with the Business Day Convention;
- quarterly, cumulative, floating rate interest (BBSW + Margin) payable in arrear, subject to the satisfaction of the Solvency Condition;
- Suncorp may also redeem or resell all (but not some only) Wholesale Subordinated Notes at any time for certain Tax or Regulatory Events (each subject to APRA's prior written approval and other conditions in clause 5 of the Terms);
- holders have no right to request early redemption of Wholesale Subordinated Notes; and
- if APRA provides a written determination that a Non-Viability Trigger Event has occurred in relation to Suncorp, all (or in certain circumstances, some) Wholesale Subordinated Notes are required to be immediately Converted into Ordinary Shares. If Conversion when required does not occur within 5 business days (for any reason), the Wholesale Subordinated Notes will be Written-Off and Holders will lose all of the value of those Wholesale Subordinated Notes without compensation.

Investors should carefully consider the risks associated with the Wholesale Subordinated Notes, together with the Terms and other information in the Information Memorandum relating to Suncorp's Wholesale Note Issuance Programme dated 24 April 2026 (**Information Memorandum**), before deciding whether to invest. Investors should not expect that APRA's approval will be given for any early redemption.

National Australia Bank Limited is acting as Arranger and Joint Lead Manager. Barrenjoey Markets Pty Limited, UBS AG and Westpac Banking Corporation are acting as Joint Lead Managers.

Unless otherwise defined, capitalised words used in this announcement have the meaning given to them in the Information Memorandum.

Authorised for lodgement with the ASX by the Acting Suncorp Chief Financial Officer.
