Notes: All figures are reported to two significant figures. Rounding errors may occur. Ore Reserves are based on a gold price of A\$2.800/oz Au. Rounding may result in apparent summation differences between tonnes, grade and contained metal content. The 'Laverton Gold Project' (as described in Section 6.3(b)(iii) of the Original Scheme Booklet) includes Lancefield Open Pit, Karridale and Beasley Creek.

The above information replaces that set out in Section 6.4 of the Original Scheme Booklet. Similarly, other references in the Original Scheme Booklet to Mineral Resource and Ore Reserve estimates, and associated grades, of Genesis or of particular projects owned by Genesis (including in Sections 6.1, 6.3(a) and 6.3(b)) are updated and are to be read in accordance with the tables set out above.

All of the updated estimates of Mineral Resources and Ore Reserves set out above have been classified in accordance with JORC 2012. References in the Original Scheme Booklet to JORC 2004 are therefore no longer relevant, and Section 8.3(i) of the Original Scheme Booklet is updated and is to be read accordingly.

Based on the updated Mineral Resource and Ore Reserve estimates set out above and on those most recently disclosed by Magnetic prior to the date of this Supplementary Scheme Booklet, the Combined Group will have pro-forma gold Mineral Resources of ~21.3Moz and Ore Reserves of ~5.4Moz following implementation of the Scheme. The acquisition of Magnetic will increase Genesis' Laverton Mineral Resources to ~8.6Moz Au, an increase of ~34%. Sections 7.1, 7.2(e) and 7.3(a) of the Original Scheme Booklet are updated and are to be read accordingly.

3. Independent Expert

5. Scheme Meeting and Election mechanism

5.1 Attending the Scheme Meeting

The Scheme Meeting will be held as a hybrid meeting at 9.30am (AWST) on Wednesday, 3 June 2026 virtually and in-person at the offices of Hamilton Locke, Level 39, 152-158 St Georges Terrace, Perth WA 6000.

The Scheme Resolution to be considered at the Scheme Meeting is set out in the Notice of Meeting, which is Annexure E to the Original Scheme Booklet.

In accordance with the Court's orders dated 28 April 2026, information as to how Magnetic Shareholders can attend the Scheme Meeting virtually has been released on Magnetic's ASX market announcements platform at www.asx.com.au.

5.2 Voting on the Scheme

Your vote is important and the Magnetic Board encourages you to read this Supplementary Scheme Booklet together with the Scheme Booklet carefully and cast an informed vote on the Scheme. For the purposes of the Scheme Meeting, Magnetic Shareholders entered on the Register at 4.00pm (AWST) on Monday, 1 June 2026 will be entitled to attend and vote at the Scheme Meeting.

(a) **If you have already voted and do not want to change your vote**

Any voting forms that have been validly lodged prior to the date of this Supplementary Scheme Booklet will be valid for the Scheme Meeting unless revoked, provided the voting form has been lodged by a Magnetic Shareholder that continues to be a registered holder on the Magnetic Register as at 4.00pm (AWST) on Monday, 1 June 2026. This means if you have already submitted a valid voting form and you do not wish to change your vote, you do not need to take any action.

(b) **If you have already voted and want to change your vote**

If you have already submitted a voting form and you want to change the way in which you have voted, you can make a new proxy appointment online at <https://investor.automic.com.au/#/loginsah> or by completing and returning an updated voting form in accordance with the instructions on the voting form. Magnetic Shareholders who would like to request an updated voting form should contact Magnetic's Scheme Information Line on 1300 109 769 (within Australia) or + 61 2 8072 1443 (outside Australia) Monday to Friday (excluding public holidays) from 8:30am to 7:00pm (AEST) or via email at hello@automicgroup.com.au.

Any subsequent voting form you lodge will revoke an earlier proxy appointment you have previously made.

Electronically lodging a voting form is the recommended method for changing your vote, given postal delays and the deadline of Monday, 1 June 2026.

In order for any voting form to be effective, it must be received by Magnetic's Share Registry or lodged online by no later than 9.30am (AWST) on Monday, 1 June 2026.

(c) **Request for a paper voting form**

If you would like to request a free paper voting form, please contact Magnetic's Scheme Information Line on 1300 109 769 (from within Australia) or +61 2 8072 1443 (from outside Australia), Monday to Friday (excluding Australian public holidays) between 8:30am to 7:00pm (AEST) or via email at hello@automicgroup.com.au.

5.3 Election mechanism

Eligible Scheme Shareholders can choose the form of Scheme Consideration they wish to receive. Elections made using an Election Form or the Election portal are only valid to the extent they are received by the Magnetic Share Registry by the Election Date, being 5:00pm (AWST) on 26 May 2026. Due to recent changes to delivery times by Australia Post, standard delivery may now take up to ten Business Days, or longer from regional areas. Shareholders should bear this in mind when returning an Election Form using Australia Post.

(a) **If you have already made a valid Election and do not want to change your Election**

Any Elections made using an Election Form or the Election portal that have been validly lodged prior to the date of this Supplementary Scheme Booklet will be valid unless revoked. This means if you have already submitted a valid Election and you do not wish to change your Election, you do not need to take any action.

(b) **If you have already made a valid Election and want to change your Election**

If you have already submitted an Election and you want to change your Election, you can change or withdraw your Election by lodging a signed, written request to withdraw your previous Election which must be accompanied with a new Election Form if the Election is to be replaced with a new Election.

You can obtain information on an acceptable form of written request and a new Election Form by contacting the Scheme Information Line on 1300 109 769 (within Australia) or +61 2 8072 1443 (from overseas) on Business Days between 8.30am and 7.00pm (AEST), or email corporate.actions@automicgroup.com.au.

If an Eligible Scheme Shareholder has made a valid Election using an Election Form and also makes a valid Election online through the Election portal, the Election made online through the Election portal will be taken to be the Election made by that Eligible Scheme Shareholder, even if the Election Form is received by the Magnetic Share Registry after the Election made online through the Election portal.

If an Eligible Scheme Shareholder has made a valid Election using an Election Form and has not made a valid Election online through the Election portal, the Election made using the Election Form will be taken to be the Election made by that Eligible Scheme Shareholder.

Making an Election using the Election portal is the recommended method for making and changing your Election, given postal delays and the deadline of Tuesday, 26 May 2026.

In order for any Election to be valid, it must be received by Magnetic's Share Registry or lodged online by no later than 5:00pm (AWST) on Tuesday, 26 May 2026.
