Resolution 6

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

However, if, between the date of dispatch of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A.2, the Company will disregard votes cast in favour of this Resolution by or on behalf of:

EXPLANATORY STATEMENT

ORDINARY BUSINESS

Receipt and Consideration of Financial Statements and Reports

A copy of the Annual Report for the financial year ended 31 December 2025 (which incorporates the Company's Financial Report, Directors' Report (including the Remuneration Report) and the Auditor's Report) is available on the Company's website at <http://avecho.com.au/> or via the Company's announcement platform on ASX. Alternatively, you may obtain a copy free of charge in hard copy form by contacting the Company by phone at 1300 384 692, and you may request that this occurs on a standing basis for future years. There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be given reasonable opportunity at the Meeting to ask questions and make comments on the Financial Report, the Directors' Report and the Auditor's Report. Written questions for the Company's auditor relating to the conduct of the audit, preparation and contents of the Auditor's Report, accounting policies adopted by the Company in relation to the preparation of its financial statements, and the independence of the auditor in relation to the conduct of the audit, must be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the remuneration report at the AGM.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty-five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

At the Company's last AGM, the votes cast against the Remuneration Report were less than twenty-five (25%) per cent of the total votes cast on that resolution and, accordingly, a spill resolution will not under any circumstances be required for this Meeting.

Voting Exclusions

For voting exclusions refer to Note 5.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Board encourages all eligible Shareholders to cast their votes in favour of this Resolution.

Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies in favour of this Resolution.

Resolution 2: Re-Election of Mr Matthew Patrick McNamara as a Director of the Company

Background

The Constitution of the Company (clauses 20.1, 20.3 and 20.6) and Listing Rule 14.4 require that at least one Director (excluding the Managing Director) must stand for re-election at each Annual General Meeting. A Director (excluding the Managing Director) must not hold office without re-election following the third Annual General Meeting after that Director's last re-election, or for more than three years, whichever is the longest. Mr Matthew Patrick McNamara is now retiring in accordance with these requirements and, being eligible, offers himself for re-election.

Mr McNamara was appointed as a Director of the Company on 13 January 2020 and was re-appointed as a Director at the Annual General Meeting held on 23 May 2023. Mr Matthew McNamara has over 35 years' executive and funds management experience in the healthcare and medical sciences sector. He has a BSc (Hons) in Molecular Biology, has a MBA and is a GAICD. In 2003, he founded BioBridge Australia, a biotechnology commercialisation advisory company and advised a number of public biotechnology / investment companies. Mr McNamara is currently Director and Chief Investment Officer of Horizon 3 Healthcare, a healthcare fund manager. He is presently a director of Microbio Pty Ltd and Cardiac Dimensions Pty Ltd. He has held previous directorships at Adherium Ltd (ASX: ADR), Avita Medical Ltd (ASX: AVH), Bioxyn Ltd (ASX: BXN) and Saluda Medical Pty Ltd. Mr McNamara has also served as CIO of BioScience Manager Pty Ltd and was CEO of SciCapital Pty Ltd, a Life Sciences Venture Capital fund.

Voting Exclusions

There are no voting exclusions on this Resolution.

Board Recommendation

The Board (with Mr Matthew McNamara abstaining) recommends that Shareholders vote in favour of the re-election of Mr Matthew McNamara as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its Shareholders.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of the Resolution.

Resolution 3: Renewal of Avecho Biotechnology Limited Employee Incentive Plan

Background

The Board is committed to incentivising and retaining the Company's Directors, employees and such other persons as the Board determine, in a manner which promotes alignment of their interests with Shareholder interests. Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements.

The Company's Employee Incentive Plan (**EIP**), which applies to eligible Directors, officers, employees and such other persons as the Board determines (including executive and non-executive Directors, officers, employees and contractors of the Company's subsidiaries) and enables those persons to be granted Shares, options to acquire Shares and other securities in the Company, assists in achieving the objectives referred to above. Shareholders approved the EIP at the AGM of the Company held on 23 May 2023.

No Directors or their associates can or will be issued shares, options or other securities or rights under the EIP unless Shareholder approval of specific issues to them is obtained. Under the EIP, the Company may acquire Shares to be held on trust for Directors or their associates.

Approval is sought, for the purposes of Listing Rule 7.2, Exception 13(b), to issue up to 367,000,000 Equity Securities (Shares, Options or other rights including performance rights each conditionally entitling the applicable holder to one fully paid ordinary share upon exercise or achievement of the applicable milestone). Any additional issues under the EIP above that number would require further Shareholder approval, unless they were made from the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this Resolution, the grant of Equity Securities (and the issue of any new Shares pursuant to these Equity Securities) under the EIP will not be included in the 15% limit imposed by Listing Rule 7.1 for a period of three years from the date of the AGM.

If this Resolution is not approved by Shareholders, any Equity Securities issued by the Company under the EIP will be included in the formula to calculate the number of securities which the Company may issue in any 12-month period using Listing Rule 7.1 (15% Placement Capacity).

ASX Listing Rules

Listing Rule 7.1 provides that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 Exception 13(b) provides an exception to Listing Rule 7.1 for securities issued under an employee incentive scheme, such as the EIP, within 3 years after shareholder approval of the issue of Equity Securities under that scheme as an exception to Listing Rule 7.1. The Company therefore seeks approval of the issue of Equity Securities under the EIP pursuant to Listing Rule 7.2 Exception 13(b) so that issues of securities under the EIP do not impede the capacity of the Company to issue up to a further 15% of its capital without shareholder approval.

Since 23 May 2023, the date on which Shareholders approved the previous EIP, the Company has issued 130,938,550 securities under the EIP.

A summary of the key terms of the EIP is set out in Annexure A and a copy of the EIP Rules is available upon request from the Company.

In the Board's opinion, this Resolution will assist the Company in managing its capital requirements efficiently by ensuring that the Company's annual issue limit is not diminished by issues of shares under the EIP and capacity is available for capital management initiatives and acquisitions, if necessary and appropriate.

Voting Exclusions

For voting exclusions refer to Note 5.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the Shareholders in respect of the EIP.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

Resolution 4: Ratification of prior Issue of 500,000,000 Shares under Placement

Resolution 5: Ratification of prior Issue of 20,000,000 Options to Lead Manager under Placement

Background

As announced to ASX on 23 October 2025, the Company conducted a placement to raise \$2.5 million via placement. The Placement was conducted via:

- the issue of 182,653,633 Shares at an issue price of \$0.005 per Share under the Company's 15% placement capacity (Listing Rule 7.1); and
- the issue of 317,346,367 Shares, at the same issue price, under the Company's additional 10% placement capacity (Listing Rule 7.1A).

As part of the fees for the Placement, the Company issued 20,000,000 Quoted Options (ASX: AVEOA) to the Lead Manager (Euroz Hartleys Limited) or its nominee under Listing Rule 7.1. The Options have an exercise price of \$0.012 and an expiry date of 10 May 2026. No Options were issued to investors participating in the Placement.

The purpose of Resolutions 4 and 5 is to seek Shareholder approval to ratify the issue of the 182,653,633 Shares and the 20,000,000 Options. In addition, the Company is seeking to refresh its additional 10% placement capacity under Listing Rule 7.1A pursuant to Resolution 6.

ASX Listing Rules

Listing Rule 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues to which one of the exceptions in Listing Rule 7.2 applies. 182,653,633 Shares under the Placement were issued from the Company's available placement capacity under Listing Rule 7.1. The 20,000,000 Options issued to the Lead Manager were also issued under the Company's available placement capacity under Listing Rule 7.1.

Under Listing Rule 7.4, an issue of securities will be treated as having been made with the approval of shareholders for the purposes of Listing Rules 7.1 if the issue did not breach Listing Rule 7.1 at the time and shareholders subsequently approve it. The issue of the 182,653,633 Shares and 20,000,000 Options were within the Company's Listing Rule 7.1 placement capacity and the Company now seeks Shareholder ratification for the issue of those Shares and Options pursuant to Listing Rule 7.4 so as to refresh its capacity to make further issues (if required) without Shareholder approval for such issues under Listing Rule 7.1.

If the Resolutions 4 and 5 are approved, the prior issue of the 182,653,633 Shares and 20,000,000 Options may be treated by the Company as having been made with Shareholder approval under Listing Rule 7.1. The Company will therefore be able to issue additional equity securities without the Shares and the Options the subject of these Resolutions counting towards the 15% threshold for the purposes of Listing Rule 7.1.

If these Resolutions 4 and 5 are not approved, the prior issue of the 182,653,633 Shares and 20,000,000 Options will not be treated by the Company as having been made with Shareholder approval under Listing Rule 7.1. The Company will therefore have such Shares and Options counting towards the 15% threshold for the purposes of Listing Rule 7.1.

Information provided in accordance with Listing Rules 7.5

Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to Listing Rule 7.4:

- (a) 500,000,000 fully paid ordinary shares were allotted and issued on 3 November 2025 to institutional and sophisticated investors under the Placement, consisting of:
 - (i) 182,653,633 fully paid ordinary shares issued under the Company's 15% placement capacity under Listing Rule 7.1 (the Shares the subject of Resolution 4); and

- (ii) 317,346,367 fully paid ordinary shares issued under the Company's additional 10% placement capacity under Listing Rule 7.1A.
- (b) The Shares were issued at an issue price of \$0.005 (0.5 cents) per Share.
- (c) Euroz Hartleys Limited was the sole Lead Manager and Bookrunner to the Placement.
- (d) 20,000,000 Quoted Options (ASX:AVEOA) were issued on 3 November 2025 to Euroz Hartleys Limited (or its nominee) with an exercise price of \$0.012 and an expiry date of 10 May 2026. The full terms of these Quoted Options are set out in the Prospectus lodged with the ASX on 3 April 2023.
- (e) Pursuant to the mandate between Euroz Hartleys Limited and the Company, in consideration for the lead manager and bookrunner services provided, the Company issued Euroz Hartleys Limited the Options and paid Euroz Hartleys Limited an amount equal to 6% of the proceeds of the Placement (\$150,000).
- (f) The funds raised from the Placement were used to to accelerate commercial manufacturing activities required for a future TGA submission and commercial supply, including:
 - (i) manufacturing of registration batches for formal stability;
 - (ii) manufacturing scale up to support commercial batch sizes and documentation to support a regulatory submission;
 - (iii) manufacturing and stockpiling of CBD TPM[®] capsules for use on a second cohort of patients on the phase III study;
 - (iv) costs associated with Phase III trial until the interim readout; and
 - (v) costs of the Offer and general working capital purposes.

Voting Exclusions

For voting exclusions refer to Note 5.

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolutions 4 and 5.

Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies in favour of these Resolutions.

Resolution 6: Approval of 10% Placement Facility

Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility (as defined below). The effect of this Resolution is to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% Capacity (as defined below) under Listing Rule 7.1.

ASX Listing Rules information

a. Summary of Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period (**15% Capacity**).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its Annual General Meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to 25%.

An 'eligible entity' for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of

the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

b. Formula for calculating the 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement:

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula stated above.

c. Type and number of Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue the following classes of quoted Equity Securities:

ASX Security Code and Description	Total Number
AVE: Ordinary Fully Paid	3,673,463,679
AVEOA: Options expiring on 10 May 2026	2,167,130,063

Specific information required by Listing Rule 7.3A

a. Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;
 - (b) the time and date of the Company's next Annual General Meeting; and
 - (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
- (10% Placement Period).**

The Company will only issue and allot the Equity Securities approved under the 10% Placement Facility during the 10% Placement Period.

b. Minimum Issue Price and Cash Consideration

The Equity Securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

c. Purposes of the funds raised

The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:

- (a) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
- (b) continued expenditure on the Company's current business and/or general working capital.

d. Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of this Meeting; and
- (b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The dilution table below shows the potential dilution of existing Shareholders calculated in accordance with the formula in Listing Rule 7.1A.2, on the basis of the market price of its quoted ordinary securities as at 9 April 2026 (**Current Share Price**) and the current number of ordinary securities on issue as at the date of this Notice.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.0045 50% decrease in Current Share Price	\$0.009 Current Share Price	\$0.018 100% increase in Current Share Price
Current Variable A 3,673,463,679 Shares	10% Voting Dilution	367,346,368 Shares	367,346,368 Shares	367,346,368 Shares
	Funds raised	\$1,653,059	\$3,306,117	\$6,612,235
50% increase in current Variable A 5,510,195,519 Shares	10% Voting Dilution	551,019,552 Shares	551,019,552 Shares	551,019,552 Shares
	Funds raised	\$2,479,588	\$4,959,176	\$9,918,352
100% increase in current Variable A 7,346,927,358 Shares	10% Voting Dilution	734,692,736 Shares	734,692,736 Shares	734,692,736 Shares
	Funds raised	\$3,306,117	\$6,612,235	\$13,224,469

This dilution table has been prepared on the following assumptions:

- (a) There were 3,673,463,679 Shares on issue as at the date of this notice of Meeting.
- (b) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (c) No convertible security is exercised and converted into ordinary securities before the date of the issue of the Equity Securities.
- (d) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (e) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (f) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (g) The issue of Equity Securities under the 10% Placement Facility consists only of ordinary securities. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (h) The Current Share Price is \$0.009 being the closing market price of the ordinary securities on ASX on 9 April 2026.

e. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (b) the effect of the issue of the Equity Securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

f. Previous Issues under Listing Rule 7.1A.2

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rules 7.1A.2 at its 2025 AGM. Information about Equity Securities issued under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting is set out below:

- (a) The Company issued 317,346,367 Shares in the 12-month period preceding the date of the Meeting (representing 10% of the Equity Securities on issue at the commencement of such 12-month period).
- (b) These Shares were issued on 3 November 2025 at an issue price of \$0.005 per Share to institutional and sophisticated investors as part of the Placement.
- (c) The issue price represented a 23.1% discount to the last closing price of \$0.0065 prior to the Placement on 22 October 2025 and a 20.6% discount to the fifteen-day VWAP of \$0.0063 as at the same date.
- (d) The total cash consideration received in respect of these 317,346,367 Shares was \$1,586,731.84.
- (e) The funds raised were used to accelerate commercial manufacturing activities required for a future TGA submission and commercial supply, including:
 - (i) manufacturing of registration batches for formal stability;
 - (ii) manufacturing scale up to support commercial batch sizes and documentation to support a regulatory submission;
 - (iii) manufacturing and stockpiling of CBD TPM[®] capsules for use on a second cohort of patients on the phase III study;
 - (iv) costs associated with Phase III trial until the interim readout; and
 - (v) costs of the Offer and general working capital purposes.

The Company has not agreed before the 12-month period preceding the date of the Meeting to issue any Equity Securities under Listing Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Annexure A: Summary of terms and conditions of the Company's EIP

- The EIP sets out the framework for the offer of Shares, Options or Rights by the Company, and is typical for a document of this nature;
- in making its decision to issue Shares, Options or Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Rights having regard to a range of potential vesting criteria and conditions;
- in certain circumstances, unvested Options or Rights will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a "bad leaver" as distinct from a "good leaver";
- if a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Rights or Options held by the participant lapse and that any unvested Shares held by the participant be forfeited;
- in certain circumstances, Shares, Rights or Options can vest early, including following a change of control or other events of a similar nature (as defined in the EIP Rules);
- the total number of Shares (or, in respect of Options or Rights, the total number of Shares which would be issued if those Options or Rights were exercised), plus the total number of Shares which would be issued if all outstanding Offers were accepted and all outstanding Options and Rights were exercised or vested (as applicable) (and all outstanding Offers, Options and Rights under any other employee incentive scheme of the Company were accepted, exercised or vested (as applicable)) and the number of Shares issued during the previous three years pursuant to the EIP or any employee incentive scheme of the Company, must not, at any time, exceed the greater of the last specific number approved by Shareholders under the Listing Rules or 5% of the total number of Company Shares as at the time of the issuing of the Shares, Options or Rights.
- unless otherwise determined by the Board at the time of the Offer, Shares issued on the exercise of Options or Rights will rank equally in all respects with other Shares and the Company must apply for the quotation of such Shares;
- the Board has discretion to impose restrictions (except to the extent prohibited by law or the Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares;
- in respect of vested Options or Rights, if the Board becomes aware of an event which would have resulted in vesting criteria not being satisfied, such as a material misstatement in the Company's financial statements during the vesting period, any affected vested Options or Rights may be cancelled for no consideration;
- in the event of any reorganisation of the issued capital of the Company on, or prior to, the expiry of the Rights or Options, the rights of the relevant security holder can be changed in the discretion of the Board, including to comply with the applicable Listing Rules in force at the time of the reorganisation; and
- the Board is granted a certain level of discretion under the EIP Rules, including the power to amend the rules under which the EIP is governed and to waive vesting conditions, forfeiture conditions or disposal restrictions.
