EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the Shareholders of Meteoric Resources NL ABN 64 107 985 651 (**Company**) in connection with the business to be conducted at a General Meeting of the Company to be held at BDO Australia, Level 9, Mia Yellagonga Tower 2, 5 Spring Street, Perth WA 6000 on Thursday, 25 June 2026 at 10:00am (WST).

This Explanatory Memorandum should be read in conjunction with, and form part of, the accompanying notice. The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the same meaning given to them in the glossary as contained in this Explanatory Memorandum.

1. Resolution 1 – Ratification of Prior Issue - Placement Shares

1.1. General

On 22 April 2026 the Company advised it had received commitments for a placement of 235,294,118 new Shares pursuant to Listing Rule 7.1 (**Placement Shares**) at an issue price of \$0.17 to raise \$40,000,000 (before costs) (**Placement**).

Funds from the Placement will be used primarily to finalise the Caldeira Project Definitive Feasibility Study and Environmental Impact Assessment as well as land acquisition and development, drilling costs, pilot plant and laboratory costs and working capital.

The Placement was not underwritten. Canaccord Genuity (Australia) Limited and SCP Resource Finance LP acted as Joint Lead Managers and Bookrunners to the Placement and were paid fees of 6% on gross proceeds raised.

1.2. ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

The issue of the of the Placement Shares does not fit within any of the exception set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

By ratifying the issue of the Placement Shares, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 1 is not passed, the Placement Shares issued under the Placement will be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of such Shares.

1.3. Technical Information required by Listing Rule 14.1A

If Resolution 1 is passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 1 is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

1.4. Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Resolution 1:

- (i) the Placement Shares were issued to sophisticated, professional or other exempt investors, identified by the Joint Lead Managers. Given the stage of development of the Company, the jurisdiction of the assets and size of the placement, the Joint Lead Managers targeted specific institutional groups that would be comfortable with the risk profile of the Company and able to participate in the placement in material manner. None of the subscribers to the Placement were related parties of the Company. No other applicant was a member of the Company's key management personnel, a substantial holder in the Company, an advisor to the entity or an associate of any of these persons and were not issued more than 1% of the entity's current issued capital;

METEORIC RESOURCES NL
ABN 64 107 985 651
EXPLANATORY MEMORANDUM

- (ii) a total of 235,294,118 Placement Shares were issued under the Company's Listing Rule 7.1 capacity;
- (iii) the issue price was \$0.17 per Placement Share;
- (iv) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (v) the Placement Shares were issued on 29 April 2026;
- (vi) the purpose of the issue of the Placement Shares and the intended use of the funds raised under the Placement is summarised in section 1.1 above;
- (vii) the Placement Shares were issued pursuant to a co-manager appointment letter with the Joint Lead Managers, the terms of which have been summarised at section 1.1 above; and
- (viii) a voting exclusion statement is set out in Resolution 1 of the Notice.

1.5. Directors' Recommendation

The Directors of the Company believe Resolution 1 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

2. Resolution 2 – Ratification of Prior Issue of Shares

2.1. General

On 29 April 2026 the Company issued 3,000,000 shares to Canaccord Genuity (Australia) Limited and 3,000,000 shares SCP Resource Finance LP as part settlement of commission fees pursuant to the Placement (**Fee Shares**). Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Fee Shares.

As summarised in 1.1 above, Canaccord Genuity (Australia) Limited and SCP Resource Finance LP were appointed Co-Managers for the Placement. Commissions comprising a 1.0% management fee and a 4.0% selling fee on the Placement amount were paid by the Company. Canaccord Genuity (Australia) Limited and SCP Resource Finance LP agreed to take partial settlement of the commission fees owed in the form of Fee Shares.

2.2. ASX Listing Rules 7.1 and 7.4

A summary of ASX Listing Rule 7.1 is set out in section 1.2 above.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under those rules.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

2.3. Technical Information required by ASX Listing Rule 14.1A

If Resolution 2 is passed the Fee Shares issued will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 2 is not passed, the Fee Shares issued will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

2.4. Technical Information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 7:

- (a) A total of 6,000,000 Fee Shares were issued to Canaccord Genuity (Australia) Limited and SCP Resource Finance LP who are not related parties of the Company nor members of the Company's key management personnel, a substantial holder in the Company, an advisor to the entity or an associate of any of these persons and were not issued more than 1% of the entity's current issued capital;
- (b) the Company issued 6,000,000 Fee Shares pursuant to existing capacity available under Listing Rule 7.1;
- (c) The Fee Shares were issued to Canaccord Genuity (Australia) Limited and SCP Resource Finance LP pursuant to a Co-Managers agreement for the Placement where the Company agreed to pay commissions comprising a 1.0% management fee and a 4.0% selling fee on the Placement. In addition the Company subsequently agreed to partially settle commission fees owed to Canaccord Genuity (Australia) Limited and SCP Resource Finance LP totalling \$274,000 by issuing shares at the Placement price;

METEORIC RESOURCES NL
