ASX RELEASE

Appointment of New Managing Director – Paul Polito

Platina Resources Limited (ASX: PGM) (“Platina” or “the Company”) is pleased to announce the appointment of Dr Paul Polito to the position of Managing Director and CEO, commencing 20 July 2026.

Dr Polito is a highly experienced Geologist and exploration leader with more than 30 years’ experience in exploration and geoscience, mine geology, mine development and finding and assessing business development opportunities.

Paul holds a Bachelor of Science majoring in Geology with honours and a Doctor of Philosophy majoring in Geochemistry. Paul was also a post-doctoral Research Fellow at Queens University, Canada. Paul’s experience includes chief geoscience and chief exploration roles at IGO Limited and Anglo American Exploration.

The writer of more than 30 published technical papers, Paul is also a Member of the Australian Institute of Geoscientists, the Society of Economic Geologists, the Geological Society of Australia and the Society for Geology Applied to Ore Deposits.

Paul is based in Perth reflecting Platina’s current focus on its Western Australian gold focused tenements.

Platina Chair, Mr Brian Moller said “the Platina Board are excited to welcome Paul to our team. We feel that Paul has the ideal skill set to drive the Company forward, and we look forward to working with Paul in driving value for all our shareholders.”

The key terms of Dr Polito’s executive services contract are included at Appendix 1. Dr Polito’s compensation package is structured to align his total reward with share price growth and the delivery of key operational and commercial milestones which will create long term value for the Company and its stakeholders.

The current Managing Director and CEO, Mr Corey Nolan will step down as a director but will continue in his current role as CEO until Dr Polito commences.

Platina Incoming Managing Director, Dr Polito said:

“I look forward to working closely with the Board and the Platina exploration team to realise the genuine discovery opportunity across Platina’s tenements, and I am excited by the prospect of leading the Company as we work to convert those opportunities into long term value creation for shareholders”.

This announcement was authorised by the Board of Directors.
