

ASX Announcement

29 May 2026

ASX:FDR

Closing of Share Purchase Plan

We refer to the Share Purchase Plan announced on 30 April 2026 (**SPP**). The SPP closed on 27 May 2026 with no shares to be issued under the SPP and any application monies received to be refunded in full in accordance with the terms of the SPP offer set out in the SPP offer booklet released to ASX on 6 May 2026.

As no funds will be raised under the SPP, the allocation for working capital and general corporate purposes in the use of funds included in the announcements released to ASX on 30 April 2026 will be reduced accordingly. The company does not expect this to have any material impact on the execution of its planned work program or its ability to achieve key KTJ Project milestones.

This ASX announcement has been authorised for release by the Board of Finder.
