IDP Education Limited - Response to ASX Aware Letter dated 29 May 2026

We refer to your letter dated 29 May 2026 (the **ASX Aware Letter**) and set out the response of IDP Education Limited (**IEL**) to the requests for information made in the ASX Aware Letter, using the same numbering.

1. Is IEL aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

Response: The Company is not aware of any information concerning it that has not been previously announced to the market, which, if known, could explain the recent trading in its securities.

2. If the answer to question 1 is “yes”.

(a) Is IEL relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in IEL’s securities would suggest to ASX that such information may have ceased to be confidential and therefore IEL may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.

(b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

Response: Not applicable.

3. If the answer to question 1 is “no”, is there any other explanation that IEL may have for the recent trading in its securities?

Response: A research analyst issued a new equity research report late in the evening of 28 May 2026 which reduced their price target. This may explain the recent trading in IEL securities.

4. Please confirm that IEL is complying with the Listing Rules and, in particular, Listing Rule 3.1.

Response: The Company confirms that it is in compliance with the Listing Rules, in particular Listing Rule 3.1.

5. Please confirm that IEL's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of IEL with delegated authority from the board to respond to ASX on disclosure matters.

Response: The Company confirms that IEL's responses have been authorised and approved in accordance with its published Continuous Disclosure Policy.

Yours sincerely

Ashley Warmbrand

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, IEL's obligation is to disclose the information 'immediately'. We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts and Voluntary Suspensions*.

Suspension

It should be noted that IEL's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A. The usual course is for correspondence to be released to the market.
