

## Investor Update Webinar

**Melbourne, Australia: Bio-Gene Technology Limited (ASX:BGT or 'Bio-Gene' or 'the Company')**, an Australian company developing new insecticides derived from nature to achieve high impact worldwide, is pleased to announce that it is hosting an investor webinar to provide an update on the Company's activities following its announcement of a \$3.27 million Placement and partially underwritten Share Purchase Plan (see ASX announcements dated 26 May 2026 and 2 June 2026).

The webinar will take place at **9:30am AEST on Thursday 4 June 2026**, with Bio-Gene CEO & Managing Director Tim Grogan delivering a presentation before holding a question and answer session.

Shareholders, investors and interested parties are encouraged to register to attend the presentation at the following link: [https://us02web.zoom.us/webinar/register/WN\\_yY-cNr06T42iOih7MtdtHA](https://us02web.zoom.us/webinar/register/WN_yY-cNr06T42iOih7MtdtHA)

A recording will be available at the above link shortly after the conclusion of the live session, and the replay will also be available via the Company's website and social media channels.

Questions can be submitted on the day or sent in advance to: [matt@nwrcommunications.com.au](mailto:matt@nwrcommunications.com.au)

Approved for release on ASX by Bio-Gene Board of Directors.

### **About Bio-Gene Technology Limited**

Bio-Gene is an Australian company developing novel bio-insecticides to address the global challenges of insecticide resistance. Its unique products are based on a naturally occurring class of compounds proven to overcome insecticide resistance to control pests with minimal impact on human health and the environment.

Bio-Gene's products have multiple applications across crop protection, grain storage, public health and consumer uses. They provide new options derived from nature to meet market demand for effective and safe pest management solutions.
