R&D Tax Incentive

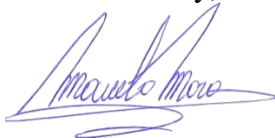

Biotron Limited (ASX: BIT) is pleased to announce that it has received an R&D Tax Incentive rebate of \$525,869 for the 2024/25 financial year.

The R&D Tax Incentive is an Australian Government program under which companies receive cash rebates for 43.5% of eligible research and development expenditure.

The R&D Tax Incentive rebate results from Biotron's expenditure on its antiviral drug development programs.

This announcement is authorised for release by the Managing Director Dr Michelle Miller.

Yours faithfully,

Marcelo Mora
Company Secretary
